12-5-68

A black and white photograph showing a group of men in suits and uniforms gathered around a vehicle at night. A bright light source, possibly a spotlight or a vehicle headlight, illuminates the scene from the center. The men are looking towards the vehicle, which appears to be a truck or a large van. The background is dark, suggesting an outdoor setting at night. The image has a grainy, high-contrast quality typical of older film photography.
