For a person to put his thoughts into words is a difficult task if you were to remember that that person is a troglodyte who is therefore more psychically inclined than his urban contemporary.

America will soon face a downfall so abysmal that she will never recover from it. This statement is based on several observations and incidents that the winter experienced.

The Marxan politician leads his people through any course that he wants them to - this is possible because the people ~~to~~ lack the initiative, ~~or~~ are indifferent to the actions of their leaders - Their leaders say: you have the right to speak against your govt, ~~to~~ and support it's changeover - but remember, - ~~that~~ Democratic means Only - if otherwise, we will blast the hell out of you - and besides, you wouldn't want to do anything like that, it is stupid costly and wasteful. Just let us run the country hire our relatives to work for us - and earn fat checks.

we know what we are doing in
viet Nam - we're keeping the
economy going through our war spending -
we will keep busy here working
on pragmatic matters. To impress you -
all what we really want to do is
fuck you ~~as~~ up - get fat and then
quit.

Well, my solution to this type of
government that is to do away
with its leaders - and declare
anarchy the best form of govt - or no
govt.

~~I contend that what is most democratic
is to shoot a president~~

the President is your best friend until
he gets in power then he is your
~~most explosive fucker~~ suck every
drop of blood out of you - just and
if he doesn't like you - you're dead.

A List of Grievances against U.S. and its decade of "Freedom and Justice for all" and et al

Definitions: Per Webster's Dic.

Freedom: "a being free, a political Liberty, a being ^{able} to act, use, etc, without hindrance, frankness.

Justice: A being righteous, fair, rightfulness -

the use of authority to uphold what is right.

The administration of law. do Justice, to treat fairly as with due appreciation.

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that generate within me.

personal def. of

(Per a citizen of U.S)

- ① Freedom is but an imaginary and an allusive concept ~~granted the American people~~ of political life granted the American, sheep like bourgeois masses, by their selfish, (capitalistically permissible) sinister, and power hungry (whether democratically given to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~also~~ lobbyists) who are ~~in~~ in turn treated the same way - by lesser power hungry (political + economic), patriotic (understated) individuals (bastards)

Editorial by Geo. Putnam

Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically etc) We will use some of the loopholes — that we have constructed in our legislation, (which by the way — we established with or without your ^{concept} ~~total~~ — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con~~ that concern them, not their appointees in Congress (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of)

A Declaration Against Un-
when in the course of human events
it has become necessary for me to
explicate and seek revenge for all the
inhuman treatment that
incurred by those who committed
against me by the American people.

the manifestation of this Declaration will
be executed by its purport (2)
as soon as he is able to forward
a sum of money (\$2,000) and to
acquire some firearm - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~the~~ the President, vice,
etc - down the ladder.

The time will be chosen by the
author at the convenience of the
accused.

the method of assault is imma-
dal - however the type of
weapon used - would improve
if someone's.

the ~~as~~ author believes that
many in fact multitudes of people
are in harmony with his
thoughts and feelings

the conflict and violence in the
world subsequent to the ~~en~~
enforcement of this decree,
shall not be considered lightly
by the ~~sup~~ author of this
memoranda, rather he hopes
that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by historians
as the man who triggered off
the last war -

life is ambivalence

life is a struggle

life is wicked

if life is in any way otherwise, I have
never seen it

I always seem to be on the losing end
always the one exploited - to the
