Individuality is the necessary complement
of the universal spirit which was the subject
of our consideration last Sunday - The
whole problem of life consists in finding
the true religion of the individual to the

towards ascertaining this is to realize
what the Universal Spirit must be in
itself, we have already done this to a

THE OPINION

AN INDEPENDENT STUDENT PUBLICATION

FRIDAY, MARCH 30, 1967 NO. 11

CLARIFICATION

The "OPINION" has made no intentional slanderous snipes at any individual involved in student government. If any person has been unfairly accused of any act constituting poor judgement in execution of duties or otherwise, then apologies are herewith being extended to them, and only then, if such implications are not being withdrawn.

Criticism had been rendered by earlier generous amounts in previous literature distributed at the campus. It has been said that these earlier "circulars" attempted to "force" ideas on the other side. It should be remembered that it is up to those who submit concepts or suggest any ideas to own responsibility to them.

A number of "hostile" stated charges have been made against some students, at least for making attempts to "take over the government"; they are not true.

Criticism and praise has been and will continue to be rendered by the "OPINION", and no doubt about it. This is taken for granted. Your views are welcome.

TO HONOR THE CENTER BLEACHERS BENCH

Seniors are currently discontented with the condition of senior privileges.....which are very apparent because of their absence.

If the center section of the bleachers is designated to seniors, WHY isn't there an enforcement of this favor?

sort of a farce are the 12th and 13th falling for when they are asked to be seated first at the bleachers yet they still refuse to leave a mass of seniors

Seniors are the only ones who could vote for the 12th and 13th grades a day before the election and to be late for the election is a disgrace.

Let's think that the center section is for seniors, but what if the seniors offered them? There is no choice involved!

Let's face it seniors. If there is nothing better in view you can either take it or leave it.

ASSOCIATE EDITOR OF "BLAZER" WRITES OPEN LETTERS TO PAPER

A source directly involved with the "BLAZER" and in good standing with the "OPINION" has informed the "OPINION" that the editor of page 2 of the "BLAZER" has written a number of letters to the "OPINION" in the last column of his own paper. This makes us wonder if the "BLAZER" is a farce or if this sort of action is considered to be a fair game by those involved. The person in question, Keith McDermott, is given adequate space in which to expound his views, both in the "BLAZER" and in the relatively unknown "ALFAD.M.I.T.". Let us hope that such dishonest receiving methods will hereafter cease. The tactics used are and unethical.

Under the proposed constitution, 25 people would hold semester A.S.B. offices, nearly 3 times as many as now. The substantial increase in offices would encourage candidates who previously did not feel well enough known and would also reduce heavy influence popularity may have on elections. It is hoped that by more candidates running for 50 offices, they would feel a connection to the student body.
