CORLISS HELEN EDWARDS, 735 Donnabeth Street, West Covina, California, was interviewed at her residence and provided the following information:

On June 4, 1968, she and her boyfriend, GEORGE MIOCH, 14043 East Olive, Baldwin Park, California, went to the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte California. She stated that they were accompanied by her son, ROBERT EDWARDS, and MIOCH's daughter, MARA MIOCH, and drove to the range in MIOCH's 1963 silver blue, Lincoln convertible with a black top.

She stated that they went to the rifle range initially after arriving at the club at approximately 11 a.m. After firing a .22 caliber rifle on the rifle range for approximately one hour, they went to the pistol range in order to fire her .38 caliber Mauser automatic.

She said she recalled they occupied a position close to the middle of the firing positions along the line. She stated a short distance away they noticed a small dark-complexioned individual with dark wavy hair firing a small gun at a target set up a short distance in front of him. At this time photographs were shown to EDWARDS and she picked out a photograph of SIRHAN SIRHAN, Los Angeles Police Department Number 495 139, as being identical to the individual whom she saw and described as being at the range. EDWARDS said that she recalled SIRHAN was firing very rapidly during the time that they were on the range.

EDWARDS stated that prior to going to the pistol range she and MIOCH had engaged in a conversation about her automatic, and she recalled MIOCH saying something to the effect that she had better learn how to shoot the gun that day.

GEORGE STEPHEN MIOCH, 14043 East Olive, Baldwin Park, California, was interviewed at the residence of CORLISS EDWARDS, 735 Donnabeth, West Covina, California. MIOCH advised that on June 4, 1968, he and his girl friend, CORLISS EDWARDS, went to the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California. He stated that they were accompanied by his daughter, MARA MIOCH, and EDWARDS' son, ROBERT EDWARDS. He stated that they arrived at the gun club at approximately 11 a.m. They first went to the rifle range and fired a .22 caliber rifle and then went to the pistol range, which is adjacent to the rifle range at approximately 12:15 p.m. He stated they had a .38 caliber Mauser automatic belonging to EDWARDS, which they wanted to fire on the pistol range. He stated that to the best of his knowledge they were shooting around gun position No. 13. He stated that they noticed an individual firing at a gun position approximately ten to twenty feet from theirs. MIOCH stated that he would describe this individual as being of a small build, possibly of foreign extraction with dark hair and firing a very small handgun. He stated at one time, during the course of the time that they spent on the pistol range, he remembered another individual coming close to the previously described individual and asking him if he would move his car. MIOCH stated that he did not notice what kind of a car this individual had in the parking lot. He stated that this was the only conversation that he recalled the previously described individual having during the time that MIOCH's party was at the pistol range. At this time, MIOCH was shown a number of photographs including one of SIRHAN SIRHAN, Los Angeles Police Department Number 495 139. MIOCH picked out a photograph of SIRHAN SIRHAN, Los Angeles Police Department Number 495 139, as being identical to the individual whom he had seen on the pistol range at the San Gabriel Valley Gun Club. MIOCH further advised that one thing that attracted them to notice SIRHAN was the fact that he was shooting very rapidly and shooting at a target that appeared to be a very short distance from him.

MIOCH advised that prior to actually going to the pistol range, he and EDWARDS engaged in a discussion close to the range master's booth relative to the firing of the Mauser automatic. He stated that he made a comment to EDWARDS to the effect that she had better learn how to shoot that gun before tonight. MIOCH stated that he made this comment because he felt that EDWARDS needed to know how to shoot the gun for her own protection. He stated that he recalled that he made this statement in a rather harsh tone of voice.

INVESTIGATION CONCERNING ALLEGED

It was previously reported by ANDREW MARTIGANI, co-owner of the Golden Garter Bar, 2605 West Valley Boulevard, Alhambra, California, that in late May, 1968, an individual, he believed to be SIRHAN BISHARA SIRHAN, was in the bar and was overheard making statement, "We will wait till he gets into town and then we will get him". Following is additional investigation in this matter:

Date _____

STEVE STUART, 12025 East Broadway, Whittier, California, was reinterviewed and advised as follows concerning an individual with whom he shot pool at the Golden Garter Bar, Alhambra, California, on one occasion in May, 1968:

When he observed a picture of SIRHAN SIRHAN on a news telecast shortly after Senator ROBERT F. KENNEDY was shot, he thought SIRHAN resembled someone he had seen. On the same day shortly after he observed the telecast, one of the MARTIGANI brothers (he is unable to recall which brother) phoned him to tell him that SIRHAN had been in their bar, the Golden Garter.

STUART later observed a photograph of SIRHAN SIRHAN in a newspaper. At that time, which was after one of the MARTIGANI brothers called him, he believed that SIRHAN SIRHAN may have been the individual with whom he shot pool at the Golden Garter Bar. After thinking about this matter and the statement made by the MARTIGANI brother that SIRHAN SIRHAN had been in the bar, STUART says that the individual with whom he shot pool resembled SIRHAN SIRHAN in appearance. He said he only saw that individual in the bar once. At that time the man was alone and during the game of pool they had very little conversation.

STUART stated he normally frequented the bar after 6:00 p.m. After observing a photograph of ROBERT ANDRESE, he said he could not recall having seen ANDRESE in the Golden Garter Bar or at another location.

He said in his opinion this matter concerning the possibility that SIRHAN SIRHAN had been in the Golden Garter Bar was "created by the MARTIGANI brothers who desire attention;" also that the "MARTIGANI brothers are pathological liars."

STUART said he had no factual information concerning SIRHAN SIRHAN or any associates at the Golden Garter Bar.

MARGARET SCOTT, 14341 Haywood, telephonically advised that she was formerly employed at the Lucky Discount Store, 488 East Villa Street, Pasadena, California, in the Jewelry Department. She explained that the Jewelry Department also had a film processing service and that SIRHAN SIRHAN was a steady customer. She stated that he spent an average of \$10.00 to \$12.00 a week on films and processing and owned a very expensive camera.

Mrs. SCOTT stated that SIRHAN SIRHAN was particularly noticed by her and some of the other employees of the Jewelry Department, because of his personality. She stated that he would be very indignant if his films were not ready or if there was any problem with the way they were processed. She continued that they had a part-time employee at the Jewelry Department named SERGE ETIENNE who was a student at Pasadena City College. She stated that SIRHAN SIRHAN was friendly with SERGE, and when he came in for his films, he would talk with SERGE. She stated that she did not know where SERGE resided but assumed he lived locally in the Pasadena area.

Mrs. SCOTT stated that she was furnishing this information to the FBI because she felt there was a possibility that some of SIRHAN's film may still be at the store and had not been picked up by him.

INVESTIGATION CONCERNING ALLEGED PURCHASES
OF AMMUNITION BY SIRHAN BISHARA SIRHAN
AT LOCK, STOCK 'N BARREL GUN SHOP,
SAN GABRIEL, CALIFORNIA

1
LA 56-156
JOS/pjc

It was previously reported that when interviewed on June 16, 1968, LARRY KENNETH ARNOT, Salesman for the Lock, Stock 'N Barrel Gun Shop, had advised that an individual, who he identified as SIRHAN BISHARA SIRHAN, purchased ammunition at the gun shop on June 1, 1968. At that time SIRHAN was reportedly accompanied by two other individuals, one resembling SHARIF SIRHAN.

A polygraph examination was afforded ARNOT on August 5, 1968, at the Scientific Investigation Division, Los Angeles Police Department, by Lieutenant E. HERNANDEZ. A copy of the results of this polygraph examination was furnished SA R. J. LA JEUNESSE, JR., on August 12, 1968, by Detective Sergeant MIKE NIELSEN, S.U.S. Unit, Los Angeles Police Department.

The polygraph report is set out as follows:

INTRA-DEPARTMENTAL CORRESPONDENCE

August 7, 1968

TO: Lt. Manual Pena, OIC Background Conspiracy Section S.U.S

FROM: Lt. E. Hernandez, Investigator Background Conspiracy Team

SUBJECT: Polygraph Examination of Mr. Larry Arnot

On August 5, 1968 a polygraph examination was administered to Mr. Larry Arnot, 517 Melcanyon Rd., Duarte, California, Ph#358-8787.

The examination was administered by Lt. Hernandez in the polygraph facilities of Scientific Investigation Division Room 432A, Parker Center.

The purpose of this examination was to determine the truthfulness in Mr. Arnot's statements given to the F.B.I. on June 16, 1968. When he informed them that he had sold (4) four boxes of ammunition to suspect Sirhan Sirhan and two other dark foreign-looking Males who were present with Sirhan at the time of the ammunition purchase on June 1, 1968.

On that day, June 16, 1968, F.B.I. Agents Bruce Bradford and Norbert Linker showed Arnot (5) five photographs of Sirhan and his (4) four brothers. Arnot identified Sirhan as being the person that purchased the ammunition, and also selected a photograph of Shariff Sirhan, as "Bearing a strong resemblance to the individual that was present with him." Arnot said that he would be unable to identify the third person that was present in the store on that day.

Prior to instrumental testing on the polygraph, Arnot was questioned regarding the statement given by him to the F.B.I. on June 16, 1968. He maintained that his original story as given to the F.B.I. was true to the best of his recollection.

Arnot was shown a total of 17 look-alike photographs by Lt. Hernandez. These included four of the Sirhan brothers. Arnot looked over each of these photographs carefully and selected the following three photographs:

- (1) Photograph of Munir Sirhan
- (2) Photograph of look-alike - Bk No. 63481-1965
- (3) Photograph of another look-alike - Bk No. 102661-1966

After selecting Munir Sirhan's photograph, Arnot commented that he felt he had been brain-washed because he had observed Munir's photograph on a number of previous occasions and therefore he felt that this was influencing his opinion. As to the other two look-alike

photographs that he selected, Arnot stated that he believed he remembered the two people depicted on the photographs as being present with Sirhan on June 1, but was not positive.

The instrument and its functions were discussed with Mr. Arnot, as were the theory and procedures of the polygraph examination. He was given an opportunity to ask questions concerning any phase of the examination. The questions which were to be asked instrumentally were reviewed with Mr. Arnot before any instrumental testing began.

A polygraph was obtained prior to the examination, which established that patterns capable of interpretation could be obtained. Responses were provoked. This indicated that Mr. Arnot would be a proper subject for polygraph testing.

During the course of the examination, physiological tracings at points where crucial questions were asked suggest very strongly that Mr. Arnot was being untruthful. He was specifically asked if he honestly remembered seeing any person with Sirhan inside the Lock, Stock N' Barrel Gun Shop on June 1, 1968, and his responses at this salient point indicate that he does not remember seeing anyone with Sirhan on that day. Further, after carefully evaluating the examination charts, it is the opinion of this examiner that Larry Arnot does not in fact remember Sirhan or the business transaction that took place on June 1, 1968 when the ammunition was purchased by Sirhan.

Larry Arnot was informed of the results of the examination and the conclusions that were arrived.

After a short period of interzogation, Arnot ultimately admitted that the only logical explanation for his failing the test was because he had lied.

He explained that the truth was that he was confusing the sale of ammunition to three other dark complexion men, and in his mind he was trying to convince himself that this was the Sirhan incident. However, he said that he couldn't truthfully remember Sirhan being in the store on June 1. He knows that he sold Sirhan the ammunition because of a sales receipt which he made out, but he just cannot remember Sirhan or the sale.

As to the two men that he had described as being with Sirhan, he stated that he had probably been mislead by Mrs. Donna Harrick. She had told him that Sirhan and two other men had been in the store on a day previous to June 1. Therefore, he had assumed that these two men could have been with Sirhan on June 1.

Again Arnot was reminded that he had no sound basis to form this assumption, and he admitted that he did not.

Arnot requested that the previous reports as given to the F.B.I. be corrected. (Statements of Larry Arnot in file S.U.S Tape #29325)

It was previously reported that when interviewed on June 16, 1968, Mrs. DONNA HERRICK, wife of BENJAMIN J. HERRICK, owners of Lock, Stock 'N Barrel Gun Shop, had advised that on or about April 3, 1968, she had observed SIRHAN SIRHAN in company with two males of foreign descent at her place of business. She further advised that SIRHAN had attempted to purchase some 357 Magnum Tank Piercing ammunition on April 3, 1968.

A polygraph examination was afforded Mrs. HERRICK on August 5, 1968, at the Scientific Investigation Division, Los Angeles Police Department, by Lieutenant E. HERNANDEZ. A copy of the results of this polygraph examination was furnished SA R. J. LA JEUNESSE, JR., on August 12, 1968, by Detective Sergeant MIKE NIELSEN, S.U.S. Unit, Los Angeles Police Department.

The polygraph report is set out as follows:

August 7, 1968

TO: Lt. Manual Pena
OIC Background Conspiracy Section S.U.S

FROM: Lt. E. Hernandez
Investigator, Background Conspiracy Team

SUBJECT: Polygraph Examination of Mrs. Donna Herrick
9436 Pentland, Temple City, Calif. Ph# AT 67877

Mrs. Herrick was administered a polygraph examination on August 6, 1968 at the Polygraph Facilities of Scientific Investigation Division.

Mrs. Herrick informed that she was the wife of Benjamin J. Herrick and that they owned the Lock, Stock N' Barrel Gun Shop at 8972 East Huntington Drive, San Gabriel, Calif.

The purpose of this examination was to determine if Donna Herrick had been truthful to agents of the F.B.I. when she told them that on or about April 3, 1968 she had observed Sirhan Sirhan in company of two Males of foreign decent at her place of business.

On that day, June 16, 1968, she informed the F.B.I. that she was positive Sirhan had attempted to purchase some 357 Magnum Tank Piercing ammunition, and she selected photographs of Adel and Munir Sirhan as bearing a strong resemblance to the men that were with Sirhan. Further, Herrick stated that she remembered Sirhan had such a heavy accent that she was unable to understand him. In fact, she asked her husband for assistance to help interpret what Sirhan was saying.

During the pre-test interview, Donna Herrick was questioned regarding the statement she had given to the F.B.I. on June 16, 1968, and she maintained that the statement was true.

Additional questions were asked relative to the date that she observed Sirhan (on or about April 3, 1968). She then modified her statement, and then changed it again ultimately saying that Sirhan could have been in the store during the week of March 27 or during the week of April 10, 1968. However, she definitely remembered Sirhan having a very heavy accent.

When Mrs. Herrick was informed that as a matter of fact, suspect Sirhan speaks English very well and has no trace of any accent what so ever, Mrs. Herrick stated "Well, maybe he was mumbling."

At this point of the pre-test interview, Mrs. Herrick was asked if she would voluntarily submit to a polygraph examination, she considered for a few moments and then agreed to take the test.

The instrument and its functions were discussed with Mrs. Herrick and she was explained the theory and the procedures that would be followed during the course of the examination.

Prior to instrumental testing, a polygram was obtained to determine whether she was a proper subject and capable of producing patterns adequate for interpretation. Responses were provoked, which indicated that Mrs. Herrick was a proper subject.

During the course of the examination, physiological tracings at points where crucial key questions were asked, indicate quite strongly that Mrs. Herrick was being untruthful.

After the initial tests, two additional series of questions were asked and each of these contained questions relative to four key issues which had been previously asked and to which Mrs. Herrick had responded strongly with indications of deception.

- (1) Was there anything that Mrs. Herrick had told the polygraph examiner about Sirhan that was not true?
- (2) Did Mrs. Herrick honestly remember ever seeing Sirhan inside her store in person?
- (3) Did Sirhan ever try to buy ammunition from Mrs. Herrick in person?
- (4) Did Mrs. Herrick honestly believe that the person she had told the examiner about was not Sirhan?

Upon conclusion of the polygraph examination, Mrs. Herrick was informed that her responses clearly indicated that she was either mistaken or that she was deliberately being untruthful, but that she could not honestly say that she remembered seeing Sirhan or talking to him in person. Further, she was informed that her answers to the above questions were clearly indicative of deception. To this, Mrs. Herrick stated that she admitted she was confused, but she did believe Sirhan had been at her store, and again she was informed that the results of the polygraph examination did not show this. (Complete statement recorded in tapes #29328 & 29329. These tapes in file in S.U.S.)

INVESTIGATION CONCERNING PHOTOGRAPH
TAKEN OF SENATOR ROBERT F. KENNEDY AND
OTHERS BEFORE KENNEDY'S ASSASSINATION WHICH
MAY INCLUDE SIRHAN BISHARA SIRHAN

1
LA 56-156
JOS/pjc

On July 31, 1968, HUGH J. MC DONALD, Assistant Press Secretary, Office of the late Senator ROBERT F. KENNEDY, furnished a photograph taken by STEVE SCHAPIRO, Free Lance Photographer, in May, 1968, at the Los Angeles International Airport. This photograph shows KENNEDY shaking hands with an unidentified individual while another person, who resembles SIRHAN BISHARA SIRHAN, is standing beside KENNEDY with his hand outstretched to shake hands with KENNEDY. WILLIAM BARRY of the KENNEDY staff appears on the other side of KENNEDY in the photograph.

The following investigation was conducted to determine if the individual in the photograph is SIRHAN BISHARA SIRHAN:

STEVE SCHAPIRO, free lance photographer, 170 West 73rd Street, New York City, New York, phone DA 7-5087, who markets photographs through the Black Star Distributing Company at 450 Park Avenue South, New York City, New York, advised the following:

SCHAPIRO said that he had taken many pictures while traveling with the Senator ROBERT F. KENNEDY campaign party. He remembers these photographs had been furnished to the KENNEDY family. He marketed others through the Black Star Distributing Company.

SCHAPIRO, following the examination of the photograph obtained July 31, 1968, from HUGH J. MC DONALD, Assistant Press Secretary to the late Senator ROBERT F. KENNEDY, said it looked like one that he had taken. He said the photograph was taken at the Los Angeles International Airport sometime in March of 1968, shortly after Senator KENNEDY announced that he would run for the office of the President. KENNEDY was on a campaign tour which carried him to Kansas and then to California. He had chartered a plane and had gone to San Francisco and on the return trip to Los Angeles, they stopped at several cities in Central California. Upon arrival at the Los Angeles International Airport about midday or early afternoon, a large crowd, larger than expected, had gathered and as KENNEDY was walking through a narrow passageway leading into the main area of the terminal, the photograph was taken. SCHAPIRO could not recall the name of the airline chartered or the name of the terminal. KENNEDY normally chartered flights through American Airlines. The only person besides KENNEDY recognized by SCHAPIRO was WILLIAM BARRY, a KENNEDY aide. He was standing beside KENNEDY. The two youths were not associated with any organized group. In fact, if any organized group had been present, SCHAPIRO had no knowledge of it. The youth in the picture in question

who is getting ready to shake hands with Senator KENNEDY, is definitely not a picture of SIRHAN SIRHAN according to SCHAPIRO, who based his opinion on having examined numerous photographs of SIRHAN SIRHAN.

STEVE SCHAPIRO, free lance photographer, 170 West 73rd Street, New York, New York, telephone number 787-5087, called the New York Office of the Federal Bureau of Investigation (FBI), and stated that on August 13, 1968, he spoke with a Special Agent of the FBI in Los Angeles, California and observed a photograph of Senator ROBERT F. KENNEDY that he (SCHAPIRO) had taken sometime in March, 1968, at the Los Angeles International Airport.

SCHAPIRO states that he now recalls that he took the picture at the airport in San Francisco, California.

ONDINE VAUGHN, free lance photographer and actress, 1221 North Genesee Avenue, Los Angeles, California, advised the following:

Miss VAUGHN, who was previously interviewed June 21, 1968, had traveled with the Senator ROBERT F. KENNEDY campaign party as a photographer. She did work for STEVE SCHAPIRO, who distributes photographs through the Black Star Distributing Company in New York City. Miss VAUGHN examined the photographs of Senator KENNEDY which had been obtained through the office of HUGH J. MC DONALD, Assistant Press Secretary of the late Senator. One picture taken by STEVE SCHAPIRO of the Black Star Distributing Company shows KENNEDY shaking hands with an unidentified individual. Another person who resembles SIRHAN SIRHAN is standing next to KENNEDY with his hand outstretched to shake hands with KENNEDY. VAUGHN said that she was unable to identify the youth who is in the photograph who is about to shake hands with KENNEDY, and the only person she knew in the photograph besides Senator KENNEDY was WILLIAM BARRY, on the right side of the photograph. BARRY was a Senator KENNEDY aide. VAUGHN said the photograph appeared to her to have been taken at the Los Angeles International Airport at an entrance of a terminal utilized for the arrival of important persons. She speculated that the time probably would have been in May of 1968, during one of Senator KENNEDY's campaign trips to Los Angeles.

PERNELL EZZELL

On June 6, 1968, Mr. FRANK WETZEL, Manager, Perdue Radio, Television and Appliances, Incorporated, 2425 Colonial Drive, Orlando, Florida, furnished the following information:

PERNELL EZZELL is a former employee who has been missing about three weeks on this last occasion. He has previously left his job on past occasions and has been taken back. He called WETZEL on the morning of June 6, 1968 from 4:15 a.m. to 5:15 a.m. saying he was in Denver, Colorado. Mr. WETZEL said EZZELL seemed as though he were nervous, crazy or drunk.

EZZELL alleged to WETZEL that he had a great amount of money. He said he had a pile of \$20.00 bills which he had obtained as a result of his part in the assassination of Dr. MARTIN LUTHER KING and the shooting of Senator ROBERT F. KENNEDY. EZZELL remarked that he had proof he was in Orlando, Florida when KING was shot and he was in Las Vegas when KENNEDY was shot if he were to need it. He alleged he was on the payroll of "CIA" and "OSI". He remarked that he had a "38", a "357", a "30-30" and a "306" type of guns in the trunk of his car. He said he was using a U-Drive-It car in Las Vegas the previous day with the "357" gun on the seat when he was stopped by a deputy. He said the deputy released him when he produced his Associated Detective Agency card and his gun permit which he read the number from as being #92B.

PERNELL EZZELL

Mr. WETZEL said that EZZELL did not threaten any one during his call or indicate that he intended to do any harm to anyone else.

WETZEL said that EZZELL indicated that he was his only friend in Orlando, Florida and he just wanted to talk to him to find out if he could come back to Orlando.

On June 6, 1968, Mrs. FAY EZZELL, 636 22nd Street, Orlando, Florida furnished the following information.

She advised that she married PERNELL EZZELL on February 25, 1967, this being her third marriage. She said they have one infant by this marriage and she has children by previous marriages. She said that EZZELL has caused her extreme anxiety and debt during their short period of marriage. She said he has deserted her at least three times and he was last seen by her over three weeks ago. She said that he had been treated for extreme alcoholism during their short marriage on at least two occasions by Doctor HERBERT COLLINS in Orlando, Florida and she had taken him to the Florida Sanitarium Hospital, Orlando, Florida for the same type treatment. She advised that he has been also treated at the Cherry Hospital for extreme alcoholism but she could not recall the name of the town in which the hospital is located. She said that she hoped that her husband does not return.

PERNELL EZZELL

Mrs. EZZELL said that PERNELL had called her on June 6, 1968 about 2:00 a.m. and the call lasted until about 3:00 or possibly a little later. She said he stated he was in Denver, Colorado. She said that on one occasion the call was interrupted by an operator who requested that he make a new call for credit charges which he did but the operator did not specifically identify herself as being in Denver, Colorado. Mrs. EZZELL said that PERNELL had called her on the morning of June 5, 1968 during the early hours saying that he was in Las Vegas, Nevada but she had no way of knowing his actual whereabouts at that time. She said that on both occasions he did not divulge his address or location. She said that in April, 1968, he was drinking heavily and she refused to allow him to come to the house with her children. She said he went to several motels around the Orlando, Florida area and ran up very large bills on credit cards which caused her financial difficulties. She said that on this occasions his drinking was only terminated when she took him to Dr. COLLINS for treatment of extreme alcoholism. She said that the doctor gave him tranquilizers to bring his shaking under control. She said he is a hopeless alcoholic and that when he is drinking he becomes affected mentally. Mrs. EZZELL advised that in the past PERNELL EZZELL when drinking had delusions of grandeur. She said that he would refer to big news stories in the newspapers and try to cause her to believe that he was in some way connected with military service intelligence and he would have to check on these news worthy events.

PERNELL EZZELL

She said that on several occasions when he was drinking and he had disappeared he would finally call her telling her that he had a large sum of money and that he would buy her all sorts of new presents. She said that on these occasions she found him penniless and drunk in North Florida.

Mrs. EZZELL said that when PERNELL called her on the past two mornings he had not made any allegations involving himself in any assassination plots on Dr. KING or Senator KENNEDY. She said he had not threatened anyone on these occasions except her when she told him she was seeking employment. He said that if she obtained a job he would come by and pick up the baby.

Mrs. EZZELL said that PERNELL did have some sort of a gun which he kept in his car because she would not allow him to bring it into the house. She said he had a permit to carry this gun because he worked as a guard during the night time at Associated Detective Agency, Orlando, Florida. She said he worked in the day time as a television technician for the Perdue Radio, Television and Appliances, Incorporated.

Mrs. EZZELL said that she has been receiving numerous bills from oil companies and American Express credit card which she did not open but forwarded to his mother in North Carolina because she could not pay them. She advised that she feels that her financial situation is so destitute that she will lose her home and furniture because of previous bills made by EZZELL..

PERNELL EZZELL

On June 6, 1968, Dr. HERBERT COLLINS, 3558 South Orange Avenue, Orlando, Florida, advised that he treated PERNELL EZZELL for about the past couple of years due to extreme alcoholism the last period of treatment being in April, 1968. He said this man is unstable but he did not further describe him.

On June 6, 1968, the files of the Orlando, Florida Police Department furnished by MARIAN HARRISON revealed PERNELL EZZELL was arrested on June 2, 1961 being charged as a public drunk; on November 19, 1961 being charged with driving while intoxicated; and he was picked up on suspicion of auto theft March 9, 1962 at which time he was turned over to the Orange County Sheriff's Office. No photograph or fingerprint records for EZZELL were available.

On June 6, 1968, BERNICE FOGARTY, Orange County Sheriff's Office, Orlando, Florida, Identification Division and Deputy PHILIP MURPHY, Plain Clothes Division, both advised that they could locate no information pertaining to EZZELL in their files.

The following physical description was obtained from Mr. WETZEL and Mrs. EZZELL:

It is noted that on July 5, 1967, Officer JAMES WATFORD, Kissimmee, Florida, Police Department, advised the Tampa Office of the Federal Bureau of Investigation (FBI) that PERNELL EZZELL had made statements to EZZELL's wife that he was an agent of the Central Intelligence Agency (CIA) and in this capacity had to make secret trips, leaving his wife alone for periods of time. WATFORD indicated he knew of no one else who had been told by EZZELL that he was a CIA agent, and that there was no evidence EZZELL had obtained anything of value from anyone other than his wife.

On August 4, 1967, a representative of the CIA, Washington, D. C., advised that a check of CIA personnel files failed to disclose any individual named PERNELL EZZELL as being employed by that agency.

On August 28, 1967, Assistant United States Attorney KENDELL WHERRY, Middle District of Florida, was informed of above facts by a Special Agent of the FBI. Mr. WHERRY stated that the facts were insufficient to constitute a violation of the Impersonation Statute, and that he would therefore decline prosecution of EZZELL.

Date 8/27/68

PERNELL EZZELL was interviewed at the Shreveport, Louisiana, Resident Agency. At the outset of the interview EZZELL was advised of his rights but declined to sign a waiver of same. EZZELL declined to furnish a signed statement but voluntarily furnished the following information:

EZZELL denied that he had received or was ever in possession of a great amount of money as a result of his participation in the murder of MARTIN LUTHER KING and the assassination of Senator ROBERT F. KENNEDY. He further denied stating to anyone he was on the payroll of the OSI and CIA.

EZZELL said he definitely did not participate in any manner, nor did he have any knowledge of or information concerning the murders of MARTIN LUTHER KING and Senator ROBERT F. KENNEDY.

EZZELL admitted that he was glad KING was dead as he felt KING was a troublemaker, but emphasized that he did not have anything to do with killing him.

EZZELL said he could not remember making any statements to anyone regarding any of the above. He admitted that he may have made them when he was in a drunken condition, but could not recall making any such statements. He said he often has black-out periods which occur when he is drinking and he has been known to appear sober even when he is in a drunken state.

EZZELL said FRANK WETZEL is the Shop Foreman for his former employer at Perdue Radio and Television Company, Orlando, Florida. He and Wetzel have been out drinking together on a few occasions, usually after closing shop or on a payday night. WETZEL has been trying to get him into trouble with his wife. EZZELL said WETZEL thinks he is a ladies man and has in the past tried to take his wife out. His wife has told him that WETZEL has called her several times and in addition to trying to make a date would tell her of his running around with other women. EZZELL believed WETZEL tells his (EZZELL's) wife what he tells WETZEL in confidence. He was sure WETZEL told her about

his being responsible for another girl's pregnancy at the time he married his wife.

EZZELL stated he has never confronted WETZEL with any of the above, but WETZEL has told him that he called him one night when he was drunk and cursed him out. EZZELL said he could not remember this call.

EZZELL advised that he has a serious drinking problem, but he did not consider himself an alcoholic. He said he was treated in the Veterans Administration Hospital, Fayetteville, North Carolina, for drunkenness shortly after his release from the Air Force in 1953. He further advised he had been a patient at Cherry Hospital, Goldsboro, North Carolina, for about 2 months during the past year. While at this hospital he underwent a number of psychiatric tests. He did not know the results of the tests.

EZZELL stated that he has had this serious drinking problem since his marriage in November 1967. He indicated he was forced to marry his wife as a result of her pregnancy prior to their wedding. He said, since his marriage he has been under constant pressure from his wife and in addition has serious financial problems.

EZZELL advised that because of his heavy drinking and the resulting "black-outs" he is not able to fix exactly his whereabouts on specific dates during the past year. However, he remembered the night of MARTIN LUTHER KING's death and said he was drunk at the time. He was registered at the Motel South, Orlando, Florida. With him at the time was a girl friend, whom he identified as VIOLET ALLRED, a nurse, who operates the Clear Lake Manor Nursing Home, Orlando, Florida. He said she is about 38 years of age. He recalled hearing of KING's death on the T.V. on the night it happened.

EZZELL said he did not remember where he was the night Senator KENNEDY was shot.

EZZELL could not account for his whereabouts on the night of June 5, 1968 and said he could not recall where he was at all during the month of June as he again was on a drunk.

EZZELL remembers flying from Orlando, Florida,

to Los Angeles twice in recent months. The last was about August 4, 1968 when he flew via Delta Airlines. He stayed in Los Angeles four days and left driving a rented car after an unsuccessful effort in finding a job. On his way to Shreveport he stopped briefly at Phoenix, Albuquerque, and Hope, Arkansas. He claimed he pawned his 357 magnum revolver with a police officer in Hope, Arkansas, for \$45 on August 23, 1968. The gun was purchased for his second job as a security guard with Associated Security Company, Orlando, Florida. He claims he has never used the gun in commission of a crime.

EZZELL believed the previous trip to Los Angeles was made in June 1968 when he flew via Delta Airlines from Orlando, Florida. He was looking for a job on the occasion also. He stayed only two days and remembers returning from California via an unrecalled airline and that he stopped at Las Vegas, Denver, New Orleans and Miami. He does not remember if he stayed in any of these cities for any length of time. After reaching Miami he rented a car and drove to Orlando.

EZZELL claims he had no employment other than his jobs in Orlando and that he financed his trips with the money earned from working these two jobs, along with using his credit cards.

EZZELL recalled after driving from Miami he did not go home, but to a motel with Miss ALLRED. The following day he drove back to Miami and then returned to Orlando by bus. He thinks he rented the car at Miami from either Hertz or Avis-Rent-A-Car.

EZZELL stated he has not worked any where since August 4, 1968, and that he presently had in his possession \$36.00 which was left over from the sale of his gun.

EZZELL claimed he pawned a .38 Colt "Cobra" in Los Angeles on the last trip at an unrecalled pawn shop and that he presently has no weapon.

EZZELL could not recall any other details concerning his first trip to Los Angeles, he said he was drinking heavy on these trips and could not remember anything much about them. He could not remember the names of motels where he stayed. He claimed he has no friends in Los Angeles and
