TO : SAC, LOS ANGELES (56-New)

DATE: 6/5/68

FROM : SA J. CLARE WILLIAMS

SUBJECT: UNSUB, aka
Robert Gene Gindroz
ATTEMPTED ASSASSINATION OF
SENATOR ROBERT F. KENNEDY,
LOS ANGELES, CALIFORNIA
6/5/68

Writer received a telephone call at approximately 4:00 A.M., 6/5/68, from an individual who identified himself as RONALD R. HUNTLEY, 2902 East Burnside, Portland, Oregon, no telephone number.

HUNTLEY advised that he was Senator KENNEDY's personal bodyguard during the Senator's campaign for the Oregon primary and that a week ago from this past Tuesday he was with the Senator at the Benson Hotel, Portland, at which time the Senator was congratulating Senator MC CARTHY on his primary victory.

HUNTLEY stated that as the Senator was attempting to leave the hotel he, HUNTLEY, was clearing a path through the crowd and had occasion to push two males out of the way of Senator KENNEDY. As he pushed one of the men out of the way he felt a weapon under the man's suit coat and immediately shoved the man up against a wall. *THE MEN CAUSED NO FURTHER PROBLEM AND KENNEDY WAS NOT ADVISED OF THE INCIDENT.*

HUNTLEY stated that he was presently observing television and observed a photograph of the man the Los Angeles Police Department had arrested as a suspect in the attempted assassination of KENNEDY. HUNTLEY advised that he is certain this individual is identical to one of the two men he shoved out of the way of KENNEDY's path at the Benson Hotel. INDEX

HUNTLEY stated that the other individual was approximately 24 years old, possibly of Latin American extraction, 5' 4", 195 pounds, dark brown hair, very stocky build.

Dear Mr. Hornsby,

Do you remember me telling you about the other gun that was supposed to be used in the Robert Kennedy murder? Well, I've enclosed a letter from Mr. Charach, the investigator that talked to me while I was in Dethaw. I've already written Bill Baxley, the Atty. Gen. of Arkansas and the professor mentioned in the letter. I would also appreciate it very much if you could do any thing on that end to help me get out on some kind of a bond. Maybe if you would write Bill Baxley, or even if the court would hurry and give me a new trial if they even are any way, I thought you might be interested in the letter, and if it's not to much trouble I'd like to have it back. Do you have any idea as to whether or not I'll get out on a bond?

yours truly,
Darin Sloan

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, LOS ANGELES (⁵⁶~~60~~-new)

DATE: 6/5/68

FROM : SUPERVISOR WILLIAM JOHN NOLAN

SUBJECT: SENATOR ROBERT F. KENNEDY

Lidson with L.A.P.D.

At 1:30 A.M. Assistant to the Director C. D. DE LOACH was advised that the ~~KENNEDY~~ party, in the persons of ~~TED SORENSEN~~ and ~~PIERRE SALINGER~~, had requested that he contact Chief U. S. Marshal MC SHANE and have him go to the KENNEDY home to stay with the family. Mr. DE LOACH said he would take care of this. Mr. DE LOACH advised that under no circumstances should we give the impression that we are investigating this matter; that we are rendering every possible assistance that we can.

At 3:40 A.M. Assistant Director TOM BISHOP contacted the writer and advised that in the event of any press inquiry, we are to give the statement that the FBI is rendering every possible assistance to the local authorities.

At 3:35 A.M. the writer contacted Colonel W. H. STUART, 382-4808, at Norton Air Force Base to arrange for a military flight to take the fingerprints of the subject of this case back to Washington, D. C., along with an Agent. This call was based upon a call at 3:30 A.M. from HENRY SCHUTZ, Division 6 at the Bureau, on the instructions of Mr. DE LOACH that the fingerprints of the unidentified killer were to be flown back immediately via military, inasmuch as commercial flights would not leave at the very earliest until 8:30 A.M. The Colonel advised that it would take him some time to attempt to find a craft ready for flight, and that he would contact the writer.

The prints were turned over to SA JOSEPH ARWINE by the Los Angeles Police Department (LAPD) in view of the fact that the perpetrator of the shooting had no identification and had no record in the LAPD and Los Angeles County Sheriff's Office.

It was ascertained that the Speed Photo machine in the Identification Division was inoperative. Upon clearance

by SCHUTZ with Mr. DE LOACH, it was arranged that the photographs of the prints would be transmitted to the Bureau via UPI, and the originals would be flown back by military aircraft, accompanied by an Agent, or commercial airline, whichever flight was the earliest.

The following arrangements have now been made:

A private line, telephone 483-0357, has been installed between this office and the fifth floor of the Good Samaritan Hospital and placed into operation at approximately 3:30 A.M.

Supervisor JOHN BARRON and SA FRANK CALLAHAN are handling liaison with the KENNEDY party at the Good Samaritan Hospital.

Supervisor ROBERT KERTIN upon his arrival at the office immediately went to handle liaison with Chief of Police REDDIN, replacing SA JOSEPH ARWINE, visitor from Tampa, and SA LEROY W. SHEETS.

SA ARWINE has handled the UPI transmittal of the prints and advised at 4:06 A.M. that the prints and photograph of the unidentified individual were now transmitted.

The Bureau has been advised of the identities of five persons known to be wounded and their condition, as known as of 3:00 A.M.

Supervisor BARRON by telephone furnished the following as concerns the President of the United States:

The President at 3:30 A.M. to Staff Assistant TED SORENSEN expressed his sympathy and deep regret and thereafter stated immediately he was invoking security precautions for all candidates of all political parties because Secret Service was not large enough in staff to handle, and the President stated he would even consider using military. Comment was made by SORENSEN to the effect no mention of FBI made in conversation concerning security.

This information was received by Mr. SORENSEN at about 3:40 A.M., and Supervisor BARRON relayed the data to the office at about 4:00 A.M. The Bureau (HENRY SCHUTZ, Division 6) was advised.

As of 3:30 A.M. Senator KENNEDY was in the operating room with a bullet in the mastoid area at the rear, causing pressure on the brain. Physicians were uncertain as to whether pressure was caused by the bullet or a blood clot. If it were a blood clot, it was operable, and if caused by a bullet, it would be most serious.

At 4:10 A.M. Colonel WILL STUART advised that he had a T 39 flight laid on for 5:30 A.M. departure time at Norton Air Force Base. The pilot would be Captain BUCHNER, and pursuant to Bureau instructions, an Agent was assigned to carry the prints. SA LEROY W. SHEETS has departed for Washington, D.C.

At 4:18 A.M. Supervisor BARRON called and advised that the progress report on the Senator is as follows: He is in surgery. They have removed bone splinters from the head. All organs are performing strongly. Condition good.

At 4:18 A.M. SA ROBERT KERTIN advised that the LAPD had discovered a car key in the unidentified person's pocket and had tied it up to a car which they believe belongs to ROBERT GENE GENDROZ. SA HENRY SCHUTZ, Division 6 at the Bureau, was advised of the above at 4:30 A.M. He requested that we attempt to develop more background information on GENDROZ. He will call back.

CHARLES HECKMAN, Photo Lab, UPI, 1542 West Olympic, Los Angeles, on this date transmitted on general wire fingerprints of suspect in this matter to UPI, Washington, for delivery to the FBI. Photographs of victim, suspect and other individuals in attendance at the shooting of Senator KENNEDY were made available by UPI and have been forwarded to the Bureau with fingerprints.
