LAURENCE DAVID STRICK, also known as Larry Strick, 11930 Iredell Street, Studio City, California, telephone number TR 7-6151, a student at Hollywood High School in Los Angeles advised as follows:

Mr. STRICK said that for several days before the California Primary Elections on June 4, 1968, he had been a volunteer worker at Senator KENNEDY's Campaign Headquarters at 5615 Wilshire Boulevard, Los Angeles. He said that he had seen a young man at the KENNEDY Headquarters who he possibly believed to be SIRHAN SIRHAN who had been arrested for shooting Senator KENNEDY. He claimed that he had seen this young man on June 2, 1968, at about 2:00 p.m. and that this person had come into the headquarters and was standing by the front door at the same time a Mr. KHAIBAR KHAN, who had been doing some voluntary work at the KENNEDY Headquarters, was standing at the information desk which is located near the front door at the headquarters. Mr. KHAN had been bringing in a number of young people as volunteer workers, all of whom appeared to be descendants of people who resided in the Arabian countries of the Middle East. Mr. KHAN, himself, appeared that he may have been from the Middle East and reportedly was from Iran.

Mr. STRICK continued that he had asked the young man in question who was standing by the door on June 2, 1968 if he, STRICK, could help him, whereupon the young man replied, "No thank you. I'm with him" and pointed towards Mr. KHAN.

Mr. STRICK said that this young man was possibly around headquarters that afternoon but that this was the only time that he could recall seeing him.

Photographs of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968 were exhibited to Mr. STRICK who voiced the opinion they were photographs of the person who he believed to be identical to the aforementioned young man who was in the KENNEDY headquarters on June 2, 1968 at approximately 2:00 p.m.

Mr. STRICK said that he had, since the shooting of Senator KENNEDY, discussed the possibility of SIRHAN SIRHAN having been in the KENNEDY Headquarters, with Mrs. ELLENORE SEVERSON who had been on the information desk at the headquarters at the time and they both had been of the opinion that there was a strong possibility that SIRHAN SIRHAN had been in the headquarters and that he might possibly be known to Mr. KHAN.

STRICK said that Mr. KHAN appeared to be a man 50 years of age, five feet ten inches in height, stocky build, dark hair, fairly dark complexion, large forehead, wore "snappy clothes" and had a plaster cast on one arm.

Mr. STRICK noted that a young girl on crutches had been in the company of Mr. KHAN on one or two occasions between June 2, 1968, and June 4, 1968, at the KENNEDY Headquarters. She had no cast on her leg which appeared to be normal in appearance and on one occasion she came in alone. It was noted that she was driving a blue car of the Camaro type which had a large KENNEDY sticker on the side. She appeared to be in her early 20s, five feet three inches in height, fair complexion, dark hair, slight build.

Mr. STRICK related that he had learned from Mrs. SEVERSON that an itinerary sheet for Senator KENNEDY for June 2, 1968 had turned up missing. There was suspicion that maybe Mr. KHAN had taken it as he was known to have been standing near her desk just before it had been missed.

Mr. STRICK said that all of the voluntary workers brought in by Mr. KHAN reportedly furnished the same address as Mr. KHAN but he could not identify them. He was of the opinion that their names would be on the registrations of volunteer workers in the KENNEDY Headquarters.

Mr. STRICK examined a photograph of SHARIF BISHARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, both brothers of SIRHAN SIRHAN. Mr. STRICK said he had no knowledge of seeing anyone resembling either of these brothers around the Senator KENNEDY Campaign Headquarters or elsewhere.

JUNE ISACKSON, Headquarters Office Manager, Kennedy Campaign Headquarters, 5615 Wilshire Boulevard, advised that due to the large number of individuals who worked at the Kennedy Campaign Headquarters, she is unable to specifically recall any of the individuals assigned to conduct telephone soliciting. She stated that in this regard, possibly MARY GILLESPIE, who resides at 1643 North Dillon Street, Los Angeles, could furnish information concerning the individuals who worked as telephone solicitors as GILLESPIE supervised the telephone soliciting program.

ISACKSON advised that individuals who worked at the Kennedy Campaign Headquarters came from two categories, one category being volunteer workers and the other being paid workers furnished by two Los Angeles employment firms. She identified the employment firms as The Peakload Company, 3057 Wilshire Boulevard, and Olsten of Los Angeles, Incorporated, 3735 Wilshire Boulevard.

ISACKSON advised that she recalled a volunteer worker by the name of KAIBAR KHAN, also known as "Goody", and advised he was responsible for bringing in some 15 to 20 volunteer workers prior to election day. She stated that all of these workers were individuals of Middle Eastern descent. ISACKSON described Goody as being a cordial, mannerly person and a willing worker but who did things which appeared to her to be strange. She explained that Goody insisted that all of the volunteer workers he brought in list their addresses as 10554½ Wilshire Boulevard, which was the address Goody listed as his. Goody also related conflicting stories concerning his ancestry, first indicating that he was of Turkish descent and then stating he was Persian. He also claimed to be a good friend of the KENNEDY family and a supporter of Senator KENNEDY and made several statements indicating that he knew Senator KENNEDY was going to win the election, but, for several unexplained reasons, ISACKSON felt that Goody was not sincere and that he was a phony.

The following items, which were given to SA RICHARD P. DOUCETTE on June 8, 1968, by MARGUERITE SWEENEY, Volunteer's Coordinator, KENNEDY for President Committee, were turned over to JUNE ISACKSON, KENNEDY for President Headquarters, 5615 Wilshire Boulevard, Los Angeles, California:

Nine (9) cardboard boxes and one (1) metal box containing 3 by 5 inch cards with the names and addresses of volunteers who worked on the KENNEDY for President campaign.

Mrs. ISACKSON advised that the boy referred to by DAVID MARK ESQUITH as having been an exercise boy at the race track was undoubtedly DAVID BARRETT. BARRETT had been working at the campaign headquarters for several months and was the only man fitting the description furnished by ESQUITH. ISACKSON advised that BARRETT was presently a student at the Yamano Beauty College, 5653 Wilshire Boulevard.

ISACKSON could not furnish the addresses for BILL COX, VICKY CUCCIA, ANN FERGUSON, Mrs. TIFFANY JONAS, RICHARD ROSEN, AL ROTHSTEIN; however, she stated that ANN FERGUSON had telephone number 628-6801. She further stated that Mrs. TIFFANY JONAS could be reached at telephone number GR 5-5206, and that she should know the addresses where the others could be reached. ISACKSON explained that she had heard these names and knew most of them but did not have their telephone numbers or addresses.

INTERVIEWS OF INDIVIDUALS AT SAN GABRIEL VALLEY  
GUN CLUB, DUARTE, CALIFORNIA, JUNE 4, 1968

On June 16, 1968, EVERETT BUCKNER, SR., 129 East Bennett, Glendora, California, telephone 963-5583, telephonically contacted the Los Angeles Office of the FBI. At that time, BUCKNER stated that he had not furnished full information concerning SIRHAN BISHARA SIRHAN previously to interviewing officers, because his employer desired that he not talk about this matter. He stated he would like to talk with SA GEORGE M. KLING, whom he had talked to previously and furnish full information.

As a result of this information, BUCKNER was contacted by SA KLING and SA CHARLES W. BADGLEY at his residence in Glendora, California.

BUCKNER advised that he had been fired from his job as Range Officer for the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California on June 16, 1968 by LLOYD HAGER, Manager of the gun club. BUCKNER stated he was given no reason for his dismissal and he had no idea why he was fired.

BUCKNER was asked specifically what additional information he had in this matter as a basis for his telephonic contact with the Los Angeles Office. In response, BUCKNER stated that he actually had no additional information and could provide no information other than what he had furnished on previous interview.

During the course of this interview with BUCKNER, interviewing Agents were cognizant of the odor of alcohol on BUCKNER's breath and BUCKNER's mannerisms were indicative that he had in fact been drinking.

ROLAND GLEN WILLIAMS, who resides at 2428 Sierra Leone, Rowland Heights, California, telephone number 965-1870, and is employed by the Jerseymaid Milk Products, 1040 West Slauson, telephone number PL 3-1231, supplied the following information to SA GEORGE M. KLING and Detective Sergeant MIKE MC GANN, Homicide Division, Los Angeles Police Department (LAPD), after the identities of the interviewing officers were made known.

WILLIAMS advised on June 4, 1968, he and his wife, CLAUDIA, went to the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California, in order to do some target shooting. WILLIAMS stated that neither he nor his wife knew the exact route to take in order to go to the gun range; therefore, they stopped at the Briar Patch Bar where his wife is employed and obtained directions. They continued on towards the gun club and eventually stopped and asked a Deputy Sheriff for further directions. WILLIAMS stated that he did not know the identity of the Deputy Sheriff from whom they had asked directions.

WILLIAMS advised they arrived at the range at approximately 3:50 PM and went to the Range Officer's Building in order to make arrangements for target shooting. He stated that the Range Officer informed them that the range closed for firing at 5:00 PM and, as a result, they would have only about one hour in which to shoot. WILLIAMS stated that he and his wife discussed this at some length and he said in all probability, this discussion could probably be termed an argument by a bystander.

He stated he had recently purchased a 30-30 caliber rifle which he intended to shoot and his wife had received a .22 caliber pistol for Christmas during the year 1966, which she had never fired, and it was her intention to use this gun on the range. WILLIAMS stated that he recalls his wife saying something to the effect that she had had the gun for a long time and she wanted to learn how

to shoot it today. WILLIAMS advised that the Range Officer informed them that they could not fire the pistol and rifle on the same range and that it would be necessary for his wife to go to the pistol range and he to the rifle range. WILLIAMS stated that he paid the admission fee of \$2 per person plus 50 cents target deposit for him and his wife but stated he did not sign a shooter's roster. He advised he did not sign a roster because it was his understanding that the roster was to be signed by shooters who were members of the gun club.

He stated that after paying the admission fee and securing their targets, he went back to his automobile and cleaned excess oil and grease from the weapons prior to shooting. He then returned to the range taking his wife's pistol to her on the pistol range and noticed the Range Officer placing his wife's target into position. WILLIAMS stated that he saw only one other individual on the range at this time and this individual, whom he could describe at that time as only a small and slender individual, was firing around gun positions 11 or 12.

WILLIAMS advised that he then proceeded to the rifle range where he fired for approximately 30 minutes and then returned to the pistol range. Upon returning to the pistol range, he noticed the individual whom he had previously seen on the pistol range next to his wife. WILLIAMS stated that to the best of his knowledge, his wife was firing around gun positions 21 or 22. He stated the individual remarked to him that his, WILLIAMS', wife's gun was shooting to the left. He stated that he, his wife and the individual engaged in a short conversation concerning itself entirely with guns.

WILLIAMS stated that he would describe this individual as being about 5'3" to 5'5" in height, in his early 20's, Spanish looking, with dark skin and hair, weighing about 130 pounds and dressed in casual clothes.

3  
LA 56-156

WILLIAMS stated that the individual gave him his gun for the purpose of shooting and, just as he, WILLIAMS, was ready to shoot the gun, the Range Officer called time, indicating that there would be no more firing on the range. WILLIAMS advised that he could not describe the gun other than the fact that it was a small blue gun and that the individual was firing Mini Magnum shells.

At this point, WILLIAMS was shown a photograph of SIRHAN SIRHAN and he stated that the photograph looked very much like the individual whom he had seen on the range except that his hair was neater than it appeared in the photograph.

WILLIAMS advised that he and his wife then left the range at a time he estimated to be almost exactly 5:00 PM, and that, at the same time, the individual also left the range. He stated that he recalled the individual going to a pink and white Dodge or DeSoto, model unknown.

WILLIAMS stated that during the time that he was on the pistol range, he saw no one else on the range other than this individual and his wife and that he heard the individual say nothing about any future plans that he might have.

WILLIAMS supplied the following physical description of himself:

Date of Birth	September 29, 1941
Height	6'2 $\frac{1}{2}$ "
Weight	220 pounds
Hair	Blond
Eyes	Blue

He stated on June 4, 1968, to the best of his knowledge, he was wearing black loafer shoes, black levis and a sport shirt which he was unable to furnish any description regarding.

MEMBERSHIP OF SIRHAN BISHARA SIRHAN  
IN THE ANCIENT MYSTICAL ORDER  
ROSAE CRUCIS (AMORC), ALSO KNOWN AS  
ROSICRUCIAN ORDER

Date \_\_\_\_\_

6/13/68

Mrs. FRANCES HOLLAND, 552 Eldorado Drive, Escondido, California, advised as follows:

She is the Southern California Grand Counsellor of the Rosicrucian Order, also known as the Ancient Mystical Order Rosae Crucis (AMORC). She advised the state and international headquarters of AMORC have designated her to handle any inquiries concerning SIRHAN SIRHAN's membership in AMORC. She stated SIRHAN is a member of the Supreme Grand Lodge, San Jose, California, which is a corresponding membership and to her knowledge he did not attend meetings but received correspondence and instructions by mail from San Jose, California, and in turn submitted his lessons by mail to San Jose, California.

Mrs. HOLLAND advised the San Jose Office maintains a complete file of correspondence with all members, which file contains the members original application form. She understands that FBI Agents at San Jose, California, were permitted to review SIRHAN's file and were given a duplicated copy of his application blank.

AMORC has local lodges and chapters to which some members belong, although membership in a local club is not required. Mrs. HOLLAND stated she has checked and determined that SIRHAN was not a member of the Pasadena Chapter or any other lodge or chapter. SIRHAN, however, did once, and only once, visit one of these subordinate bodies. He attended the weekly meeting of the Pasadena Chapter on the evening of June 4, 1968. Mrs. HOLLAND made available a page of the guest register of the Pasadena Chapter, which bears the signature SIRHAN SIRHAN, 696 East Howard, Pasadena, and reflects that he is a member of AMORC, with membership number 8-413-477. On the date column of this form SIRHAN entered the date April 16, 1968. Mrs. HOLLAND stated that this is an error and SIRHAN probably used this date because the last previous registration was on that date. Mrs. HOLLAND

confirmed by talking to the supervisor of the Pasadena Chapter, that SIRHAN visited that chapter on the evening of June 4, 1968. This supervisor is SHERMAN LIVINGSTON, 2555 Vista Laguna Terrace, Pasadena, California, telephone number 794-6141.

LIVINGSTON told Mrs. HOLLAND he recalls SIRHAN telling people at the meeting how to pronounce his name. LIVINGSTON looked for SIRHAN after the meeting but he was unable to find him.

In signing in, SIRHAN showed he was a first degree member. Mrs. HOLLAND stated that this is a beginner's degree which would indicate membership of less than one year.

AMORC has no full time hall in Pasadena. The chapter meets every Tuesday night. Master of the chapter is THEODORE R. STEVENS, 886 Pullman Street, Los Angeles, California, telephone number 257-9368.

Mrs. HOLLAND stated she would call Mr. LIVINGSTON and Mr. STEVENS on the evening of June 12, 1968, to instruct them to cooperate in answering inquiries from the FBI. She stated the wives of both of these individuals are upset with the bad publicity given AMORC in the press and LIVINGSTON and STEVENS should be contacted by telephone to arrange an appointment.

Mrs. HOLLAND subsequently telephonically contacted the FBI Office, San Diego, California, on June 12, 1968, and advised as follows:

She was in telephonic contact with Mr. LIVINGSTON and discussed the matter of being interviewed by the FBI at Los Angeles. She stated that Mr. LIVINGSTON reviewed his notes and indicated that he had attended the Pasadena meeting

on May 28, 1968, rather than June 4, 1968. Therefore, Mrs. HOLLAND assumes the appearance of SIRHAN SIRHAN at the Pasadena meeting was on May 28, 1968, rather than as previously reported on June 4, 1968.

According to Mrs. HOLLAND, the date of appearance of SIRHAN SIRHAN can be verified by contacting Mr. STEVENS, the Master of the Pasadena Chapter.

Mrs. HOLLAND further advised that she has instructed Mr. STEVENS to make available to the FBI the complete membership list of persons present on the night SIRHAN SIRHAN attended the Pasadena Chapter meeting and also to furnish information regarding the topics discussed on the night of that meeting.

SHERMAN LIVINGSTON was interviewed at his residence, 2555 Vista Laguna Terrace. Mr. LIVINGSTON advised as follows:

Mr. LIVINGSTON is an official of the Ancient Mystical order of Rosae Crucis. He does not attend meetings regularly at any particular temple. On May 28, 1968, he attended the weekly Tuesday evening meeting of the Pasadena Chapter. This was somewhat of a special event in that the chapter presented Mr. LIVINGSTON with a ring for past services performed by him.

He arrived at the temple, 2031 East Villa, Pasadena, California, at approximately 7:45 p.m. on May 28, 1968. When he arrived, it was pointed out to him that a new member was present. This individual was introduced to Mr. LIVINGSTON as SIRHAN BISHARA SIRHAN.

Mr. LIVINGSTON chatted briefly with SIRHAN who advised him this was the first time he attended a meeting of the order. SIRHAN advised that he had been a member of the order for approximately one year, but he had not attended a meeting before. He indicated to Mr. LIVINGSTON that he would like to talk to Mr. LIVINGSTON at length. Inasmuch as it was time for the meeting to begin, Mr. LIVINGSTON told SIRHAN that he would enjoy the opportunity to talk to him following the meeting.

When the meeting was over, Mr. LIVINGSTON noticed SIRHAN standing alone and looking at some literature, but Mr. LIVINGSTON was occupied in other conversations and did not have the opportunity to talk to SIRHAN again. The next time he looked for SIRHAN, SIRHAN had already departed.

Mr. LIVINGSTON had noted that SIRHAN's address was at 696 East Howard in Pasadena, and he had planned to give him a ride home; however, he was unable to locate Mr. SIRHAN to accomplish this.

Mr. LIVINGSTON did not attend the meeting held the following week, on June 4, 1968, at the Akhraton Chapter.

Mrs. ELEANOR ANDREW, Treasurer of the Akhraton Chapter of the Ancient Mystical Order of Rosae Crucis (AMORC), 2031 East Villa, Pasadena, California, was interviewed at her place of employment, Royal Laundry and Dry Cleaning, 443 South Raymond, Pasadena, California, residence address, 946 Jane Place, Pasadena.

She advised that she was present at the May 28, 1968, meeting of her Akhraton Chapter, when SIRHAN SIRHAN attended. She stated that SIRHAN was a guest at her chapter's meeting and that she had not seen him prior to the meeting of May 28, 1968, nor since that meeting. She only observed him at one time during the meeting noting that he was a stranger. At the time she observed him, he was talking to one of the two Colombes, which is Egyptian for candle lighters. These Colombes have to be girls between the ages of 12 and 18. She cannot recall which of the girls SIRHAN was talking to but it had to be (First Name Unknown) ABANG, or (First Name Unknown) [REDACTED].

ANDREW stated she cannot recall observing SIRHAN again during the meeting. She stated that at that particular meeting night, she was not in attendance the full time as she left the meeting to pick up a ring which was to be presented to the past Grand Master. She stated that SIRHAN left prior to her leaving the meeting. The meeting was from approximately 8:00 to 9:00 p.m. with a 45 minute social gathering afterwards.

She advised that an AMORC member must show a membership card to attend a meeting of any chapter. They were also required, however, to sign the guest book. As best as she can recall, SIRHAN was the only guest that evening. THEODORE STEVENS, Secretary, maintains the membership book and guest book.

Mr. THEODORE STEVENS, 586 Pulman Street, Los Angeles, advised that he is the Master of the Chapter, "Ancient Mystical Order Rosae Crucis" (AMORC), having regular Tuesday weekly meetings in the Pasadena area.

Mr. STEVENS advised that he is familiar with the name SIRHAN BISHARA SIRHAN as being a member of his organization who attended a meeting on May 28, 1968, at the Pasadena Chapter. Mr. STEVENS stated that he definitely remembers SIRHAN's arriving on the evening of May 28, 1968, at approximately 7:30 p.m., his signing the guest registration, and his attendance at the meeting which broke up shortly after 9:00 p.m. STEVENS stated that this was the only meeting ever attended at his Chapter by SIRHAN. Mr. STEVENS stated that he himself did not converse with SIRHAN, but he advised that SIRHAN may possibly have spoken to one or two members of his organization.

Mr. STEVENS was exhibited . photographs of six male individuals by SA PAUL CHAMBERLAIN, JR., and from these photographs Mr. STEVENS picked the photographs of SIRHAN BISHARA SIRHAN as being identical with the individual in question.

STEVENS stated that he could find nothing in the concepts of his organization, which is a mystical, philosophical and fraternal organization, that would have influenced SIRHAN to take action against Senator KENNEDY.

STEVENS stated further that his order teaches that drastic changes are not permanent changes and that, therefore, changes must come through evolution. He advised that AMORC is definitely not anti-Semitic and, in fact, has many Jewish members.

WILAMAY HARRISON, 230 West Washington, Pasadena, California, advised she was at the meeting of the Ancient Mystical Order Rosae Crucis (AMORC), Pasadena, California on May 28, 1968. She advised she met an individual there who said his name was JOE but through photographs and television she determined that this was SIRHAN BISHARA SIRHAN. She advised that when she went to the meeting on the 28th of May, she saw a young man there and she went up and introduced herself as they, the older members, are supposed to do to make the newer members feel at ease. She stated he told her his name was JOE and that he was not too familiar with the order. She asked him how he heard about it and he said he received a brochure in the mail. She advised she helped him put on an apron as this is what they do before they go in for the lecture. She advised she sat over to the other side of the room and she did not see him again until about 9:00 p.m. when the meeting was over and, as they were walking out, this individual, who called himself JOE handed in his apron. She advised she went then to prepare refreshments but that JOE did not stay for any refreshments.

She recalled that during the meeting the lecturer asked for a volunteer for a tactile experience, which she stated is an experiment to determine if an individual, when touched, can determine if he is being touched by one or two things. She stated that SIRHAN, or JOE as he called himself that night, volunteered for the experiment, but she stated she did not recall too much about it as she has seen and heard the lecture many times and that she fell asleep. She stated that her daughter, IMOGENE, who was at the meeting, saw SIRHAN donate something to the collection but she was not sure what.

She stated that she was certain he was not wearing a weapon on this occasion because he was wearing tight blue jeans and that she was sure she would have noticed a weapon if he had one. She stated he spent most of his time at the book table looking over the literature before the meeting and that she did not see him talking with anyone. She advised that her discussion

Mrs. VIRGINIA JACKA, 326 South Berkeley Avenue telephone SY 6-1452 advised she is the chapter musician for the Ancient Mystical Order Rosae Crucis (AMORC) Pasadena, California. She advised she was in attendance at the Rosicrucian meeting on May 28, 1968 and recalls seeing SIRHAN SIRHAN in attendance at the convocation. She advised she did not meet SIRHAN, was not introduced to him, nor did she know him prior to seeing him in attendance at this meeting. She stated at this particular meeting of May 28, 1968, she was somewhat late and immediately went to the choir area in order to get her music out and ready for playing. She stated after watching television when Senator ROBERT F. KENNEDY was shot and seeing the pictures of SIRHAN SIRHAN on television, she knows that the person whose photograph she saw on television is identical to the same person who was at their meeting on May 28, 1968.

Two photographs of SIRHAN SIRHAN, one Los Angeles Police Department photograph taken June 5, 1968, Number 495139, and a photograph of SIRHAN being held by two unidentified men, were exhibited to her. She advised that these photographs are identical to the person she recalled seeing at the convocation.

Mrs. JACKA also stated in order for SIRHAN SIRHAN to be in attendance at the meeting he would have to have a membership card showing currently paid up dues. She stated she has conversed with some of the other members and that she has learned he was a member but that he has been stricken from the rolls of the order.

She stated the Grand Chapter of the AMORC is at San Jose Park, San Jose, California, and that this grand order would in all probability be in a position to furnish some background information regarding SIRHAN SIRHAN. She also advised that AMORC has chapters in Van Nuys, Pomona, Whittier, Long Beach, and Los Angeles, California.

Mrs. JACKA stated members can go from one chapter to another to attend meetings; however, they would have to exhibit their membership card to be allowed to attend.

CLEMENS advised that he is chaplain of the Akhnaton Chapter of the Ancient Mystical Order Rosai Crucis (AMORC), which Chapter is located at 2031 East Villa, Pasadena, California. He stated that on Tuesday, May 28, 1968, he met, shook hands with, and had a very brief conversation with SIRHAN B. SIRHAN at approximately 8:00 p.m. at the above Chapter. He stated he has no recollection of any matters discussed by SIRHAN nor did he recall who introduced SIRHAN to him prior to his, CLEMENS's, participation in the convocation following which the general meeting was held. He stated he recalls no one escorting SIRHAN and stated he was unaware as to how SIRHAN came to attend that Chapter's meeting. He stated he does not recall SIRHAN in attendance at the meeting and stated that he, therefore, was not certain whether or not SIRHAN is a member of AMORC.

He stated that if SIRHAN is a member that such membership would be on record at the Grand Lodge, San Jose Rosai Crucian Park, San Jose, California, where an application for membership is required, and often a picture is requested.

CLEMENS stated that he immediately recalled SIRHAN due to his unusual name, when he observed newspaper and television publicity concerning the assassination of United States Senator ROBERT KENNEDY. CLEMENS observed and immediately recognized a photograph of SIRHAN B. SIRHAN.

CLEMENS advised that it was extremely unlikely, in his opinion, that SIRHAN could have been a member of AMORC and have committed the assassination of which he is accused as it is entirely against all the teachings of the AMORC philosophy of life.

CLEMENS advised that in order to attend a meeting of AMORC, one must exhibit one's membership card issued by the Grand Lodge and must be up to date in payment of one's membership dues. He stated SIRHAN had never, to his knowledge, been in attendance at an Akhnaton Chapter meeting prior to May 28, 1968 and he stated that he is certain he was not in attendance on Tuesday, June 4, 1968. He could furnish no further information regarding SIRHAN.

EILENE SKIPWORTH, Secretary of the Akhnaton Chapter of the Ancient Mystical Order Rosae Crucis, was interviewed at her place of employment, Clayton Manufacturing Company, 4213 Temple City Boulevard, El Monte, California, where she advised the following:

She resides at 1111 $\frac{1}{2}$  Highland Oaks Drive, Arcadia, California, and has a telephone number of 446-9331. As secretary for the above organization, part of her duties is to meet guests attending their regular weekly meetings and to verify that they are a current member of the organization. She was in attendance at their meeting on Tuesday Night May 28, 1968, when an individual came in to attend the meeting. This man displayed a 1968 membership card to her and thereafter signed the register. This individual was not a member of her lodge but had a current membership card for the organization. She could not remember exactly how he signed the book but had said that the person signing the book was identical to SIRHAN SIRHAN.

She was shown a photograph of SIRHAN SIRHAN and stated she is positive that this is the same individual that attended the meeting that evening. She recalled purchasing a newspaper after leaving work after Senator KENNEDY was shot and finding a photograph of SIRHAN SIRHAN on the front page. When seeing the picture, she thought this was the same individual as had attended the meeting that Tuesday Night and to further her beliefs, checked the register for that meeting and noted he had signed the same name as had appeared in the newspapers.

After SIRHAN had signed the register at the meeting, SIRHAN was asked by SKIPWORTH if he had received literature of hers advising him of the time and place of their weekly meetings, but he just stated that he had wanted to come. He appeared at the meeting by himself and did not associate with any particular person, to her knowledge, but she added that she did not go into the meeting room that night because of other duties she had to perform. She was also not aware of how he arrived at the meeting or how he left.

She recalled there were probably 16 to 18 persons in attendance that night.

Meetings always start at 8:00 p.m., and convocation is over at 9:00 p.m. Refreshments are served afterwards but on this evening after refreshments have been served, someone else noticed that their "guest" was not there. Apparently SIRHAN had left the meeting right around 9:00 p.m.

SKIPWORTH added that new persons at their meetings are usually introduced to attending members by a young girl who is called a Colombe. The Colombe at this meeting would have been either DELORES ABANG, or [REDACTED], as they were present that night, to her knowledge, and they usually assist each other in these duties. These two girls are both daughters of members of the organization.

Mrs. THOMPSON said that she did not know that SIRHAN belonged to the Rosicrucians until Saturday night, June 15, 1968, when her sister visited her home and told her that she had read in the newspaper that SIRHAN supposedly was a member of the Pasadena Chapter.

Mrs. THOMPSON said that she has observed SIRHAN's photograph on television and in the newspapers numerous times since the assassination of Senator ROBERT F. KENNEDY, but is positive that she has never personally conversed with him.

Mr. ROY HARTRANFT was interviewed at his residence, 100 Palmetto Drive, Pasadena, California, telephone 792-5583, and he advised as follows:

He is a member of the Ancient Mystical Order Rosae Crucis (AMORC), 2031 East Villa, Pasadena, California, and he is a guardian.

There was a meeting of the AMORC at 8:00 p.m. on May 28, 1968, and at this meeting he recalls there was a person whom he had never seen before. He did not see the unknown person come to the meeting, and he does not know if the unknown person was with anyone.

He checked the AMORC card of the unknown person and verified that his dues had been paid. He did not see a name on the card. He only said hello to the unknown person and shook hands with him and had no other conversation with him.

ILLEEN SKIPWORTH took the unknown person into the temple to salute the shekina (three candles). The unknown person would not have been allowed to do this if he was not a member of AMORC.

He did not see the unknown person leave the building; however, he would not normally have done so before 9:00 p.m., when the meeting was over.

He could not describe the unknown person as to physical features or dress but believes the unknown person was wearing a dark suit.

Mr. HARTRANFT was shown two photographs of SIRHAN SIRHAN, one of which was Los Angeles Police Department, Number BK 495 139, and he stated he does not know if SIRHAN is identical to the unknown person who was at the meeting on May 28, 1968.

Mrs. GRACE BRYAN, 8450 East Mission Drive, Rosemead, California, telephone 285-1822, was contacted at her residence, where she advised the following:

She is a member of the nonsectarian fraternal organization known as the Ancient Mystical Order Rosae Crucis, which holds its meetings at 2031 East Villa, Pasadena, California. She was in attendance at their weekly meeting which was held on Tuesday, May 28, 1968. She recalled there were approximately 18 persons present at the meeting. Nearly all of the people in attendance at the meeting were regular members with the exception in this case of one or two individuals. She recalled one thin young man, who was wearing a white shirt and wash pants and who was in his 20s with bushy hair, as being one of the "visitors" at the meeting.

Mrs. BRYAN was shown a photograph of SIRHAN and she advised the photograph closely resembled the individual she saw there, but she could not say if the two people are identical. She was introduced to this man by someone at the meeting, but she could not recall who that was. All members and visitors are given name tags which they wear so that others can easily identify them. She could not remember this individual's name but did state she could not pronounce it after she had seen it and that she thought the name was "similar" to SIRHAN.

Mrs. BRYAN, who is the Librarian for the organization, recalled this man looking at some of the books which were available, but he did not seem to associate with anyone at the meeting and more or less stayed by himself. When a visitor attends a meeting, he is usually introduced to the meeting room by a young girl who is known as a "colombe", but Mrs. BRYAN could not remember who the young girl was at this particular meeting as the girls assuming this duty change from week to week. She thought that the secretary of the organization, ILLEEN

SKIPWORTH, 1111 $\frac{1}{2}$  Highland Oaks Drive, Arcadia, California, telephone 446-9331, would know who this girl would have been and also would have a list of all in attendance at this particular meeting. Refreshments are always served at the meetings just after the convocation and, as refreshments were being served that night, Mrs. BRYAN approached this male individual and asked him if he would like to have some refreshments. She said he did not reply but quickly turned and left the meeting room. She said she had not seen him at any previous meetings nor has she seen him since. She advised the meetings start at 8:00 P.M. and convocation closes at 9:00 P.M. or a few minutes after and therefore this individual left around 9:00 P.M.

Mr. EDWARD L. RYMAN, 2316 Monte Vista, Pasadena, California, telephone 792-6808, was contacted at his residence and voluntarily advised as follows:

He is a member of the Ancient Mystical Order of Rosae Crucis (AMORC) known as the Rosicrucian Order and he attends meetings every Tuesday night at the Akhnaton Chapter, 2031 East Villa, Pasadena, California. He is currently a member of the ritual team of this chapter and takes part in the ceremonies conducted during the regular lodge meeting. He has been a member of the Rosicrucian Order for approximately two years and has attended the Akhnaton Chapter since December, 1967. He has not missed a meeting since March, 1968 and was in attendance during the May 28, 1968 meeting.

He arrived at the lodge on May 28, 1968 at approximately 7:45 p.m. and immediately donned his robe for the ceremonies. He commented that the regular meeting was from 8:00 p.m. until 9:00 p.m. and following the meeting there was usually a coffee session, however, he very seldom stayed for coffee. Mr. RYMAN stated he recalls on this particular date there was a stranger in attendance at this meeting, however, he could not recall anything out of the ordinary and it was not uncommon for a new person to show up for a meeting. He stated it was possible to be a correspondent member and not attend a regular meeting at the local chapter. He recalls the stranger, who was in attendance on this date, as being a rather small person but he did take particular note of this person's features or dress. Further he advised he was some distance from this person and the light was such that he was not able to see this person's features. This person was seated near the Grand Master, TED STEVENS, and RYMAN recalls that there was an experiment conducted by Mr. STEVENS during this meeting and SALLY HARDMAN and this stranger took part in the experiment.

lodge meeting. He stated it was very possible that SIRHAN was this person, however, he was never close enough to recognize him. He stated further that as soon as the meeting was over and he had disrobed, he immediately departed.

Mr. RYMAN stated if this person was in fact SIRHAN he would have to be a member and have a membership card which would have to have been checked by the outer guardian. He stated he was not certain who the outer guardian was on this specific date.

Mrs. DELORES MABEL ABANG, 405 East Howard Street, Pasadena California, was contacted at her residence and voluntarily advised as follows:

She is a member of the Rosicrucian Order, Ancient Mystical Order Rosae Crucis (AMORC). She attends meetings every Tuesday night at the Akhnaton Chapter, 2031 East Villa Avenue, Pasadena, and is a "Chantress" in the lodge ritual team.

She arrived at the May 28, 1968, meeting at approximately 8:00 p.m., and was parking her car opposite the temple when she observed an unknown young white male approaching the temple on foot and enter the temple. She believed he was a new member as she had never seen him before and he stood out in her memory because most of the members who attend are older adults and there are very few young adults who attend.

After parking her car, she entered the temple and went to a dressing room to don her robe of the ritual team and did not see this person again until she and the ritual team entered the lodge room for the meeting. She then saw this man sitting on the left side of the lodge beside a "Colombe", a young female member, who apparently was acting as a guide and leader for this man. During the meeting the lodge master, TED STEVENS, asked for volunteers to take part in an experiment and this male volunteered to take part in the experiment. The experiment consisted of the subject being blindfolded and being touched with various numbers of objects and the subject endeavoring to identify the number of objects which were placed against various parts of his body. Following the experiment, the man took a seat on the right side of the temple and did not return to his original seat. She did not observe this man again as she was busy taking part in the ritualistic part of the meeting. When the meeting was over, she returned to the dressing room to remove her robe and when she finished, she went to the area where the members have refreshments following the meeting. She did not see this person with the members having refreshments and recalls that SHERMAN LIVINGSTON, AMORC Grand Inspector, inquired where the young man had gone, and an unrecalled member said the young man had already left the temple. She recalled this was shortly after 9:00 p.m.

She stated she saw a photograph of SIRHAN SIRHAN on television after the assassination of Senator ROBERT F. KENNEDY and recognized SIRHAN as being the young man she had described above as being the unknown young man in attendance at the May 28, 1968, meeting. She described the man at the meeting as follows:

Race	White
Age	Early twenties
Complexion	Appeared to be Cuban
Hair	Thick, curly, black
Attire	Sport shirt and slacks

Mrs. ABANG stated that in order for a person to get in the lodge meetings, the person is required to present a current membership card which is normally examined by the lodge's "Outer Guardian". She recalled that SALLY HARDMAN was the "Outer Guardian" at the May 28, 1968, meeting and assumes that HARDMAN would have checked SIRHAN's membership card prior to admitting him inside the temple, although Mrs. ABANG did not observe this.

Mrs. ABANG stated her daughter, DELORES MARIE (DEE) ABANG is also a "Colombe" and was taking part in the ritual at the May 28, 1968, meeting but she had nothing to do with SIRHAN at the meeting as the other "Colombe", [REDACTED], was assigned to guide SIRHAN at the meeting.

Mrs. ABANG stated she and her daughter left the temple together and they did not see SIRHAN again. She stated the May 28, 1968, meeting was the only time she had ever seen SIRHAN.

Mrs. ABANG was shown a group of photographs including:

Miss [REDACTED], [REDACTED], was contacted at her residence and voluntarily furnished the following information in the presence of her mother, Mrs. [REDACTED].

She is a member of the Ancient Mystical Rosae Crucis (AMORC), known as the Rosicrucian Order, as is her mother. She attends the Akhnaton Chapter, 2031 East Villa Avenue, Pasadena, and is a "Colombe" of the lodge. A "Colombe" is a young female virgin member who has ritualistic duties during the convocation.

She went to the May 28, 1968, meeting with [REDACTED] another Colombe and [REDACTED]. Upon arriving at the temple, she went to the dressing room where she donned her robe for the ceremonies and did not go directly into the lodge room. When she entered the lodge room with the other ritual members, she observed an unknown young man sitting on the left side of the lodge with [REDACTED]. She presumed that [REDACTED] was designated to guide the unknown male through the ceremonies and assist him in taking part in the program.

During the program, the lodge master, TED STEVENS, asked for volunteers to take part in an experiment and this man was one of the persons who volunteered to take part in the experiment. The experiment consisted of placing different objects against the subject's body and the subject trying to identify the number of objects that were placed against him. Following the experiment, the man took a seat on the right side of the lodge. She believes that another member, SALLY HARDMAN, also was a subject of the experiment.

She advised that following the meeting, she returned to the dressing room to remove her robe and when she finished, she went to the room where refreshments were served but she did not see the man again.

She stated that following the assassination of Senator ROBERT F. KENNEDY, she saw a picture of SIRHAN SIRHAN on television and recognized the photograph as being a photograph of the unknown
