He advised that he is presently employed as a salesman for Stenocord Dictation Company, 3755 Beverly Boulevard, Los Angeles, California (telephone 666-4600) and furnished information as follows:

DORDI stated that he has never known SIRHAN BISHARA SIRHAN by name. He explained that while attending PCC, he came to know many foreign students through social activities and noted that some of the foreign students were Arabs. He stated that after Senator ROBERT F. KENNEDY's assassination, he has become aware of the identity of SIRHAN and explained that he now realized that he had seen him on several occasions at PCC. He noted, however, that he has never known him by name, has never associated with him, and has never had a conversation with him.

DORDI recalled that in late March, 1968, he attended the races at Santa Anita with an associate, GAYMOARD MISTRI, who is likewise from Bombay, India. DORDI noted that MISTRI also attended PCC and recalled that he and MISTRI saw SIRHAN by chance at the races. He pointed out, however, that although they recognized SIRHAN by sight and had a conversation with him, the conversation was solely about the races and nothing more. DORDI noted that he believes this date was the last day of the season at Santa Anita although he was not certain.

He concluded by noting that he has absolutely no information concerning SIRHAN other than that set forth above.

COPPING advised that SIRHAN stayed with the BEVERIDGES and that this family would probably know him better than anyone else. He advised that before SIRHAN terminated employment with him, he had moved from the BEVERIDGE residence to his mother's address at 696 East Howard, Pasadena, California.

Mr. WILLIAM BEVERIDGE, 167 North Sierra Madre Boulevard, advised that he is self-employed doing garden jobbing work. He became acquainted with SIRHAN BISHARA SIRHAN in 1961 or 1962. He stated that he does not recall how SIRHAN came to him, but that during this period he was using young boys in connection with his gardening work and SIRHAN did come to him for such employment. During the next three years, SIRHAN worked for him on a part-time basis, as work was available, and as SIRHAN wanted work. During the first part of this period, it was BEVERIDGE's understanding that SIRHAN was attending Muir High School in Pasadena, and was living with his mother at some address on East Howard Street. He subsequently left Muir High School and did some studying at Pasadena High School located on Sierra Madre Boulevard. It was BEVERIDGE's belief that this was high school study rather than on a college level.

BEVERIDGE advised that it was his understanding that SIRHAN's father had originally been in this country, but had returned to Palestine by himself. SIRHAN's mother stayed in this country, and in addition he had two brothers and possibly one sister in this country. One brother was a painter by the name of JOE. The other brother was a musician; however, BEVERIDGE did not know his name. It was also his impression that the sister may have died sometime during the time he knew SIRHAN.

In about 1963, SIRHAN had some type of difficulty with his family. It was BEVERIDGE's impression that this arose from a fight between SIRHAN and his brother, JOE, which resulted in the Pasadena Police Department being called because of the disturbance. Because of this fight, SIRHAN left his family's residence and lived for several weeks in a camper owned by BEVERIDGE and parked at his residence. After BEVERIDGE found out that it was illegal to have someone stay in the camper, SIRHAN moved to a house owned by BEVERIDGE at 234 North Carmello, Pasadena. BEVERIDGE was in the process of renovating

this house and SIRHAN stayed there by himself. This house has subsequently been torn down.

In early 1964, SIRHAN started work at the gas station located at the intersection of Foothill and Altadena Drive. BEVERIDGE last saw him during the period he was working at this gas station and estimated that this would have been three to four years ago.

BEVERIDGE advised that he does not have any information concerning any associates of SIRHAN other than he was friendly with one of the employees of the above service station who left this area to enter military service.

BEVERIDGE described SIRHAN as a quiet boy, who talked very little about his past or his family. He was quiet, wellmannered, and studied very hard. He did not discuss politics and did not in any way express resentment toward any individual or any group. He appeared to like the United States and enjoyed living in this country. At no time did he display any temperament or show violence.

WAYNE J. BRANTLEY, 319 South Violet Street, Apartment E, Monrovia, California, advised that he is employed by the Berteau Corporation, Irvine Ranch, California.

BRANTLEY stated that he was acquainted with SIRHAN BISHARA SIRHAN for approximately a six month period in 1963, during which time they became close friends. At that time, BRANTLEY was 17 years old and was employed at the service station located at the intersection of Foothill and Altadena Drive, owned by CLARENCE COPPING. BRANTLEY worked during the late evening and early morning hours at this station. Sometime during the middle of 1963, possibly in June or July, COPPING introduced him to SIRHAN. BRANTLEY stated that he does not know how COPPING and SIRHAN became acquainted, or what connection they have with each other. At the time this occurred, it was BRANTLEY's understanding that SIRHAN was attending Pasadena City College, and was doing part-time evening work at Peak's Hamburger House (now known as Taco Treat), located near the intersection of Halstead and Foothill Boulevard in Pasadena. It was BRANTLEY's belief that at this time SIRHAN was probably about 19 years old. From the time that he met him, until the time that BRANTLEY left the service station in December 1963, to enter the Armed Services, SIRHAN made it a practice to come to the service station and stay with BRANTLEY for several hours each evening.

BRANTLEY stated that he left the service station in December 1963, and did not return to the California area until December 1966. At that time, he asked COPPING if he knew where SIRHAN was, and COPPING stated that he did not know what SIRHAN was doing but had heard that he had gotten a job at the Santa Anita Race Track as a jockey or horse trainer. BRANTLEY made no other effort to contact SIRHAN and consequently has not seen him or heard from him since December 1963.

BRANTLEY stated that during the period he knew SIRHAN, SIRHAN was living in a camper located at the

residence of Mr. BEVERIDGE, on North Sierra Madre Boulevard. SIRHAN indicated that he was living apart from his family because of some family trouble, but he did not discuss this any further.

BRANTLEY stated that he did not meet any of the SIRHAN family, but recalls SIRHAN talking about his parents so he assumed that both his father and mother were living in this area. He also made passing reference to a brother by the name of JOE; however, BRANTLEY did not recall anything specifically said about JOE. There was no reference made about SIRHAN having a sister. SIRHAN did talk about an uncle who still lived in Jerusalem. In this connection, BRANTLEY stated that SIRHAN told him that he came to this country with his family from Jerusalem several years ago. He claimed to be Arabian, but did not make reference to any Arabic nationality.

BRANTLEY advised that he considered SIRHAN to be a very intelligent individual. He spoke English with a slight accent and indicated a knowledge of Arabic. He also could at least read German, since on one occasion he interpreted a letter written in German which BRANTLEY's brother had received from a girl friend in Germany.

BRANTLEY stated that throughout his contact with SIRHAN, they did not discuss politics or involvement of this country in other parts of the world. Their topics of conversation were limited to normal interests of young teenagers, including talk about girls; however, at no time did SIRHAN indicate that he had a particular girl friend. SIRHAN did not indicate any emotional disturbance over the situation in Israel, and no particular animosity toward any individual or group. When he did talk about Jerusalem, it was related to graphic description of the physical lay out of the country and the customs of the people. SIRHAN appeared to be very satisfied with his life in this country and appreciative of the manner of living and his acceptance in this country.

BRANTLEY stated that he has seen recent pictures of SIRHAN. The only difference noticed was that during the period BRANTLEY knew SIRHAN, he wore a thick, dark mustache.

BRANTLEY stated that he cannot suggest anyone else who would have further knowledge of SIRHAN, adding that he did not meet any of SIRHAN's friends or introduce him to anyone to whom SIRHAN became friendly.

BLESSING advised that he has been employed at the Jack Davies Richfield Service Station for approximately one and one-half months, since he moved to California from Saginaw, Michigan. BLESSING advised that he never worked with SIRHAN SIRHAN but that he met SIRHAN approximately four or five times, when SIRHAN would come into the service station to purchase gasoline. BLESSING went on to say that he did not know SIRHAN by name, but, the morning after Senator KENNEDY was shot, JACK DAVIES, Owner of the Richfield Station, told him that SIRHAN was the individual who had previously worked for him and was the same person who used to come in and buy gasoline. BLESSING further stated that when SIRHAN would come into the station in his 1956 pink DeSoto, they would sometimes talk about automobiles. He advised that approximately three weeks ago while SIRHAN was at the service station, he asked SIRHAN if he knew anyone who had a good automobile for sale because he needed transportation. BLESSING advised that SIRHAN told him that he was planning on trading cars and, if he did trade for another car, he would give BLESSING his old car, being a 1956 pink DeSoto.

BLESSING advised that SIRHAN was a very polite individual and friendly. He told BLESSING that he understood that BLESSING had a family and with the salary he was making at this service station, he realized it was hard to support a family on these wages. Therefore, if he did purchase a new car, he would give BLESSING his pink DeSoto.

YASHUK recalled that SIRHAN never borrowed money from any employees at the station and he appeared to spend his money on clothes. SIRHAN on one occasion mentioned that he had purchased two pair of pants which cost \$25.00 apiece. YASHUK cannot recall from what clothing store SIRHAN purchased the clothing. YASHUK advised that SIRHAN wore "continental style" clothes, and that he wore tight pants.

YASHUK recalled that in 1965 a security company named Hough Security Company provided evening security for the station. YASHUK stated around midnight the days' cash would be placed in the station safe and a security guard from the Hough Company would provide protection at the station when the money was placed in the safe. YASHUK advised that one guard in particular with this company was a very profane individual and on one occasion SIRHAN stated to this guard to tone down his profanity. The guard was upset by SIRHAN's statement and offered to fight SIRHAN, however, SIRHAN became very meek and would not fight this guard.

VARTAN MALIAN, Foothill Liquors, 2547 East Foothill Boulevard, Pasadena, California, advised that SIRHAN SIRHAN used to come into his business when he worked at the Richfield Service Station located at 2529 East Foothill Boulevard, Pasadena, California.

MALIAN advised that he never knew SIRHAN personally and never carried on any type of conversation with SIRHAN. He advised that several of the employees who worked at the Richfield Service Station would come into his business for either cigarettes or candy but none of them actually became friendly or talked freely to him.

He advised that after seeing a photograph of SIRHAN on television, he realized that this was the individual who used to work at the Richfield Service Station in 1964.

Date 6/12/63

JOHN H. WEIDNER, residence, 933 Country Road, Monterey Park, California, 573-4947, business, Organic-Pasadena, 1330 North Lake Avenue, Pasadena, California (SY 4-3349), was interviewed at his place of employment and furnished the following information:

He is the owner of Organic-Pasadena, a health food store, as well as owner of two other health food stores, namely Monterey Nutrition, 105 North Garfield, Monterey Park, California, and Nutriville, 7322 East Florence, Downey, California.

He employed SIRHAN SIRHAN, Social Security Number [REDACTED], as a stock boy at the Organic-Pasadena store from September 24, 1967, through March 7, 1968. During this time, SIRHAN resided with his mother, at 696 East Howard Street, Pasadena, California, which residence is located several blocks from the Organic-Pasadena store.

SIRHAN's work as a stock boy consisted of stacking shelves, handling fresh vegetables as they arrived daily at the store, make deliveries to WEIDNER's store in Monterey Park and Downey, California, and occasionally taking money to the bank. WEIDNER indicated that SIRHAN's mother was a regular customer at the Organic-Pasadena store, as was SIRHAN's sister (whose name he believes is ADIA SIRHAN). SIRHAN's younger brother, MUNIR SIRHAN, worked as a stock boy at the Organic-Pasadena store for one or two weeks approximately three years ago.

Two or three months prior to September 1967, SIRHAN's mother asked WEIDNER if he could get a job for her son, SIRHAN SIRHAN. In mid September 1967, WEIDNER had an opening for a stock boy at the Pasadena store, and on September 24, 1967, SIRHAN SIRHAN came to work at this location. SIRHAN worked from Sunday through Friday d

and was paid \$2.00 an hour by WEIDNER. WEIDNER stated that he felt SIRHAN was completely honest, and he believes that SIRHAN may have at one time had a key to the Organic-Pasadena store for the purpose of opening the store early on Sunday mornings to prepare a fresh fruit and vegetable stand.

WEIDNER described SIRHAN as a capable employee who got along well with the other employees, and who always presented a neat appearance and was courteous to the customers. WEIDNER noted, however, that SIRHAN seemed to resent being told what to do, and on occasion became aggressive and bad tempered with WEIDNER. In this respect, WEIDNER received the impression that SIRHAN resented authority and discipline, and had an "inferiority complex" resulting from his being physically small.

WEIDNER advised that the following employees at the Organic-Pasadena store and his stores in Monterey Park and Downey, California, would have been acquainted with SIRHAN:

RETTA DRAKE, 2516 Strethmore, Rosemead, California, who managed the Organic-Pasadena store for WEIDNER from February 25, 1963, through March 7, 1963, quitting on the same date as SIRHAN.

WEIDNER described DRAKE as approximately 35 years of age and noted that both DRAKE and SIRHAN filed a petition for wages due against WEIDNER with the Labor Commissioner, Division of Labor Law Enforcement, Room 5015, Los Angeles State Office Building, 107 South Broadway, Los Angeles, in mid March 1963.

CAROL BURGESS (formerly known as CAROL STAGNER) who now resides with her husband who is in the Army and residing at NAD Quarters, JJ, Bangor, Washington, worked for WEIDNER at the Organic-Pasadena store in December and January 1963. WEIDNER believes BURGESS became quite friendly with SIRHAN. BURGESS is approximately 35 years of age.

LA 56-156

[REDACTED] 3757 East Guess, Rosemead, California, 17 or 18 years of age, worked approximately one month for WEIDNER in January 1968.

LOIS PALMER, 7347 East Blaudwood Road, Downey, California, who is still employed at WEIDNER's Downey store, namely Nutriville, 7822 Florence Avenue, Downey, California, would have had some contact with SIRHAN.

MARCIA GIROUARD, 73½ Fairview, Arcadia, California, who terminated her employment with WEIDNER in March 1968, worked at WEIDNER's stores in Pasadena and Downey, California, and would be acquainted with SIRHAN.

Other persons employed by WEIDNER who would be acquainted with SIRHAN include MARGARET V. ROLEN, 11005 Stockwell Drive, Lynwood, California, who now works at WEIDNER's Downey store; VIRGINIA LYTTLE, 11703 Samolini, Downey, California, who also works at Downey store; and ELSIE BOYKO, 1545 East Mountain Street, Pasadena, California, who works at the Pasadena store and who has been interviewed by the FBI.

SIRHAN never discussed his personal activities with WEIDNER and WEIDNER was not acquainted with any of SIRHAN's associates.

WEIDNER noted that SIRHAN would occasionally discuss politics in general, without ever referring to any particular politician or official. WEIDNER stated that from time to time SIRHAN would discuss Middle East affairs and would express a strong dislike for the State of Israel and Jewish people in general. According to WEIDNER, SIRHAN was exceptionally bitter about the United States support of the State of Israel during the hostilities between Israel and the Arab nations, as well as about Jordan's loss of territory to Israel. WEIDNER further recalled that SIRHAN once told him that when he (SIRHAN) was young he saw some Israelis killing Arab children; and that SIRHAN once told WEIDNER's wife, NAOMI WEIDNER, that he (SIRHAN) once witnessed several Israeli soldiers killing a defenseless Jordanian woman with a knife.

4
LA 56-156

WEIDNER continued that SIRHAN was very sympathetic to the poor people and appeared to resent affluence. According to WEIDNER, SIRHAN was also very sympathetic to the Negro race, and on one occasion when he (SIRHAN) and WEIDNER were discussing rioting in the Negro communities, SIRHAN indicated that he felt that violence was the only way Negroes could obtain their rights.

WEIDNER further recalled that on one occasion he asked SIRHAN if he were a United States citizen, and SIRHAN replied that he had not become an American citizen because there was no "liberty" in this country. On still another occasion, SIRHAN indicated to WEIDNER that he did not believe in God.

WEIDNER stated that on February 23, 1968, he told SIRHAN to make deliveries at the Downey and Monterey Park stores and to stop at one of the stores before the other. SIRHAN made the deliveries in reverse order, and when WEIDNER mentioned this to SIRHAN, SIRHAN became very angry and belligerent; called WEIDNER a liar and stalked out of the store, indicating that he was quitting the job. According to WEIDNER, SIRHAN re-appeared at the store several minutes after this incident and told WEIDNER that his (SIRHAN's) "conscience" would not let him continue his employment with WEIDNER, but that he would stay for two more weeks as per a prior oral notice of termination of employment agreement with WEIDNER.

WEIDNER and SIRHAN had another disagreement on or shortly before March 7, 1968, which disagreement arose when SIRHAN failed to cover the vegetable stand with paper bags as was customary at closing time. WEIDNER said that when he mentioned this incident to SIRHAN, SIRHAN again became extremely angry and defensive, accused WEIDNER of firing him, and again left the store in an angry mood. WEIDNER believes that during this argument with SIRHAN, he, (WEIDNER) called the Pasadena Police Department and that several police officers arrived and talked briefly with SIRHAN in the store parking lot before SIRHAN left by himself.

5
LA 56-156

In mid March 1963, WEIDNER received a notice to appear before the Labor Commissioner, Division of Labor, Law Enforcement, Los Angeles, regarding a petition filed by SIRHAN for unpaid wages. On March 20, 1963, WEIDNER and SIRHAN appeared before this Commissioner and a settlement was reached whereby WEIDNER was required to pay SIRHAN approximately \$150.00 for wages due and severance pay. WEIDNER noted, as previously mentioned, that RETTA DRAKE, a former store manager for WEIDNER at the Organic-Pasadena store, also filed a petition for unpaid wages with the Labor Commissioner and appeared at this location at the same time as SIRHAN. WEIDNER does not know whether SIRHAN and DRAKE previously agreed to petition the Labor Commissioner at the same time.

WEIDNER has not seen SIRHAN since March 20, 1963, the date of the above appearance before the Labor Commissioner.

Date 6/10/68

Mrs. DONALD BOYKO, who said her nickname is "Tosti" was contacted at 1380 North Lake Avenue, where she is employed in the Health Foods Store owned by JOHN WEIDNER, which is known as Organic Pasadena Health Foods.

Mrs. BOYKO advised that on Sunday, June 9, 1968 she went to 1255 Morada Place in Altadena, California in an attempt to locate an Arab student named ABDUL MAJED DABASS. Mrs. BOYKO said she was accompanied on this trip by a Washington, D. C. reporter named GEORGE LARDNER, JR., whose credentials are unknown to her. LARDNER is staying at the Biltmore Hotel in Los Angeles, California.

On the day following the identification of SIRHAN BISHARA SIRHAN, LARDNER came to Mrs. BOYKO and asked for her assistance in locating some Arab students, who might know some background about SIRHAN. Mrs. BOYKO agreed to help him and thought she remembered an address for ABDUL DABASS, who some years ago lived at 1255 Morada Place. However, she did not know the address at the time and agreed to accompany LARDNER to pick out the house. In this connection, Mrs. BOYKO indicated she and her husband had met DABASS several years ago when he was a student at the University of Southern California School of Journalism. She believes that he is now married and not living in the Pasadena area, but thought she might get a lead on his present whereabouts by making a call to the Morada Place address. She was unable to obtain any information from Mrs. JOHNSON.

Mrs. BOYKO said she met SIRHAN SIRHAN at the time she went to work at WEIDNER's health food store in Pasadena, which was in December 1967 and was acquainted with him until his departure from the store as an employee in March 1968. She said she had no contacts with him outside of work, except on one or two occasions SIRHAN and his mother attended Mrs. BOYKO's church (7th Day Adventist Church in Pasadena) with the BOYKOs. stated that in her opinion SIRHAN seemed to be a quiet and intelligent boy and she would have had no reason to suspect he was capable of violence or murder.

Mrs. BOYKO said the name of MAJED GUSSOUS was not familiar to her.

Mrs. BOYKO stated that she does not know the present whereabouts of DABASS and indicated that it is possible that a Jordanian named SIMON (last name unknown) who owns a barber shop in Pasadena, might know the present whereabouts of DABASS. She said she had not mentioned this possibility to Mr. LARDNER.

Mrs. BOYKO concluded by stating she does not know the names of any other Arab nationals or Arab types, who might know SIRHAN and she stated that she has no knowledge of any personal friends or relatives of SIRHAN.

OPINION ON COMPROMISE AND RELEASE

An exercise boy, 22, earnings \$375.00 a month, sustained compensable injury to his head, face, left eye and back on September 25, 1966. Temporary disability is in dispute, but applicant returned to work for a time.

Compromise and Release has been filed offering \$2,000.00, less \$50.00 payable to Dr. Maurice W. Nugent, and less \$45.00 payable to Dr. Leonard J. Yamshon in full satisfaction of their liens.

All medical treatment to date of settlement has been paid by the carrier; if there is any more applicant is to pay it.

In evaluating this settlement I have had the benefit of advice from the Medical Bureau and two Permanent Disability Rating Specialists. I believe that the Compromise and Release is adequate and should be approved in accordance with its terms.

Applicant's attorneys request a fee of \$200.00, which is reasonable.

Upon approval of this Compromise Agreement by the Workmen's Compensation Appeals Board or a Referee, and payment in accordance with the provisions hereof, said employee releases and forever discharges said employer and insurance carrier from all claims and causes of action, whether now known or ascertained, or which may hereafter arise or develop as a result of said injury, including any and all liability of said employer and said insurance carrier and each of them to the dependents, heirs, executors, representatives, administrators or assigns of said employee.

Gentlemen:

We have your letter of July 21, 1967, setting forth the weeks that Mr. Sirhan worked for you after his date of injury on 9/25/66. In view of the fact that Mr. Sirhan will probably contend that he did not return to his regular duties following the injury of September 25, 1966, and that he terminated because of his limitations, we would appreciate your advising us as to whether Mr. Sirhan did return to his regular duties including exercising horses, and whether his termination of employment was related to limitation caused in turn by his injury of September 25, 1966.

Thank you for your cooperation.

Re: Sirhan B. Sirhan, vs.;
Granja Vistal Del Rio
Case No.: 67 LA 312 114

Dear Sirs:

On October 10, 1967 I examined the above named and the following is my ophthalmological consultation report.

This ophthalmological examination was done at your request and with permission of the above named.

Please be informed that I have at hand a copy of his medical file and this was perused prior to the ophthalmological examination and again following.

This very pleasant and cooperative young man gave me no significant general history, past history or family history.

His present history states that he has never had glasses and that the accident in question resulted from being thrown from a horse September 25, 1966 at Corona. He thinks he was thrown into a fence, but it was during a fog and he and others were not certain of what he hit. In any event, he stated that he was unconscious for a short time and began to come to when he was in the Corona Community Hospital. He stated that he came to while they were suturing his facial laceration.

Mr. Sirhan stated he was in hospital over night only and released and then one week later returned to the doctor for removal of stitches. He stated that he was back to work two weeks later and then noted poor movement in the left eye with a feeling of tension and pain.

Re: Sirhan 3. Sirhan

He apparently feels that these symptoms are still present. He did not mention any twitching of the lid area or the left eye, although it is mentioned in his medical file.

Examination:

Mr. Sirhan was very cooperative and very pleasant. His symptoms were somewhat vague and variable, but pleasant cooperation was established and he proceeded with his examination with full cooperation.

His vision without glasses was a better than normal 20/15 in each eye.

A refraction was done and a most minimal refractive error was found, namely a +0.25 cylinder in the right eye at 165 axis and a +0.25 cylinder at axis 60 in the left eye. Needless to say this insignificant refractive error is of no consequence and it is essentially bilaterally symmetrical.

The intraocular pressure was measured and it was found to be a normal 17 millimeters of Mercury in each eye.

The ocular muscle balance was measured and found to be completely negative in every detail.

The excursions were checked and the eyes were found to be fully mobile in all cardinal positions of gaze and no paresis or paralysis were present whatsoever.

There was excellent convergence.

The media and fundi were studied and measured with a retinoscope, an ophthalmoscope and a biomicroscope and both eyes were found to be excellent in every detail.

The pupils were round and equal and responded normally to light and accommodation.

His near point without any correction whatsoever was a full normal Jaeger I in each eye and this is as it should be in this age group.

The lids and adnexae were all inspected and examined carefully and a scar under the left brow and in the area towards the nose of the left upper eyelid showed a very small scar remnant and one that has healed exceptionally well.

Re: Sirhan B. Sirhan

This scar at the nasal end of the left upper eyelid is the result of his laceration and the surgical procedure of repair. It has healed well and has no tender spots in it, but in this location it is quite customary to have a small amount of deep scar tissue beneath the skin, but this is always left alone and no attempt is made to improve on the circumstance.

I did not ask for new x-rays as his file shows that these have been taken and there were no findings for any foreign body or bony fracture.

The fields were studied on the tangent screen and the right eye was fully normal both quantitatively and qualitatively with various sized test objects and at different differences from the screen. The left eye however at first gave a smaller field than normal, but when Mr. Sirhan was invited to make a good logical effort, he did so and the visual fields in the left eye also showed a full normal peripheral isopter and matched those of his right eye. The blind spots were normal and equal in each eye.

There was no complaint of twitching of the lids or areas about the left eye, nor was there any sign of any muscular twitching.

I can only state that this young man has a most excellent pair of eyes and a most excellent surgical result of the repair of his laceration at the nasal end of the left upper eyelid and there is no indication whatsoever of further treatment or complications or resultant disabilities.

In addition to the above, the eye examination shows no defect of the interior of each eye nor any localization of any central nervous system defect.

Very sincerely yours,

Maurice W. Nugent, M.D.

Re: Sirhan B. Sirhan
November 6, 1967

PRESENT COMPLAINTS

He complains of pain in his back. He finds he has pain in his back if he tries to be in one position for any period of time. He finds that when he bends and lifts he has pain. He finds that if he sits or stands or tries to be in a bent position he has back pain. He finds that when he turns over in bed at night he will wake up with backpain. He finds that when he gets in a partially bent position he has difficulty in straightening up.

EXAMINATION

There is a healed scar under the right mandible and over the right lumbar area.

There is tenderness in the lumbosacral area. He has pain on movement of the trunk. Trunk motions are complete. On flexion with effort he touches the floor.

He has hypesthesia over the anterior lateral aspects of both thighs. The reflexes are bilaterally equal.

He has pain referred to the back on knee chest, passive straight leg raising and performing Patrick's test.

Circumference:	Right	Left
Thigh 6" above patella	17"	17"
Calf 4" below patella	12"	12"

DISCUSSION

Based on the history this man was injured at work on 9-25-66. He had a sprain of his back. He apparently also had an injury to his left eye but I do not feel qualified to comment upon that and this should be done by an ophthalmologist.

DISCUSSION (continued)

He had some lacerations of his face and he does have some scarring on the under surface of the chin on the right and a tight scar in this area. There is also some healed abrasions scars over the right posterior lumbar area and lateral lumbar area.

He has complaints referred to the back consisting of pain. He finds that he has pain when he gets in a partially bent position for any period of time. He finds that he cannot tolerate remaining in this position. He also finds that if he stands or sits for a prolonged period of time he has back pain. When he bends or tries to lift he has back pain.

He does not have any leg complaints but on this date he seems to have some hypesthesia to pin prick over the anterior lateral aspect of both thighs. The significance of this is not fully determined.

It is possible that he could have some contusion of the anterior femoral nerves in the fall.

The factors of disability are:

1. The subjective complaints, slight to moderate with moderate for being in the partially and squatting positions for any prolonged period of time.
2. Scarring and disfigurement.
3. Hypesthesia limited to
