INFORMATION: (WHO, WHAT, WHEN, WHERE, WHY & HOW)

Bailey, a reporter for the Minneapolis Tribune, was in the Colonial Room for the 30 minutes prior to the shooting of Senator Kennedy.

- He received word from one of the Kennedy press aids, that Kennedy would go to the Colonial Room after his speech. He watched the speech on T.V. and was standing in the Colonial Room approximately 10 feet from the kitchen door when he heard shots.

Bailey's first impressions of the noise, was a person banging a tin tray against something, but by the time he heard the fifth noise, he was sure it was shots.

Bailey and two or three others charged into the kitchen, and had some trouble getting through the crowd. He observed a fight over a steam table and saw a hand sticking out of the melee, with a gun in it. He was not able to see the suspect. He saw Kennedy lying on the floor, and went into the Colonial Room to call his paper.

Bailey tried one phone in the press room and found it dead. He went to the phone booths in the alcove by the Controller's office and was phoning when he saw a suspect brought by the phone booth by two or three officers.

This suspect was wearing grey sport clothing and was taken down the stairs to the Security office. He does not know if it was the suspect from the kitchen. (INVESTIGATOR'S NOTE: This sounds like MICHAEL WAYNE I-1096).

Bailey did not see Sirhan prior to the shooting. He did not see a girl in a polka-dot dress. He did not have a camera. He has been interviewed by agent Wilkinson, Wash. FBI office. He has made statements to the paper he works for.

bearing* on this inquiry. McDonald should likewise be interviewed relative to how he obtained this photograph.

New York should immediately locate Steve Schapiro who allegedly took photographic work for the "New York Daily News" to determine if other photographs were taken to determine if this was one of a series of photographs taken at the Los Angeles International Airport. The date this photograph was taken should also be ascertained.

Los Angeles should immediately determine insofar as possible if the individual in this photograph is Sirhan Bishara Sirhan. If so, all logical investigation should be initiated in order to develop this aspect of our investigation. Attempts should be made to identify those individuals in the area and interviews should be conducted with individuals who were known to be at Los Angeles International Airport on the date this photograph was taken.
