we know what we are doing in  
viet Nam - were keeping the  
economy going through our war spending -  
we will keep busy - here working  
on pragmatic matters. To impress you -  
all what we really want to do is  
fuck you ~~as~~ up - get fat and then  
quit.

Well, my solution to this type of  
government that is to do away  
with its leaders - and declare  
marchy the best form of govt - or no  
govt.

~~Starting that revolution just demonstrate  
them to shoot for president~~

the President <sup>John</sup> is your best friend until  
he gets in power then he ~~is~~ <sup>is</sup> your  
~~most exploding factor~~ suck every  
~~one~~ drop of blood out of you - ~~just~~ and  
if he doesn't like you - you're dead.

For a person to put his thought into words is a difficult task if you were to remember that that person is a twogodye who is therefore more psychically inclined than his urban contemporary.

America will soon face a downfall so abysmal that she will never recover from it. This statement is based on several observations and incidents that the writer experienced.

The Mexican politician leads his people through any course that he wants them to. This is possible because the people too lack the initiative, or are indifferent to the actions of their leaders. Their leaders say: you have the right to speak against your govt, to and support its changes - but remember - that Democrats mean Only - if otherwise we will blast the hell out of you - and besides, you wouldn't want to do anything like that it is stupid.
