A List of Grievances against U.S. and its decade of "Freedom and Justice for all"

Definitions: per Webster's Dic.

Freedom: "...a being free, a political Liberty, a being ^{able} to act, use, etc, without hindrance, frankness.

Justice: A being righteous, fair, rightfulness - the use of authority to uphold what is right.

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that generate in me.

personal def. of

The administration of law do Justice, to treat fairly as with due appreciation.

(per a citizen of U.S.)

① Freedom is but an imaginary and an illusine concept ~~granted the~~ ~~American people~~ of political life granted the American, sheep like bourgeois masses, by their selfish (capitalistically permissible) sinister and power hungry (whether democratically given to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~also~~ lobbyists) who are in turn treated the same way - by lower power hungry (political + economic), patriotic (understated) individuals (bastards)

Editorial by Geo. Putnam
Fri. June 2 10:55 P.M.

An individual freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp (We. — the leaders — want to be in power and ~~legislate~~ decree as we please and do ^{to} what ever is materially expedient to us and our families — at your cost. Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically — etc) We will use some of the loopholes — that we have constructed in our legislation, (which by the way — we established with or without your ^{concept} ~~total~~ — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con~~ that concern them, not their appointees in Congress (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of)

American Capitalism ~~will~~ will fall
all give way ~~to~~ to the worker's dictatorship

A Declaration of Against America Community
 when in the course of human events
 it has become necessary for me to
 explain and seek revenge for all the
 inhuman treatment that I have
received by ~~those who~~ committed
 against me by the American people.

the manifestation of this Declaration will
 be ~~manifested~~ by its purport (b)
 as soon as he is able to command
 a sum of money (\$2,000) and to
 acquire some firearms - the specifications
 of which have not been established
 yet.

The victims of the party in favor
 of this declaration will be or are
now - ~~in~~ the President, Vice
 etc - down the ladder.

The time will be chosen by
 author at the convenience of
 accused.

the method of assault

 weapon used, would be
 it somehow.

the ~~to~~ author believes that
many in fact multitudes of people
are in harmony with his
thoughts and feelings

the conflict and violence in the
world subsequent to the ~~en~~
enforcement of this decree,
shall not be considered lightly
by the ~~author~~ further of this

that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by history
as the man who triggered off
the last war.
