AZIZ TEWFIC AZIZ MIKHAEL, apartment number 6, 2280 South Barrington, was interviewed at his home. He furnished the following information:

He was born on [REDACTED] in Alexandria, Egypt. He lived in Egypt until early May 1967. While in Egypt he lived with his mother and attended primary and secondary school. He also attended a trade school for two years, which was a state sponsored school, where he took courses in welding and machinery. He did not receive any political instruction at the school. After completion of the trade school, he was employed for a short time as a maintenance mechanic for a textile company.

He and his relatives are of Orthodox faith and the current political situation in Egypt is such that Christians find it very difficult to obtain satisfactory employment there. For this reason he decided to leave Egypt in order to start a new life. He obtained an exit visa and traveled to Lebanon in early May 1967. After arriving in Lebanon he was employed for six months as a welder in El Dora, Lebanon. He then learned that many Christians of Egyptian descent were going to the United States from Lebanon by applying through the United States Catholic Conference. He entered the United States at New York in December 1967, and went directly to Los Angeles via commercial aircraft. After arriving in Los Angeles, he did odd jobs and worked as a welder for a short time at the Sesame Corporation in Escondito, California, and at the Fenton Industry Company in the San Fernando Valley. He was employed as a spot welder at the Hardman Aerospace Company in Los Angeles in May 1968, where he is presently employed.

He denied any knowledge of SIRHAN SIRHAN prior to the assassination of Senator ROBERT KENNEDY. He stated that he is against the policies of the United Arab Republic and he dislikes NASSER very much because of what he is doing to the Arab people. He stated that he knew of KENNEDY before the assassination and "liked" him. He denied any conspiracy, ~~involvement or prior knowledge of the assassination.~~

EDMOND EL DABE, Apartment A, 2425 South Barrington, was interviewed at his home. He furnished the following information:

He was born on [REDACTED] in Egypt. He left Egypt in 1967, and traveled to Kuwait and then to Lebanon because of religious persecution of Christians in Egypt and because of his inability to obtain satisfactory employment in that country. After arriving in Lebanon he again found that he was unable to obtain satisfactory employment and learned that it was possible to go to the United States by applying through the United States Catholic Conference. He arrived in the United States on February 22, 1967, and traveled to Los Angeles where numerous individuals of Egyptian descent reside. He was employed as a spot welder at the Hardman Aerospace Company 1845 South Bundy until one week ago when he was released due to a lack of work. He is presently unemployed.

During January or February 1968, he learned that AZIZ MIKHAEL had arrived in Los Angeles and he invited MIKHAEL to reside with him until MIKHAEL could find an apartment. He had known MIKHAEL for about ten years and had attended school with MIKHAEL in Alexandria, Egypt. He had not seen MIKHAEL during the past three years, and learned that MIKHAEL was coming to the United States through the United States Catholic Conference, 1531 West 9th Street, Los Angeles. MIKHAEL obtained employment as a spot welder at Hardman Aerospace and moved to his own apartment, 2280 South Barrington, Apartment number 6, about two weeks ago.

He advised that he and all his Egyptian friends presently living in the Los Angeles area are very anti-Nasser and have disassociated themselves from Egypt and the United Arab Republic. He stated that he had no knowledge of the assassination of Senator KENNEDY until he learned of the event through newspaper and television reports. He denied any acquaintance with SIRHAN SIRHAN and stated he is certain that MIKHAEL is not acquainted with SIRHAN or in any way involved in the assassination.

Mr. GILBERT PETER LEOS, 1908 South 5th Street, Alhambra, California, advised that he is employed at the Shopping Bag Food Store, 2408 Lincoln Avenue, Altadena, California. LEOS said that he was born on [REDACTED] at Los Angeles, California, and that he is a member of the San Gabriel Valley Gun Club, Duarte, California.

Mr. LEOS advised that he is a regular shooter at the San Gabriel Valley Gun Club on Tuesdays and that on Wednesdays he often attends the Pasadena, California Gun Range. Mr. LEOS said that he recalls on June 4, 1968, having arrived at the San Gabriel Valley Gun Club at approximately 9:30 A.M., when he took position No. 26 or 27 on the pistol range. He said that that day he fired his .22 Browning Metallic Automatic long rifle and his .45 Colt Gold Cup Match. LEOS said that he recalls being the first one on the pistol range and that the part of the range where he was firing was the 25 yard section. He said that, shortly after he arrived and was firing, he recalls two men and a woman arrived at approximately 9:40 to 9:45 A.M. and they took position 1, 2, or 3 on the pistol range which was to his extreme left.

LEOS said that he got the impression that these individuals were all associated with law enforcement but that he had no proof of this. He described Man No. 1 as a white male, possibly Italian extraction, between 30 and 35 years of age, 5'6" - 5'7" tall, 150 - 160 pounds, black wavy hair, having no accent, and wearing a brown suit. He described Man No. 2 as a white male, 40 to 45 years of age, balding in the center, having a mustache, approximately 5'5" tall, stocky build, approximately 160 pounds, wearing a sport coat, possibly checked, and slacks, color of which he could not recall. LEOS described the woman as a white female in her early 40s, having light brown hair, and wearing a skirt which he thought resembled that of a police-woman's, having a medium build, wearing bowling type shoes.

LEOS said that, shortly after these three individuals arrived on the range and began to fire, Man No. 1 came to him, LEOS, and asked him for a screwdriver to adjust the sight of his weapon. LEOS said that he paid no particular attention to this and did not actually see the gun, but said that, from hearing it fire, he estimated it to be a .38 pistol. As best as he could remember, LEOS said that he thought all three of these individuals fired the same gun. LEOS said that all three of these individuals left the range before he did and would estimate that they left approximately 10:45 to 11:00 A.M., this date. LEOS said that he could not recall hearing any rapid fire while he was on the range nor does he recall having seen anyone at the range resembling the photograph of SIRHAN B. SIRHAN.

LEOS said that he recalled having left the range at approximately 11:20 A.M. on June 4, 1968 and that he recalls two young Caucasian males come onto the range as he left; however, he took no particular note of these individuals and could furnish no further information regarding their activities or descriptions.

Mr. SMOOTZ said that he is a member of the San Gabriel Valley Gun Club, Duarte, California, and that he recalls having come to the range on June 4, 1968 sometime between 2:00 P.M. and 3:30 P.M., that date. He said he spent a total of approximately 30 minutes at the range during this period of time, during which he was firing his new .22 250, Model 788 Remington pistol. He said that he was sighting this new weapon in and that he was on the rifle part of the range. He said that he was on the 25 yard target range somewhere between positions 20 and 35, which is pretty far removed from the pistol range.

Mr. SMOOTZ said that at no time during his stay at the range on this day did he go to the pistol range, nor did he see anyone on the pistol range. He said that he does not recall seeing any blond woman, nor did he recognize the photograph of SIRHAN B. SIRHAN as anyone that he had seen that day at the range or at any time.

Mrs. DANA TULITA WESTLAKE, 349 Redwood Drive, Woodacre, California, was contacted at the home of GEORGE CHARLES ERHARD, 1978 Olive Way, Pasadena, California. She was advised of the identity of the interviewing agent and of the fact that she was being contacted with regard to the handgun used in the assassination of Senator ROBERT F. KENNEDY.

She advised that she had returned to the Los Angeles area to visit with her family and friends and that she planned on returning to Woodacre, California, on June 16, 1968. She added that the ERHARDS' were former neighbors and that she had resided at 1988 Olive Way prior to moving to Woodacre, California, on February 12, 1963.

WESTLAKE advised that her father, ALBERT L. HERTZ, had originally purchased a .22 caliber, eight shot, Iver-Johnson revolver during the Watts riots (October, 1965). This revolver was kept in the HERTZ home until about January, 1967 when her mother, Mrs. SARA TAYLOR HERTZ, 777 East Valley Boulevard, Apartment 32, Alhambra, California, gave the revolver to Mrs. WESTLAKE. She added that her mother did not want the revolver in the house and did not feel it was necessary to have it laying around.

WESTLAKE advised that to her knowledge the revolver had never been fired by her father or anyone else prior to this time and that the revolver was still in a box and wrapped in a black oily paper. Also contained in the box was a short rod which she assumed was used to clean the revolver. In addition, she received some ammunition for the revolver; however, she "got rid" of the ammunition soon after she received the revolver and she hid the revolver in the attic of their residence, which was 1988 Olive Way, Pasadena, California, at that time. The revolver was still in the original box it came in and she hid it so that her children would not find it and maybe harm or kill someone by accident.

In approximately September or October, 1967, her husband started to remodel their home and it was necessary to remove the roof from the house. At that time she removed the contents from the attic and decided she would get rid of the revolver. Since her neighbor's son, GEORGE CHARLES ERHARD, JR., collected guns and many other things, she decided to give him the revolver. ERHARD, JR. agreed to take the revolver and she gave it to him as it was, in the box and still wrapped in the oily paper. She advised that neither she nor anyone else had fired the revolver up until the time she gave it to ERHARD, JR. She stated that no one knew that she had the revolver except her husband and her father and mother and that ERHARD, JR. did not come to her to purchase a gun. She reiterated that she merely gave him the revolver in order to prevent an accident in the event her children found it.

WESTLAKE described the revolver as an eight shot, Iver-Johnson revolver with a short barrel and a cylinder which could be taken out to extract the cartridges. In addition, it was a dark or blue steel weapon with a small hand grip. She had no record of any serial numbers which could be used to identify the revolver any further.

She advised that she was presently employed by PETER EDWARDS, Manager of "The Reporter", a newspaper, and that she was legal clerk. Their office is located at Fourth and A Streets, Herzog Building, Fairfax, California.
