

1 Q Is that a lie?

2 MUMIR SIRHAN: No, that's the truth.

3 Q You told this to George?

4 MUMIR SIRHAN: Yeah.

5 Q When?

6 MUMIR SIRHAN: I told--I said to George, I said,  
7 "If he wants to really buy it, try to get the price either  
8 too high or don't go down on the price. He shouldn't have  
9 the gun; he is an alien," and I did tell you he's an alien  
10 and I'm not an alien--I mean, I am an alien?

11 GEORGE BERNARD: I don't recall speaking anything  
12 about alienization.

13 MUMIR SIRHAN: I told you that I wasn't a  
14 citizen.

15 GEORGE BERNARD: I don't believe that. I don't  
16 recall it, no.

17 MUMIR SIRHAN: Well, I did tell him that, sir.

18 Q Well, it's a matter of not recalling or recalling.  
19 Did he ever tell you that not to sell his brother a gun  
20 because he was an alien?

21 GEORGE BERNARD: No, there was no mention of any  
22 brother.

23 Q Was there any mention about "don't sell him the  
24 gun?"

25 GEORGE BERNARD: No.

26 MUMIR SIRHAN: When we were in the parking lot

1 when I asked you to come up, I said, "My brother is going to  
2 be there and he's going to try to buy it and try to keep it  
3 away--"

4 GEORGE EHARD: I don't recall that, no.

5 Q Munir, you can make it awful simple for you--

6 MUNIR SIRHAN: --yes, sir.

7 Q --for me, for everybody--

8 MUNIR SIRHAN: --yes, sir.

9 Q --else if you tell the truth. Now I think I can  
10 see what you're fearing here, but I can tell you, you  
11 shouldn't fear anything unless you're going to sit there and  
12 lie to me. Now, do you want to straighten this out between  
13 you and me by ourselves?

14 MUNIR SIRHAN: It's straight, sir.

15 Q It isn't straight. Do you want to straighten this  
16 out between you and me?

17 MUNIR SIRHAN: How's that?

18 Q Just you and me in this room with the lady?

19 MUNIR SIRHAN: No, it's the same with him here.

20 It's--

21 Q You mean you're going to keep on lying to me?

22 MUNIR SIRHAN: I'm not lying, sir.

23 Q Okay, now, he just told me--

24 MUNIR SIRHAN: That's why I try. I know, but he  
25 doesn't seem to recall a lot of stuff.

26 Q And you seem to--

1           MUNIR SIRHAN: George, remember--you know where  
2 the men's--the boys' stockroom you were in today, when we go  
3 back there with Jose, when he was there one time? I'm just  
4 trying to remember the place, the spot--

5           GEORGE ERHARD: I don't recall.

6           MUNIR SIRHAN: --and I told you I was not an  
7 alien--I mean that I was an alien?

8           GEORGE ERHARD: I don't recall you mentioning  
9 anything about alienization because if you were, I would not  
10 have sold you the gun.

11          MUNIR SIRHAN: But I told you that I was not a  
12 citizen.

13          GEORGE ERHARD: I don't recall that.

14          MUNIR SIRHAN: Okay that--that is a lie. I did  
15 tell him I was not a citizen and not to sell my brother the  
16 gun and try to get the price a little higher so that my  
17 brother would argue with him or something, and so it wouldn't  
18 go through.

19          Q       That is a lie?

20          MUNIR SIRHAN: Yes, sir.

21          Q       Who's telling the lie, you or him?

22          MUNIR SIRHAN: He is. Remember when I told you  
23 I was not a citizen?

24          GEORGE ERHARD: No, I don't. Because if you had  
25 told me that, I would have remembered and not sold you the  
26 gun.

MUNIR SIRHAN: (Unintelligible)

THE REPORTER: I didn't hear what you said, sir.

MUNIR SIRHAN: We'll see the outcome on the lie detector test.

Q Okay, Now, the last time at Rampart one of the investigators asked you, "Where did your brother keep the gun" and you answered by saying, "It wasn't in the house."

MUNIR SIRHAN: He had it in the car the two times I had seen him it was in the car.

Q Why didn't you tell them that?

MUNIR SIRHAN: Sir?

Q Why didn't you tell them that?

MUNIR SIRHAN: Well, after George had left, Sirhan put it in the car.

Q Why didn't you tell the investigators this?

MUNIR SIRHAN: I did.

Q No, you didn't because I have the report right here in front--

MUNIR SIRHAN: Then I must have--you see, I told it to other ones then.

Q Okay, then, why was it when they asked you this question, they said--they asked you, "Where did your brother keep the gun?" And you said it wasn't in the house.

MUNIR SIRHAN: No, sir, I said that when we were walking, he put it in the car. He didn't take it inside the house. That's the way I meant it.

1 Q Okay, you meant to say that it was in the car?

2 MUNIR SIRHAN: Yeah.

3 Q Okay, then they asked you, "When was the last time  
4 that you saw it?" And you answered, "The first time that I  
5 saw it was the last time that I saw it when he put it in the  
6 car--"

7 MUNIR SIRHAN: --right.

8 Q "--after that I didn't see it."

9 MUNIR SIRHAN: Right. Well, it was in the car  
10 again when I told you yesterday when I was walking home--  
11 came home that one night. In fact, I had forgotten all about  
12 that until I talked with you again.

13 Q Now, you're saying you only saw it twice now?

14 MUNIR SIRHAN: Yeah.

15 Q The first time you said only once but now it's  
16 twice?

17 MUNIR SIRHAN: Yes.

18 Q Okay. When was the last time that you saw  
19 Sirhan?

20 MUNIR SIRHAN: I was going to work. It was about  
21 8:30 in the morning, Monday--no, Tuesday, I'm sorry.

22 Q Uh huh.

23 MUNIR SIRHAN: I saw him buying a paper on the--  
24 behind the Market Basket on Lake and Washington.

25 Q Uh huh. That was Tuesday morning?

26 MUNIR SIRHAN: I was on the bus.

1 Q Okay, here's the question that the investigators  
2 asked you. "Last night--" and this was when they were talking  
3 to you--

4 MUNIR SIRHAN: No, I'm sorry, it was--let's see,  
5 the fifth was on a Wednesday?

6 Q Yes.

7 MUNIR SIRHAN: It was payday I saw him, yeah,  
8 Tuesday at 8:30. Yeah, between 8:30 and 9 o'clock because I  
9 take--

10 Q In the morning?

11 MUNIR SIRHAN: --catch the bus, yes, sir.

12 Q In the morning?

13 MUNIR SIRHAN: Yeah.

14 Q Do you remember seeing a gardener sometime that  
15 day?

16 MUNIR SIRHAN: Yes, sir.

17 Q What time did you see the gardener?

18 MUNIR SIRHAN: When I came home.

19 Q When you came home from work?

20 MUNIR SIRHAN: Yes, sir. I got off the bus about  
21 6:30. I get to that area about 6:30.

22 Q Tuesday evening?

23 MUNIR SIRHAN: Yeah.

24 Q Tuesday evening?

25 MUNIR SIRHAN: Right.

26 Q Okay. And you told the investigators at that time

1 on the 5th of June that you and your mother were discussing  
2 the budget?

3 MUNIR SIRHAN: Right.

4 Q You remember that?

5 MUNIR SIRHAN: Right.

6 Q And that you had talked to this gardener about  
7 doing your lawn--

8 MUNIR SIRHAN: --right.

9 Q --And giving you a price?

10 MUNIR SIRHAN: He had come to the house and we  
11 were talking in front of the house for about an hour or so.

12 Q Do you remember watching a TV program?

13 MUNIR SIRHAN: No, there was a TV program--  
14 Jerry Lewis is on on Tuesday nights, but he wasn't on that  
15 night, so it was about that time that the gardener was around.

16 Q Okay, do you remember what TV program was on?

17 MUNIR SIRHAN: No, my mother and I were just  
18 talking to my brother, Adel. My brother had just come home.

19 Q Do you remember anything about--

20 MUNIR SIRHAN: --I don't recall. I believe it  
21 was--I believe it was Truth or Consequences.

22 Q Very good. See, you are remembering well now,  
23 and also you said this, that your brother came in after your  
24 mother and you were discussing the budget. The budget. Your  
25 brother came out and it was about 7:30 when Truth or Conse-  
26 quences was on.

1                   MUNIR SIRHAN: My brother came--yeah, Adel came  
2 home, right.

3           Q       This is Adel you are referring to?

4           MUNIR SIRHAN: Yeah, right.

5           Q       Not Sirhan?

6           MUNIR SIRHAN: No.

7           Q       Why did you lie to me when you said that he had  
8 been to your house?

9           MUNIR SIRHAN: Sir, as I say, truthfully, I  
10 didn't know--Les and he, they look alike, sir, and we both--  
11 we discuss so many things together. We go out to lunch  
12 together, it just--it may have happened; that's all.

13          Q       It may have happened.

14          MUNIR SIRHAN: Well, they look alike. That's all  
15 there is to it, sir.

16          Q       Look, you are an intelligent person, but you have  
17 a tendency to fabricate things.

18          MUNIR SIRHAN: Yeah.

19          Q       So don't fabricate anything. I'll ask you again,  
20 did you lie to me?

21          MUNIR SIRHAN: I'm so mixed up, sir.

22          Q       That's why you're mixed up because you have a  
23 tendency to fabricate things now. Now, tell me, Munir, why  
24 did you lie to me before when you said this man had been to  
25 your house?

26          MUNIR SIRHAN: I guess I just made it up.

Q Why?

MUNIR SIRHAN: For no reason, sir.

Q Yes, you did have a reason. I want to find out the reason.

MUNIR SIRHAN: Sir, I have enough guilt as it is. It's--it's getting George and Sirhan together to buy the gun. I didn't--I just--I just feel guilty that I was in the middle of all this.

Q Were you going to feel less guilty by lying about it?

MUNIR SIRHAN: No, no. I don't know I was tense. I'm still tense. I'm just mixed--

Q Well, get unmixed and tell me the truth now all the way down in your own words while I'm sitting here and while George is in this room, but tell me the truth, Munir; okay? And you go ahead and tell me how the discussion between you and Sirhan started and how George got involved in this.

MUNIR SIRHAN: It was first Sirhan was with the RDCG--well, first, it was George as I say at work, you know, that situation. I don't want to go through that.

Q About being the antique collector and so forth?

MUNIR SIRHAN: No, that and what's involved with my brothers.

Q Okay. Okay.

MUNIR SIRHAN: First I had approached him with that. I had that idea in mind was to find out if--so then

1 between that time and between when the actual sale was made,  
2 I had asked him for a gun for my brother. He was telling me  
3 when we ate lunch--we used to go out and eat lunch, and he  
4 said he collected guns. He collects this part and this part.  
5 He had just collected this part of a gun, and he had a model  
6 T, and he does this, you know, this type of thing.

7 Q This is very important before you continue. You  
8 have told George, and I'm going to see--I'm going to see if  
9 you're going to come up and come up and stand up as a standup  
10 guy here now. Before you said that you had told George not to  
11 sell your brother a gun because he was an alien?

12 MUNIR SIRHAN: Yes, sir. Yes, sir, I did tell  
13 him that. Yes, sir.

14 Q And yet you pursued him and asked him a number of  
15 times--

16 MUNIR SIRHAN: Yes.

17 Q --to sell a gun to your brother?

18 MUNIR SIRHAN: Right, sir, but I didn't--in fact,  
19 it was Sirhan--I knew Sirhan--in fact, I was positive that  
20 Sirhan wouldn't go through with the thing. To show you how  
21 Sirhan was so law-abiding, sir, the whole fight between he  
22 and I started because the car that he wanted to drive didn't  
23 have any insurance on it, and I just didn't think he would  
24 carry it through.

25 Q Well, it's not against the law to drive a car  
26 without any insurance.

1                   MUNIR SIRHAN: I know that, but I was just trying  
2 to show you Sirhan was law-abiding and I just didn't think--  
3 I didn't think he would go through with it.

4           Q       Through with what?

5                   MUNIR SIRHAN: With buying the gun.

6           Q       Well, could you not, realizing that an alien can-  
7 not be in possession of a gun, could you not have told him  
8 that you had asked George but that he did not have a gun?

9                   MUNIR SIRHAN: But, I'm not--Sirhan would have  
10 found out this and found out that somehow or other. He came  
11 down to work--he comes down to work once in awhile.

12          Q       But he didn't know George.

13                   MUNIR SIRHAN: Well, he had known him through me  
14 discussing him with me and so on.

15          Q       You mean you had mentioned George to Sirhan?

16                   MUNIR SIRHAN: Yeah, right.

17          Q       But Sirhan didn't know George?

18                   MUNIR SIRHAN: No, huh uh.

19          Q       Okay, then why didn't you just go ahead--

20                   MUNIR SIRHAN: As I say, I'm so mixed up. I'm  
21 so--it's my brother that's up there.

22          Q       I know it is your brother. And I hope that it's  
23 only your brother.

24                   MUNIR SIRHAN: I see.

25          Q       And I want you to tell me the truth. We're  
26 trying to arrive at a conclusion that is a truthful conclusion

1 here.

2 MUNIR SIRHAN: Yeah.

3 Q If you didn't tell him--I know that you feel guilty  
4 but say I didn't tell him. Don't mix it up any more by saying  
5 things that didn't happen.

6 MUNIR SIRHAN: All right.

7 Q Did you ever mention to George that your brother  
8 was an alien so don't sell him a gun?

9 MUNIR SIRHAN: Yes, sir. It was--

10 Q Then why--

11 MUNIR SIRHAN: --in the parking lot.

12 Q Then why did you still pursue George to get a  
13 gun for him then?

14 MUNIR SIRHAN: Well, I had only asked him one time  
15 for me for that purpose and then another time for my purpose,  
16 and then the third time was when he had the gun. He had come  
17 up to me and said, "Hey, I've got a gun." After that he had  
18 told me he didn't have a gun; that he had just gotten a gun  
19 from a lady. I told him, "Well, good, bring it down Monday,"  
20 and he said, "Well, I have to pick up my check anyway."

21 Q Well, Munir, you say you're going to stand up,  
22 and then you run away like a rabbit again. That's what you  
23 are doing because you know that George has sat here and he  
24 hasn't lied. I know that you have lied at least two or three  
25 times; right?

26 MUNIR SIRHAN: I'm not--sir, it's--I'm just

1 mixed up.

2 Q You have been mixed up at least two or three times,  
3 right? And now are you mixed up about this thing about an  
4 alien? Telling him that he was an alien?

5 MUNIR SIRHAN: No, sir, I am not. I told him that  
6 I was an alien; my brother was an alien.

7 Q So don't sell him a gun?

8 MUNIR SIRHAN: Right.

9 Q You told him that?

10 MUNIR SIRHAN: Right.

11 Q Well, I think the thing to do then is to go up  
12 and have a polygraph test right now then.

13 MUNIR SIRHAN: Okay.

14 Q I'd hoped that we would have straightened this  
15 thing out here and--

16 MUNIR SIRHAN: Right, sir.

17 Q But we can't the way you're pursuing--

18 MUNIR SIRHAN: --Sir, I--I did tell him that, sir.

19 Q Where else are you mixed up?

20 MUNIR SIRHAN: Sir?

21 Q Where else are you mixed up?

22 MUNIR SIRHAN: Except for the fact I wasn't sure  
23 it was George or Les that came up to the house there and  
24 then.

25 Q Wait a minute. Let's pursue that a little bit.  
26 You know it wasn't George.

1                   MUNIR SIRHAN: Okay.

2                   Q       But before, yesterday, you were telling very  
3 definitely that George had been to your house, but you knew  
4 you were again mixed up and lying about that. Why?

5                   MUNIR SIRHAN: Well, I was just--well, I guess I  
6 said it, sir. As I say, I'm mixed up. I don't remember  
7 dates. I have a very poor memory, and yesterday things were--  
8 I was tensed and I'm still tense. Now I have been tensed  
9 since I got out of jail,--sir; since the narcotics thing  
10 happened to me, life isn't the same, so--

11                  Q       Do you think it's going to get better if you lie?

12                  MUNIR SIRHAN: No, but it was--just came out, sir.

13                  Q       Why?

14                  MUNIR SIRHAN: I don't know, sir. If I know I'm  
15 going to get in trouble if George--I did not buy the gun,  
16 that's the main thing. I didn't buy it. I can get into a  
17 lot of trouble. That's why I said I would like a polygraph  
18 test. I did not buy that gun. You were telling me that  
19 George said I did buy it, and I was trying to put in a little  
20 more into it than there was to make George not say that, to  
21 tell the truth that Sirhan had bought it, but I had--I had  
22 talked to George earlier, and he had told me that he had talked  
23 to one of the officers and said that I wasn't--yeah, he wasn't  
24 supposed to come near me or something, and not to discuss the  
25 case.

26                  Q       Look, I'm going to ask you a question here; and

1 if we have to go to a polygraph, then you go ahead. You say  
2 you're in trouble. I don't know whether you are in trouble  
3 or not except that if you're going to sit here and lie to me  
4 when you know you're lying to me, then it's going to come  
5 out. If you bought the gun, stand up for it. We're not  
6 concerned--

7 MUIR SIRHAN: Sir, I did not buy the--

8 Q Listen to me.

9 MUIR SIRHAN: Okay.

10 Q We're not concerned regarding this thing about  
11 possession of a gun by an alien. We're not concerned with  
12 that. You understand that? But I cannot submit a final  
13 report having statements that he has made to me about that  
14 gun, and the statements that you are making to me now. Did  
15 you put up most of the money for that gun?

16 MUIR SIRHAN: No, I put up \$6 or somewhere around  
17 \$5, sir.

18 Q Okay, then, the next thing we have to pursue here  
19 is go ahead and administer a lie detector test to you.

20 MUIR SIRHAN: Yes, sir.

21 SGT. HERNANDEZ: We are going to conclude this  
22 interview here now. It's 4:15.

MR RABAGO WAS BECOMING ~~ANGRY~~ ANNOYED WITH THIS KIND OF TALK AND DECIDED TO GO INSIDE TO WATCH <sup>THE</sup> T.V. IN THE "PALM COURT ROOM".

# Anti-Kennedy Blast By Sirhan Reported

Sirhan Sirhan, accused assassin of Sen. Robert F. Kennedy, has been quoted by a national magazine as shouting, "Kennedy should never be president...he's just using the poor."

The magazine said a report of Sirhan's rage toward Kennedy and California School Superintendent Max Rafferty, Republican nominee for the U.S. Senate, came from a Mexican and a Puerto Rican. The story said the pair encountered Sirhan on the night of June 4 in the lobby of the Ambassador Hotel, about three hours before Kennedy was shot.

The report to Life Magazine came from Enrique Rabago, 35-year-old unemployed mechanic, and a second witness identified only as a Puerto Rican.

The article followed by less than a day a statement by gunshop owner Ben Herrick, 42, that Sirhan and two other swarthy men bought four boxes of .22 calibre shells at his San Gabriel store June 1.

The magazine said Rabago and his companion volunteered to tell about their encounter with Sirhan at 9:15 p.m., June 4.

The two witnesses told Life that Sirhan, wearing white pants and a white shirt without a tie, had just been ejected from a Rafferty victory party. Sirhan told the pair he had been refused a drink by a waitress and was tossed out when he made a fuss and contemptuously tipped \$20 "for nothing."

Rabago and the second man told Life Sirhan went into a tirade against "the rich Rafferty people who step all over the poor." Rafferty had just defeated incumbent U.S. Sen. Thomas Kuchel in the Republican primary.

Rabago said he (Rabago) nodded toward the Embassy Room, site of the main Kennedy victory celebration, and told Sirhan, "Robert Kennedy might help the poor."

The statement, according to Rabago's account to the magazine, sent Sirhan into a rage.

"Kennedy, Kennedy, he should never be President. You think he really wants to help the poor?" Sirhan was quoted as shouting in a quavering voice.

"Kennedy helps himself. He's just using the poor. Can't you see that?"

Meanwhile Herrick, owner of the Lock Stock and Barrel gunshop, said Sirhan and two others asked for armor-piercing .357 magnum ammunition at the same time they purchased the four boxes of .22 caliber shells.

"I told them we didn't have it," Herrick said of the heavier ammunition, used by the California highway patrolmen for their .38 calibre revolvers.

Herrick explained: "I don't like to sell that kind of stuff to guys like that," although he does stock the .357 shells. He said he sells them only to police.

Herrick said police told him the ammunition was traced through an invoice for the sale found in Sirhan's car near the hotel after the assassination.

1 INTERVIEW OF JENNIE RANELLE  
2 TAKEN AT 11104 TIARA  
3 NORTH HOLLYWOOD, CALIFORNIA  
4 SATURDAY, JUNE 29, 1968, 10:30 A.M.  
5 QUESTIONED BY: SGT. C. E. COLLINS, #6207  
6 SUMMARY REPORT DICTATED BY LAPD OFFICER. REPORTED AND TRANS-  
7 CRIBED BY SHARON THIELMAN, CSR, ON JULY 11, 1968.

8 Mrs. Ranelle went to the Ambassador Hotel with an  
9 old friend, Robert Funk, CBS sound man. She arrived at the  
10 Hotel at 4:30 P.M. and went to the Press Room with Mr. Funk.  
11 Robert Funk works with Jim Wilson, reporter for CBS. She left  
12 the Hotel around 5:30 P.M. and then returned at about 6:30 P.M.  
13 Funk had a room on the Fourth Floor and they went up there to  
14 pick up sound equipment. They returned to the Press Room and  
15 then visited various portions of the ballrooms.

16 She entered the Press Room at between 10:00 and  
17 10:30 P.M. and noticed a male Caucasian standing by the door.  
18 She described him as 22-24 years, 5'5", 130 lbs., black curly  
19 hair. He was wearing black pants, white shirt, no tie, a  
20 short jacket (dark), white with red pinstripes. He was  
21 carrying a couple of tablets and entered the Press Room. The  
22 suspect asked for a press pass which was being worn by Mrs.  
23 Ranelle. She was wearing two badges and he wanted one. She  
24 refused to give him the badge and did not see him after that  
25 time.

26 At about 11:30 P.M., she went upstairs to try and  
find Mr. Funk and noticed the Kennedy party going into the  
freight elevator. She went to another elevator, went

1 downstairs to the Press Room, exited through the Press Room  
2 and into the kitchen and walked to the west end of the  
3 kitchen. Kennedy walked up behind her and she shook his  
4 hand at that time. Kennedy went into the Embassy Room where  
5 he made his speech. She stood on the left side of the plat-  
6 form by the doors to the anteroom.

7 After the speech, Kennedy left the stage through  
8 the doors into the anteroom. She stated that she remained on  
9 the platform as Mr. Kennedy passed with Rosie Grier. She then  
10 followed and was at the door leading into the kitchen when  
11 she heard three shots, a pause and then two more shots. Mrs.  
12 Kennedy was in the kitchen area with Mr. Kennedy. She saw  
13 flashes from the shots and was pushed right against the door.  
14 She stated that she saw the lady that got shot. She had one  
15 shoe on and one off and was bleeding from the head. "I held  
16 on to her and said, 'You're shot' and I called for help. She  
17 kept trying to pick up the shoe. A guard took her out into  
18 the ballroom."

19 On the night in question, she was wearing a black  
20 velvet dress and carrying a black purse. She has seen Sirhan  
21 Sirhan on television and pictures. She is not sure that he is  
22 the same as the suspect who entered the Press Room. The  
23 clothes that he was wearing were definitely not the same as  
24 the clothes worn by the person she spoke to in the Press Room.  
25 She has given a previous statement to a uniformed officer on  
26 the stage after the shooting. Her date of birth is February 2,

1 1928, is 5' tall, weighs 103 lbs. She was not interviewed by  
2 any of the news media or other enforcement agencies.

Rising was in the lobby when Sirhan was went out by police officers, and reports a friend of his made a comment at the time, that he had observed Sirhan attempt to enter the Ballroom, earlier, by stating he was press. This man worked for Kennedy

14 A Yes, sir.

15 Q He shook hands with three or four guys there?

16 A Yes, he shook hands with John Looney (phonetic) and

20 know, sort of looking this way.

21 Q Uh hum.

22 A He took two steps and all of a sudden I just seen  
23 somebody jumping up, no jumping, you mean, you know, just  
24 going over, reaching over and the first time I notice him  
25 and then after a little while after it was over, after I was

1 -- I felt something like burning, like, you know, like when  
2 you throw out fire crackers and some --

20 gun over here too, like that.

21 BY SGT. MCGANN:

22 Q You mean holding the gun, the guy's arm down that  
23 was holding the gun?

24 A No, I mean after they had him, you know, all tied up

3 Q Are you the last guy that Kennedy shook hands with?

4 A It looks like so.

5 BY SGT. MCGANN:

6 Q Did you see anybody -- you were standing there --  
7 did you see anybody run away from the thing that looked like  
8 they might have been with this suspect?

9 A No, I don't. I wasn't paying any attention to it.

10 BY SGT. CALKINS:

11 Q Well, the suspect reached over somebody like this  
12 and pointed the gun, he was reaching past somebody then, huh?

13 A Something like that.

14 Q Uh hum.

15 Q You would know this guy if you saw him again?

16 A I think so, yes.

17 Q Let's see your face. Lean over this way. Did you  
18 get some -- turn your face sideways where you said you got  
19 some burns?

20 A I felt something, you know, like hot, you know, it

STATEMENT OF RICHARD ROSEN aka RICHARD COHEN  
TAKEN AT 5615 WILSHIRE BOULEVARD  
LOS ANGELES HEADQUARTERS FOR KENNEDY  
THURSDAY, JUNE 27, 1968, 10:30 A.M.  
QUESTIONED BY: SGT. CHARLES COLLINS  
                  SGT. J. R. MacARTHUR, #4372  
SUMMARY REPORT DICTATED BY LAPD OFFICERS. REPORTED AND  
TRANSCRIBED BY SHARON THIELMAN, CSR, ON JUNE 28, 1968.

Mr. Rosen resides at 11030 Aqua Vista, Studio City, telephone  
985-5841, date of birth February 14, 1948. He is a student  
at Valley College.

I have been working as an advance man during the  
Kennedy campaign. The night of the shooting, I was at the  
Ambassador Hotel. During the speech, I was on the steps on  
the left side of the stage (east side). One of the stairs  
was broken and I was trying to keep people from falling when  
they came down the stairs.

After the speech, the Senator went out through the  
back of the stage and I, and another advance man from San  
Francisco named Gallivan, left and were preceding through the  
kitchen ahead of the Senator. We were maybe ten or fifteen  
feet ahead of the Senator looking towards the Colonial Press  
Room when I heard several pops. I turned around and observed  
Bill Barry had grabbed the suspect. Then Rafer Johnson and  
Rosie Grier appeared on the scene and I think Rosie got the  
gun away from the suspect. When the shooting started,  
Gallivan ran toward the Senator and I ran out one of the side  
doors to try and find some help.

INFORMATION: (WHO, WHAT, WHEN, WHERE, WHY & HOW)

Royer is Sec. to Ex-Gov. Pat. Brown, interviewed in his office.

Royer arrived at Ambassador between 3 & 4 PM. She went directly to staff area (west side Embassy stage-rear). Sometime between 11:45 PM and 12 AM Dick Kline (I-240) told Royer that Sen. Kennedy would be going to the Colonial Room after his speech in the Embassy Room.

During the speech, Royer was in the kitchen area near the double doors on the left side of the Room. At the conclusion of the speech, she started walking toward the Colonial Room; Robert Klase (I-1345) was walking slightly in front and to the right. At the time of the shooting, Royer estimated she was between the 2nd & 3rd table and about in the center of the room walking toward the Colonial Room.

She recalled hearing about 6 shots, without a pause. She turned and looked in the direction of the shots. Royer stated she did not see the Senator, but did see a large crowd. She also observed the struggle with the suspect. Next she recalled being pushed by the crowd (coming from the direction of the Colonial Room) back toward the Senator. When the pushing of the crowd stopped, she recalled the struggle was then going on to her right-rear. At this time she was standing next to Jimmy Breslin (N. Y. Post).

Earlier in the evening, Royer stated she would periodically check the Anteroom & kitchen area to "chase out" people who didn't belong. She stated that an hour or two prior to the shooting, she had told the susp. to leave the Anteroom. There were several people in the room who didn't have press passes. Anyone without a pass was asked to leave. She did not recall the susp. saying anything when asked to leave. When she last saw the susp. he was in the Anteroom walking through the door leading to the Embassy Room. She didn't recall the susp. being with anyone. She was certain this was the same person she later saw in custody of the Police. Royer stated she checked the kitchen area about twice an hour for about 3 hours prior to the shooting. She checked the kitchen at least twice after asking the susp. to leave, (the last time being about 11:45 PM), and did not recall seeing the susp. again. The night of the shooting, Royer was wearing a white suit with a bright green blouse.

INFORMATION: (WHO, WHAT, WHEN, WHERE, WHY & HOW)

I arrived at the Hotel with my husband at the Hotel at 11:55 PM; that is the time that was stamped on our parking ticket. My husband & I knew the Hotel set up as we'd been there before. Rather than go into the Embassy Room & fight the crowd to get close to the stage, we went in through the kitchen area and this way we were able to come out right next to the stage. We entered the kitchen through the door near the Airline desk. This entrance is near the front of the Coconut Grove & at the top of the stairs from the downstairs lobby. When we got to the stage, I recall it was just prior to the Senator making his remark about Mayor Yorty, that was towards the end of the speech. When the speech was over, I went into the Anteroom & saw the Senator walking toward the kitchen. Paul Schrade was right behind him. As they entered the doorway to the kitchen, I was just behind Paul Schrade. The crowd was heavy & pushy in the Anteroom, but once we got inside the kitchen, the crowd opened up & the pushing stopped. The next thing I recall were 3 shots, a pause & then 5 more shots. The first shot I recall thinking were firecrackers. As I look back now, I'm sure I knew the second shot was a shot. It seemed to me that by the third shot Paul Schrade was lying at my feet. I immediately went for the floor and remember pulling a blonde woman down (this blonde woman was probably Valerie Schulte; from Rubin's descr. of her). I did not see the shooting itself because Paul Schrade was in front of me. I remember next that after getting on the floor I crawled backwards & got behind a chair. William Weisel (one of the victims) fell into the chair and I heard say, "I've been hit". I also remember Mrs. Kennedy in a stooping position next to a wall & a man being with her. I worked my way back out of the room. I was very hysterical for some hours after the incident. I did not see the suspect & could not ID him.

When my husband & I were walking through the kitchen to the Embassy Room to hear the speech, I'm sure we saw the suspect, Sirhan. My husband was walking on my right through the kitchen & I remember the suspect being on my left. He was somewhere between the end of the room (doors to Colonial Room) & the ice machine. He was leaning against a table. He was wearing light clothing. The reason he stands out in my mind is that he wasn't dressed like the rest of the workers & he was standing still whereas everyone else in the kitchen was moving around. I saw his picture on TV & in the newspaper & I'm positive that the man I saw is the man who

shot the Senator. The night of the shooting I was wearing a white dress with a red & white coat over it. My hair was quite long that night.

INDEX: FEDERAL BUREAU OF INVESTIGATION  
IN KITCHEN OBS SHOOTING.

Date 6/26/68

BARBARA RUBIN, also known as Mrs. Lon Bruce Rubin, housewife, 5925 Glade Avenue, Woodland Hills, California, telephone 883-2133, related the following:

She and her husband had gone to the Embassy Room at the Ambassador Hotel, Los Angeles, California, shortly after midnight on June 5, 1968. The purpose was to join the campaign party of Senator ROBERT F. KENNEDY. They were unable to get into the Embassy Room through the main entrance, as it was full. They found that by going through a kitchen area, off this room, they could enter the Embassy Room without being challenged. There were only three people in the kitchen when she and her husband entered. They were all dark complected men, two of whom appeared to be kitchen workers as they were moving about. One was tall and the other short. The third man, slight of build, was just standing against the wall in about the middle of the kitchen. She did not note details of his dress but did note this third man did not appear to be a kitchen worker.

Mrs. RUBIN and her husband went on into the Embassy Room just as Senator ROBERT KENNEDY was finishing his speech. They had arrived at a point a few feet from the podium where Senator KENNEDY was standing when he made some remark about Mayor SAM YORTY of Los Angeles, which ended his speech. Senator KENNEDY then started for the kitchen. Mr. and Mrs. RUBIN followed him. They were separated by the pressure of the crowd near the kitchen door and Mrs. RUBIN followed the KENNEDY party into the kitchen. Mr. RUBIN got trapped and did not get into the kitchen.

Mr. PAUL SCHRADE was right behind Senator KENNEDY and Mrs. RUBIN was behind Mr. SCHRADE when she suddenly heard three shots followed by five quick shots. She realized someone was shooting in her direction but she could not see who it was, as Mr. SCHRADE was taller than she. She, at this point, "hit the floor" along with a young blonde woman, and kept her head down until she felt the shooting had stopped. She saw people go down on the floor and briefly saw Mr. KENNEDY on the floor. When she

got up she ran out of the kitchen to join her husband. She hid behind things until she found her way out as she did not know whether or not there might be more shooting.

The Los Angeles Police Department had questioned Mrs. RUBIN briefly after the shooting, asking her if she had seen the shooting. She replied "no" and was not questioned further.

Mrs. RUBIN had appeared on television but was not interviewed. She was standing near the door of the Embassy Room when the television news cameras picked up an interview being conducted of a Negro doctor who had been at the scene. There had been some comment in news programs and in the press of a couple being sought for interview, exact source not recalled. She was of the opinion the descriptions furnished of the couple being sought and apparently seen in the kitchen area before the shooting generally fit that of her and her husband.

Mrs. RUBIN described herself as a white female, 33 years of age, 5' 5", wearing two-inch heels, olive complexion, 135 - 140 pounds, dark shoulder length hair worn bouffant style, dark eyes. She was wearing a white dress with red belt sash and a bright red and white checkered jacket. She, at times, carried the jacket.

She described Mr. RUBIN as a white male, 6', 185 pounds, 35 years of age, broad shoulders. He was wearing a navy blue blazer and gray slacks.

Mrs. RUBIN furnished a photograph of herself taken in March 1968, which she said could be used for further identification if desired. The photograph need not be returned.

Following examination of photographs of SIRHAN SIRHAN and his brothers, Mrs. RUBIN was of the opinion that the photograph of SIRHAN SIRHAN resembled the person she had seen in the kitchen

standing against the wall about five to seven minutes before Senator KENNEDY finished his speech. She had not noted the man in question in the kitchen closely enough to make a positive identification. She had no recollection of seeing any of the brothers of SIRHAN SIRHAN at any time.

APPROVED BY:

S/Lt. Pena

I gave my target to the Chief of Police of Arcadia. Then I went over to Sirhan's position and I fired his gun a couple times. I put it down because I didn't want it to blow up in my hand."

Gun- The gun was a cheap model 22 cal. with a short barrell. Only a couple blued spots on its barrell & cylinder the rest painted black. It had black plastic grips.

"When he was shooting my gun he was bench resting it and he burnt his finger. I don't remember which finger or on which hand. I don't know if it was very bad or not."

P/R stated that Sirhan brought him over some bullets. They were "mini mags". Hollow points extremely high volicity. He fired P/R's gun and aimed at the wood on the target. He wanted to see how big a hole they would make.

P/R asked him why he was shooting hollow points on a range and Sirhan stated that they were all he had. P/R thought that was strange because he had several boxes of cheaper amo. Hi Standard & some other real cheap stuff. Sirhan stated that he bought his amunition at Lock Stock and Barrell on Rosemead Blvd. below Huntington Drive.

Sirhan said that he paid \$40 for his gun and that he bought it from a friend. He said that he was thinking of trading the gun off for one like the P/R's.

Sirhan & P/R talked about hunting. P/R told Sirhan that he would have a pretty hard time hunting with a 22 pistol. There is not much he could kill with one legally, and Saccoman said you couldn't very well kill them. Sirhan said, "Well, this can kill a dog." And then he changed the subject. P/R asked him where he learned to shoot so well. Sirhan said he had only been shooting for a couple months and that he learned up North.

Sirhan would shoot and then fling his empty casings on the range.

Sirhan would bench rest his gun & fire from a crouch. He fired rapid fire. He only fired slow to check his gun.

Sirhan's target was shot up with at least 100 rounds. He seemed extremely nervous about checking his target. He taped target once.

Sirhan told P/R that he lived in Pasadena and said that the Civil Defense Training Center was over by his house. After P/R told him that that range was cheaper than the S.G.V. Gun Club.

On 7-3-68, 12:15 PM ofc picked up 502 bullet casings from P/R. P/R had stated that he believed that he might have picked up one of Sirhan's casings while at the range. Had casings checked out with S.I.D. None of them were fired from Sirhan's gun.

Items (casings) booked Evidence Pursuant to Lt. Pena's instructions. Item #121 on Evidence Report.
