From the time of Senator KENNEDY's arrival at the Hospital of the Good Samaritan, Los Angeles, at 12:50 a.m. until his death at 1:44 a.m., 6/6/68, Bureau Agents maintained liaison at the Hospital of the Good Samaritan with U.S. Secret Service and representatives of the KENNEDY family to insure that all developments were promptly reported to the Bureau.

Immigration and Naturalization Service (INS), Los Angeles, made available copies of their complete files on 6/5/68, concerning SIRHAN BISHARA SIRHAN and other members of his family. The copies of those files and photographs obtained from INS are being retained by the Los Angeles Office. On 6/7/68, the original I-53s filed by the five members of the SIRHAN family in January 1968, were obtained from INS, Los Angeles, and have been forwarded to the FBI Laboratory for handwriting examinations.

June 6, 1968

CALIFORNIA ELECTION RETURNS
SENATOR ROBERT F. KENNEDY
TUESDAY, JUNE 4, 1968

The Senator arrived back to the hotel about 8:00 PM and immediately went to the Royal Suite. He did not go into the parlor since friends and staff were watching the election returns on television. At about 10:30 PM, more and more people began to arrive in the hallway outside the Senator's suite and by 11:45 PM it was quite crowded.

When it came time to go down to the Embassy Ballroom for his victory statement, I immediately sent Eddie Manasian to hold the north elevator since it had been decided that he should go through the lobby particularly since two television cameras had been erected across from the house phones. Only when we were two or three feet away from the elevator did the Senator decide that he would prefer not to go through the crowds but to use the service elevator as he had done on Sunday, June 2nd when he made an appearance in the Cocoanut Grove and the East Garden. Once in the service elevator we arrived on the kitchen level and I led the way to the Embassy Ballroom stage.

The crowd was fantastic and the stage was jam packed. As a matter of fact, I was terribly concerned about all the people being up on the stage and was afraid the stage might break down.

After his acceptance speech in the Embassy Ballroom, we were due to use the back staircase down to the Ambassador Ballroom where the general public was awaiting him. However, before the speech ended in the Embassy Ballroom, Fred Dutton asked me if there were television sets in the Ambassador Ballroom and I answered "yes". It was then immediately decided that the Senator would visit the Colonial Room first which was being used as Press headquarters. I told Mr. Dutton that there was no Press in the Colonial Room, instead they were in the Embassy Ballroom. They still headed for the Colonial Room and I led the way followed by Senator and Mrs. Kennedy, as well as his immediate staff including Bill Barry, his bodyguard, Jesse Unruh and a few friends.

I was about 6 feet ahead of him when I heard the sound of what I thought was a firecracker. It sounded three or four times in quick order and I thought it was part of the celebration. Immediately,

-----continued-----

however; he was down on the floor where the big ice machine is located and screams and pandemonium broke out the same time as the killer was attacked. Mr. Murphy, the hotel Security Guard evidently had called the ambulance but I wanted to make sure and ran into the Colonial Room, but could not get the operator, but was assured once again that the ambulance was on the way. This all happened within a matter of seconds. I then immediately ran down the kitchen steps to the casino level and out through the back ramp that our Bellmen use. As I was waiting outside, the ambulance arrived and I escorted the two ambulance attendants through the same area up to the lobby level of the kitchen pantry area. I emphasized to the attendants the emergency and remember being terribly upset by the apparent non-chalance of one of the attendants. I pushed them and pushed them and urged them on but somehow they could not move fast enough. What really made me upset was when I was to bring them up the steps from the lower level to the lobby level, they refused to walk up the steps with a stretcher and instead insisted on taking the elevator. Back up in the kitchen there was a lot of shuffling and shouting, photographers were trying to get pictures, and I was definitely of the opinion that the people would lynch or beat to death the assassin. The Senator was placed on the stretcher, rolled into the elevator, brought down to the lower level and carried out into the waiting ambulance. I again recall some difficulty with the same ambulance attendant - he would not allow one or two people, perhaps even Mrs. Kennedy, to enter the ambulance with the Senator's body. I remember specifically Bill Barry saying, and I quote, "This guy has got to go". The ambulance then took off and I jumped on the back seat of one of the police motorcycles and we took off for the receiving hospital. What amazed me was that this police escort did not know the location of the Central Receiving Hospital, neither did another police motorcycle and neither did, if I recall correctly, one of the police cars.

We arrived at the hospital moments after the ambulance and immediately afterwards, Steven Smith, the Senator's brother-in-law, arrived as did Colonel John Glenn. Again I was surprised that the uniformed hospital attendants would not let in Steven Smith or Colonel Glenn, but eventually, upon proper identification, they got in.

The Senator was then brought out again and moved into an ambulance and driven to the Good Samaritan Hospital. Somehow I felt hopeful at the time since Mrs. Kennedy went in a separate ambulance. Joe Quinn, the Deputy Mayor, arranged a police car for Fred Dutton, Steven Smith, Roy Varrow and myself, and took off for the Good Samaritan Hospital. Again, with two officers in the police car

they did not know the location of the Good Samaritan Hospital. As a matter of fact, they drove in the opposite direction and could not get the proper information from the operator. As a matter of fact, they did not even ask the proper questions from the operator and had her confused. It was really unbelievable but we finally arrived at the hospital where a large crowd was gathering.

This is briefly the way I remember the last hours of Senator Kennedy's visit to California. I would like to add that at no time did anybody criticize anybody in connection with the shooting, instead the staff was formidable and dedicated and efficient to the very end as I had learned to know many of them during their stay at the Ambassador from the middle of March to Wednesday, June 5, 1968.

As the Senator said in many of his speeches, "We are all in this effort together" and everybody surrounding him certainly was!

Mr. ROY C. TRUESDALE, Special Agent in Charge, State of California Department of Employment, Area Investigation Office, 1525 South Broadway, Los Angeles, California, furnished the following:

He made available the file of SIRHAN SIRHAN which contained information compiled on SIRHAN by the Counseling Section of the California Department of Employment in Pasadena, California. TRUESDALE explained that the counseling service is made available to "hard core unemployment" individuals and, as such, SIRHAN was counseled by that office during the period of October 6, 1967 to November 6, 1967.

He stated that the file contains handwriting samples of SIRHAN on an application for employment form; however, he is unable to make the file available to the FBI due to California laws pertaining to the protection of employment records. He stated that he desires to cooperate with the FBI and will furnish any information he might have orally regarding SIRHAN; however, he would be forced to object on a legal basis to any attempts to obtain these records by the FBI.

TRUESDALE advised that SIRHAN's Social Security Number is [REDACTED]. He stated that during SIRHAN's period of counseling by the California Department of Employment, he was residing at 696 East Howard, Pasadena, California. SIRHAN came to the California Department of Employment in Pasadena on October 6, 1967. At that time, individuals in that department discussed with SIRHAN his work interests. On October 20, 1967, SIRHAN was given some vocational tests and a vocation plan was discussed with him. On October 26, 1967, additional discussions were held with SIRHAN and specific vocations were suggested to him. On November 6, 1967 through conversations with SIRHAN, it was determined that SIRHAN was interested in jobs pertaining to electronics, such as a job as an electrical assembler.

He was then referred to the Burroughs Company in Los Angeles; however, the Burroughs Company did not employ him. On December 28, 1967, the Pasadena Office of the California Department of Employment referred SIRHAN to the I. Magnin Company for employment; however, no information was received indicating whether or not he obtained or applied for employment with that company.

TRUESDALE recalled that SIRHAN had had one year's experience as an exercise boy at the race track and had worked in a service station. He advised that SIRHAN stated he had been injured during a former employment and had received some money as a result of his injury. TRUESDALE suggested that SIRHAN may have drawn Workmen's Compensation pay during this injury.

TRUESDALE could furnish no additional information regarding SIRHAN.

Synopsis:

At approximately 12:15 a.m., 6/5/68, Senator ROBERT F. KENNEDY proclaimed victory in California primary election in crowded Embassy Room, Ambassador Hotel, 3400 Wilshire Boulevard, Los Angeles. As Senator KENNEDY and party were leaving Embassy Room through kitchen exit, a series of shots were fired by an unknown individual, subsequently identified as SIRHAN BISHARA SIRHAN. Senator KENNEDY fell backward onto floor, critically wounded with bullet in brain. SIRHAN wrestled to floor, disarmed, and turned over to Los Angeles, California, Police Department (LAPD). SIRHAN refused to admit identity to the LAPD, carried no identification, and booked as "JOHN DOE" on charge of assault to commit murder. Senator KENNEDY taken to Los Angeles Central Receiving Hospital for emergency treatment, and thereafter transported to nearby Hospital of the Good Samaritan, 1212 Shatto Street, Los Angeles. Neurosurgeons operated on Senator KENNEDY for about four hours to remove fragmented .22 caliber bullet in right brain area. Senator KENNEDY succumbed to brain injuries at 1:44 a.m., 6/6/68. Autopsy conducted. Cause of death on Death Certificate shown as "gunshot wound of right mastoid penetrating brain." On 6/6/68, jet provided by the President of the United States left Los Angeles International Airport for New York City, transporting body of Senator KENNEDY and some members of family, friends, and staff. Room of SIRHAN BISHARA SIRHAN at 696 East Howard, Pasadena, California, searched by LAPD after receiving oral consent from brother, ADEL SIRHAN. Among items found and seized by LAPD were numerous pages of handwriting. One page dated 5/18/68, contained numerous sentences among which were, "My determination to eliminate RFK is becoming more the more of an unshakeable obsession." "RFK must die - RFK must be killed. Robert F. Kennedy must be assassinated." Near the bottom of this page is written, "Robert F. Kennedy must be assassinated before 5 June 68." Other pages contain similar statements. Weapon taken from SIRHAN at time of shooting is .22 caliber Iver Johnson pistol, Serial Number H53725. Pistol contained eight shots and all shots expended. Pistol sold in Pasadena, California, in 1965 to ALBERT LESLIE HERTZ, and subsequent ownership traced through several owners to MUNIR SIRHAN, brother of SIRHAN BISHARA SIRHAN. MUNIR SIRHAN purchased weapon in mid-February 1968, at which time accompanied by SIRHAN, who loaned him six dollars toward purchase. LAPD advised one bullet removed from Senator KENNEDY's body definitely fired from this .22 caliber pistol. 1956 De Soto, registered to SIRHAN, located by FBI Agents 6/5/68, a few blocks from Ambassador Hotel. Los Angeles County Grand Jury, 6/7/68, returned True Bill charging SIRHAN with one count murder and five counts assault with deadly weepoon with intent to commit murder. Arraigned 6/7/68; date of plea set for 6/28/68. Judge issued court order restricting comment by any public official or anyone connected with case. SIRHAN confined Los Angeles County Central Jail under strict security measures. LAPD has attempted to interview SIRHAN but he refuses to discuss shooting. Investigation determined SIRHAN born 3/19/44, in Jerusalem. Entered U. S. in 1957 with parents and family. Attended junior high school, high school, and

junior college in Pasadena, California, 1957 to 1965. Mother and brothers living in Pasadena advise SIRHAN had no female associates and very few male friends. Has reputation of being "loner" who did not drink or smoke, always had great ambitions, but continually failed to reach his goals. SIRHAN reportedly had little communication with other members of family and read a great deal of books concerning history or politics. In September 1966, SIRHAN thrown from horse and reportedly injured head. Received \$2,000 settlement from insurance company for this injury. SIRHAN's mother advised in her opinion he was never the same person following this fall. GAYMOARD MISTRI, Pasadena, advised that shortly after 6:00 p.m., 6/4/68, SIRHAN joined him in local Pasadena restaurant. MISTRI talked with SIRHAN while SIRHAN ate dinner and then both walked across street to Pasadena City College. SIRHAN departed between 7:15 p.m. and 7:30 p.m., 6/4/69, without indicating any definite plans for evening after MISTRI indicated he did not want to play pool that evening. HUMPHREY CORDERO and ENRIQUE RABAGO advised had conversation with individual, subsequently identified as SIRHAN, at approximately 9:30 p.m., 6/4/68, at the Ambassador Hotel. Both of opinion SIRHAN was at Ambassador alone, and no one appeared to be accompanying him during the ten minutes they talked. SIRHAN reportedly made derogatory comments regarding "rich people" in general and Senator KENNEDY in particular. SIRHAN told RABAGO that KENNEDY was going to "buy the Presidency" for personal reasons and referred to KENNEDY as an "S.O.B." Neither CORDERO nor RABAGO had further conversation with SIRHAN during the evening of 6/4/68, and neither had ever seen him before. SIRHAN reportedly vocal in support of Arab effort in Arab-Israeli conflict, and anti-Semitic.

He further advised he appeared before the Los Angeles County Grand Jury on June 7, 1968 and testified to his knowledge of the events surrounding the KENNEDY shooting.

"6/8/68

Los Angeles, Calif.

"I, DONALD C. RUS, am employed as an ambulance driver for the city of Los Angeles, California. I was so employed on the night of June 4 - 5th.

"At about 12:20 a.m., on June 5th, I and my partner, TOM RATLIFF, were in ambulance G-15, at Sixth Street and Alvarado, without any patients in vehicle. I heard a radio call of an ambulance - shooting at 3400 Wilshire Blvd., at which time I told my partner that address was the Ambassador Hotel. I was not assigned to respond to this call. We proceeded to Central Receiving Hospital at 1401 West 6th St. to turn in time and hospital records.

"At about 12:25 a.m., I was in the ambulance office with several other drivers and attendants. I noticed a yellow cab drive to ambulance entrance of hospital. There was a motorcycle escort guard with the taxi cab. One of the passengers of the cab entered room requesting help because someone had been shot. Then, about six drivers and attendants went outside to ambulance ramp and observed a young white male sitting in rear of the cab. I assisted him removing him from the cab and placed him in a wheelchair. I determined he had bullet wounds in his left leg. Attendant TOM RATLIFF took the patient into the hospital and I ordered the cab and the motorcycle to clear the ambulance area. The man who came in the ambulance office told us KENNEDY was shot.

"At this time, approximately 12:30 a.m. ambulance G-18 arrived at the ambulance ramp. The ambulance backed up to the dock. I opened the rear door of the ambulance. I opened the Gilson belt, a belt which covers the rear door and is a protective device in case the rear doors of the ambulance doors open. In the rear of the ambulance, I observed Senator ROBERT F. KENNEDY on the stretcher. MAX BEHRMANN, the attendant was at the rear of the ambulance. Mrs. ETHEL KENNEDY was sitting next to BEHRMANN. There was at least another white female in the ambulance rear. ROBERT HULSMAN was the ambulance driver. In the cab, I observed Mr. BARRY, KENNEDY's bodyguard and at least one other person riding in the cab. Dr. BAZILIAUSKAS entered the ambulance and attended to Mr. KENNEDY. I released the stretcher and proceeded to roll it from the ambulance. We wheeled the stretcher inside the hospital to treatment room #2. As we were entering room #2, Mrs. KENNEDY, grabbed a camera from a news cameraman and knocked it to the floor. She also swung at him and hit him in the chest area.

3
LA 56-156

"KENNEDY's bodyguard jumped over the stretcher and attacked the photographer. They wrestled with each other for several seconds and were separated by L.A.P.D. officers, Hospital Detail. I then wheeled the stretcher into room # 2 and helped lift Mr. KENNEDY onto the treatment table. I removed the stretcher from room # 2. In treatment room # 2, there were doctors, nurses, and members of the KENNEDY group.

"I was then paged over the public address system and dispatched to the Ambassador Hotel as a request for 2 more ambulances had been received. RATLIFF and I drove ambulance G-15 to the hotel. On arrival, we were guided to rear entrance of the hotel. We took our stretcher and first-aid kit and entered the hotel by the rear entrance. We were guided to the freight elevator which we took to the third floor. We were guided through the corridors. We located one victim in a corridor. He was lying on the floor. We examined him and determined he was not critical. I do not recall his injuries. We left him and told him a private ambulance following us would take him. We were led into the Embassy Room where we found Mrs. EVANS. She was just to the left of the speakers stand in the Embassy Room. The room very crowded with people. The time was about 12:40 a.m. Mrs. EVANS was lying on her back on a table. There was a man, who claimed he was a doctor attending to her. He said she had a 'bleeder' in the forehead. RATLIFF and I examined her and determined she had a laceration on her forehead. We applied a pressure dressing over the wound and placed her on the stretcher. We were then advised of another injury of a photographer who had been hit in the head with a camera. We examined him and determined he had a laceration on the rear of the head. We took both patients down the freight elevator and out the rear entrance. We loaded them in

4
LA 56-156

"in the ambulance and proceeded to Central Receiving, Code 3. On arrival at the hospital, we unloaded the patients and placed them in treatment rooms.

"At about 1:00 a.m. I went to treatment room # 2 and assisted transferring Mr. KENNEDY from treatment table to stretcher. We wheeled the stretcher out to the loading ramp and placed it into ambulance G-16. Mrs. KENNEDY and several other people in the KENNEDY group and a doctor went in this ambulance which was transferring Mr. KENNEDY from Central Receiving Hospital to Good Samaritan Hospital at Lucas and Shatto St. about 4 blocks from Central Receiving. During the time we were loading Mr. KENNEDY into ambulance, the hospital corridors and entrance were jammed with crowds. We were slowed in our efforts to load him into the ambulance due to the large unruly crowd in and in front of the hospital.

"During the course of the entire affair, I saw or heard nothing which could aid in identifying a suspect or could be evidence to the shooting.

"I have read this written statement which is six pages long. I have initialed all page and corrections. This is a true statement.

MAX ALMA BEHRMANN, residence address 6259 De Longpre Avenue, Los Angeles, California, furnished the following signed statement to SAs RUSSELL C. ANDERSON and PHILIP G. JACKSON:

"I, Max Alma Behrmann make the following free and voluntary statement to Special Agents Philip G. Jackson and Russell C. Anderson who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"I am 48 years of age; reside at 6259 De Longpre Ave, Los Angeles, California, telephone number 464-7948. I have been employed by the City of Los Angeles for the last 19 years as an ambulance driver, and last October, 1967, I changed my position to that of an ambulance attendant. In March and April of 1968, as a part of a continuing program of in-service training, I received approximately 20 hours of emergency first aid instruction. I am presently working out of the Central Receiving Hospital, 1401 West 6th Street, Los Angeles, California.

"On June 5th, 1968 I received a call from Miss Norma Case, Dispatcher, at the previously mentioned hospital, that there was a report of an injury at the Ambassador Hotel on Wilshire Boulevard and the location was noted as the Embassy Room. I went with my driver, Robert Hulsman, residence address La Puente, California in ambulance unit number G-18 to the Ambassador Hotel.

"We proceeded, code 3, which means red lights and siren and I noted the time as 12:17 A.M. June 5, 1968. We drove down Wilshire Boulevard and entered the Ambassador Hotel parking lot and stopped the ambulance at the front parking lot close by the kitchen entrance.

"I then saw a man described as a white male, American, six feet tall, 175 pounds, wearing an olive green suit and he said to me, 'bring a stretcher, follow me up the stairs.' I was rolling the stretcher and knew I could not get it up the stairs. I and my driver then went to an elevator and a hotel employee described as a white male 6 feet, 160 pounds, who I know as a handyman took us to the second floor. I then went to the second floor kitchen and it was very crowded and congested. I noted as I came near the victim there was a woman wiping the forehead of this individual with a cloth. I noted a white male, unknown to me, close by the victim.

"I then noted a pool of blood underneath the head of the victim. I knelt down again to pick Mr. Kennedy up and place him on the stretcher. As I knelt down by the victim the woman wiping the victim's head tried to pull me away and said, 'keep your hands off of him, I'm Mrs. Kennedy.'

"I then said to Mrs. Kennedy, 'We are from Central Receiving Hospital, Emergency Ambulance Crew and we are here to help you.' Mrs. Kennedy then replied 'I don't care who you are.'

"I then said to Mrs. Kennedy, 'We had a call here, If you don't want me to examine your husband, what do you want me to do?'

"I then heard an unknown white male standing close by say, 'Hurry hurry lets get him on the stretcher.'

"I then heard Mr. Kennedy say, 'No no don't please.' At this point Mrs. Kennedy tried to pull me away."

3
LA 56-156

"The driver and myself then put Mr. Kennedy on the stretcher, and wrapped him in a blanket. I noted the white male pushing people away from in front of the stretcher and some people were falling over and tripping over each other. We got on the elevator with Mrs. Kennedy and a white male and the previously mentioned handyman was controlling the elevator.

"The elevator went by the first floor to the basement and then returned to the first floor. At this point I had not heard that the victim, Mr. Kennedy, had been shot.

"I then moved the stretcher out of the elevator and out to the ambulance. I noted that the white male was pulling on the stretcher so that I could not move it along and he said, 'take it easy.'

"I then said to this white male, 'For Christ's sake, let go so I can get him to the ambulance.'

"I then heard Mrs. Kennedy say, 'Don't hurry don't hurry.' I did not specifically notice any policemen immediately around me but it was extremely congested and people were shoving each other around. We lifted Mr. Kennedy into the ambulance and locked the stretcher in place. I then said to Mrs. Kennedy 'Would you get in please'. I observed standing with her was a white, male, American, age 60, weight 150, 5 feet 8 inches, medium build receding lt. brown hair, wearing a dark brown suit.

"This man then got into the ambulance and then Mrs. Kennedy entered the ambulance and I entered it. The driver, Hulsman came to the rear and started to fasten the safety webbing."

"I said, 'Robert, please come on lets go to the hospital.' Robert then closed the doors. I then noted that Mrs. Kennedy opened 1 door and pointed to a white, female, wearing a white dress and said, 'I want that lady in white to go with me.'

"I recall that just prior to Mrs. Kennedy opening rear door mentioned above I took Mr. Kennedy's pulse and I would say it was very weak.

"I then said to Mrs. Kennedy, 'No, I'm not taking her with me.' I said to the driver, 'Bob come on close the doors, lets go.' The driver was having difficulty closing the rear doors and I said 'Put them in the front seat and lets go.'

"I then said to Mrs. Kennedy, 'Just for the records, Please, what happened?' At this point Mrs. Kennedy said, 'I don't give a damn what you say' and at this point Mrs. Kennedy grabbed my ambulance call record book and threw it out of the rear of the ambulance. I had noted on the ambulance call record ticket the following information: number B 20588, date 6/5/68, Division G 18, location Ambassador Hotel, received 12:17 A.M. and arrived at location 12:22 AM., Name Kennedy, address, Ambassador Hotel.

"I then noted that the driver closed the rear doors and I said, 'Come on Bob lets go, We've got a police escort.' I noted a police car in front of our ambulance and just before we pulled out 2 white males got in the front with the driver and we left.

"I noted that Mr. Kennedy was taking deep breaths, I reached over him to get an air-wick to insert in Mr. Kennedy's throat to aid"

5
LA 56-156

"hisbreathing prior to putting on an air-mask but elected not to use it (the air wick) in view of Mrs. Kennedy's behavior. I then reached under Mr. Kennedy's head to lift it up so I might put the band over his head which holds the air mask.

"At this point Mrs. Kennedy said, 'You keep your dirty filthy hands off my husband.' 'Mrs. Kennedy then said, 'How do you know the air is on?' and I replied, 'you can hear it.'

"As we were proceeding to the hospital I again asked Mrs. Kennedy, 'Can you tell me what happened?' and she replied, 'I don't give a Goddamn what you want to know.'

"I then tried to place the previously mentioned guaze compress on the left side of Mr. Kennedy's head as he was bleeding profusely and breathing in deep gasps. At this point I was struck on the right side of my face by Mrs. Kennedy and I can only state I was stunned.

"I next recall Mrs. Kennedy saying 'Bruce, come back here and throw this ambulance man out; he's bothering me; he's asking too many questions.'

"I next recall that the white male was attempting to crawl through from the cab to the body of the ambulance. At this point the driver pulled him back and said, 'Sit there or you can cause an accident.'

"As the ambulance approached the hospital I could see that a large number of people had gathered. As Robert tried to back the ambulance up to the off-leading dock an individual by the name of Rus, who is employed at the hospital as an ambulance driver opened the rear doors and dropped the webbing. At this point Dr. Bas"

6
LA 56-156

"(phonetic, not his full name) entered the ambulance and I said to him, 'What do you want Doc?' and he replied I want to examine Mr. Kennedy.' I then said to Dr. Bas, 'Not here Doc, in the treatment room where you belong.'

"I next recall getting out of the ambulance and then Mrs. Kennedy got out. The driver and I took the stretcher out and started to go through the entry doors. At this point a photographer took two pictures and Mrs. Kennedy then said 'Get that man', and pointed at the photographer. I then observed the white male leap over the stretcher and strike the photographer full in the face and he fell to the ground.

"I then worked the stretcher through the crowd and into treatment room number 2. I then heard Dr. Bas say, 'Come on, hurry let's get him on the table so I can examine him.' At this point Dr. Bas placed his hands under the middle back of Mr. Kennedy and attempted to lift Mr. Kennedy up onto the table. I observed that Dr. Bas lifted Mr. Kennedy approximately 1 and $\frac{1}{2}$ feet ($1\frac{1}{2}$) off the stretcher and Robert and myself brought the stretcher up as he was being lifted. At this point Dr. Bas lost his balance and he (Dr. Bas) falls forward toward the table and placed Mr. Kennedy on the table. I observed that when Dr. Bas lifted Mr. Kennedy the oxygen bottle that was between his legs fell to the floor and the air mask was subsequently left on Mr. Kennedy's face but the air tube had been pulled out.

"At this point the driver and myself took the other items, put them on the stretcher and moved it out of treatment room #2.

"At this point, in the hall, I pointed to the white male previously referred to as having"

7
LA 56-156

"struck the photographer and I said, 'I want to file a complaint against him.' This was said in the presence of a Los Angeles Detective who is normally stationed at Central Receiving Hospital.

"At this point the previously mentioned individual above said to me, 'I'm going to file a complaint against you too; what's your name?' I then said, 'Ask my supervisor he's right over there,' and I pointed to Mr. Paul Clum my immediate supervisor.

"The next event I can recall is that the dispatcher notified me that I should return to the Ambassador Hotel as there had been a shooting. I then said to Norma Case, the dispatcher, 'In other words, Mr. Kennedy that we just brought in has been shot,' and she said 'I guess so.' The dispatcher then told me they were sending 5 or 6 more ambulances to the Ambassador Hotel.

"I then returned to the Ambassador Hotel and picked up a white male, age 52 - 55, weight 200, name not given, who indicated to me that he had been shot. After the driver and I placed this man in the ambulance a Negro male, age 50, wearing a dark brown suit stated he was a Doctor and requested to go along in the ambulance. I was further requested by a white male wearing a white shirt and a dark tie who identified himself as a Doctor, if he could also go along in the ambulance and I indicated he could. This individual being transported was asked by me, 'Would you like me to remove the hat from beneath your head and he replied, 'No I'm fine, tell your partner to go fast, but not too fast'.

"The next event I can recall after returning to the hospital was a telephone call I received from an officer at the Los Angeles Police Department Intelligence Division whose name"

"I recall to be Wilson. He stated that an individual in the Kennedy party that identified himself as Barry had 'complained charges' against you, that you struck Mrs. Kennedy.

"I replied that I did not touch her at any time other than to help her into the ambulance, but Mrs. Kennedy did strike me, and I further advised him of all the details of the early morning hours of June 5, 1968.

"I remained at the hospital until approximately noon on June 5, 1968 writing a hand-written account of the events that took place during the early morning hours of June 5, 1968.

"I have read this statement of this page and eleven other pages and it is true and correct and best of my knowledge.

Mr. MC ROY is the Administrative Assistant to Dr. THOMAS T. NOGUCHI, M.D., the Chief Medical Examiner-Coroner of Los Angeles County. Dr. NOGUCHI was in charge of the autopsy performed that morning on Senator ROBERT F. KENNEDY.

Mr. MC ROY advised that an individual from the Photographic Laboratory of the Los Angeles Police Department as well as their official photographer of the Coroner's Department had made photographs of the decedent.

Mr. MC ROY stated that the results of autopsy had been dictated that morning by Dr. NOGUCHI and were presently being transcribed into a rough draft form.
