Dear Allen,

Yes I am interested in your story and I would like to talk to you about this.

Any chance that you'll be in New York during May? If so, let me know when in advance and I'll arrange to be around when you come.

As you know after reading my book, I had more than a simple feeling that others had worked with Sirhan on this -- and that I was pretty non-plussed about the failure of the authorities to pursue the investigation.

I wonder what your best guess is. Why did Sherer tell you to cool it?

Best regards,

Robert Blair Kaiser

Dear Bob,

I would very much enjoy meeting you in New York in May, that being my favorite month for Fun City. However, due to recent developments I will be confined to a limited area for another 8 months, unless certain appeals to a higher authority are successful.

I evidently neglected to tell you I was in the custody of the U.S. Dept. of Justice, a condition that has prevailed since August 26th of last year. It seems they suspected me of attempting to move money out of Mexico to certain bank accounts in the U.S. There were rumors my acts were affiliated with people interested in "laundering boot" designated for election campaign purposes. I had been held without bail for eight months and a few weeks ago made a deal with our magnanimous Justice Dept. to plead to a minor charge in return for a two year sentence. I had also agreed to take no further action against the government but I had my fingers crossed at the time. At the most, I do another 8 months, but if things break the way they are supposed to, I should get this off my back by August. I expect to be removed to the Fed. joint at Danbury, Conn. within the week. Of course all this is no concern of yours, but it does explain why I will have to forgo a bock beer at Luchows this spring.

Now, regarding the Sirhan thing, I did pick up your doubts that the RFK murder was the act of one man. Absolutely ridiculous to assume it was! I was not non-plussed about the reluctance of the authorities to act after conversations with members of the LAPD Intelligence Division. I

had done a lot of business with people from that organization over the years and developed an extremely close relationship with some of them. They had relayed my tip to the FBI and evidently left it up to them to come up with the answers, and considering that the FBI was in charge of the investigation, and further considering the tremendous animosity that exists between the rival groups, did nothing to assist the feds in putting the pieces together. They would not reveal to the feds who their source of information was, knowing the problems I had going with the FBI at the time. In January, 1968, I had been before the President's Crime Comm. in Buffalo, N.Y. and had a real brawl with them over my taking the 5th and being permitted to by the federal judge. This was a trial of Mafia bosses and the FBI became so perturbed at my refusal to testify they released a story to the press that I had made certain taped conversations with "family members" and had turned them over to the law. Pure BS, but it reflected the bitterness of our relationship. Therefore, the LAPD people, due to the combination of the way they feel about the feds, and the way they knew I felt, candidly said, fuck them, and made no move to bring the facts to light. That was the first impression I received from Sherer and company.

Later I was told, at a time we were all doing some imbibing and they were loose, that they knew goddam well I had the key, but the word had come down to let Sirhan swing alone for the killing. I don't know how much experience you have with these specialists, but when it all boils down to the nitty-gritty they take the path of least resistance, and do as they are told. They are all conservatives and do not deviate from that line when the "club" passes out the word. Everyone of them was a Nixon man. In the light of recent developments, all the conclusions I had arrived at in 68, are now frighteningly manifested. I think the object was to get it to hell out of the way the eas^{ing}est way possible, without there

remaining a lot of loose ends to further immortalize the name of RFK and giving the Demo candidate the advantage of public sympathy and/or outrage that could result from evidence he was the victim of a conspiracy against the American people with RFK the representative thereof. Understand?

The primary objective was to get Nixon elected. To further confuse the picture as I see it now, James McCord was there on the coast in 68, and Sherer met with him! Why? He was CIA then.

Bob, there are many things I cannot bring myself to put into writing, so many things, some fact, some conjecture, but all so relevant to a picture I believe is somehow all tied together. If we ever get the chance to sit down and swap ideas, because I'm sure you came onto some things that perplex you, it would be like a puzzle that we may make fit. Some of the cops on the west coast are past retirement time and if ~~xx~~ they are off the force, I know they will relax more and give me the answers I need. I don't know what the hell good it can do now, but it should prove interesting, anyway.

If there is anything about me that needs verifying, I suggest you reach Austin (Rocky) Kalish, at the screen writers guild in L.A. We've been buddies for 29 years, and he will tell you I'm for real. I say this, due to the overwhelming interest taken in me and who I talk to by the various federal police agencies. They like to discourage my conversations. Rocky has been trying to get me to "tell all" for publication for years. Let me know your location and maybe in a few months I'll let you buy me one.

Sincerely yours,

Allen Fitzgerald

GOD says, Meddle not with them that are given to change. (Proverbs 24:21)

Bated breath, debate, the bate: Bated Questions.

Robert refused in Oregon because of not enough Satan-Latin, Cuba Catholic pushinns, and Jew "Blue card" Mexican Catholic dragnet into U.S.A.

Now: Come into my Catholic California web says Robby spider.

A lying tongue, sly speech, and eloquent orator can take either side and convince the simple.

GOD says, The simple believe every word. (Proverbs 14:15)

A Catholic will vote Catholic - right or wrong. - just or unjust. Pope puppet Communists. Catholics want Pope-Rome to run and ruin U.S.A. No free speech - Poverty as in Mexico, South America, Spain, and Italy. Catholic Republicans still vote Pope behind the Pope vote booth curtain. Pope Pious spys.

Poverty system - L.B.J., to Catholic Luci, to priest confession booth, to Pope Pie USA. Spy for Pious.

All money roads lead to Rome. Rome is unamerican.

Lincoln killed by Booth - Catholic confession Booth. Popes orders. Amelia Earheart - blame Japs. Atomic sub, blame Russia. air crashes - blame innocent. Titanic sinking: S.S. California refused SOS rescue and stood 10 miles off. (Luke 10:31) - priest passed by on the otherside of the wounded man.

GOD says, A poor man is better than a liar.

GOD says, A good name is rather to be chosen than great riches.

GOD says, Choose ye this day whom ye will serve.

GOD says, There is nothing hid that shall not be made Manifest.

The reason so many need glasses is the doctor use boric acid on baby's eyes., and printing is deliberately too small. Note Boris Carloff's eyes. Rome tell you in many ways of their deliberate destruction of our bodies for Doctors and medication merchants, etc. Rev. 18:3 and 24.

GOD says, Studdy is wearyness of the flesh. Eyes are flesh.

GOD says, Ever learning and never able to come to knowledge of the truth. Yet Million think higher education is a must. Taxes.

GOD says, GOD shall bring every work into judgement, every secret thing, whether it be good, or whether it be evil.

Do you know some Republican or Democrat headquarters that you could send a Biblegram?

The trouble in France is to call attention to the veit conference to stop the war but the Jew's news lie and make us believe it's against DeGaul. Pope's Luck of the Irish start roits and blame them on whoever they desire.

GOD calls the Jew Treacherous (teacher). God Divorced the trecherous Jew before the treacherous Jew wrote the New (Jew) testament. There angels recieved their wings, Baptim was invented, and sins of the old testement were nollified, such as stoning the whore, etc. Now, The mot her that rocks the cradle ruins the world.
