Individuality is the necessary complement of the Universal Spirit which was the subject of our consideration last Sunday - The whole problem of life consists in finding the true relation of the individual to the universal Originating Spirit and the first step towards ascertaining this is to realize what the Universal Spirit must be in itself, we have already done this to a certain extent and the conclusions we have arrived at are:-

that the essence of the spirit is life, love and beauty

A Declaration Against America
when in the course of human events
it has become necessary for me to
declare and seek revenge for all the
inhuman treatment ~~that I have~~
~~suffered~~ by those who committed
against me by the American people.

the manifestation of this Declaration will
be made by its supporter (a)
as soon as he is able to command
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~in~~ the President, Vice,
etc - down the ladder.

The time will be chosen by the
author at the convenience of the
accused.

the method of assault is immater-
ial - however the type of
weapon used would influence
it somehow.

An individual freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp (We. — the leaders — want to be in power and legislate decree as we please and do whatever is materially expedient to us and our families — at your cost. Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically — etc.) We will use some of the loopholes — that we have constructed in our legislation, (which by the way — we established with or without your ^{consent} ~~will~~ — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con~~ that concern them, not their appointees in Congress (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of)
