[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.
14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris -- I'll use the same green pen and tell her who I am.

The youth of the entire world is grateful to John and Bob Kennedy. May they live in eternal glory, and may the black soil in which they rest forever be light to them.

Long live Ted Kennedy, the avenger of his brothers.

In 1972, we shall triumph together. Keep this letter and follow it exactly. [On reverse of envelope] I am poor and have no money to buy a stamp. Forgive me, brother Ted. [On picture] My deepest sympathy to the Kennedys. 1968. An anonymous Serbian.

STOKIC, Djura.

Official French police records reflect that STOKIC, Djura born 28 April 1931 at Dolovo, Yugoslavia is unmarried.

A Serbian Nationalist, STOKIC claims to be supporter of the reestablishment of the monarchy in his homeland.

Manifestly obsessed with Yugoslav political problems, he often reads to his compatriots, some letters which he is addressing to the high dignitaries of the actual Yugoslavian regime, even to the Yugoslavian Ambassador in France. In these letters, STOKIC, denounces with violence the "Regime Concentrationnaire de la Yougoslavie". These letters are oft-times incoherent with vague threats.

Concerning his private life, this foreigner is unfavourably noted in the Records of the Prefecture de Police. He is generally reported as unstable in his job, hot-headed and poses as a homosexual. He lives with a Russian citizen YARESKO, Michel, born 8 Oct. 1898 at Tchensockoff, a butler, well-known for his peculiar mores ("moeurs speciales").

Your attention is directed to the fact that while this report bears no security classification its contents are of a personal nature and should be handled on a need-to-know basis and must be secured accordingly.

NOTE

U. S. SECRET SERVICE
AMERICAN EMBASSY,
PARIS, FRANCE

SUBJECT: Information concerning the Yugoslav national, Djura STOKIC.

Djura STOKIC, born on April 26, 1931 at Dolovo, Yugoslavia, son of Zorco and Julijana ZIVANOV, Yugoslav national, is employed with the "Bar Cleaning" establishment, 18, Rue Chaussee d'Antin, Paris 9. He resides at 23, Rue Guillaume Tell, Paris 17.

STOKIC entered France on January 21, 1963. He is considered to be of good repute by his circle of friends. He is the holder of a residence permit valid until 3-18-67 and of Political Refugee Card No. 112-460/5626.

STOKIC is very well thought of by his employer; he is a hard worker, sober and honest.

However, following a demonstration, he was taken to the Psychiatric Institution of the Prefecture de la Seine in May 1965 and was then transferred to the Psychiatric Hospital of Ferrey-Vaucluse, Seine et Oise, where he stayed for two months.

STOKIC shows temporary signs of abnormality, relating that his uncle is a minister; that his father was a superior officer in the National Yugoslav army, but compatriots from the same district confirm that he comes from an agricultural family. However, STOKIC is widely knowledgeable. He can read but not write French. He appears to have a rather strong leaning towards writing to certain Heads of Foreign States.

He is in letter contact with some of his compatriots and is said to correspond with Vladimir ZOCHEVICH, 1913 W Schiller Street, Chicago 22, Illinois.

In general, Djura STOKIC is not subject of bad information and despite his occasional mental deficiency, is not considered as a dangerous person.

Djuro Stokic

Reference is made to your memorandum of July 24, 1968, enclosing a photograph and letter in the Serbo-Croatian language - Cyrillic script, received by the Embassy in Paris.

Due to the handwriting, a complete translation cannot be made; however, portions of the letter indicate subject to be possibly a mental case. The photograph attached to the letter is that of the subject. It is to be noted that the letter is dated January 22, 1968, at Paris, and signed "Long live Djuro Stokic, the Jew."

The first sentence of the letter indicates that subject plans to get even with President Johnson by stealing his wealth. He also claims to have a list of names of 13 American millionaires, the first being President Johnson and the 13th Governor Nelson Rockefeller. Subject claims he has been forced to this action because President Johnson is responsible for his being turned down a thousand times for a visa to enter the United States. Subject also claims that women and other people are always looking at him and following him. Subject states that, although he likes women, he loves money, "dollars," more.

Our Paris records contain no information identifiable with the subject.

In view of the threat against President Johnson, the original letter and photograph are being furnished to Mr. John H. Hanly, U. S. Secret Service, Paris.

A copy of the letter and photograph are also being furnished to the Visa Section in view of the statement by

ReBulet to Paris 8/16/68, enclosing copies of anonymous communication dated 6/11/68 at Paris, France, addressed to Senator EDWARD KENNEDY, and the translation of this communication.

By referenced letter, Paris was requested to attempt to identify the author of the above-mentioned letter..

For information of the Bureau and Los Angeles, the Paris Office recently received from CIA, Paris, a photograph and letter in the Serbo-Croatian language (Cyrillic script). A partial translation of this letter identified the writer as DJURO STOKIC. As the letter alluded to a threat to President JOHNSON, the original letter and the photograph were furnished to the Paris office of the Secret Service.

Enclosed for the information of the Bureau and Los Angeles is one copy each of Paris letter dated 8/7/68 to ALS (CIA), with copies to Secret Service and Visa Section, American Embassy, Paris. Enclosed for the Bureau is one copy of the Serbo-Croatian letter dated 1/22/68 at Paris, with photograph of DJURO STOKIC.

It is to be noted that there are numerous similarities between the letter written to Senator KENNEDY and the STOKIC communication. Both of these letters were written in the Cyrillic script of the Serbo-Croatian language and both enclosed photographs. Both letters alluded to the fact that

the writer had been refused a visa to immigrate to Chicago and both letters ended with the words "long live" (ziveo). In the letter to Senator KENNEDY, the author stated he had been born in the same year as the Senator. It is to be noted that Senator KENNEDY was born 2/22/32, while STOKIC, according to information contained in Paris Secret Service file, is listed as having been born 4/26/31 at Dolovo, Yugoslavia.

Enclosed for the information of the Bureau and Los Angeles is one copy each of Secret Service, Paris, report and American Embassy, Paris, Visa Section memorandum dated 5/26/66 pertaining to STOKIC. It is to be noted that the source of the Secret Service report is the Police Judiciaire (Criminal Police), Surete Nationale, Paris, and that it denotes that STOKIC had been placed in a psychiatric hospital in France in 1965. This same report also states that STOKIC appears to have very strong leanings toward writing letters to certain heads of foreign states.

STOKIC's visa file at the American Embassy, Paris, reveals that his application for an immigrant visa to the United States was rejected as he was found medically ineligible, class "A." According to the Visa Section, classification "A" is a classification given on the basis of mental or physical inability seldom overcome.

Based on the information set out in this letter, it is believed that the author of the letter to Senator KENNEDY may be possibly identical with DJURO STOKIC.

The Bureau is requested to have the FBI Laboratory make a comparison of the handwriting between the letter addressed to Senator KENNEDY, dated 6/11/68, with those written by STOKIC, dated 1/22/68, and the one STOKIC wrote in 1966 on the front and back of a World Council of Churches letter dated 5/24/66. Copies of these three letters are enclosed.

It is to be noted that the original STOKIC letter of 1/22/68 was furnished to the Paris office of the Secret Service on 8/7/68 and they have, in turn, forwarded this letter to their headquarters in Washington. The original STOKIC letter of 1966 is located in the American Embassy, Paris, visa file.

In addition to the Laboratory comparison, the Bureau is requested to determine from Secret Service headquarters in

PAR 62-204

Washington, D. C., if the photograph or picture enclosed with the letter to Senator KENNEDY (see page three, next to last line of translation letter) was that of the author. In the event this was the case, the Bureau is requested to compare the photograph of STOKIC with that contained in the letter to Senator KENNEDY.

A copy of the translation of the letter to Senator KENNEDY has been furnished to the Ambassador's office in view of information that the author plans to contact Mrs. SHRIVER in the future. Copies of this same communication were also furnished to the Secret Service, Security Office and the Visa Section of the American Embassy, Paris.

For the assistance of WFO, there is attached a translation from Serbian of a communication dated June 11, 1968, Paris, France, from "an anonymous Serbian." There is also attached a copy of a letter from Legat, Paris dated 8/29/68 and enclosures thereto dealing with this matter.

It is requested that Secret Service be contacted and a determination made as to whether the photograph contained in the 1/22/68 letter to President Johnson from Djuro Stokic is identical with the photograph that apparently was enclosed in the 6/11/68 anonymous communication. It is noted that Secret Service did not furnish a photograph in its referral to the Bureau.

Copies of the above-referred-to material are likewise enclosed for the information of the Los Angeles Office.

An examination is being conducted by the FBI Laboratory of the handwriting in both communications and you will be advised of the results.

SUBJECT: STOKIC, Djuro aka: Duro or Djura

POLICE FILES CHECK

STOKIC, Djuro, the subject of the attached memorandum from Mr. Philcox, Legal Attaché, was identified as being STOKIC, Djura or Djuro, born April 26, 1931 in Dolovo, Yugoslavia, son of Zarko and Juliana Zizanov STOKIC.

He came to France on January 21, 1963, bearer of Yugoslavian passport # 312193 issued in Fuzia, Yugoslavia, on June 22, 1962.

Since his arrival in France SUBJECT has worked from time to time in large concerns such as the Simca Automobile Works, with cleaning contractors, and even at the Préfecture de Police Snack Bar as dishwasher. However, it can be said that he has lived mostly from his wits, only keeping a regular job during short periods when he could not do otherwise.

An ultra-Serbian nationalist, partisan of the re-establishment of the monarchy in Yugoslavia, he for that reason joined the Mouvement National Yougoslave RAVIN GORA, of monarchist trend, with premises at 123 Bld. Davout, Paris 20. He also is a member of the National Serbian Committee in Exile, an extremist organization with headquarters at Chicago, but which is forbidden to operate in France by Order of the Minister of the Interior dated August 2, 1962.

However, the violence of his speech, his continual threats and provocation toward many political personalities, has resulted in STOKIC being kept at a distance by most of his compatriots who fear the consequences of a too boisterous action. STOKIC in fact shows himself above all to be an exacerbated anti-communist to the point where he is considered not to be in his right mind.

He was interpellated by the police on the Champs Elysees, Paris, on April 24, 1965, when waving a placard representing de Gaulle, Petain, Goldwater, and Brigitte Bardot.

Examined by a psychiatrist, he was interned as schizophrenic paranoid and politically delirious in an asylum at Vaucluse, near Epinay-sur-Orge. He came out of that asylum on April 16, 1966.

He then continued to send numerous letters to Chiefs of State and known international personalities.

During 1965 he adhered to the extreme right-wing movement called "Occident" ("West"), which was created during 1964 and operated by Pierre SIDOS, ex-protagonist of "Le Jeune Nation" ("Young Nation") mouvement.

Briefly, his violent anti-communist opinions, added to his unbalanced mental state, make this foreigner liable to a more or less outstanding hostile act at the time of international political events.

He is looked-upon most unfavorably in his private life. Well-known as a homosexual, he 'cohabits' with a Russian refugee named Michel YARESKO, born on October 8, 1908 in Tchenscokoff, USSR, Maitre d'Hotel, also well-known to the Special (Morality) Section of the Paris Police.

STOKIC was interpellated on February 22, 1967 for public exposure (when exhibiting his sexual organs in a public place). Brought before the 24th Chamber of the Seine Tribunal, Paris, on February 23, 1967, he was sentenced to 3-months' imprisonment.

An Expulsion Order was issued by the Ministry of the Interior on January 19, 1968. However, it appears that on intervention of the French Office for Refugees and Stateless Persons, Paris, a new Order was issued on May 13, 1968 revoking the previous Order.

On June 7, 1968 STOKIC was granted temporary permission to stay in France (four months) enabling him either to find work, to quiet down more normally, or to leave France.

On August 5, 1968 he applied for a visa to go either to the USA, to Japan or to Israel. When making that application he stated he was domiciled at 28 rue Guillaume Tell, Paris 17, where he shares a room with the above-mentioned Yaresko.

Re: KENSALT

FBI File No. 62-587

Lab. No. D-680918067 AT

Specimens received 9/17/68

- Qc33 Photocopy of two-page handwritten letter dated 6/11/68, bearing message in Serbo-Croatian language (copy of original letter previously submitted)
- Kc23 Photocopy of two-page letter dated at Paris, 5/24/66, bearing purported handwriting of DJURO STOKIC
- Kc24 Photocopy of two-page letter in Serbo-Croatian language, dated 1/22/68, purportedly written by DJURO STOKIC, and attached copy of photograph, alleged to be that of the writer

Result of examination:

It was found that the purported writing of DJURO STOKIC appearing on the submitted photocopies designated Kc23 and Kc24 is entirely too indistinct to permit a suitable comparison with the questioned writing on the two-page letter designated as Q33. Specimen Q33 is the original letter for the photocopy Qc33. Q33 and the envelope in which it was mailed, designated Q32, are described in FBI Laboratory report dated 8/23/68, a copy of which was furnished to the Director, U.S. Secret Service, Washington, D.C. Photocopies of Q32 and Q33 were furnished with FBI Laboratory report of 8/23/68.

Due to the indistinctness of the writing on Kc23 and Kc24, a definite conclusion was not reached whether DJURO STOKIC wrote the questioned writing on Q32 and Q33. Certain handwriting characteristics were noted in the purported known writing of DJURO STOKIC on Kc23 and Kc24 which are consistent with handwriting characteristics in the letter designated as Q33. These consistencies in handwriting characteristics indicate that Q33 may have been written by DJURO STOKIC.

The submitted material is being retained in the FBI files.

1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionists Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionists terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionists state with military aid as munition jets so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). The as Palestinians are ready to die for our beloved country (Palestine) and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing, and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed by Palestinian Commandos to destroy every American Politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

On 10/28/68, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon.

Copies of the attached are forwarded for the information and assistance of Los Angeles. An effort is being made through Bureau liaison to obtain the original or a more detailed copy. The Laboratory is conducting examination of the signature in order to determine if it was, in fact, that of Sharif Bishara Sirhan.

Inasmuch as the communication may constitute a possible violation of the Extortion Statute Los Angeles should initiate immediate investigation in order to determine whether it was in fact prepared by Sharif Sirhan. Consideration should be given to conducting an immediate interview of the suspect.

Expedite and advise Bureau of results.

For the information of the Bureau, in addition to the handwriting samples of members of the family taken by Agents of this office, there are additional documents on file at the Pasadena, California, Police Department and at the City of Pasadena Welfare Department containing the signatures of SHARIF SIRHAN and SAIDALLAH SIRHAN. The most recent of these is a receipt for welfare funds given to SHARIF and SAIDALLAH SIRHAN dated 11/4/68. The second is a handwriting sample card made out in the name of SHARIEF B. Xerox copies of these documents are enclosed. The Bureau is requested to advise Los Angeles if the originals of these documents should be obtained at this time.

For the information of the Bureau, on 11/8/68 Lieutenant GERALD WRIGHT, Pasadena Police Department, Pasadena, California, advised that there is a deep and bitter rift in the

SIRHAN family between SAIDALLAH and SHARIF SIRHAN, who are living apart from the family home, and the mother, MUNIR and ADEL SIRHAN. Pasadena police officers who have been guarding the house on Howard Street have reported that several days ago SAIDALLAH SIRHAN appeared at the house and was refused entrance by his mother. He allegedly threw a fit of temper, screaming at her and accusing her of having money and not dividing it with SHARIF and himself. Lieutenant WRIGHT indicated he has arranged some welfare payments to SAIDALLAH and SHARIF on the basis of their contention that they could not work under their present circumstances.

At the time of the interview of SHARIF SIRHAN on 11/7/68 it was noted that SAIDALLAH SIRHAN, who was present, had been drinking. Later the same evening, about 10:00 P.M., SAIDALLAH appeared at the Pasadena Police Department looking for his brother SHARIF. SA PHILIP J. REILLY spoke with SAIDALLAH on the telephone to assure him that his brother was not in FBI custody. SAIDALLAH appeared to be quite intoxicated at this time, and separate conversation with Sergeant CHARLES T. DUVALL of the Pasadena Police Department, who was interviewing SAIDALLAH at the time, confirmed this.

COMMUNICATION ADDRESSED TO RICHARD NIXON
AND HUBERT HUMPHREY, NATIONAL HEADQUARTERS,
WILLARD HOTEL, WASHINGTON, D. C., SIGNED
BY SHARIF B. SIRHAN

On October 28, 1968, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon. A Xerox copy of the letter is attached.

On November 7, 1968, Sharif Bishara Sirhan was contacted at his residence, 1659 North Lake Avenue, Pasadena, California, by two Special Agents of the Federal Bureau of Investigation (FBI), Los Angeles, California. Also present at this time was his brother, Saidallah B. Sirhan, who shares a flat with him at this address, and Mr. Anthony Sherman, Jr., a representative of the United States Secret Service Agency, Los Angeles branch.

Sirhan was advised by the FBI Agents that the inquiry related to the authorship of a two-page written document addressed to President Elect Richard Nixon and Vice President Hubert Humphrey, bearing the signature Sharif B. Sirhan. Mr. Sirhan was then orally advised by the FBI Agents of his rights. He was then asked to read an Advice of Rights Form. Mr. Sirhan interrupted this to say, "Before I say anything, I want to see the letter." A copy of the above-mentioned letter was given to him to read. He read it slowly, line by line, his hands visibly shaking, although he showed no other signs of emotion.

Mr. Sirhan then said, "I did not write this. It is not mine." He then indicated he was certainly in agreement with some of the political statements contained in the letter and had himself expressed some of these ideas, but he would not

specify which of these points he was referring to. He stated he also disagreed with some of the points in the letter.

Mr. Sirhan said he had no knowledge as to who the author of the letter could be. He said he did not dictate the letter to anyone or cause it to be written in his name. He denied that the signature at the end of the letter was his and added that the signature appearing on the letter was not a good copy or facsimile of his own. In this connection, he said he sometimes signs himself Sharif B. Sirhan, sometimes Sharif Sirhan.

Mr. Sirhan declined to furnish a signed statement attesting that the letter and signature were not his. He refused to furnish any samples of his signature, stating, "You have my signature and you have your experts. See to it yourself!"

Mr. Sirhan said he did not have a typewriter in the flat but added that there was a typewriter in his mother's home in the room formerly occupied by his brother, Sirhan B. Sirhan. He said he did not know what kind of typewriter this was and described it by dimensions as being a standard size typewriter. He indicated that he did not use it.

Mr. Sirhan said he does not know about any such organization in the United States as "the Palestine Commandos" but was certain there were many of this type in his homeland.

Mr. Sirhan said the lines drawn at the bottom of page two of the letter beneath the signature have no significance to him as Arabic or any other type of symbol and could not comment on them.

Mr. Sirhan said "No" to the question as to whether he had any reason to believe the letter in question could have been written by another member of his family or anyone of his acquaintance.

Mr. Sirhan turned to the contents of the letter and said the thoughts expressed in the letter could be the thoughts

of a majority of persons living in the United States. He then with some emotion bitterly described the manner in which he had been treated since the assassination of Senator Robert Kennedy. He spoke of people "staring at him everywhere he went", of people coming to his home and asking him questions. He said, "They say my brother killed him. Why do they have to come to me with all their questions? I didn't kill him." At this point Mr. Sirhan was reminded of the purpose of the interview and the reasons therefor, but he appeared upset and said he had nothing to add on this matter, and the interview was terminated.

We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

Sincerely Yours,

Sharif Siman
