SURVEILLANCE REPORT

January 25, 1968

MR. SIRHAN was spot checked from 1:30 p.m. to 4:30 p.m. on this date. Including travel time, three and one-half hours were spent on this assignment this date.

The following is a brief summary of this date's spot check.

1:30 p.m. Upon arriving at MR. SIRHAN'S residence in Pasadena, we attempted a direct contact. The door was answered by MR. SIRHAN'S mother, who proved friendly and related the following information.

MR. SIRHAN is currently employed, but his hours are quite irregular at this time. His mother had no idea where he worked since he had told her it was none of her business. She went on to say that he had attempted to return to work as an exercise boy, but was unsuccessful, due to lack of seniority.

After learning the above information, the contact was ended. Since MR. SIRHAN'S mother had stated that his hours were quite irregular, we took up a position of surveillance, assuming he might return at any time.

4:30 p.m. Since MR. SIRHAN had not returned, and further surveillance seemed unwarranted, we discontinued

on this assignment for the day.

This information was telephoned to you. We will place MR. SIRHAN under early morning surveillance.

January 26, 1968

MR. SIRHAN was placed under surveillance from 4:30 a.m. to 11:30 this date. Including travel time, eight hours were spent on this assignment this date.

The following is a brief summary of this date's surveillance.

4:30 a.m. Surveillance commenced.

8:52 a.m. A man, fitting MR. SIRHAN'S description, departed the residence driving a Volkswagon. We followed him to the United Picture Frame Company, where he parked and entered the building, going out of view. As he was walking towards the building, we exposed 30' of 16 mm color film of this activity.

After he had entered the building, we made a Department of Motor Vehicles check of his vehicle. It proved to be registered Adel B. Sirhan. We then made an employment verification at the frame company, and it was learned that Adel Sirhan did work there. We then placed a phone call to MR. SIRHAN'S residence, and verified his presence at home. It was also learned that the man the investigator followed and photographed was MR. SIRHAN'S brother. They are apparently very similar in appearance.

We then returned to MR. SIRHAN'S residence and resumed surveillance.

9:50 a.m. MR. SIRHAN was first observed, as he was running down the sidewalk. As he ran, we exposed 15' of color film. MR. SIRHAN appeared to move in a free and easy unrestricted manner.
