1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionist Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionist terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionist State with military aid as phantom jets so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). We as Palestinians are ready to die for our beloved country (Palestine), and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing, and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed my Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

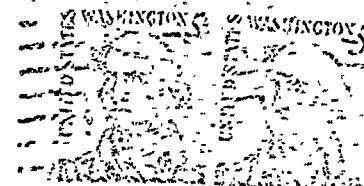

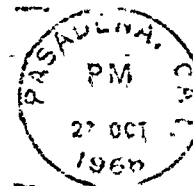

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

Sincerely Yours,

[The page contains faint, illegible handwriting, likely bleed-through from the reverse side.]

Handwritten text in a cursive script, likely a letter or document, tilted at an angle. The text is dense and covers most of the page. There are several black redaction marks: a small square in the middle-left, a larger rectangle in the bottom-right, and another small square in the bottom-left. The handwriting is somewhat obscured by these marks and the overall quality of the scan.
