Mrs. NELL RADER, Apartment C, 10717 Victory Boulevard, telephone number 763-7575, furnished the following information:

Mrs. RADER lives by herself at the above address and she is retired. She was recently hospitalized for gallstones and hernia and expects to return to the hospital in the near future for surgery.

In May 1968, Mrs. RADER worked part time, two evenings, as a campaign worker at the Robert Kennedy Campaign Office located on Victory Boulevard near Whitsett Avenue, North Hollywood, California. Mrs. RADER was an enthusiastic supporter of ROBERT KENNEDY for the presidential nomination. On Sunday, June 2, 1968, she went, by herself, to the rally held for ROBERT KENNEDY at the Ambassador Hotel, Los Angeles, California. When she arrived at this rally, she did not feel well. As a result, she did not participate in the activities of this rally at the Ambassador Hotel. Instead, she sat in a chair in the hallway outside of the Cocoanut Grove Room at this hotel by herself. Her chair was not close to the entrance of the Cocoanut Grove Room. She was unable to estimate the distance from the entrance, but was sure she sat on the south side of the hotel. There was a large number of people milling around the lobby and hallway near her. While sitting there, she saw an individual standing by a swinging door who she later believed to be SIRHAN SIRHAN. She based her identification of SIRHAN on numerous pictures she later saw of SIRHAN in the newspapers and on television. This individual was just standing there in the hallway and acted as if he were a waiter at the hotel. The reason Mrs. RADER thought he was a waiter was that he carried a white cloth or towel in his left hand. She was unable to describe this cloth or towel further. After seeing this individual for several seconds he disappeared behind the swinging door. The individual, believed to be SIRHAN, did not talk to her or to anyone else. She was by herself at the time she observed this individual. She had never seen him before and she had no knowledge of SIRHAN or his family.

In connection with the investigation of the assassination of Senator ROBERT F. KENNEDY, the Los Angeles Police Department found several items in the vehicle belonging to SIRHAN BISHARA SIRHAN, which was found parked near the Ambassador Hotel on the morning of June 5, 1968 shortly after the assassination took place. One of the items found in the vehicle was a Hollywood Park Race Track parking ticket Number 59600, red in color.

On July 29, 1968, Mr. ANTHONY TREEBOW, Operations Department, Hollywood Park Race Track, advised that he could not determine the exact date that the above-described parking ticket had been used. He stated that the different colors indicated several different days when this ticket might have been used and that the number could not be used to determine exactly the date of its use inasmuch as these numbers were often repeated after a cycle was completed.

Mr. TREEBOW advised that the dates on which red colored parking tickets were used in the present racing season were as follows:

April 16, 1968

April 24, 1968

May 2, 1968

May 10, 1968

May 18, 1968

May 28, 1968

He advised that it was impossible for him to be any more specific concerning the possible dates of the parking ~~ticket in question.~~

In connection with the assassination of Senator ROBERT F. KENNEDY, the Los Angeles Police Department found several items in the car owned by SIRHAN BISHARA SIRHAN. One of these items was a Richfield Oil Company credit card receipt dated May 20, 1968 and bearing license number JWS 093, which is the license number of the car belonging to SIRHAN.

On July 29, 1968, Mr. GLENDON AYERS, Manager of the Richfield Station at 14614 East Dalewood, Baldwin Park, where the above-described credit card receipt was issued, advised that inasmuch as both the hard and flimsy copies of the receipt were found in the car, this would indicate that it had been issued as a cash receipt at the request of the customer. He stated that the number 0377 which was found on the receipt would undoubtedly indicate a \$3.77 purchase and that any other identifying data on the receipt would probably be the date, station number, and initial of the issuing employee.

Mr. AYERS was shown photographs of SIRHAN BISHARA SIRHAN and he advised that he did not recall this individual and is sure that he is not anyone who has been a regular or semi-regular customer at that station. He stated that the first time he ever saw the individual in the photograph was when he saw his picture on television following the assassination.

LEGISLATIVE REFERENCE SERVICE
[Senator Edward M. Kennedy]

Paris (France)
June 11, 1968

Dear Brother Kennedy:

Oh, dear God, is it possible that such tragic fate must keep befalling the most noble family of the 20th century, the Kennedys. Please follow the following instructions most faithfully, because a big gang has condemned you, too, to death.

1. Make no statements, not even among your friends or your family, because walls have ears too. Keep quiet.
2. Leave America without delay.
3. Do not get in touch with anyone, not even your own wife, until after the elections.
4. Three months after the elections, you may return to your wonderful and unhappy children.
5. You must take as your companion a hapless Serbian.
6. Do not engage in 1969 in any State affairs.
7. You, unhappy brother Ted, have been condemned to death by the same gang that killed your two brothers. They will kill you on the election day this year. I entreat you as God himself to leave America right away, as soon as you receive this letter.

8. You will find out who I am only after the elections, through your sister in Paris.
9. In 1972, you will become the deserving master of heaven and earth, you will become President of the United States.
10. In 1973, you will avenge your brothers and do away with this gang.
11. For four years, the idiot Johnson has refused to let me settle in Chicago. My entire file is at the Embassy. I should like to ask of you that your sister make it possible for me to settle in Chicago, as I am a political emigre. I am an unfinished student, have not completed my studies. I was an agent of Belgrade, Washington, Moscow, Tel Aviv, and Peking. I was born the same year as you, or, perhaps, a year earlier. I was expelled from France, appealed and my appeal was granted. I look very much like you. I am a teacher by profession, and have completed the work in the Faculty of Philosophy at the University of Belgrade.
12. Let them get me to America in some way. Your sister can do it. I was sick and because of my illness, I was turned down in 1966. My health has now improved, so let them call me for another physical. Your sister can do this for me.

13. To be frank, I am totally impoverished and without money. Now I clean streets. I should like to ask you, therefore, dear brother Ted, for \$1,000 help.

14. I will get in touch by mail with your sister, the wife of the Ambassador in Paris - I'll use the same green pen and tell her who I am.

The youth of the entire world is grateful to John and Bob Kennedy. May they live in eternal glory, and may the black soil in which they rest forever be light to them.

Long live Ted Kennedy, the avenger of his brothers.

In 1972, we shall triumph together! Keep this letter and follow it exactly. [On reverse of envelope] I am poor and have no money to buy a stamp. Forgive me, brother Ted. [On picture] My deepest sympathy to the Kennedys. 1968. An anonymous Serbian.
