

(Revised Beta IQ 105), his grade achievement is 5.4.

MARITAL: He has never married.

MILITARY: He joined the Navy 1/30/66, and went AWOL from Boot Camp and received an undesirable discharge, 6/22/66.

EMPLOYMENT: The subject has been moving around considerably and never works more than a month at a time. It is doubtful whether he had any real wage earnings, but rather has worked helping saw wood and has done some mechanic work along with his stepfather. He says he works at filling stations as he moves around the country in the last several years. He scores in the 77 percentile mechanical comprehension.

RELIGION: No member of his family has ever gone to any church but he states that he is a Baptist.

HEALTH: The medical examination makes no restrictions on his duty status.

SOCIAL ADJUSTMENT: The subject perhaps was a management problem at an early age and his mother says she was afraid to "hold up for him" to a stern high-tempered father (stepfather), and says it was an "all around rather cold relationship". She states he has always lied and roams around the country, and the material available indicates that he has always been very interested in cars and working on them. The interview reveals that he has little recreational interest other than "cars" and is vague about the opposite sex and discusses going "steady" for a year and a half but he later advises that this was when he was 12 or 13 years old. He evidently has not formed any relationship with anyone and has been roaming around taking his younger halfbrother with him. He does lie occasionally during the interview and has written a letter stating he wished to talk to somebody about the fact that he felt as if no one cared about him. The local authorities write, "Glen appears to have little concept of morality and is capable of almost any crime but not likely a crime of violence". The subject admits he was moved around in the orphanage because he couldn't get along with some of the other boys and admits he couldn't get along with his stepfather, and was in the Navy for a brief time and climbed over a fence and left boot camp. He denies drinking at all.

EVALUATION: This 19-year-old white man is serving his first felony confinement although he has been arrested several times and has served in the state farm institution in Illinois. He is an illegitimate child that was maladjusted since an early age, and until this time has adjusted to none of the social institutions. Even though he is 19 he states his mother should have seen to it that he came back home after his stepfather threw him out. His inability to accomplish anything in the way of a human relationship or employment, as well as his preoccupation with finding someone to "take care of me", would certainly point up a great deal of inadequacy. At the same time he seems to be quite active in breaking the law and escaping jail, and demonstrates that he does not profit from experience, has no loyalties and is noted by all to be

irresponsible and deceitful. He should make an adequate institutional adjustment although he should be protected from himself by placement in closer custody than a reformatory can provide.

SOURCES OF INFORMATION: FBI Report, Commitment Report, Illinois State Farm Report, Mother's Questionnaire, Psychometric Test Data, Medical Report, and Interview.

ASSIGNMENT: *M*

RECOMMENDATIONS: He should be given an opportunity to try again to use his intelligence in making some academic accomplishment.

FEDERAL BUREAU OF INVESTIGATION

Date July 5, 1968

EDMOND EL DABE, Apartment A, 2425 South Barrington, was interviewed at his home. He furnished the following information:

He was born on September 4, 1937, in Egypt. He left Egypt in 1967, and traveled to Kuwait and then to Lebanon because of religious persecution of Christians in Egypt and because of his inability to obtain satisfactory employment in that country. After arriving in Lebanon he again found that he was unable to obtain satisfactory employment and learned that it was possible to go to the United States by applying through the United States Catholic Conference. He arrived in the United States on February 22, 1967, and traveled to Los Angeles where numerous individuals of Egyptian descent reside. He was employed as a spot welder at the Hardman Aerospace Company 1845 South Bundy until one week ago when he was released due to a lack of work. He is presently unemployed.

During January or February 1968, he learned that AZIZ MIKHAEL had arrived in Los Angeles and he invited MIKHAEL to reside with him until MIKHAEL could find an apartment. He had known MIKHAEL for about ten years and had attended school with MIKHAEL in Alexandria, Egypt. He had not seen MIKHAEL during the past three years, and learned that MIKHAEL was coming to the United States through the United States Catholic Conference, 1531 West 9th Street, Los Angeles. MIKHAEL obtained employment as a spot welder at Hardman Aerospace and moved to his own apartment, 2280 South Barrington, Apartment number 6, about two weeks ago.

He advised that he and all his Egyptian friends presently living in the Los Angeles area are very anti-Nasser and have disassociated themselves from Egypt and the United Arab Republic. He stated that he had no knowledge of the assassination of Senator KENNEDY until he learned of the event through newspaper and television reports. He denied any acquaintance with SIRHAN SIRHAN and stated he is certain that MIKHAEL is not acquainted with SIRHAN or in any way involved in the assassination.

FEDERAL BUREAU OF INVESTIGATION

Date July 3, 1968

AZIZ TEWFIC AZIZ MIKHAEL, apartment number 6, 2280 South Barrington, was interviewed at his home. He furnished the following information:

He was born on October 10, 1943, in Alexandria, Egypt. He lived in Egypt until early May 1967. While in Egypt he lived with his mother and attended primary and secondary school. He also attended a trade school for two years, which was a state sponsored school, where he took courses in welding and machinery. He did not receive any political instruction at the school. After completion of the trade school, he was employed for a short time as a maintenance mechanic for a textile company.

He and his relatives are of Orthodox faith and the current political situation in Egypt is such that Christians find it very difficult to obtain satisfactory employment there. For this reason he decided to leave Egypt in order to start a new life. He obtained an exit visa and traveled to Lebanon in early May 1967. After arriving in Lebanon he was employed for six months as a welder in El Dora, Lebanon. He then learned that many Christians of Egyptian descent were going to the United States from Lebanon by applying through the United States Catholic Conference. He entered the United States at New York in December 1967, and went directly to Los Angeles via commercial aircraft. After arriving in Los Angeles, he did odd jobs and worked as a welder for a short time at the Sesame Corporation in Escondido, California, and at the Fenton Industry Company in the San Fernando Valley. He was employed as a spot welder at the Hardman Aerospace Company in Los Angeles in May 1968, where he is presently employed.

He denied any knowledge of SIRHAN SIRHAN prior to the assassination of Senator ROBERT KENNEDY. He stated that he is against the policies of the United Arab Republic and he dislikes NASSER very much because of what he is doing to the Arab people. He stated that he knew of KENNEDY before the assassination and "liked" him. He denied any conspiracy, ~~involvement or prior knowledge of the assassination.~~

On 7/3/68, Miss ALICE DEXTER PEEL, Owner, Business Services, home residence 704 Rio Grande, advised she was on tour throughout Europe and the Middle East during the period from 5/12 through 7/2/68. She stated the first portion of her tour was sponsored by Brownell Tours.

PEEL advised she departed New York on the evening of 5/13/68, via Transworld Airlines, Flight 840, and arrived in Tele Aviv on the afternoon of 5/14/68. She remained in Tele Aviv through 5/16/68, and then departed by bus en route to Haifa, Israel. She indicated that the guide for this tour during this portion of the trip was JACOB HENIGMAN. PEEL advised on the morning of 5/17/68, she and members of the tour were on a full-day excursion and were en route to Tiberias. While at a rest stop she recalled that a member of the tour, whose identity she did not recall, asked her if she heard that KENNEDY had been shot. other as well as the guide for further details. Miss PEEL indicated that she could only assume that possibly the tour guide, JACOB HENIGMAN, had told the director of the tour, Mr. JACK KEARNS, that KENNEDY had been shot. Miss PEEL stated unequivocally that at no time did she hear either the director or the tour guide, JACOB HENIGMAN, make a direct statement concerning KENNEDY.

Miss PEEL stated she was not aware of the original source of the information that KENNEDY had been shot however, she assumed that possibly the source was a broadcast over the Israeli radio. PEEL advised that tour members did question the guide, JACOB HENIGMAN, for further details however, the guide indicated he had no further information. Miss PEEL advised that the guide upon subsequent questioning the next day after periodically listening to the news broadcasts over the radio replied that "No news is good news."

Miss PEEL advised that on the morning of 5/18/68, tour members continued to question the tour guide for any further details regarding KENNEDY, however, the tour guide indicated again that he had no information. She stated that the tour guide did periodically listen to news broadcasts on the radio and upon questioning would indicate to tour members that the broadcast contained no news concerning KENNEDY. Miss PEEL advised she can only assume that possibly there may have been some error in reporting a news item concerning KENNEDY.

San Antonio indices checked on 7/3/68, prior to interview of PEEL, disclosed no reference identifiable with Miss ALICE DEXTER PEEL.

Mrs. CLAUSENE GRAY advised that she is temporarily living at 843 North Las Palmas, Los Angeles, California, until June 22, 1968. After that she will be at her permanent home address, 2972 Whitby Drive, Doraville, Georgia, telephone Number 938-5320.

She stated that on June 4, 1968, at approximately 10:00 a.m., she and her husband, H. E. GRAY, entered the waiting room at the Atlanta, Georgia, Municipal Airport to board Delta Flight 885, nonstop to Los Angeles. They sat down in the waiting room and seated across from her was a white female who was talking in a very loud voice. She recalls this female saying the approximate words, "Wouldn't it be thrilling to be hit by the same (or a) bullet that hit (or was fired at) Kennedy." This female did not appear to be talking to anyone in particular but just talking to everyone around her. Mrs. GRAY does not recall hearing any of this female's prior conversation leading up to this statement. Her conversation seemed jovial in nature.

Mrs. GRAY next heard the same female say something to the effect that finally her luck is changing or has changed, which Mrs. GRAY felt was in connection with her catching this particular flight to Los Angeles. The female did not appear to be with anyone except that when she was standing in line waiting to board the plane, an older female in her early fifties, 5' 2" tall, and with gray hair, was standing next to her and they were talking. Mrs. GRAY paid no attention to any further conversation from this female.

Mrs. GRAY advised that she did not further notice this female after she had boarded the plane but believes that she sat in the first class section. She did not see the female after they arrived in Los Angeles at approximately twelve midnight, same date.

Mrs. GRAY pointed out that the female was talking so loud that there were bound to be other persons who would have heard the same remarks. She did not notice this female carrying

ASSASSINATION OF SENATOR
ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA
6/3/68

Enclosed herewith for the Bureau, Chicago, and Los Angeles are one Xerox copy each of a newspaper article captioned "The Insider Tells You Why Bobby Kennedy Will Be Murdered!"

On June 20, 1968, Mrs. WANDA HIKE, Deer Point, Route 3, Omaha, Nebraska, made available the original of newspaper article, Xerox copy of which is enclosed, explaining that she keeps a scrapbook concerning important people, and that in 1967, a personal acquaintance gave her the item, which appeared in the "National Insider", April 2, 1967.

The article bears a by-line "By E. W. STEELE." Mrs. HIKE was insistent that she is convinced that, since the article was so accurate with regard to the prediction of Senator KENNEDY's assassination, the writer must have had information concerning any conspiracy to kill KENNEDY.

A current copy of the National Insider, a smut sheet, located on an Omaha, Nebraska, newsstand, reflects that it is published weekly. The current issue, described as Volume 13, Number 1, dated June 30, 1968, reflects on its masthead that it is published by the National Insider, Inc., 2713 North Pulaski, Chicago, Illinois, 60639.

Copy of article described above is enclosed for Bureau since Mrs. HIKE was so insistent in her belief that the writer of the article had knowledge of a conspiracy to assassinate Senator KENNEDY that the possibility exist that she will communicate with the Bureau in the future. Original of the article is being returned to Mrs. HIKE in accordance with her request.

The Insider Tells You Why Bobby Kennedy Will Be Murdered!

By E. W. STEELE

Before this decade is finished, Senator Robert F. Kennedy will be the second member of the Kennedy clan to fall under an assassin's bullet!

Wild Imagination? We think not.

The same type of twisted mind that spilled the blood of John Fitzgerald Kennedy will entwine Bobby in its death plans. Both JFK and Bobby are public idols—worshipped by the young generation of intellectuals that will soon take over the nation's reins.

Bobby—as did Jack—will woo the under-30 crowd, a liberal, imaginative generation seeking alternatives to war and poverty. But in doing so, Robert Kennedy will lose the faith of the older generation. It will be a member of that generation

the New York senator gunned down.

An FBI agent in Washington, formerly associated with John Kennedy, admitted the possibility that Bobby could be assassinated even more easily than was his brother:

"We were unable to fully protect Jack when he was in the White House. With Robert Kennedy, it's even worse. Bobby doesn't get the protection his brother had. But he does have a helluva lot more enemies.

Mafia Or Union?

Bobby Kennedy's family fears that the late President's brother will some day come face-to-face with his own Oswald.

have to associate with him, and who are involved in a question of their position. . .

"... he has used every underhanded tactic he could use, and the greatest public relations

the threat of death published in a Dallas newspaper.

Jack Kennedy had even comically acted out his own assassination—grinning childishly as he brandished a make-believe

While the assassins will try to quench the life of Robert Kennedy, they will do the most damage to his wife, Ethel. The murder will have a much more profound effect upon her than did

a member of that generation that spills more Kennedy blood.

Before this decade is out, Robert Kennedy—and his attractive wife, Ethel—will be accused of selling out the country to Communism. Kennedy will be called a "nigger lover" and a "pinko." His own Congressmen will accuse him of "seeking a police state in this very country."

No Love For LBJ

You will hear some of these accusations as soon as 1968!

Just who are Robert Kennedy's enemies?

There is certainly no love lost between Bobby and President Johnson, who has already—in veiled form—blasted Kennedy's stand on "snooping and bugging" devices. However, though Johnson may be Bobby's greatest enemy, he is the last man in the world who would commit such an act. The President is a moral man who fights his battles in the political arena!

But there are others who don't.

While there may have been a foreign influence in the death of President Kennedy, the chances are high, however, that the death of Robert Kennedy will be a national affair—perpetrated by American killers!

Bitter Foes

The Insider, in a far-reaching investigation, sought to pinpoint the most bitter enemies of Robert Kennedy. The two best-known enemies of the young senator are James Hoffa and the Cosa Nostra. It is unlikely, though, that Hoffa himself would go as far as to order

"What I'm afraid will happen is that some wise guy will kidnap one of the Kennedy children—as a beginning. They'll hit as close as they can to this man!"

"The Mafia or a labor union most likely will be behind it—although the rank-and-file union member won't know a thing about it. The average union member doesn't have anything against Kennedy. It's the bosses—the ones who get their toes stepped on."

"Whether Bobby was right or not, I'm not in a position to say. As an agent, I can't say much about what's going on between the Mafia and the labor unions."

"Both groups have some pretty high officials on their death list. Officially, of course, I can't name names. I can't say Bobby Kennedy is or is not a target. That's something you'll just have to guess at."

'Spoiled Brat'

The Insider turned to jailed Teamster boss James Hoffa for a look at what the short labor wizard thinks of his greatest adversary:

"Now, I regard Bobby Kennedy as a spoiled brat! He's just a brat that believes everybody is supposed to surrender and give in to whatever he wants, right or wrong. In my opinion, he prostitutes his oath of office, and he's violated the Constitution of the United States and is subject to go to jail."

"I question whether or not he has a single friend, and I question whether or not his associates are other than people who

demanded more he could use, and the greatest public relations campaign in the world, to try to distort, deceive, and destroy James Hoffa."

As friends of Hoffa will tell you, when someone tries to destroy James Hoffa, Hoffa retaliates "with vigah" and closely follows the rule of "survival of the fittest." Whether Robert Kennedy will be the one to survive is very doubtful.

A close friend of the Kennedy family revealed that there have been hundreds of hate letters sent to the Kennedy home and office.

'Serious Threat'

"Bobby doesn't take many of them seriously. They're just the usual assortment of cranks and crackpots."

"But once in a while he runs across one that has to be a really serious threat. Sometimes the writer mentions certain plans or something of that nature pertaining to an upcoming trip—something only the Kennedys were supposed to have known."

"Someone hates Bobby with a passion! He knows it. He never lets Ethel see the letters. But I think she knows. Whoever it is that wants him dead has powerful contacts up on the Hill (Capitol Hill). Someday I'm afraid they'll succeed."

The weak spot of the Kennedy clan is their utmost trust in others.

It was a Thursday evening when Jack Kennedy said he did not want a top on the motorcade convertible. Yes, he said, he knew Dallas had spat upon Adlai Stevenson only a few weeks before. Yes, he had seen

situation—grinning, childishly as he brandished a make-believe machine gun!

But John Kennedy belonged to the people. And the people belonged to him. They were one and the same.

Part Of People

Less than 24 hours later John F. Kennedy was dead.

Prior to November 22, Bobby Kennedy had been much the same way when it came to pleasing the public. Today, that ardor has dampened only slightly. Bobby still likes the crowds, the cheers, and the noise. He is a part of the people. And the people are a part of him.

The bigness of the Kennedy heart was recently demonstrated by Ethel when she was taken to court for "stealing" a horse. The owner, Nicholas Zemo, told a jury of seven n.e. that the horse was valued at \$3,000 because of the racing blood in his ancestry.

Ethel Kennedy told the same jury she found this so-called "prize race horse" starving and uncared-for and took it home to feed it. Five days later it died—of starvation.

White House Out!

When jurors heard that ancestors of Pande, the dead horse, "had never won a race," the case was dismissed.

This is the Kennedy heart. Someday soon, for Robert F. Kennedy, that heart will stop beating. Robert Kennedy will never live to see the White House!

She will have a much more profound effect upon her than did the assassination of the President upon Jackie Kennedy.

"Jacqueline's poise—if we are to believe her statements in William Manchester's "Death of a President"—was an act of anger. She "wanted the world to see what they had done to Jack."

Ethel has little of Jackie's queenliness; Ethel could be just another housewife in Smalltown, U.S.A. She has none of Jacqueline's reserve, none of the timidity. Ethel is closer to the people than Jackie ever was. This will cause her the pain—the fact that the people Ethel Kennedy was so much a part of would be responsible for murdering her husband.

Lonely Sorrow

While widow Jacqueline has only Caroline and John-John to consider, Ethel will have nine fatherless children to clothe, feed, and love.

The sorrow of the exquisite and beautiful Jacqueline Kennedy were shared by a grieving nation. The sorrow of equally beautiful Ethel Kennedy will be borne alone.

This story is one the Insider takes little pleasure in presenting. But nonetheless, we have good reason to believe that the young New York senator with the Boston accent and the Harvard haircut will soon be given his own resting place in Arlington National Cemetery.

He will go down in history as the second Kennedy in public office to die at the hands of an assassin's bullet.

April 2, 1967, author E. W. STEELE.

Under date of 6/18/68 the Cincinnati Division furnished a copy of the above article, which reflected that Senator KENNEDY would be murdered. Under date of 7/2/68 the Omaha Division furnished a copy of the same article.

A review of the article indicates no specific knowledge of any plan to assassinate Senator KENNEDY and suggests mere speculation.

The Omaha Division in its letter of 7/2/68 indicates that "The National Insider" is a smut sheet published weekly.

In view of the mere speculation and the character of the paper, no further action with regard to this article will be taken UACB.

Dear Mr. Winandy:

As you will recall, Special Agent R. J. La Jemmesse, Jr. of this Bureau recently discussed with you one Crispin Curiel Gonzalez, an individual formerly under the supervision of your agency.

For the completion of your files, the following information is being made available:

On July 1, 1968, Lic. Norberto Salinas Navarette, Federal District Attorney, Juarez, Mexico, advised Special Agents of the El Paso Division of the FBI that Gonzalez had been found to be psychotic. On receipt of instructions from Mexico City, Gonzalez had been interned at the General Hospital for the Insane in Juarez, Mexico.

According to Mr. Salinas, Gonzalez admitted to him that the story he presumably related to the press, administration officials, and police officers was a hoax. He also criticized those responsible for being so gullible as to believe such a fantastic story.

On July 5, 1968, Mr. Salinas again advised Special Agents of the FBI that Gonzalez was discovered dead in his solitary confinement quarters at the General Hospital for the

According to HIGBIE, MC COWAN is currently a private investigator working for the detective agency of R. Allen and Associates, located in the 1500 block of West Temple Street in Los Angeles. MC COWAN, according to HIGBIE, is a former member of the LAPD; no longer employed by that agency and who is not subject to re-employment. Re San Francisco teletype to Bureau 7/8/68.

Re: OLIVER B. OWEN, aka Jerry

Referenced teletype reflects that at the outset of the interview of OWEN he advised that upon the conclusion of his interview by Los Angeles Police Department (LAPD) Officers at San Francisco on 7/3/68, he informed them that he was to see representatives of the FBI, and they stated they would rather he did not talk to the FBI but could not stop him if he desired to do so.

As the Bureau is aware, there is currently in force a court order issued by the Superior Court at Los Angeles in connection with this matter prohibiting witnesses and potential witnesses, police and attorneys, from discussing this matter other than with legitimate investigative personnel. The extent of this order is such that a copy was served upon the Mayor of Los Angeles, SAMUEL W. YORTY, in order to preclude the Mayor from making any statements regarding SIRHAN B. SIRHAN.

Concerning this particular matter, Lieutenant MANUEL PINA, LAPD, who conducted the interview with OWEN, was contacted, and he advised that at the outset of the police interview with OWEN on 7/3/68, OWEN informed him that he had an appointment with the FBI to also discuss the assassination of Senator KENNEDY.
