Mrs. MARGARET MC CARTHY, who resides at 4419 Stansbury, Sherman Oaks, California, advised that she was born in County Cork, Ireland, on June 1, 1900. She advised that she and other members of her family were very strong supporters of the late Senator ROBERT F. KENNEDY and that she and her daughters had been at the Ambassador Hotel on the night of June 4, 1968, and early morning of June 5, 1968, when Senator KENNEDY was shot. She stated that she and all of her family had been in the Ambassador Ballroom, which is located on the floor directly beneath the floor on which the Senator was shot.

She advised that she was in the crowded Ambassador Ballroom, along with many others, waiting for the arrival of Senator KENNEDY, who was supposedly going to come downstairs from the Embassy Room to speak to those who were waiting in the Ambassador Ballroom. She stated that she and a few of the other members of her family got up on the stage in the Ambassador Ballroom, along with the "Kennedy Girls", and they were all dancing and singing and waiting for "BOBBY" to come down. She stated that shortly after midnight the room became very close and stuffy so she and several others went to a small alcove to the left and rear of the Ambassador Ballroom, where they attempted to get a breath of fresh air. This alcove had a stairway leading up to the next floor where the Embassy Room was located; there was a door leading to the Wilshire Street parking lot with a fire escape leading upstairs directly outside this door.

Mrs. MC CARTHY advised that as they stepped out on to the landing of the fire escape sometime shortly after midnight, several individuals came down the stairs, both from the inside of the building and from the fire escape, exclaiming that Senator KENNEDY had been shot. She stated that she did not remember any one person in particular and that in the confusion she did not recall having seen anyone in a polka-dot dress. She stated that she is quite certain that she did not hear anyone say "We've shot Senator KENNEDY".

BENSON advised that he remembered having SIRHAN SIRHAN as a student in one of his classes while he was at PCC. BENSON advised that SIRHAN was an average, or slightly above average student, who was very consistent in his work with perfect attendance and that he did not remember any type of disciplinary problem ever arising. He stated that he certainly would never have thought SIRHAN to be an individual of a violent nature as he always seemed to be even-tempered.

He stated further that he had no contact with SIRHAN after the semester in which SIRHAN was a student in his class.

Mr. YOUNG advised that he is a teacher in history at that high school and that he is also the Commander of the Cadet Corps. He explained that the Cadet Corps at John Muir High School is similar to a high school ROTC program, except that it is run and financed by the state instead of the Federal Government. "I, JESSE CARDONA, 620 Hurstview Avenue, make the following voluntary statement to JOSEPH G. DAVIS, JR. and JAMES E. ROSS, who have identified themselves to me as Special Agents of the FBI.

"On 6/4/68, I was regularly engaged in delivering mail out of the Duarte Post Office. Part of my route takes me to the San Gabriel Valley Gun Club, Duarte, when I usually take my dailey break. I arrived about 10:50 a m and took the mail to LLOYD HAGER, the range master. We were standing there talking and my neighbor, CHARLES MILLNER, and a friend RUSSELL WEAVER came in. They arrived at approximately 10:55 a m. I greeted them, they paid their fees, got their targets, and then we all walked to the pistol range.

"There was only one person on the pistol range at that time. He was on the far west end of the shooting line, down near where the small numbers begin. He was not then shooting, so MILLNER and WEAVER put up their targets, and returned to the firing line. MILLNER and WEAVER were at the opposite end of the pistol range, the east end.

"I did not talk to the person at the west end of the pistol range. As best I can recall, he was a white male, approximately age 25 to 30 years old. He was about 5 foot 3 inches tall, weighed about 150 pounds, and had dark, possibly black hair. He wore 'blue levis' pants and had on a 'pull over' sweater type shirt with short sleeves. He was a very muscular person. He had on shooters type 'ear muffs'. I do not know what

"type of gun he was using but he did have what appeared to me to be a telescope with which he could look through at a target.

"Based on my observations of this person, I do not think that he is identical with the person pictured in the photographs displayed to me by Special Agent DAVIS. I did recognize the photographs as being the person identified in the newspapers as SIRHAN SIRHAN. I cannot recall observing SIRHAN on the pistol range while I was there or anyone resembling him.

"I left the range about 11:15 a.m. continuing on my mail route. At the time I left, only my two friends and the person at the west end of the pistol range previously mentioned were then at the pistol range. No other persons came during this time to the pistol range.

"To the best of my recollection, there were no female persons on the range, although there was several other male persons on the rifle range, whom I did not know.

I've read the above statement consisting of this page and three others. It is true and correct, in every respect.

The following signed statement was obtained from  
RUSSELL DOYLE WEAVER:

"Duarte, California  
6/12/68

"I, RUSSELL DOYLE WEAVER, 2221 Broderick Avenue, make the following voluntary statement to JOSEPH G. DAVIS, JR. and JAMES E. ROSS, who have identified themselves to me as Special Agents of the FBI.

"On 6/4/68, I accompanied a friend CHARLES MILLNER, 626 Hurstview Avenue to the San Gabriel Valley Gun Club, Duarte, arriving there at approximately 11 AM. On arrival, we went to the range master to check in and to get targets. We then went to the pistol range portion, which basically runs east and west. We took a position on the right hand side of the pistol range, that is, the last target position to the east side of the pistol range.

There was one other person on the pistol range at that time. He was at the target position to the far left of the pistol range, that is, about the last or next to last target position to the west side of the pistol range.

"The range master asked this person to cease firing in order that we could put up our targets down range.

"I would describe this person as follows: A heavy set muscular person weighing approximately 220 pounds. He was white, male, approximately 6 feet tall, 24 or 25 years of age, olive complexion, black "kinky" hair resembling that of a person of Italian descent. "type 'ear muffs', appearing to be of some type blue cloth with fur on it, of a commercial nature. It was my impression only, that he might be a police officer, because he was orderly in handling his gun and amunition and he appeared to be an experienced shooter. This person had two guns. One was a .44 magnum automatic, the gun he was then shooting and holding in his right hand. The other gun was a smaller automatic, blue in color, and which may have been a .22 caliber. This smaller gun was lying in a black 'satchel' type of case, one side of which folded down opening up the 'satchel'. He also had a small telescope which was mounted on a tripod resting on the bench. The scope was about a foot long and on the tripod, it stood about a foot tall.

"Approximately 10 minutes or so after our arrival, I went over to this person and asked that he cease shooting in order that we could go down and check our targets. It was at this time that I observed the small gun in his 'satchel' and the other details listed above. On one other occasion during the hour that we were there, I asked this person if he would again cease firing in order that we could check our targets.

"Based on my observations of this person, I can definitely say that he is not identical with the person pictured in the photographs displayed to my by Special Agent DAVIS. I did recognize the photographs as being the person identified in the newspapers as SIRHAN SIRHAN. I did not observe SIRHAN on the pistol range while I was there or anyone resembling him.

"While we were there, two male white persons arrived on the pistol range. They both spoke to the person at the west end of the pistol range and then took

"up a target position, approximately middle-ways between us, and about in the middle of the pistol range. I assume from their physical appearance that they were father and son. The younger individual was approximately 20 years of age and wearing an Army type fatigue hat, with civilian clothes. His build was small and he weighed about 150 - 160 pounds. He was approximately 5 foot 6 inches tall. The older man was between 45 and 50 years of age and weighed approximately 175 pounds. He was wearing a jacket and pants. His hair was 'salt and pepper' graying. I did not observe these individuals sufficiently to furnish any additional description of them: nor did I know either, or observe their mode of arrival. I did not notice any conversations between these 2 persons and the man on the west end of the pistol range other than when they first arrived, as mentioned above, which conversation I could not hear.

About 20 minutes later, a white male and female arrived at the range. I noticed them because she was the only female on the range and both had to walk near me to enter the rifle range. They both went over on the rifle range, where there were also other males, unknown to me, also firing on the rifle range. I did not talk to either of them. The man was a heavy set male, 45 to 50 years of age, weighing 175 to 180 pounds. The woman was about 18 to 19 years of age, 5 foot 2 inches to 5 foot 3 inches tall, with a slender build, weighing approximately 100 pounds. She had blond hair and was wearing a scarf. She was shooting a .22 caliber rifle. She had on slacks. This is all I can recall of their description. Neither of these two persons ever came over to the pistol range. I cannot recall anyone from the pistol range ever going over to the rifle range to talk with them.

LA 56-156

"While we were there, there were only five of us on the pistol range. We left about noon, going home. When we left, the man was still at the west end of the pistol range, and the other two individuals were still shooting at mid range. The man and woman who also arrived later were still at their position on the rifle range.

"I have read the above statement consisting of this and six other pages.

"It is a true and correct statement in every respect.

DOROTHY DIANE MANNING, also known as Dorothy Diane Sanford and Dorothy Diane Robertson, was interviewed in a Bureau car outside the residence of her mother, DOROTHY MANNING, 11820 Mapledale Avenue, Norwalk, California. She furnished the following information:

She was employed as a bar maid at the Golden Garter Bar, Alhambra, California, from May 10, 1968, to May 25 or 26, 1968, when she was discharged from her employment. She obtained this job through a friend named JIM WILSON who was a regular patron of the bar and knew the owners.

Photographs of SIRHAN BISHARA SIRHAN were exhibited to MANNING and she stated she did not know this man but he does resemble a friend of JIM WILSON's whose name is BOB (Last Name Unknown). BOB worked with JIM WILSON at a machine shop in Alhambra during part of May, 1968. He frequently came into the Golden Garter Bar with JIM WILSON during May, 1968.

She described BOB as a white male; age 28 or 29; 5' 8"; 170 pounds; good build with large shoulders; pitch black, curly hair; pockmarked face and swarthy complexion. He claimed to be an Italian.

MANNING was confined to the Los Angeles County Jail for ten days and released on May 9, 1968. Upon her release her girl friend, RHONDA GREEN, invited MANNING and her boy friend, EDWARD NESS, to reside with GREEN and WILSON in Apartment A, 2317 Main Street, Alhambra, California. The four of them resided there until approximately June 1, 1968, when MANNING moved to 11101 Ferina Street, Apartment 4, Norwalk, which is the residence of NESS' sister and brother-in-law, JUNE and CARL HANCOCK.

MANNING described NESS as 18 years of age, 5' 10", 130 - 135 pounds, slender build, brown hair. NESS was arrested on June 8, 1968, on traffic charges and confined to the Los Angeles County Jail with an additional charge of presenting false identification to a police officer.

RICHARD LEE WILSON, 115 Halladay Street, Apartment 7, Santa Ana, California, was interviewed in a Bureau car outside his residence since there were a number of people in his apartment at the time. WILSON is described as a male white, born January 1, 1944, in Long Beach, California, 5'10", 260 pounds, brown curly hair, and brown eyes. He is the brother of JAMES L. WILSON, who currently resides with him. He has previously been convicted of forgery and served two and one half years in the penitentiary.

WILSON advised he is currently unemployed but normally works as a machinist. His last employment was for Dodds Company, Beach and Stage Road, Buena Park, California, for whom he worked about one month and quit on May 29, 1968. His longest employment had been for a period of two years in 1962 and 1963 for the Kirkhill Rubber Company, Brea, California.

WILSON advised he had been living at 115 Halladay, Apartment 7, Santa Ana, since April 1968, with his wife, ELAINE WILSON, and their son. His brother, JIM WILSON, visited him at the Santa Ana apartment from time to time while living in Alhambra in April and May 1968. In the afternoon of May 30 or May 31, 1968, JIM WILSON and RHONDA GREEN moved from the Alhambra apartment to the Santa Ana address, along with their two children, and currently reside with the RICHARD WILSON family. WILSON was not certain of the date of the move, but recalled he spent the night of May 29 or May 30, 1968, with JIM and RHONDA at the Alhambra apartment after quitting his job. He said his wife and child remained in Santa Ana.

WILSON advised he had observed the television broadcasts of the assassination of Senator ROBERT F. KENNEDY and the arrest of the alleged killer, SIRHAN SIRHAN. He did

not recognize SIRHAN by name or photograph. He did not recognize the name BOB ANDRESE. Regarding BOB ALLEN, WILSON advised he had known him for about seven years and believed ALLEN currently lived in Paramount, California. Prior to May 1968, ALLEN lived with JIM WILSON, but they did not get along too well and split up.

WILSON advised his wife is currently employed as a barmaid at the Pour House Bar on First Street in Santa Ana, around the corner from his residence. She began this employment about June 4, 1968, and works the 6:00 p.m. to 2:00 a.m. shift. WILSON goes over to the bar at 2:00 a.m. to count the money and close the place. He spends about ten or fifteen minutes handling this matter and then returns to his apartment. He said JIM WILSON is generally asleep when he gets home since JIM gets up so early to go to work.

WILSON advised RHONDA GREEN has a 1964 gray Comet sedan, which is sometimes used by JIM WILSON since he does not own a car. The only other vehicle JIM WILSON is known to have driven recently was BOB ALLEN's white Plymouth.

Regarding the move from Alhambra to Santa Ana on May 30 or May 31, 1968, WILSON believed the move had occurred about 6:00 p.m. He said JIM WILSON, RHONDA GREEN, the two children and he drove from Alhambra in RHONDA's Comet and moved into the Santa Ana apartment. All of them got drunk that night, which is a regular occurrence at the house. He said they drink frequently, but it is generally limited to beer. Most of the drinking occurs at home and they have not been frequenting bars in the Santa Ana area. Regarding the Golden Garter Bar in Alhambra, WILSON advised he did not believe he had ever been to that location.

WILSON advised the week end of June 1 and June 2, 1968, involved considerable drinking at the apartment by all of the adult members of the family so that his recollection is hazy about that time. He did recall that on June 4, 1968, which was election day, he and JIM WILSON had worked four hours for Quick Service, located near Second Street in Santa

LA 56-156

Ana, about four blocks from his residence. He recalled they went there at 6:00 a.m., and obtained a job unloading a truck about 9:00 a.m. He and JIM worked until about 2:00 p.m., June 4, 1968, making \$1.55 an hour for their labors. He recalled there were elections that day since they were unable to cash the vouchers for their wages at a bar until 3:00 p.m., since the bars were closed until that time. About 2:00 p.m., or shortly thereafter, he and JIM WILSON returned to the apartment from the employment and stayed around the house the rest of the afternoon. At 3:00 p.m., he and JIM cashed their vouchers at the Spa Bar on South Main Street in Santa Ana. They took a taxi from the Spa Bar about one half mile to the Lasso Bar, where they had a pitcher of beer and walked home. He said the Lasso Bar is near the Pour House Bar and he assumed they got home at 9:30 or 10:00 p.m., but he was not certain. That evening he and JIM watched television, along with RHONDA GREEN and ELAINE WILSON. The children were sleeping at the time. He recalled the election returns were coming in and there was a movie which he watched, although he could not recall the name of it. He recalled seeing Senator ROBERT KENNEDY make his victory speech concerning the California election returns followed by reports of the shooting of Senator KENNEDY. He said he, JIM and the girls were all quite shocked about what happened but recalled no specific conversation about it. He said all of the people went to bed about 4:00 a.m.

WILSON advised he got up at about 8:00 or 9:00 a.m., on June 5, 1968, and observed that the other adults and children were still sleeping. He went back to bed and slept again until 10:00 a.m. or so, when he got up and found JIM WILSON was also up at that time. He recalled that during June 5, 1968, he, JIM and the girls watched television most of the day involving the investigation of the KENNEDY assassination. They were also all drinking quite heavily and he did not believe they left the residence to go anywhere.

LA 56-156

WILSON advised upon further consideration, he believed it was on June 5, 1968, that he and JIM had also looked for some employment. He said JIM WILSON filled out an application for a job in the City of Orange, California, where he had previously worked or was known. He and JIM had driven to that location in RHONDA GREEN's car and were gone several hours before returning to the apartment. WILSON advised he did not enter the company from whom his brother was seeking employment, but rather remained in the car. After they returned to the apartment, he believed they stayed there the balance of the day.

Regarding Monday, June 3, 1968, WILSON advised he now has no particular recollection of what had occurred on that day.

EDWIN GERALD NESS, Inmate, Los Angeles County Jail, advised as follows:

During the month of May, 1968, he resided with DOROTHY MANNING, JAMES WILSON, and RHONDA GREEN at an apartment in Alhambra at 2317 Main Street. During that time, he was not employed and DOROTHY, whom he was living with, was employed as a barmaid at the Golden Garter in Alhambra. Also during this time, JAMES WILSON obtained employment at a company in Monterey Park, whose name he could not recall, but he thought it began with "S" and sounded something like "SCRABBLE." He believed that WILSON lasted at this employment approximately one week. WILSON did not own a car, and he was driven to and from work by an individual whom he (NESS) knew only as BOB. He believed BOB drove a 1962 Valiant and on several occasions stopped at the Golden Garter to have a drink with JAMES WILSON.

NESS was shown a photograph of SIRHAN BISHARA SIRHAN, and he said that this photograph resembled the individual whom he knew as BOB, with the exception that BOB combed his hair straight back and had a pockmarked face.

NESS was asked as to what type mail WILSON received during the period they shared the apartment on Main Street. He replied that the only mail WILSON received was "bills." He said that he has known WILSON for the past three years and has resided with him for the past one month, until they split up approximately the first of June, 1968. During that period, WILSON has never made known his political beliefs, and it is the opinion of NESS that he is not interested in politics.

Since their split up on June 1, 1968, NESS has had one contact with WILSON, that being on June 3, 1968, in Santa Ana. NESS said he believes that WILSON is residing in Santa Ana somewhere near Main Street on either First or Fourth Street. WILSON's brother, RICHARD, is the manager of a bar in Santa Ana, California, the "Poor House" or "Pussy Cat."

WILSON was known to frequent the Golden Garter and to the best of NESS's memory, BOB had accompanied WILSON to the bar on many occasions.

NESS advised that he was being held by the Los Angeles County Sheriff's Office on a charge of furnishing false identification to a police officer.

NESS was asked why DOROTHY was fired as a barmaid from the Golden Garter. He stated that she was fired because one of the owners tried unsuccessfully to have sexual intercourse with her.

The following description of NESS was obtained through interview and observation:

HARRY PATZMAN, 2915 West Shorb, Alhambra, California, telephone 282-7637, advised he is employed at the Union 76 Service Station, Fremont and Valley Boulevard, Alhambra. He is a regular customer at the Golden Garter Bar, Alhambra, stopping there two or three times a month during the last six months. He also frequents the Interlude and Stardust Bars in Alhambra.

A group of photographs were shown to PATZMAN including photos of SIRHAN SIRHAN, ROBERT ANDRESE, EDWIN GERALD NESS, and JAMES LLOYD WILSON. PATZMAN did not recognize photos of WILSON or NESS. Regarding the photo of SIRHAN SIRHAN, PATZMAN identified him as appearing identical to a customer seen at the Golden Garter Bar three or four times during the last two months. PATZMAN recalled seeing him the first time about two months ago when PATZMAN went into the bar in the late afternoon. The bar was crowded and PATZMAN sat next to this individual at the bar. He said the man had pimples on his face, looked like a "wetback", and was sloppily dressed. PATZMAN attempted to engage the man in conversation but the man did not even answer him. PATZMAN saw him two or three other times but was never introduced to him. He said the man was always alone and was not observed to associate with anyone else. PATZMAN could furnish no further information concerning this man.

Regarding ROBERT ANDRESE, PATZMAN identified a photograph of this individual as a man known to him only as "BOB", a customer at the Golden Garter Bar in the last two months. PATZMAN believed he had also observed "BOB" at the Interlude and Continental Bars in Alhambra. He knew no background concerning "BOB" such as his residence, employment, or vehicle. The only person ever seen with "BOB" was a young man, 6'2", long and very light blond hair, with a scar under his left eye. PATZMAN saw this man with "BOB" on one occasion at the Golden Garter Bar over a month ago.

RHONDA GREEN was interviewed at 115 South Halladay, Apartment 7, Santa Ana, California. After reviewing a photograph of BOB ANDRESE, she identified him as the individual who visited her in Commerce, California, with JIM WILSON, DOROTHY MANNING and EDDIE NESS.

GREEN furnished the following information as to the activities of JIM WILSON during the end of May and beginning of June 1968:

To her knowledge, JIM WILSON worked in Monterey Park until May 29, 1968, when he quit. He drove to Commerce accompanied by DOROTHY MANNING and EDDIE NESS and he was driving an old two door DeSoto (year not known but believed to be of the early 1950 vintage). WILSON wanted to borrow her car to move from Alhambra to Santa Ana, California. They all left Commerce about 8:00 PM and drove directly to the apartment in Alhambra.

She does not recall specifically what WILSON did from May 31, 1968, through June 3, 1968.

On June 4, 1968, the bars were not opened and JIM and RICHARD WILSON went to look for a job through the Qwik-Serv Employment Agency. They left the apartment at approximately 6:30 AM and did not return until approximately 3:00 PM. They sat around the apartment until 8:00 PM when the bars opened, at which time JIM and RICHARD went to a local bar. They returned at approximately 9:00 PM but JIM left at 10:00 PM and went to Sam's Bar. At approximately 10:30 PM, RHONDA went to Sam's Bar to get JIM and they returned to the apartment approximately 15 minutes later.

JAMES LLOYD WILSON, JR., 115 South Halladay Street, Apartment 7, Santa Ana, California, was reinterviewed in a Bureau car near his residence.

WILSON identified a photograph of BOB ANDRESE as the individual he previously referred to as the BOB who worked with him in Monterey Park, California, and frequented the Golden Garter Bar, Alhambra, California.

WILSON pointed out that he did not see BOB on May 29, 1968, at the Golden Garter Bar as previously advised but feels he last saw him at the bar on the evening of May 28, 1968. He further pointed out he feels sure about this inasmuch as he, WILSON, quit his job at the Scanbe Manufacturing Corporation at noon on May 29, 1968. He left work and went directly to his apartment in Alhambra. He was driving a 1951 to 1953 DeSoto, gray or green in color, which belonged to ANGEL (Last Name Unknown) (LNU), an employee of Scanbe. He stayed at the apartment for approximately one or two hours and then drove to RHONDA GREEN's apartment in Commerce, California. He was accompanied by DOROTHY MANNING and EDDIE NESS. They stayed in Commerce until approximately 8:00 PM and then drove back to Alhambra. GREEN followed them in her automobile.

They all stayed in the apartment most of May 30, 1968. WILSON drove ANGEL's DeSoto back to the company area where he left it sometime during that day.

At approximately 8:00 PM, WILSON, accompanied by his brother, RICHARD, RHONDA GREEN and her two children, drove to RICHARD's apartment in Santa Ana, California, where he has resided since that time.

On June 3, 1968, he does not recall specifically what he did but believes he went to seek employment with his brother.

They were at the agency from approximately 7:00 AM to 9:00 AM, when they were sent on a job, name and location not recalled. They worked four and one-fourth hours and finished up at approximately 2:00 PM. He was returned to the agency at approximately 3:00 PM and arrived back at the apartment at approximately 3:30 PM. He stayed in the apartment until the bars opened at 8:00 PM, when he and RICHARD walked to a bar on Main Street to cash their employment checks. After they cashed the checks, they took a taxi to Sam's Bar, which is near the apartment. He believes he stayed there until approximately 11:00 PM, when he returned to the apartment and remained there until the morning of June 5, 1968.

At approximately 7:00 or 8:00 AM on June 5, 1968, he went to Anaheim, California, with his brother in an attempt to obtain employment.

## FEDERAL BUREAU OF INVESTIGATION

Date 6/21/68

FRED PARROTT, M.D., was interviewed at his office, 1704 West Manchester Avenue, Suite 210, and furnished the following information:

On June 4, 1968, he went to the Ambassador Hotel at approximately 11:30 PM to listen to the victory speech of Senator ROBERT F. KENNEDY. He found that the hotel was so crowded that he could not get into the Embassy Room, the room in which Senator KENNEDY was giving his speech.

Shortly after midnight, while standing near the door to the Embassy Room, he heard a great deal of shouting and screaming from the interior of the room. Shortly after, Dr. MARCUS MC EROOM, a Psychologist whom he knew, came out of the room and said that doctors were needed. Dr. PARROTT attempted to enter the Embassy Room; however, a guard at the door refused to allow him to enter. While he was trying to identify himself, Dr. ROSS MILLER slipped past the guard and went into the Embassy Room, apparently to see if he could render any aid.

With the tremendous crowd that had gathered in the Embassy Room, he never did reach the injured people and did not see SIRHAN BISHARA SIRHAN. However, while standing outside the door to the Embassy Room, a man came by carrying a rolled up newspaper under his arm. As the man pressed through the crowd, passing right next to Dr. PARROTT, he kept saying, "Excuse me, please". Dr. PARROTT noticed that he appeared to have glassy eyes, as though he were ill. Just after this man passed, several men, whom he assumed were from the KENNEDY Party, came through the crowd hollering, "Stop that man! Stop that man!", indicating the man who had been carrying the newspaper. He does not know if these men were successful in getting the man with the newspaper stopped, but the last time he observed them, they were going out the south door of the Ambassador Hotel. He described the man with the newspaper as a white male, dark complexion, dark hair, 25 to 27 years old, 5'7" tall, medium build. He said that he could furnish no description of the two or three

men who were attempting to stop the man with the newspaper, other than that they were white males.

The only other thing that he observed which seemed irregular to him under the circumstances was four men carrying a fifth man out of the hotel saying, "Let's get out of here". He did not know if the man they were carrying had been injured in the crowd.

A photograph of SIRHAN BISHARA SIRHAN was exhibited to Dr. PARROTT but he advised he did not recognize him as anyone he has ever seen. PARROTT stated that he went to the Ambassdor Hotel with his friend, SAMUEL STRAIN, and advised that STRAIN could be reached at telephone number AX 3-5327.

WILLIAM EVENSEN, Co-Chairman, Young Professionals for KENNEDY, was interviewed at the Graduate School of Business Administration, University of California, Los Angeles Campus. EVENSEN advised the Young Professionals for KENNEDY is made up of young working people who were not students. He furnished the applications made by all members of this organization and a roster listing the names and addresses of all members. This roster is being maintained in the Los Angeles file.

A review of the applications for the name JAMES TED revealed the name of JAMSHID TADJIKI, 1841 North New Hampshire, Number 9, Hollywood, California 90027, telephone number 665-3527. EVENSEN advised that he is not familiar with this name and cannot say whether this person was or was not identical with SIRHAN BISHARA SIRHAN.

EVENSEN said that he was on the stage of the Temple Isaiah, 10345 West Pico Boulevard, Los Angeles, California, when Senator ROBERT F. KENNEDY gave his speech about three weeks ago. He, however, does not recall seeing anyone resembling SIRHAN and further stated that there were between 50 and 75 people on the stage, so that if SIRHAN was there, it is unlikely that he would recollect seeing him. EVENSEN observed a photograph of SIRHAN and advised that he does not recognize him as anyone he has ever seen before.

He was not at the Ambassador Hotel on June 4, 1968, but observed the assassination of Senator KENNEDY by television in New York. He said that the following individuals are believed to have been at the Embassy Room at the approximate time of the assassination:
