WILLIAM D. SEARRON
THREAT AGAINST PRESIDENT RICHARD M. NIXON,
SENATOR EDWARD KENNEDY,
CONGRESSMAN DEL CLAUSEN,
FORMER SENATOR ROBERT F. KENNEDY,
GOVERNOR RONALD REAGAN (CALIFORNIA)
JANUARY 24, 1969
THREATS - MISCELLANEOUS

Reference made to FBI memorandum dated
February 4, 1969 captioned as above.

On February 7, 1969, William D. Searron was
interviewed by Special Agents of the FBI at Paramount,
California.

Searron admitted that he went to Congressman Del
Clausen's office in Downey, California on January 23, 1969
in an effort to obtain advice from Clausen as to how to
"clear his name", which had been slandered and libeled by
Bobby Kennedy. Searron stated that Kennedy believed Searron
was a communist and caused an investigation of him which
resulted in the loss of a job at Ford Motor Company and
damage to his reputation. Searron stated that although he
disliked the entire Kennedy family, he did not make any
statement to the effect that he had given the order to have
Bobby Kennedy killed. Searron stated he did tell Del Clausen's
secretary that he did know prior to Bobby's death that Bobby
was going to be killed. Searron stated that he had a
premonition of Bobby's death, and had tried to warn him but
had been unable to do so.

Searron stated that he was unable to explain the premonition except that he has a "gift from God" that allows him to see into the future, but that no one will believe him.

Searron continued that he did not threaten Edward Kennedy, Governor Reagan, President Nixon or Clausen, but had merely told Clausen's secretary that unless he could get some help in clearing up his reputation, he intended to withdraw all of his contributions to their future campaigns, and that he would run for President of the United States himself. Searron stated that he felt that he could win if he got the nomination.

WEEKLY SUMMARY #37

Re: The assassination of
Senator Robert F. Kennedy

Note to editors: Because of the widespread interest in the assassination of Senator Robert F. Kennedy in Los Angeles on Wednesday, June 5, 1968, and proceedings in court, the Office of Los Angeles County District Attorney Evelle J. Younger is publishing a weekly summary of the case. This is the 37th summary, and others will be for release on subsequent Wednesdays.

THURSDAY, FEBRUARY 6 -- Two prospective alternate jurors in the murder trial of Sirhan Bishara Sirhan were unseated today by peremptory challenges by both the prosecution and defense.

Mrs. Zena F. Lewis was challenged on legal grounds by the prosecution after she told Superior Judge Herbert V. Walker that she could decide on the matter of guilt or innocence, but that under no circumstances could she vote a death penalty.

Five alternate jurors have been chosen and one seat remains to be filled, but both sides have 11 peremptory challenges.

* * *

FRIDAY, FEBRUARY 7 -- "Lawyers in the Sirhan murder trial labored without success today to complete selection of six alternate jurors . . ." reported a Los Angeles newspaper (Herald-Examiner).

Five prospective alternates were examined, but none were chosen. Mrs. Linda S. Katrenich was excused because she was so opposed to the death penalty that she would never vote for it in a murder case.

Another prospective juror, Mrs. Bernadine Holmquist, said her

opinions of Sirhan were so strong that his defense lawyers would have to prove to her he should not be sent to the gas chamber for first degree murder, added the newspaper.

* * *

SATURDAY, FEBRUARY 8 -- "Defense attorneys in the Sirhan murder trial expect the admitted slayer of Sen. Robert F. Kennedy to go to prison for the killing, but they hope to save him from San Quentin's gas chamber," a Los Angeles newspaper (Herald-Examiner) stated today.

Continued the article:

"This startling admission came from Sirhan's chief defense counsel, Grant B. Cooper, as defense and prosecution continued their so far unsuccessful search for six alternates for the jury which will try the 24-year old Jordanian immigrant."

Cooper told a prospective juror "that not only would the defense concede Sirhan shot Kennedy, but also it would not attempt to win an acquittal for him."

At recess yesterday, the defense lawyer said that this "has been our plan all along, but we haven't said it publicly before. I thought it was time we did," the newspaper quoted Cooper as saying.

Added the newspaper:

"Defense sources said Sirhan was aware of his lawyers' strategy and accepted it. However, Cooper's courtroom announcement appeared to upset the defendant . . ."

* * *

SUNDAY, FEBRUARY 9 -- Writing of jurors in the Sirhan case, John Douglas in a Los Angeles newspaper (Herald-Examiner) noted that they

more --

will soon "begin an experiment in communal living which may last a quarter of a year and end with their deciding whether a young man will live or die."

The 18 jurors (12 plus 6 alternates) will live in isolation in a downtown Los Angeles hotel (Biltmore), and their material needs will be the responsibility of Superior Court bailiffs. The Right Rev. Francis Eric Bloy, bishop of the Los Angeles Episcopal Diocese, will be chaplain to the jury.

"For the jurors, the Biltmore experience will in many ways be like living in a prep-school dormitory. But the prefects will carry guns and wear uniforms of Los Angeles deputy sheriffs.

"There will be half a dozen stationed on the Biltmore's sixth floor, where the county has taken over a full wing of 25 rooms for the jury.

"Each juror will have his own room for which the county will pay \$9 a day. The deputy sheriffs will be housed in rooms costing \$8 a day.

"When the jurors want privacy they can stay in their own rooms. If they seek the society of their colleagues, they will be able to do so in two recreation rooms. Television will be available -- but censored by a deputy who will make sure that no television news of the trial is available to the jurors and alternates.

"Jurors will also be able to read newspapers and magazines, but all reference to the Sirhan case will have been cut from these before the jurors see them.

"On weekends, and -- should the trial last that long -- on holidays, they will be taken on trips.

more --

"Deputy Sheriff Willard Polhemus, Judge Walker's bailiff for the last nine years, will be 'social director' for the jurors. He has done this job before.

"Weekends the jurors can be visited by their husbands and wives, if they have them. The visits can extend overnight, if the spouse is willing to pay the Biltmore \$3 for a bed.

"Meals will be paid for by the county at the rate of \$8.50 a day. If a juror wants more food, or more expensive food, he has to pay for it himself.

"If a juror wants a drink, he can have one, provided he doesn't want too many. But, he will have to pay for them himself. The County of Los Angeles does not buy liquor.

"When the trial is concluded, the jurors will know each other better than nearly any group in the world.

"Among them will develop friendships and perhaps even love . . .

"And perhaps hate," concluded the article.

* * *

MONDAY, FEBRUARY 10 -- Dist. Atty. Evelle J. Younger, whose office is prosecuting Sirhan B. Sirhan, the accused assassin of Senator Robert F. Kennedy, met today with prosecution and defense counsel in the chambers of Superior Judge Herbert V. Walker.

Both sides said later they had discussed scale model parts of the Ambassador Hotel, where the senator was shot last June 5. They declined further comment, but one Los Angeles newspaper (Times) speculated that Younger's visit may mean 'a new development . . . in the case against' Sirhan.

more --

Meanwhile, Grant B. Cooper, one of Sirhan's lawyers, today predicted that the sixth and final alternate juror will be chosen tomorrow (Tuesday, February 11).

Another Los Angeles newspaper (Herald-Examiner) quoted Cooper as saying that if the selection is completed by noon on Tuesday, Chief Dep. Dist. Atty. Lynn D. Compton can make his opening statement on Thursday, February 13.

The alternate jurors, tentatively seated, include Clarence Yaw, businessman; Mrs. Eleanor Landgreen, wife of an insurance adjustor; John H. Johnson, computer design engineer; and Mrs. Bertha Feenstra, wife of an electrician.

All could be removed by defense and prosecution peremptory challenges -- those for which lawyers need give no reason.

Concerning today's meeting in the judge's chambers, the newspaper said "major carpentry that will be needed in the eighth floor Hall of Justice courtroom where Sirhan is being tried" was discussed.

Continued the newspaper:

"The Los Angeles Police Department's special Sirhan task force has constructed two scale models -- one of the ground floor of the Ambassador Hotel, the other of the kitchen off the hotel's Embassy Room where Kennedy was shot.

"The larger mockup will give the jury a view of the scene of the crime. It will be used instead of letting the jurors visit the hotel. Security considerations for Sirhan rule out a visit to the scene.

"The second model -- that of the kitchen -- will probably be introduced in evidence, Cooper said.

more --

"Both models are very large and will require considerable rearrangement of the small courtroom."

As for selection of alternate jurors, 23 prospective ones were examined today, two tentatively seated were removed by prosecution and defense challenges and two replacements were named.

Three prospective alternates were challenged by Dep. Dist. Atty. John E. Howard after they expressed strong convictions against the death penalty. In two cases, Cooper opposed the prosecution challenge. The third was not contested.

* * *

TUESDAY, FEBRUARY 11 -- During a discussion on the Los Angeles County court system today, County Supervisor Kenneth Hahn "was especially critical of the cost of bringing Sirhan B. Sirhan to trial in the assassination of Sen. Robert F. Kennedy and the weeks spent in picking the Sirhan jury," reported Ray Zeman, county bureau chief, in a Los Angeles newspaper (Times).

At the Board of Supervisors meeting, the 10-member special study commission on judicial procedures was asked to review the administration of justice in the county and make recommendations.

(Sen. Kennedy was slain on June 5, 1968, and indicted by the Grand Jury two days later. Jury selection began on January 13, 1969).

With the selection of six alternate jurors today, Superior Judge Herbert V. Walker swore in the alternate panel and released all 18 jurors until 8 p.m. tomorrow (Wednesday, February 12) when they are to report to the Biltmore Hotel to be sequestered for the length of the trial.

The alternate jurors include:

Miss Gloria J. Haffey; George Stitzel, a Los Angeles Times pressroom foreman; Miss Ruth A. Stillman, insurance company adjuster; John H. Johnson, computer designer; Clarence Yaw, oil company purchaser; and Mrs. Eleanor B. Landgreen, housewife and mother of three sons.

* * *

WEDNESDAY, FEBRUARY 12 -- The reasons for the Sirhan trial -- the assassination of Sen. Robert F. Kennedy -- "have been obscured in the past few weeks as defense and prosecution lawyers have stepped through the delicate minuet of jury selection and preliminary motions," John Douglas, staff writer, noted in a Los Angeles newspaper (Herald-Examiner) today.

more --

However, he reported things "will be back in perspective tomorrow" (Thursday, February 13) when the prosecution opens the case for the People.

While there is little argument about the basic facts of Kennedy's murder, Chief Dep. Dist. Atty. Lynn D. Compton told Douglas, "there are things people don't know."

These will be revealed when the prosecution makes its opening statements to the jury and alternates, "but they will ring loudest in the ears of the man whose fate they are designed to seal -- Sirhan," continued Douglas.

After the presentation by the prosecution, one of the defense attorneys, Emile Zola Berman, will speak, said the newspaper.

"The defense strategy is to move as rapidly as possible to take the edge off" of the prosecution's presentations, "which it admits will be very damaging."

The prosecution "is going for the jugular. Sirhan admits slaying Kennedy, and his lawyers concede he cannot escape punishment. But they want that penalty to be paid in prison, not in the death house.

"The prosecution wants the jury to find the youthful Jordanian immigrant guilty of first degree murder, and then, in the subsequent penalty trial, to condemn him."

Continued the newspaper:

"The defense views the Kennedy murder, in part, as a political assassination. As it seeks to prove that Sirhan acted under 'diminished capacity' -- that his killing of Senator Kennedy was without malice -- (Defense Lawyer Russell) Parsons believes that it may be necessary to show

more --

That obsession with the Arab-Israeli struggle, and Kennedy's avowed enthusiasm of the Israeli cause preyed on Sirhan's mind. Witnesses will be produced to testify to this.

"Nucleus of the defense case will be the Sirhan family, compatriots of the young Arab, and a team of forensic psychiatrists, headed by UCLA's Dr. Bernard Diamond.

"Then, forecasts Dep. Dist. Atty. David Fitts:

"The true arena of this conflict will become the mind of Sirhan Sirhan."

Meanwhile, another Los Angeles newspaper (Times) today declared that "Sirhan Bishara Sirhan probably will plead guilty to first-degree murder in the slaying of Sen. Robert F. Kennedy . . ."

* * *

THURSDAY, FEBRUARY 13 -- The prosecution made its opening statement today in the Sirhan B. Sirhan case, after Superior Judge Herbert V. Walker denied a motion for mistrial made by Defense Lawyer Grant B. Cooper.

The motion for a mistrial was based on grounds that a story in a Los Angeles newspaper (Times) yesterday "prejudiced Sirhan's rights to a fair trial by saying the 24-year old defendant probably would change his plea from innocent to guilty of first-degree murder," wrote Dave Smith, staff writer.

The denial was issued by the judge after he questioned the jurors privately in chambers. "Though several jurors admitted hearing of the story, Judge Walker said, all agreed they could disregard it and decide the case solely on the basis of evidence produced in court," the newspaper related.

more --

Dep. Dist. Atty. David N. Fitts made the opening statement for the prosecution and presented this information:

Sirhan was in the Ambassador Hotel kitchen 47 hours before the assassination and was seen by two witnesses.

Returning to the kitchen on June 5, 1968, Sirhan shot the Senator at almost point-blank range, firing several shots which fatally wounded Kennedy and injured five others.

On the day of the shooting, Sirhan spent most of the time at the San Gabriel Valley Gun Club, and told another club patron he was going to use his gun for hunting.

"It could kill a dog," Fitts said Sirhan told a witness who will testify later in the trial, reported a Los Angeles newspaper (Herald-Examiner).

Sirhan told Jess Unruh, former State Assembly speaker, he shot Kennedy "for my country." The statement was made when Unruh accompanied Sirhan and two police officers to the Rampart Division Police Station following the arrest of the Jordanian immigrant. Unruh will testify to this Fitts said, according to the newspaper.

Fitts began his presentation with a series of key dates, which he listed in chronological order.

The first was August 10, 1965, when Albert Leslie Hertz purchased a .22 caliber "Cadet" Iver-Johnson, eight-shot revolver. The pistol eventually found its way into the possession of George Erhart, a co-worker of Munir Sirhan, the defendant's brother.

On the next date, on or about February 2, 1968, Fitts added, Erhart drove to the Sirhan home in Pasadena, with a companion and "in the

more --

daylight hours waited jointly for Munir and Sirhan Sirhan." The purpose of the visit was to sell Munir the gun, reported the newspaper.

Munir produced \$19 and the defendant paid \$6 for the gun.

On June 1, 1968, Sirhan visited a gun shop in Pasadena, where he purchased "several boxes of .22 caliber ammunition called 'mini-magnum' from a clerk," said Fitts.

"Getting ahead of my story," Fitts continued, "Sen. Kennedy was killed with mini-magnum ammunition."

On June 2, 1968, there was a reception for the Senator and ". . . among those who attended was Sirhan Sirhan. He was observed in the lobby area" of the Ambassador Hotel.

Fitts also stated that Mrs. Miriam Davis went into the Ambassador kitchen for a drink of water and "she observed Sirhan in one of the kitchens leaning on a bar, dressed casually. She mistook him for a hotel employee.

"She will testify at this trial."

The next date noted by Fitts was June 4, 1968, election day. Sirhan went to the San Gabriel Valley Gun Club where he "spent hours on the pistol range, engaged in rapid fire practice at which he excelled."

On June 5, said Fitts, Sirhan "stood on a tray rack in a recess area immediately alongside the ice machine. Sirhan stepped quickly from the rack . . .

"The Senator stood all unaware.

"Sirhan reached into the waistband of his trousers.

"He walked to the side of Karl Uecker (hotel maitre de standing with Kennedy) . . .

more --

"He extended his right arm across in front of Uecker. His left hand was in the vicinity of the Senator's head . . . and at point-blank range he fired eight shots.

"It is probably the first shot that resulted in the Senator's death 25 hours later.

"The muzzle range (of this shot) was one inch. Kennedy's right hand went to his right ear."

The force of the shots knocked Kennedy to the ground. "He fell backward and came to rest diagonally to the ice machine."

Fitts said that Bill Barry, a Kennedy bodyguard, wrestled the gun away from Sirhan, but the wiry Jordanian regained it. ". . . the scene was complete pandemonium . . .

"Roosevelt Grier (former football star and member of the Kennedy team) was accompanying Mrs. Ethel Kennedy . . . They were still outside the kitchen.

"Grier is a large man . . .

"He pushed his way through the crowd . . . and wrestled the gun from the defendant . . .

"He gave it to Rafer Johnson (former Olympic decathlon star and another Kennedy partisan) for safekeeping . . ."

Fitts continued, "Johnson asked, 'Why did you do it?'"

"Sirhan answered, 'I will explain.'"

Fitts then proceeded to tell of Sirhan's arrest and his refusal to divulge his name to police.

When Travis White, one of the police officers who arrested Sirhan, asked the defendant about the crime, Sirhan replied: "You think

more --

I am crazy . . . so you can use it in evidence against me . . ."

Sirhan carried no documents when arrested, but did have an automobile key and \$480.10 in cash, including four \$100 bills.

The key led to tracing the defendant's car parked near the Ambassador Hotel. In the car was Sirhan's wallet and a receipt for ammunition bearing his fingerprints.

Sirhan, continued Fitts, was not identified until his brother, Munir, went to the Pasadena Police Station to identify him.

Kennedy, related the deputy district attorney, was taken to the Central Receiving Hospital and later transferred to Good Samaritan Hospital, where a team of physicians, led by Dr. Henry Cuneo, performed brain surgery.

A bullet was recovered which ballistics tests will show was fired from Sirhan's gun, Fitts alleged.

Continuing his narration, Fitts stated:

"At roughly 1:45 a.m., June 6, 1968, the Senator expired. He was pronounced dead by Dr. Cuneo."

There were "five bullet holes in the coat the Senator was wearing -- three entry holes and two exit," said Fitts. "Tests showed that the muzzle range for all the shots fired ranged from one to six inches.

"The evidence in this case will show that the defendant, Sirhan Sirhan, alone was responsible for this tragic incident.

"He acted alone and not in concert with others . . ." concluded Fitts.

One Los Angeles newspaper (Herald-Examiner) reported that, "The

more --

defense scored one point during the prosecution opening.

"Fitts tried to make reference to diaries Sirhan kept which were seized in a search of his Pasadena home the morning of the shooting. The defense, which claims they were seized illegally, objected, and Judge Herbert V. Walker, presiding over the trial, sustained their objection."

Before Fitts began his presentation, Judge Walker told the jurors that all of the attorneys were "competent, ethical and good lawyers."

He also stated that opening statements were not to be considered as evidence, but rather as outlines of what the defense and prosecution propose to prove.

FRIDAY, FEBRUARY 14 -- 'Sirhan Bishara Sirhan rose from his chair to protest the opening statement of his own defense counsel Friday, as attorney Emile Zola Berman described him as an 'immature, emotionally disturbed and mentally ill youth,' reported Dave Smith, staff writer, in a Los Angeles newspaper (Times).

As Berman said his client, the accused assassin of Senator Robert F. Kennedy, was mentally ill, Sirhan began to rise from his chair and murmured "No, No," continued the writer.

At this point, Superior Court Inspector William Conroy leaned over the chair of Michael McCowan, defense investigator, and said "Talk to him, Mike."

McCowan leaned over, pushed Sirhan back into his chair with both hands and lectured him for several minutes as Berman continued his opening statement.

In his remarks, Berman said, "There is no doubt and we have told you this from the beginning, that he did in fact fire the shot that killed Senator Kennedy."

Berman added that his client "admired and loved" the Senator and killed the Senator when "he was out of contact with reality, in a trance in which he had no voluntary control over his will, his judgment, his feelings or his actions."

The attorney said that the killing "was unplanned and undeliberate; impulsive and without premeditation or malice, totally a product of a sick, obsessed mind and personality."

He then outlined a story of wartime atrocity and childhood emotional disturbance in Sirhan's first 12 years in his native Palestine,

more --

saying that it was at the sight of violence in the Israeli-Arab conflicts, and exposure to danger and flight from bombs that Sirhan began to experience spells or trances.

Berman claimed that psychiatrists and sociologists would support defense evidence that these experiences left the defendant with obsessions and fantasies that deepened seriously after the family immigrated here in 1957, finally leaving him so mentally deteriorated that he was incapable of premeditated murder, the newspaper reported.

The late Senator's campaign statements in May and June, 1968, advocating U. S. military aid to Israel were a "heavy shock" to Sirhan, said Berman.

In concluding the opening statement, Berman asked the jury "to listen to the evidence, to adopt what science has to offer and to consult your conscience. In short, let true justice be done."

Following the statement, the prosecution called three witnesses, Karl Uecker, assistant maitre d'hotel at the Ambassador Hotel; Edward Minasian, formerly an assistant maitre d'hotel; and Juan Romero, former busboy.

Uecker told the jury that he was leading Sen. Kennedy by the right hand from a victory celebration in the Embassy Ballroom to another party on the floor below when an unidentified Kennedy aide told him:

"No, we're not going to go there. We're going to the press room."

It was last-minute decision, said the hotel official. As Uecker led Kennedy, someone brushed past him quickly as he looked another way, and Uecker heard "something like a firecracker," followed by another and another.

more --

The first "firecracker," the prosecution told the jury in its opening statement yesterday, was a bullet fired from one inch from the Senator's head, and is believed to have been the shot that resulted in his death 25 hours later.

Minasian, who was also leading the Senator, said he believed Kennedy saw the gun that took his life.

"I believe he raised his hand to try to protect himself because I'm sure he saw the revolver, the same as I did," Minasian told the jury.

The other witness, Romero, said he knelt beside the stricken senator and placed a rosary in the dying hand.

The defense lawyers questioned the three witnesses "closely on the placement of large wall mirrors outside the Embassy Ballroom, where Sirhan is said to have loitered for much of the evening," reported a Los Angeles newspaper (Times).

Continued the article:

"The purpose of these questions was not specified, but they seemed to indicate the defense might attempt to show that Sirhan was in a state of self-induced hypnosis at the time of the slaying.

"The questions recalled Berman's earlier statements about Sirhan's dabbling with mystic experiments with fishing sinkers, candles and mirrors, his "spells" and "trances" and hypnosis performed on him since the assassination by defense psychiatrists.

1. An enquiry was instituted as a result of information being received from Protective Sub/Division that an unidentified person was carrying a placard on Parliament Hill bearing the following: "TRUDEAU who is blackmailing you? Why do you permit the R.C.M.P. to tap my phone and intercept my mail? It is illegal."

2. I made a patrol to Parliament Hill at approximately 11:45 a.m. where I met a Miss Rebecca FOGEL, 154 Rochester St., Ottawa, Ontario. Immediately upon hearing her speak, I recognized her voice as that of a person whom I had heard on the program "Green Line" on Radio Station CFRA in Ottawa. When asked whether she had been on the program, she stated she had. On this program she had stated that the F.B.I. were responsible for the assassinations of John and Robert KENNEDY and Dr. Martin Luther KING and also that she had known the assassins in all three cases because they had frequented the same bar as she had in New Orleans. She gave her former American address as being 2323 South Carrollton, New Orleans, U.S.A.

3. She stated that the R.C.M.P. are harassing her and trying to prevent her from making statements concerning the F.B.I. and their relation with the assassinations.

4. She also stated that the R.C.M.P. have intercepted her mail and that two letters she had received had been opened by unknown persons. She said that she had been advised by Post Office officials that the R.C.M.P. have the right to stop the delivery of mail. In speaking with her, I learned that she was planning to see a Mr. CLAIRE, an employee of the Post Office on Besserer Street this date at 1:30 p.m. with regard to the non-delivery of her mail.

5. According to FOGEL, the R.C.M.P. are responsible for tapping her telephone line. She stated that Steven PATRICK who appears on the C.B.C. Television Program "Something Else" has verified that her telephone is being tapped.

6. I interviewed a Mr. Derek CHASE of Radio Station CFRA who has a substantial amount of information regarding FOGEL. In reading CHASE's file on FOGEL it was learned that a Dr. VALOIS, Ottawa General Hospital recommended that FOGEL commit herself for psychiatric treatment. In September she was admitted to Civic Hospital under the supervision of Dr. McKENDRY. CHASE's file indicated that she had attempted to see the Prime Minister but was refused by his office. CHASE also advised that she had been on several radio programs in Montreal and Toronto. It was also learned that FOGEL is subject of Manpower and Immigration File no. 235-42605 and that she had sent a five page letter to the Prime Minister, a copy of this letter being held by a Mr. L. COLETTI of the above Department.

7. I spoke with Mr. COLETTI, of Manpower and Immigration, 71 Bank St., Phone 2-5377 where I learned that she had entered Canada on 1 SEP 68 and applied for Landed Immigrant Status on 27 SEP 68. According to COLETTI she has come to Canada for her own safety. She feels that if she would remain in the U.S.A., the F.B.I. would quietly dispose of her because of the statements she has made about the assassinations.

8. FOGEL does not qualify for Citizenship according to the point system under which immigrants are rated by Manpower and Immigration. She has been asked to leave Canada by Manpower and Immigration on two separate occasions, but has refused, consequently a special inquiry has been set for 10 FEB 69 at 1:00 p.m.

9. In the event that FOGEL is not deported, which is highly unlikely, a photo will be obtained and she will be made subject of the yellow coded Gazette cards.

10. Copy of the letter which was written to the Prime Minister is attached for information purposes. This letter explains her actions in the U.S.A. and her reason for being in Canada.

Dear Mr. Prime Minister,

I am an American citizen who has come to Canada with hopes that you will not only grant me political asylum but eventually Canadian citizenship as I wish to remain American citizen.

I in July of 1968 I went to your Embassy in Washington and spoke to an aide named Mr. Adams. I explained why it was necessary for me to leave my country and put it all in writing - Before speaking with Mr. Adams - I called Mr. Ritchie and told him all about my problem - He in turn referred me to a Mr. Henry who said Mr. Adams could and would handle this situation.

I grant you that Mr. Adams did take my state ment but I can assure you sir I never again heard from him - It is my belief that Agents of the Federal Bureau of Investigation contacted him and convinced him that I was mentally deranged or else he was boxed. This is a necessity I have been in a box since. What I am implying is that it was quite possible Mr. Adams was told that aiding me in any way could prove embarrassing to the Canadian Govt - and he would far more benefit his Country by choosing to ignore this situation rather than bring it to the attention

7. In Administration -

To clarify what this is all about I will try and explain briefly just what has transpired.

While working for the U.S. Federal Govt. as a post office clerk I made highly inflammatory state ments against Mr. J. Edgar Hoover - Pres. Lyndon Johnson and the entire stand of the present Administration on the Viet Nam War - as I am very much against the part the United States has played in destroying the Vietnamese people -

I stated quite frankly and openly in the presence of supervisors and other post office personnel that I felt this Administration was geared for murder not only for what they were doing in Viet Nam but because they had authorized and perpetrated the murder of the late President John F. Kennedy -

I went on to explain that they wanted Mr. Kennedy dead for three very major reasons:

① He had publicly stated he was going to retire Mr. Hoover on his 70th birthday -

② He was going to remove the oil depletion tax concession that enabled a personal friend of Mr. Hoover's named Mr. H. L. Hunt to pay several hundred ^{income tax} dollars annually or a billion

do over a year income.

③ And because he was getting to a point where he realized our position in the Viet Nam war was morally and ethically wrong plus economically unfeasible - and intended to put a halt to it.

It was after having made these statements and circulating a petition to impeach Governor Ronald Reagan (a detestable man in my estimation) that I was ordered to do heavy lifting of mail sacks by my self - I did as I. was told and while lifting the sacks I ruptured a disc in the lower lumbar region -

The Fed Govt. acknowledged the injury was sustained in the line of duty and awarded me a monthly compensation check. But refused me any medical aid outside the use of habit forming pain killers.

When I refused to use these drugs my compensation check was held up for ten weeks and it was only when I went to Congressman Philip Burton's office for help - were they released after a call was put through by him -

Since then I have ^{been} systematically denied medical treatment for my injury and other illness that have come as a result of lack of proper medical attention.

In June of 1968 I went to Washington to protest the treatment I had been ~~receiving~~ receiving and to see if my compensation award rectified as

was not the correct amount.

While I was there I tried to give evidence of a meeting that had taken place in which I encountered Sirhan Bishara Sirhan - I felt the situation that had occurred at that time warranted some investigation - But when I tried to speak to various officials I was told to forget it and to mind my own business or there would be trouble.

Ever since the murders of Rev. Martin Luther King and Senator Robert Kennedy I have been contending that they were murdered by the same people for almost the same reasons that John F. Kennedy was killed - I was particularly of this as far as Senator Kennedy went because of what had transpired during my encounter with Mr. Sirhan.

So I put my beliefs in writing and sent them to people whom I hoped would investigate what I had to say, I act accordingly -

After doing so and raising my point of view publicly an agent of the F.B.I. came to my apt. presented credentials showing his name to be a Mr. Charron. He then proceeded to tell me that unless I stopped saying the things I had been I would be swept off the street and committed to a mental hospital. He also said he felt I was strongly deluded.

a. That he felt I should commit myself -
 When I told him I thought if I was stupid
 enough to commit myself I'd never get out
 alive he told me I could have an accident
 if I did not cease making these accusations -

He also assured me I'd get no medical
 treatment unless I did commit myself -

Finding he was able to make good his
 threat no matter where I went for help
 I decided to come to Canada with hopes
 that I might get the medical help here -

at present I am a patient at Civic Hospital -
 To my knowledge I am being given proper
 medical treatment at the moment although
 I was refused admission until I ran an ad in the
 Ottawa Citizen newspaper requesting medical help -
 Hoping you will be able to grant me the
 political asylum I seek and Canadian citizenship
 I respectfully await your decision -

Sincerely yours,
 Rebecca Fagel
