A Declaration of Against America Humanity
when in the course of human events
it has become necessary for me to
equalize and seek revenge for all the
inhuman treatments ~~that I have~~
~~received~~ by those who committed
against me by the American people.

the manifestation of this Declaration will
be executed by its purporters (1)
as soon as he is able to command
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~in~~ the President, vice,
etc - down the ladder.

The time will be chosen by the
author at the convenience of the
accused.

the method of assault is immater-
ial - however the type of
weapon used should influence
it somehow.

many in fact multitudes of people
are in harmony with his

the conflict and violence in the
world subsequent to the ~~the~~
enforcement of this decree,
shall not be considered lightly
by the ~~supp~~ author of this
memoranda, rather he hopes
that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by historians
as the man who triggered off
the last war -

life is a struggle

life is wicked

if life is in any way otherwise, I have
honestly never seen it

Individuality is the necessary complement of the Universal Spirit which was the subject of our consideration last Sunday - The whole problem of life consists in finding the true relation of the individual to the universal Originating Spirit and the first step towards ascertaining this is to realize what the Universal Spirit must be in itself, we have already done this to a certain extent and the conclusions we have arrived at are:-

that the essence of the spirit is life, love and beauty
