A List of Grievances against U.S. and its decade of "Freedom and Justice for all" ~~and so on~~

Definitions: Per Webster's Die.

Freedom: "a being free, a political Liberty, a being ^{able} to act, use, etc, without hindrance, frankness.

Justice: A being righteous, fair, rightfulness - the use of authority to uphold what is right.

The administration of law. do Justice, to treat fairly as with due appreciation.

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that generate within me.

personal def. of

(per a citizen of U.S)

① Freedom is but an imaginary and an allusive concept ~~granted to the American people~~ of political life granted the American, sheep like bourgeois masses, by their selfish, (capitalistically permissible) sinister, and power hungry (whether democratically given to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~and~~ lobbyists.) who are ~~in~~ in turn treated the same way - by lesser power hungry (political + economic), patriotic (understated) individuals (bastards)

61 FEB 10

Editorial by Geo. Putnam
Fri. June 2 10:30 P.M.

An individual's freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp. (We — the leaders — want to be in power and legislate decree as we please and as to what ever is materially expedient to us and our families — at your cost. Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically — etc) We will use some of the loopholes — that we have constructed in our legislation, (which by the way we established with or without your ~~total~~ ^{consent} — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con.~~ that concern them, not their appointees in Congress — (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of).

American Capitalism ~~can~~ will fall
and give way ~~to~~ to the workers dictatorships.

A Declaration of Against America
when in the course of human events
it has become necessary for me to
equalize and seek revenge for all the
inhuman treatments ~~that I have~~
~~received~~ by those who committed
against me by the American people.

the manifestation of this Declaration will
be executed by its purporter (1)
as soon as he is able to command
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~the~~ the President, Vice,
etc - down the ladder.

The time will be chosen by the
author at the convenience of the
accused.

the method of assault is immater-
ial - however the type of
weapon used should influence
it somehow.

the ~~is~~ author believes that
many in fact multitudes of people
are in harmony with his
thoughts and feelings

the conflict and violence in the
world subsequent to the ~~en~~
enforcement of this decree,
shall not be considered lightly
by the ~~sup~~ author of this
memoranda, rather he hopes
that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by historians
as the man who triggered off
the last war -

life is ambivalence
life is a struggle
life is wicked
if life is in any way other wise, I have
never seen it
I always seem to be on the losing ^{end}
always, the one exploited - to the
fullest

Individuality is the necessary complement of the Universal Spirit which was the subject of our consideration last Sunday - The whole problem of life consists in finding the true relation of the individual to the Universal Originating Spirit and the first step towards ascertaining this is to realize what the Universal Spirit must be in itself. We have already done this to a certain extent and the conclusions we have arrived at are:-

that the essence of the spirit is life, love and beauty
