1 INTERVIEW OF VALERIE SCHULTE  
2 TAKEN AT 6587 DEL PLAYA  
3 GOLETA, CALIFORNIA

4 TUESDAY, JULY 9, 1968, 11:30 A.M.

5 QUESTIONED BY: SGT. J. R. MacARTHUR, #4372  
6 SGT. C. E. COLLINS, #6207

7 SUMMARY REPORT DICTATED BY LAPD OFFICERS. REPORTED AND TRANS-  
8 CRIBED BY SHARON THIELMAN, CSR, ON JULY 11, 1968.

9  
10 *Valerie C.*  
11 Miss ~~Schulte~~ resides at 466 South Clark Drive in Beverly  
12 Hills. *CALIF*

13  
14 Miss Schulte is a student at the University of Santa  
15 Barbara and worked as a "Kennedy Girl" during the primaries.  
16 On the night of June 4th, they drove down from Santa Barbara  
17 arriving at the Hotel at approximately 10:00 P.M. They had a  
18 suite of rooms on the Third Floor and after arriving some of  
19 her group went to the Fifth Floor and visited with the Kennedy  
20 party. They returned sometime later and stated that Kennedy  
21 would be going down in about fifteen minutes. Miss Schulte  
22 went to the elevator up to the Fifth Floor and, as she arrived  
23 there, newsmen rushed on to the elevator and she observed  
24 Senator Kennedy taking another elevator down. She went down-  
25 stairs into the entrance to the Embassy Room but could not  
26 get in.

27  
28 Miss Schulte stated, "Senator Bielensohn was at the  
29 door trying to get in but the guard would not allow him in.  
30 The guard told him to try through another door and as Senator  
31 Bielensohn turned, I asked him if we could tag along. There

1 "were three of us. He said, 'Yes,' and we followed him into  
2 the Colonial Room. One of the boys in our group, Dick Frick,  
3 had a press pass and he got in through the main door into the  
4 Embassy Room. We followed Senator Bielenson into the pantry  
5 and through a door next to the stage. I stood by the stage  
6 and then went back into the anteroom. I stood by the ramp  
7 from the rear of the stage and then I saw Senator Kennedy walk  
8 by and go into the kitchen. Just before that, I had seen  
9 Senator Bielenson in the kitchen with his wife.

10 "I followed Senator Kennedy into the kitchen. I  
11 was walking on a crutch and had a hard time keeping up with  
12 him. He was walking very fast. Then he stopped. I noticed  
13 Hotel help in white jackets on his left. He was about three  
14 or four or five feet ahead of me. He turned back to shake  
15 hands and I was pushed sideways and forward. And then I saw  
16 this gun. It was a small gun. It looked like a cap gun.  
17 The suspect raised up, pushing it forward and started shooting.  
18 He kept shooting rapidly; more than four times. The gun  
19 seemed parallel to his head, aimed at the side or the back of  
20 his head. I could not see the face of the suspect long  
21 enough to identify him.

22 "I was knocked or fell down and crawled back toward  
23 the door to the stage. I crawled around a partition and sat  
24 on the floor. As I was crawling, I went past the labor man  
25 who was on my right and lying on the floor. He was covered  
26 with blood. After I sat down, I sat next to Ira Goldstein.

1 "He had been shot in the left hip. I was sitting there when  
2 he spoke to Mrs. Kennedy. I had blood on my shoes and on my  
3 dress. My mother has washed the dress since. Later, I sat  
4 in a chair where Mr. Weisel had been sitting. I may have  
5 gotten the blood from there. I stayed in the room for about  
6 45 minutes. Dick Frick joined me shortly after the shooting.  
7 I gave a policeman an interview and then we left and went  
8 back to our rooms on the Third Floor.

9 "I have been interviewed by ABC Television, the  
10 Santa Barbara News Press and a local radio station taped a  
11 conversation over the phone. No interviews to other law  
12 enforcement agencies."

1 TRANSCRIPT OF TAPE RECORDED  
2 INTERVIEW OF JAMES J. THORNBURGH  
3 TAKEN IN POLY "A" PARKER CENTER  
4 JULY 18, 1968, 11:55 A.M.  
5 QUESTIONED BY: LT. ENRIQUE HERNANDEZ #7101, S.U.S.  
6 TRANSCRIBED BY: IRENE MEEK, I.A.D.

7 (\*) INDICATES UNINTELLIGIBLE CONVERSATION

8 Q BY LT. HERNANDEZ: ...must be allergic to that  
9 thing, the smell or something.

10 A It was pretty strong. This doesn't look like an  
11 electric chair like I figured it would.

12 Q No, you won't feel any pain or discomfort whatso-  
13 ever. Well, let's see, first of all before I get into the  
14 procedure in here, I'll ask you some information about your-  
15 self:

*James J. Thornburgh*

16 A Where's that echo coming from anyway?

17 Q In the room?

18 A Yeah, sounds strange.

19 Q Just a (\*) broom, I guess.

20 A Must be.

21 Q How do you spell your last name?

22 A T-h-o-r-n-b-u-r-g-h.

23 Q --b-r--

24 A ---u--

25 Q ---u-g-h.

26 A Right.

Q And your first name?

A James J.

1 Q Okay, and where do you--where do you live now?  
2 A 15845 Harvest Moon.  
3 Q 15845 Harvest--  
4 A It's two words.  
5 Q --Moon. Do you work now?  
6 A No, I'm a student.  
7 Q You're a student. And how old are you?  
8 A Twenty-six.  
9 Q And where were you born?  
10 A Alhambra, California. I guess that's local enough.  
11 Q Do you drive a car?  
12 A Oh, yeah.  
13 Q What--what kind of car?  
14 A Sixty-eight Datsun.  
15 Q Are you married?  
16 A Yes.  
17 Q Do you have any children?  
18 A One.  
19 Q Boy or girl?  
20 A Girl. Be four years old the 22nd of August.  
21 Q And your wife's first name?  
22 A Luella. L-u-e--  
23 Q L-u-e--  
24 A --l-l-a.  
25 Q Do you live with your wife now?  
26 A Yes, uh huh.

102

1 Q Have you had occasion to see a doctor in the last  
2 30 days for any reason?

3 A No.

4 Q You are in good health as far as you know?

5 A Oh, not really.

6 Q Are you taking any medicine?

7 A Not--well, yes, I'm--

8 Q When was the last time you took some medicine?

9 A This morning I took what they call (\*) I have  
10 hemorrhoids, if that--helps any.

11 Q Have you ever been examined by a psychiatrist  
12 before?

13 A No.

14 Q What is your major in school?

15 A Philosophy.

16 Q Have you lived in California all your life?

17 A Well, I have lived here for the past 24 years.

18 Q Uh huh. Where else have you lived?

19 A I lived in Oregon for six months when I was two  
20 years old.

21 Q Do your parents live--are your parents alive?

22 A (\*)

23 Q Have you ever been in the military service?

24 A No, I haven't.

25 Q Okay, sir, now the fairest way for me to conduct the  
26 examination in here is to find out in your own words what

1 happened. For some reason, those investigators want me to  
2 give you a polygraph test, and apparently you saw something  
3 or you talked with someone or you--something happened, so this  
4 is what I'd like you to tell me whatever--whatever's happened  
5 here.

6 A You don't have a copy of the statement. Do you  
7 want that?

8 Q No--well, actually it's--

9 A It's been, you know, as time goes on, I remember  
10 less and less of what--exactly what happened.

11 Q How many people have you talked to about this?

12 A Uh, officially, you mean?

13 Q Well, yes.

14 A Well, first I talked to the FBI. They came out to  
15 the house. That was, oh, about June the 18th.

16 Q How did they know about you, the FBI?

17 A Apparently from the--where--when I signed in out  
18 there at the Fish Canyon Gun Club.

19 Q When you did which?

20 A Oh, I signed in, you know, you're supposed to sign  
21 in when you go out there.

22 Q Uh huh.

23 A And they got my name and address off of that.

24 Q Uh huh, I see. And then they came over and talked  
25 to you?

26 A Yeah, they called me up and (\*)

1 Q Now, did you tell them anything that they might  
2 have felt was relevant to the Sirhan investigation?

3 A No, I would have no way of knowing. There is one  
4 thing that I failed to recall. They wanted to know if I had  
5 seen somebody out there wearing a light blue shirt and dark  
6 blue pants, and I couldn't recall, but then after they left, I  
7 remembered that was one of the guys I was talking to. Other  
8 than that, I can't think of any reason that they'd have any  
9 questions about what I had to say.

10 Q Well, I could go out here and get the report from  
11 the investigators. I have found that it's better if we  
12 discuss something because I've come in here with a completely  
13 open mind--

14 A Uh huh.

15 Q --and I have to be objective, and I know that a  
16 person coming in here for the purpose of taking an examination  
17 is just normally a little under tension, a little nervous,  
18 and this kind of thing, and this doesn't have any bearing on  
19 the test.

20 A Uh huh.

21 Q However, if--if you relate to me what you know with-  
22 out me having to read anybody's report, it's better because I  
23 won't--there won't be the possibility of me having read some-  
24 thing that might influence my thinking, you see?

25 A Uh huh.

26 Q That's the reason I would rather just discuss it

1 with you.

2 A Oh boy. It was a long report.

3 Q Well--

4 A Why don't you just ask me questions on it?

5 Q Did you see anyone there that they are concerned  
6 with concerning the Sirhan-Kennedy assassination?

7 A You know, I don't know how to answer that because I  
8 don't know who they're concerned with.

9 Q Well, have you ever seen Sirhan?

10 A I saw him at the range at that day.

11 Q Well, you know he's one of the people that they're  
12 concerned with.

13 A Well, of course.

14 Q Okay, you did see Sirhan?

15 A Right.

16 Q When did you see him?

17 A It was June the 4th. I got to the range about  
18 10:45 and I noticed him probably within, oh, 15 or 20 minutes.  
19 I just happened to see him. I assume he was there before  
20 because I didn't see him come while I was there.

21 Q Okay. Did you talk with him?

22 A No, I didn't talk to him.

23 Q Did you see him talk to anyone?

24 A No.

25 Q Did you see him in the company of anyone?

26 A Well, I thought I did, but it's very vague. I

1 thought I saw him with a girl about 22 years old, roughly.

2 Q But you didn't see them talking together?

3 A No.

4 Q What were they doing? Why do you think that they  
5 were together?

6 A Well, uh, uh, I saw--I'm sure I saw a girl there  
7 that was about 22, medium length dark hair, dark complexion,  
8 probably 115 pounds, and she was in that general vicinity  
9 right close to where he was.

10 Q Was there any other girls there on that morning?

11 A Uh, not that was there very long. There was a  
12 family that came and left, but that was--that wasn't there but  
13 five minutes, I don't think.

14 Q Okay, then, other than this girl?

15 A I talked to the guy on one side, and she wasn't  
16 with him, and I talked to the two guys on the other side of  
17 Sirhan--this was after Sirhan left--and the girl wasn't there  
18 at the time after he left.

19 Q Okay, then, was she the only girl as far as you can  
20 recall--

21 A Yes.

22 Q --that was there?

23 A Uh huh.

24 Q No other women were there firing in the range?

25 A Right.

26 Q Okay, now, this was a period of from 10:45 in the

1 morning until about what time did you leave?

2 A I left about, oh, 2 or 2:15, something like that.

3 Q In the afternoon?

4 A Right.

5 Q You were there for about three or four hours?

6 A (°) first time I had a chance to shoot.

7 Q Okay, and during that period, you remember seeing  
8 this one girl?

9 A Uh huh.

10 Q And you describe her as being dark complected? Would  
11 you say that she was Mexican?

12 A I thought so, yes.

13 Q Uh huh. What about this person whom you say is  
14 Sirhan? Would you describe him at the time that you saw him  
15 as being Mexican also?

16 A I thought so--well, his hair was curly, and I don't  
17 think you usually see Spanish-Americans with curly hair.

18 Q Uh huh.

19 A But other than that, I would say definitely, yes.

20 Q Uh huh. Okay, but you didn't talk with Sirhan or  
21 the girl?

22 A No.

23 Q And you didn't see them, this Sirhan or the girl,  
24 talking to each other?

25 A No.

26 Q And the reason that you formed the opinion that they

1 were together is because the other people that were  
2 her were not with her?

3 A Right. Well--it's very vague though. Of course  
4 I'm--I don't think that's anything new, but, uh, as now  
5 can tell you, yes.

6 Q Of course, I'm trying to establish a foundation  
7 some base for your thinking of this.

8 A Uh huh.

9 Q You see, if these two men that you talked with  
10 not talk to the girl and then you talked to them later,  
11 you ask them, "Were you with that girl?" or how did you  
12 determine that they weren't with the girl?

13 A Uh, only by observation, uh, there's--there's  
14 guys on one side, on the side closer to me that were--it  
15 had also appeared to be Mexican. And I talked to them  
16 wards.

17 Q Uh huh.

18 A About 1:30, something like that.

19 Q Did you ask them anything?

20 A No, I didn't ask them anything, just that there  
21 very few people there. The girl was not one of them that  
22 there.

23 Q Well, but it's possible that she could have  
24 somewhere else?

25 A Oh, yes.

26 Q Maybe--maybe even to the car and been waiting

1 them?

2 A Very possible.

3 Q So you didn't ask them whether they were with the  
4 girl?

5 A No.

6 Q What about the other people on this side of the girl,  
7 did you ask them whether they were with the girl?

8 A No, I didn't ask them anything about anything.

9 Q So you just formed--

10 A I had no reason to.

11 Q You just formed this opinion that they were together,  
12 that Sirhan was with the girl, because these other people  
13 didn't seem to know her and didn't--

14 A Right.

15 Q And she wasn't there when they remained?

16 A Right.

17 Q Is that right? And you didn't see Sirhan or the  
18 girl talking to each other?

19 A No.

20 Q Did you see them doing anything together?

21 A Well, uh, I can't say for sure. The nearest I can  
22 recall, I saw her shoot a couple of times and someone was  
23 assisting her. Again, I--I can't say that was Sirhan. I  
24 don't know.

25 Q This is kind of strange to me. I don't see what  
26 they're trying to determine because actually you can't really

1 say other than--When did you realize that this person was  
2 Sirhan?

3 A Well, when they first showed it on TV, I kept think-  
4 ing, gee, that guy looks a little bit familiar, you know, like  
5 I'd seen him before.

6 Q Uh huh..

7 A But very vaguely. And I would have recognized him  
8 right off except that what they showed on TV wasn't very much  
9 like him really.

10 Q Uh huh.

11 A And later on, of course, I--I talked to other  
12 people that was there, and they said that that was him, but I  
13 recognized him very--in fact, from other pictures, I could  
14 have corrected him mentally, you know, to more what he really  
15 looks like.

16 Q Uh huh.

17 A And then after I did see pictures that was taken  
18 after he had cleaned up and bruises or whatever was on his  
19 face was gone, then he looked exactly like the person I saw out  
20 there.

21 Q Okay then. On that day, of course, how many pictures  
22 have you seen of Sirhan, how many pictures have been shown to  
23 you?

24 A Uh, by police officers, just one set.

25 Q Of different people?

26 A Of different people, and one of them was Sirhan.

1 Q Uh huh. And by anyone else?

2 A Other than that, it was just strictly what I saw on  
3 TV.

4 Q Uh huh. Just one minute. (\*) let me try and see  
5 if these officers have pictures. (\*) Will you excuse me one  
6 second? (Pause) Okay, sir, they are going to go up and pick  
7 up some photographs. Now, just to clarify in my mind, now,  
8 you say that on June the 4th from about 10:45 in the morning  
9 to about somewhere around 2 o'clock, in the afternoon, 2:30 in  
10 the afternoon, you were at a gun firing range, and do you know  
11 the name of that place?

12 A Well, it's in Fish Canyon. That's what most people  
13 call it. Actually, I guess it's the San Gabriel Valley Gun  
14 Club.

15 Q Okay, San Gabriel Valley Gun Club. Now, you say that  
16 during that period that you were there, you saw a person whom  
17 you have identified as Sirhan Sirhan. There were other people  
18 there and you remember seeing the girl there also?

19 A Yes.

20 Q But as a matter of fact, you don't know whether this  
21 girl was with Sirhan. You didn't see them talk to each other?

22 A No, not for sure.

23 Q You didn't see them talking to each other?

24 A No.

25 Q You didn't see them doing anything together?

26 A No.

1 Q And you saw someone--in your mind you saw someone  
2 showing the girl how to shoot?

3 A Uh huh.

4 Q But you can't say that the person that was showing  
5 the girl how to shoot--

6 A No.

7 Q --was Sirhan; is that right?

8 A Right.

9 Q Did--did you tell anyone else something different  
10 from what you're telling me now? That they could have mis-  
11 understood you as meaning something else?

12 A Well--I don't think anyone asked the questions as  
13 clearly as you have and it might have been misleading. Possi-  
14 bility of that.

15 Q If they were misled, how do you think, James, that  
16 they were misinterpreted?

17 A Uh, of course, I wouldn't have any way of knowing  
18 for sure. I did not, at least I don't think I said, or if I  
19 did, I didn't mean to anyway, that they were together, only  
20 that I had reason to believe that they were. (\*) I might have  
21 already told you.

22 Q Uh huh. Okay, but, of course, if this was misunder-  
23 stood by them, what you really meant was that you don't know  
24 whether Sirhan and the girl were in fact together?

25 A Right. It's just, I just remember seeing a girl  
26 there.

1 Q Yeah, you saw a girl there but--and you saw some  
2 other people there, as a matter of fact.

3 A Yeah.

4 Q And anyone of those people could have been with  
5 Sirhan, but you have no foundation--

6 A Right.

7 Q --to base this on?

8 A Right.

9 Q Well, sure, I can understand. I can probably see  
10 what happened here. Somebody here either misquoted you or--  
11 or misinterpreted what you said, and they're concerned with  
12 any possible connection with people that were with Sirhan at  
13 any time.

14 A (\*)

15 Q And of course what you're saying here is that there  
16 is nothing, there is no reason for you to believe that there  
17 was anyone that was there, the girl or any other man.

18 A No definite--uh, what do you call it, direct  
19 evidence.

20 Q Uh huh. Well, what about indirect evidence?

21 A Well--that's what I have already told you was that  
22 I do remember seeing this girl there.

23 Q Uh huh.

24 A And it was in the same general vicinity and I have  
25 no reason to believe that they--she was with either of the  
26 people on either side.

114

1 Q And no reason to believe that she was with Sirhan.

2 A Right.

3 Q In other words, she could have gone to the car and  
4 waited for anyone that was at the gun club--

5 A Yeah.

6 Q --because you remember--

7 A (\*) close to (\*) very well because--

8 Q Did you--did you tell anyone something about Sirhan  
9 showing this girl how to fire the gun?

10 A Well someone did now.

11 Q But you didn't.

12 A No. Someone was showing her, I thought.

13 Q I understood that, but my question was, did you tell  
14 anyone before this--and don't be embarrassed or ashamed or  
15 anything--

16 A I don't think so.

17 Q If they misinterpreted your--you know, your state-  
18 ments, we--the purpose is to correct them, you see. And I'm  
19 just wondering or asking you whether, in your mind, someone,  
20 whether it was the FBI or these investigators, could have  
21 misinterpreted you?

22 A Oh, it's quite possible, yeah.

23 Q Misinterpreted you as saying that you saw Sirhan  
24 showing this girl how to shoot?

25 A It's quite possible, yeah.

26 Q But as a matter of fact, you didn't see Sirhan

115

1 showing this girl?

2 A Right. Just someone.

3 Q Someone. Very good. Okay, well, as soon as they  
4 get these pictures, just to clarify myself, I just want to--  
5 would you be able to recognize a different photograph of  
6 Sirhan if you saw it?

7 A Oh, I'm quite sure, yes.

8 Q Do you smoke?

9 A No.

10 Q I do, but I've run out of cigarettes.

11 A No, I--as soon as I was old enough to smoke, I quit.

12 Q That's good.

13 A I guess there is good reasons to have those kind of  
14 lungs.

15 Q You mean about--

16 A About not smoking until you're old enough to figure  
17 it out for yourself.

18 Q Excuse me. (Pause) Okay, James, what I want to do  
19 here is I want to mark these photographs and show them to you  
20 one by one, and if you see any photograph that you recognize  
21 as being Sirhan, say so. If you don't know, just say I don't  
22 know. If you do recognize him, just tell me. This is number  
23 one here.

24 A No.

25 Q That's not him. That's number two.

26 A No.

1 Q This is number three.

2 A No.

3 Q This is number four.

4 A No.

5 Q That's number five.

6 A No.

7 Q That's number six.

8 A No.

9 Q This is number seven.

10 A Yeah, that's him. That's the one.

11 Q Has someone shown you this picture before?

12 A No, I haven't seen that before.

13 Q Number eight.

14 A No.

15 Q This is number nine.

16 A No.

17 Q And this is number ten.

18 A No.

19 Q Okay. Okay, then, you do remember seeing Sirhan?

20 A Yes.

21 Q Very good. Okay, James, I think we're--there's no

22 reason for a polygraph test. I can't see any reason for it.

23 I think you've been sincere with me and I think you have told

24 me the truth and that's all they are aiming for. Okay, I think

25 that will--I'll just go ahead and tell these investigators

26 there is no reason for (\*).

FORMATION: (WHO, WHAT, WHEN, WHERE, WHY & HOW)

Mr. TIMANSON was interviewed at his place of employment.

Mr. TIMANSON is employed by the Ambassador Hotel as Vice-President, Banquet & Sales.

On 6-4-68 Sen. Robt. Kennedy arrived at the Hotel about 8 PM. He remained on the 5th floor until approx. 11:45 PM. They left and went to the Embassy Room, using the service elevator. After arriving in the kitchen area, they walked through and to the stage. Mr. TIMANSON led the way from the room and through the kitchen. During Kennedy's speech, Mr. TIMANSON remained at the north side of the stage.

As he completed his speech, Fred DUTTON asked Mr. TIMANSON if there were television sets in the Ambassador Room, and TIMANSON stated that there were. It was decided that Sen. Kennedy would go to the press instead of the Ambassador Room. TIMANSON escorted the Senator and his party through the hallway into the pantry area. He walked about six feet ahead of the Senator looking back at him and waving indicating which way to go. As the Senator stopped to shake hands with the Kitchen Help, Mr. TIMANSON proceeded toward the press room. He was approx. 25-30 ft. ahead of the Senator when he heard what sounded like firecrackers. HE heard 3 or 4 reports in quick order and thought it was some sort of celebration.

He turned and observed Kennedy on the floor, at the end of the tables in front of an ice machine. Then he rushed to the press room to call for an ambulance. He could not contact the operator but was told that help was on the way. He returned to the kitchen, obs the susp. being held and ran outside by the back ramp and waited for the ambulance. He escorted the ambulance attendants to the area where Senator Kennedy was lying. Sen. Kennedy was taken to the ambulance by the ambulance attendants. TIMANSON led the way and attempted to get into the ambulance but was not allowed. He rode on the back of a motorcycle following the ambulance to the hospital. Mr. TIMANSON did not obs the susp. at the time of the shooting nor did he see the gun.

9 (\*) INDICATES UNINTELLIGIBLE CONVERSATION

10 Q BY SGT. PATCHETT: ...but we are going to end up  
11 compiling a journal on this thing and it will be somewhere  
12 like the Warren (\*) report, and we would like to have your  
13 statement, which eventually we will get around to.

14 A You're going to the emergency hospital and all that?

15 Q Pardon?

16 A Are you going to compile what happened at the emer-  
17 gency hospital (\*)

18 Q Yeah, this will be the whole damn schmeat from start  
19 to finish because if you leave anything out--

20 A Yeah.

21 Q --you're going to get--

22 A It was pretty wild in there.

23 Q Well, that's understandable that evening.

24 SGT. COLLINS: We should be in with the sound lab  
25 now, so if you want to start a formal statement we'll--

26 Q BY SGT. PATCHETT: Well, let's just get the date  
and time on this thing. Today is the what?

A The 12th.

SGT. COLLINS: The 12th of July. The time is

1 11:20 a.m.

2 Q BY SGT. PATCHETT: Okay. And the parties present  
3 will be Mr. Richard Tuck--Do you have a middle initial?

4 A G.

5 Q Richard G. Tuck? *Richard G. Tuck* Sgt. Collins, Sgt. MacArthur, Sgt.  
6 Patchett. Okay. Before we go into the photos, let's just  
7 start off with the--the meat of this thing which will be what  
8 occurred that evening. Richard Gregory is it? *Richard Gregory*

9 A Yeah, uh huh.

10 Q G-r-e-g-o-r-y. What's your residence address?

11 A My residence address is 3918 Beverly Boulevard.

12 Q What city? *Beverly Hills, Calif.*

13 A Los Angeles 4. My registered address. I'm seldom  
14 there.

15 Q That's where you get the mail?

16 A Uh huh.

17 Q Okay. Do you have a phone there?

18 A Yeah, it is DUNKIRK 7-1413.

19 Q Seven--

20 A Fourteen-thirteen.

21 Q All right, and how about a business address?

22 A I don't have one right now.

23 Q No business address?

24 A Right.

25 Q And your occupation would be what?

26 A At the present, idle.

1 Q Are you a writer?

2 A No, I'm a--I'm a political campaign manager. I  
3 don't know what you would call that. A (\*)

4 Q Public relations is it?

5 A Well, I don't like that term, but, uh, uh, uh,  
6 actually, yeah, I would be, say, a political worker, that sort  
7 of thing.

8 Q A terrible question. Your date of birth?

9 A Nineteen--January 25th, 1924.

10 Q Okay. Now, on the evening of the shooting, you  
11 start off you were in Senator Kennedy's suite of rooms--

12 A Yes.

13 Q --on the fifth floor?

14 A Fifth floor, right. And the Senator came back from  
15 the beach, I forget what time it was, about 9 o'clock, I think.  
16 Returns were beginning to come in. We had South Dakota primary  
17 returns in, which to the Senator and the people were very  
18 exciting, I mean, it was a great victory, and the Senator was  
19 very excited. We had made preparation to put him on NBC with  
20 Sander Van Oker (phonetic), I know, was down on the fourth  
21 floor and CBS and ABC, which were down the hall on the fifth  
22 floor. And then he also talked to different people, a lot of  
23 people were in the room, and--and then he did a radio inter-  
24 view with a kid from Metromedia, and then we decided to go  
25 downstairs to make a statement. It was discussed earlier the  
26 fact that the--since we had always given the television people

1 first crack, that the writing press needed a thing, and he  
2 would give them radius since most of them would be for eastern  
3 papers, kind of a background for the second day story thing as  
4 to what the results meant and what not. So we would--we told  
5 those guys who were traveling with us and perhaps one or two  
6 local reporters because--just maybe Daryl Lemke or somebody,  
7 L.A. Times, to--to meet us at the Colonial Room for a pencil  
8 press conference.

9 Q Okay. You say the Senator got back to the hotel at  
10 9 p.m.?

11 A I don't--I don't recall--

12 Q Well, roughly.

13 A I think it was about that, yes.

14 Q It was about 9 p.m.?

15 A Yeah.

16 Q And were you waiting for him?

17 A Yes, I had been--I was up in his room and waiting  
18 for him and they--as you know, the suite--there were--the big  
19 --I don't know whether it was the Presidential Suite or what  
20 it's called, but a big living room on one side of the hall,  
21 and a lot of people had gathered.

22 Q Well, I imagine he had one room to greet people and  
23 then one--

24 A Well, he had two bedrooms on one side of the hall,  
25 then across the hall was a huge living room with a bar and so  
26 forth. And so people had been invited up to watch the returns

122

1 in there. For instance, I ran into the stewardesses who'd  
2 chartered our plane downstairs, and they went upstairs with me  
3 and there was people like Teddy White and relatives and the  
4 children came in and the Senator came in and out and would go  
5 back to his bedroom, change clothes, and also the--talking to  
6 people.

7 Q To your knowledge, he was at the beach, you say?

8 A Yeah.

9 Q Until 9 p.m.?

10 A Uh huh. To my knowledge, right.

11 Q Do you know whereabouts at the beach?

12 A I think at Mr. Frankenheimer's house out at Malibu.

13 Q At someone's home at Malibu?

14 A Yeah.

15 Q Any idea how long he was there?

16 A Well, he went there--we came back from San Diego  
17 about 11 o'clock the night before, and we loaded the press and  
18 everybody in--then in our usual caravan and--and we went--we  
19 had brought the press and everybody else at the Ambassador,  
20 the Senator and Ethel, and a few relatives, couple of others  
21 peeled off, I think, on Sepulveda or something and went up to  
22 the beach direct and they spent the night there.

23 Q So he got into L.A. then on the 3rd about 11 p.m.?

24 A Yeah, about 11 p.m., I think. Wasn't much later  
25 than that, I think. We had a long schedule. I think we were  
26 almost on time. Maybe it was 11:30.

1 Q Yeah, well--

2 A Yeah.

3 Q Okay.

4 A So he went out to the beach and spent the day out  
5 there.

6 Q So he would then be at the beach from 11 p.m. on the  
7 3rd until 9 p.m.--

8 A Yeah.

9 Q ---on the 4th, on the night of the shooting?

10 A To my knowledge.

11 Q (\*) and this man's name was Frankenheimer?

12 A Yeah, John Frankenheimer, movie producer, who was  
13 also a friend of the Senator's and--and--

14 Q Okay, so then the Senator stays in his room from--  
15 or he's in that--

16 A That area.

17 Q (\*) from roughly 9 p.m. until about what time do you  
18 put him going down to make a speech?

19 A Uh, gee, I would say it must have been about 11,  
20 11:30, that time.

21 Q Around in there.

22 A Yeah.

23 Q Now, in his room, was the Senator--were you present  
24 with him most of the time?

25 A Yes, and I also--well, not present with him, but I--  
26 I kind of--Barry and I would--I would kind of watch the door

1 for, I would recognize people who should go in, and I would  
2 keep people who shouldn't go in, into the room he was in, and  
3 same way people would, coming down the hall and--in the room  
4 where the--at the time the party was going on, I acted as kind  
5 of screen there, too, and let those go in that were supposed  
6 to and kept those out that weren't.

7 Q So during this period of time was it discussed with  
8 the Senator that at the conclusion of his speech, he would  
9 make a statement to the writing press?

10 A Yeah. I think that--it was. We had--I think I--if  
11 I remember right, Dutton was the one that brought it up with  
12 him and said, you know, after this we ought to give the pencil  
13 guys a break, and he understood because we had problems in, as  
14 I say, Indianapolis and in--and Nebraska, the same--the same  
15 sort.

16 Q BY SGT. COLLINS: Were you--were you present when  
17 that decision was made or is this--

18 A I--I knew it was made. I don't--I'm not positive.

19 Q You didn't hear at the very moment Dutton speak with  
20 the Senator?

21 A No.

22 Q Okay.

23 A I could have, but I don't recall.

24 Q BY SGT. PATCHETT: Did you then leave with the  
25 Senator's party when they started to go--

26 A Yeah.

1 Q --downstairs?

2 A Started to go down--started--we gathered quite a few  
3 people, including Paul Schrade and a bunch of others who were  
4 in and out of the room quite a bit, and so I--as they took off,  
5 there was too many, and so they went down the elevator, so I  
6 went down the stairs with a couple of other people, I forget  
7 who, and I came off on the--on some mezzanine label--level and  
8 walked into Max Rafferty's party, and then I left--went back  
9 and I finally found, and finally I got--I went in through  
10 NBC's Gold Room.

11 Q Door to the Gold Room--

12 A Yeah.

13 Q --which borders the NBC room?

14 A Right, and just went straight in and stood there and  
15 listened to his statement.

16 Q And then at the conclusion of the Senator's speech--

17 A Yeah.

18 Q --you see the Senator turn and go off right, back  
19 part of the stage?

20 A Right, right.

21 Q And originally, to your knowledge, he was to have  
22 come off the front part?

23 A No, I--I didn't--as I say, this was something that  
24 Barry, uh, and the advance people decided. I--I didn't know  
25 exactly which route he would take. Again, this was not my--  
26 and I wasn't--again, I was half-way scouting routes and just i

1 case that we could get jammed there, I--I was going to suggest  
2 to Bill that we go out through the Gold Room.

3 Q Okay. As the Senator exits from the rear of the  
4 stage then, did you follow him through the door to the right  
5 of the stage? Now that stage--

6 SGT. COLLINS: That's looking to the left.

7 Q BY SGT. PATCHETT: (\*) in looking at the stage being  
8 in the Embassy Room, you did not climb up on the stage and  
9 follow the Senator out?

10 A No, I went out and around to the right, but I think  
11 I--I don't know, I think I had--you had to go up a couple of  
12 steps, I think I did go up a couple of steps.

13 Q But it was the door to the right of the stage?

14 A Right, uh huh.

15 Q So as soon as you saw the Senator start to exit--

16 A Right.

17 Q --by the rear of the stage, you then went up through  
18 the door on the right?

19 A Yeah, uh huh.

20 Q All right, now, in that room that you entered, which  
21 is like an anteroom between the pantry or kitchen area and the  
22 stage itself, what was the condition of that room? Was it  
23 crowded at the time you entered it?

24 A Yeah, it was, relatively crowded.

25 Q But not packed, couldn't move.

26 A Not packed, no, couldn't move.

1 Q All right, now, did you see the Senator walking  
2 through the room?

3 A No.

4 Q So you could only assume then that he had already  
5 got---

6 A Yeah.

7 Q ---through the room?

8 A Right.

9 Q And as you come up to the door leading into the  
10 kitchen, the only man or the only person that you recall seeing  
11 was this man with the television camera?

12 A Yeah, camera.

13 Q And this might have been Jim Wilson?

14 A Might have been Jim Wilson or it was--I'll think of  
15 the other guy's name in a minute--but it--it was a--it was a  
16 big fellow, and I think it was probably Wilson.

17 Q Okay.

18 A Yeah, and I knew Wilson immediately on the floor  
19 and so it may--but anyway, I got behind somebody with a camera.

20 Q BY SGT. COLLINS: When you say you saw him on the  
21 floor, did he fall down or you--

22 A Yeah, he was on the floor, slapping the floor, and  
23 his--his--his sound man was, you know, Wilson was the guy that,  
24 if you listen to the tape, was screaming, "My God, my God, no,  
25 no," and he was pounding the floor, and his sound man was  
26 telling him, "You've got to shoot, Jimmy. You've got to shoot,

1 you've got to shoot." When he did shoot--

2 Q That was Robert Funk?

3 A Yeah. Bob Funk. No, no. Bob Funk, no, it was not  
4 his--no, Funk is the big--other big guy that I'm thinking of.

5 Q Oh.

6 A That I might have been behind.

7 Q BY SGT. PATCHETT: Well, Funk and Wilson and John  
8 William Lewis the third all work as a team--

9 A Yeah, Lewis--

10 Q --for CBS. It was Lewis who was--

11 A --pleading with him, the little short blond kid,  
12 and I forget what his first name is.

13 Q John.

14 A John?

15 Q I don't know what they call him--

16 A Yeah.

17 Q --but that's his formal name.

18 A Yeah. Maybe it was--Funk is the other--Yeah, as I  
19 say, if it wasn't Wilson, it was Funk I was behind, that's--  
20 that's the--

21 Q Yeah.

22 A --and he was pleading with him to shoot, the little  
23 fellow.

24 Q Well, let me back up here.

25 A Yeah.

26 Q You're in the room, you're going to follow the

1 Senator, you evidently know he--or know that he went through  
2 the doors into the kitchen, and you start in that direction,  
3 and you are behind this group of Wilson, Funk and Lewis?

4 A Uh huh.

5 Q Are you immediately behind them?

6 A Yes, I was behind either Funk or Wilson.

7 Q With the idea that they are--the television people  
8 will--

9 A Yeah.

10 Q --run interference--

11 A Yeah.

12 Q --for you?

13 A And they have done it before, yes.

14 Q All right. Now, in that position then at approxi-  
15 mately the doorway, is this where you would locate yourself  
16 when the shooting starts?

17 A Yeah, I would think so. Maybe we were just coming  
18 down that ramp, but I--I think we were at least to the door--  
19 probably to the doorway. I--I--I can't say for sure when I  
20 first--I thought what was happening was that a table was  
21 breaking. It sounded like wood snap--like often guys stand  
22 on--and I heard this crackling sound, it sounded like dry wood  
23 snapping.

24 Q Any idea how many sounds you heard?

25 A Uh, three or four is all I heard, but that's--

26 Q Three or four..

1 A Yeah, but, I mean, it was just a--

2 Q What was it that made you get moving here? That--  
3 how did you become aware that someone was shooting?

4 A People started to scream and push and spread and--  
5 and so I knew something was wrong.

6 Q And then you--the television people moved in forward  
7 and you just followed them?

8 A Followed them and passed them, yeah.

9 Q And you passed them?

10 A Uh huh. First person I saw was Shrader and I looked--  
11 took one look at him and thought he had had it, and he was--  
12 he really looked dead, and then next person I saw was the  
13 Senator, and he didn't look very much alive either.

14 Q Where did you go? Did you attempt to assist the  
15 Senator?

16 A Yes. I took off my--my coat and then I--people were  
17 crowding in and then Ethel was trying to get through and I went  
18 back to help push people back to get her in, and I was pushing  
19 cameramen back and people back. It was very hot in there.  
20 You could hardly breathe. And we were trying to get air. And  
21 then at one point Barry told me, "You better go see where the  
22 damn ambulance is or how it could get in," and I went through  
23 the kitchen and out the front door, and the ambulance hadn't  
24 arrived and I went into a side door and I found an elevator,  
25 so when the ambulance arrived, I brought the stretcher to the  
26 freight elevator, took it up, took the stretcher and the two

1 policemen off of it and went into the area where the Senator  
2 was. At that point they had taken these laundry baskets and  
3 kind of made a barrier, I think.

4 Q Uh huh.

5 A And they moved those and we came in. I was at the  
6 Senator's feet when we started to lift him on. That's--was the  
7 only encouraging sign, that's when he--only time I ever heard  
8 him say anything and he cried, "Please don't," or, "Don't" or  
9 "Please," or something to that--very plaintive.

10 Q BY SGT. COLLINS: Indicating what, that he didn't  
11 want to be moved?

12 A Didn't want to be moved or that he was in great pain  
13 or something, yes, but mostly he didn't want to be moved, I  
14 guess.

15 Q BY SGT. PATCHETT: Well, then, it was Barry who  
16 suggested to you that you check on an ambulance?

17 A Right.

18 Q And so you went into the kitchen area--

19 A Uh huh.

20 Q --found a freight elevator--

21 A Uh huh.

22 Q --and you went down that elevator?

23 A Uh huh--uh, no, I--I'm confused on the levels. I  
24 ran down those stairs from the lobby to the lower level and  
25 went out the front door. But I came back up the--went into  
26 the kitchen, found the freight elevator, and thought that was

1 the logical route to take the--because the ambulance pulled up  
2 right by the side and just went straight in the little ramp  
3 goes down.

4 Q But you did go through the main lobby of the hotel?

5 A I recall running down those stairs from the lobby to  
6 the lower level, yeah.

7 Q BY SGT. COLLINS: The winding stairs?

8 A The winding stairs, yeah, like a--

9 Q BY SGT. PATCHETT: And then you went outside?

10 A Yes.

11 Q And once you got outside, was the ambulance there?

12 A Just--hadn't arrived yet, it was just coming, so I  
13 took them--I either went through the kitchen on this side, I  
14 must confess I'm confused, or I went to the front door, but  
15 anyway, I had figured out the route by the time that--and I  
16 had found this freight elevator.

17 Q Okay, so--

18 A Had it standing by.

19 Q You went with--

20 A Standing there.

21 Q --the ambulance crew?

22 A Crew, right, and the stretcher.

23 Q In through the kitchen area?

24 A Yeah.

25 Q Up the freight elevator?

26 A Freight elevator.

1 Q Got the Senator?

2 A Uh huh.

3 Q Came back down?

4 A Came back down the freight elevator.

5 Q And then do you remember coming down the freight  
6 elevator?

7 A Coming down the freight elevator, there was the  
8 Senator, Mrs. Kennedy, Dutton, Barry, Jim Whitaker's wife, and  
9 myself, and the two attendants and I think that's all. Maybe  
10 Warren Rogers, but I'm not sure.

11 Q Is this Christy Whitaker?

12 A No, no. No, this is--what's her name--Blanche  
13 Whitaker. She's Jim Whitaker's--she's a close personal friend  
14 of Mrs. Kennedy's. Jim Whitaker's the mountain climber,  
15 climbed Mt. Everest (\*)

16 Q Oh, oh, oh, and this is his wife?

17 A Yeah, and she traveled with us and she is a large,  
18 dark haired woman, and so we got out to the ambulance, loaded,  
19 I went to the front of the ambulance, there was a police car  
20 in front, nobody was in the police car, and so I shouted for a  
21 policeman and finally got one to drive me. I got in the back,  
22 led the--with the police in the police car and we led the  
23 ambulance to--

24 Q Receiving Hospital?

25 A --the receiving hospital.

26 Q Okay. Did you then go from the receiving hospital

134

1 to the Good Samaritan Hospital?

2 A Yeah, at the receiving hospital we had lots of  
3 problems and so when we decided to move, somebody suggested  
4 that I better go over to the Good Samaritan and get security  
5 and the doors set up so that the right people would get in,  
6 the Senator's sister couldn't get in the receiving hospital,  
7 they had a fight over a priest, Steve Smith, his brother-in-  
8 law, couldn't get in, there was just--it was--it was--it was  
9 pure bedlam.

10 Q Was this priest the one that's a friend of the  
11 family that was traveling with the group?

12 A I think that's the one. He came to the door and  
13 there was an--again in the--in the hysteria, it's hard to say--  
14 but for some reason or other, he wouldn't let the priest in,  
15 which was beside the point.

16 Q Was this a police officer?

17 A Yes. And for some reason or other, he took a badge  
18 out he had in his hand, and Mrs. Kennedy said, "I'm--" you  
19 know, "Please let the priest in." And he said, no, he wouldn't.  
20 She said, "I'm Mrs. Kennedy." He said, "I'm a policeman."  
21 That's my recollection. With that, she hit him. With that,  
22 he hit her. And then--couple of us, it may have been me and  
23 somebody else, hit him. It was just a--almost a brawl. There  
24 was a fight also with a photographer.

25 Q This was this--

26 A Yeah, the photographer. Barry, I think, landed the--

1 finally knocked him down, and the photographer finally came  
2 to. He thought it was me and asked me my name. I told him my  
3 name was Dick Tuck and I would be glad to take the credit, but  
4 I hadn't--hadn't done it. He just happened to be there, I  
5 guess.

6 Q How did you get from the receiving hospital--

7 A Well, so then I went out, so I asked--I ran into Joe  
8 Quinn, the Deputy Mayor of the City of Los Angeles, I said,  
9 "Joe, you, you know, can you give me a police car?" He said,  
10 "Yes, I'll get you one," and I got in a police car to lead  
11 the--to go to--to run over to Good Samaritan. Again there was  
12 no driver and we waited and waited and waited and so I arrived  
13 over there at the same time the Senator's body did.

14 Q How long was the Senator at the receiving hospital,  
15 do you recall?

16 A Oh, I would say--

17 Q Roughly?

18 A I would say a half hour.

19 Q About a half hour.

20 A Twenty minutes to a half hour, but I was (\*)

21 Q And then you did stay at Good Samaritan?

22 A Yes.

23 Q Until the Senator was taken to the airport and then  
24 did you go back to--

25 A No, I left the Good Samaritan the next day about  
26 10--9 o'clock and went over to the Ambassador and took a bath

1 and changed clothes and then came back, and stayed 'til he  
2 was finally pronounced dead about 2 in the morning, and then  
3 about 4, I went back to the Ambassador and slept 'til we went  
4 to the airport and then I flew back on the plane with--

5 Q With the family? Okay.

6 SGT. PATCHETT: Anything you can think of, Collins?

7 Q BY SGT. COLLINS: You mentioned that Warren Rogers--

8 A Yeah, Warren Rogers was in the ambulance. I don't  
9 know whether he came down the--he's a Look, senior editor of  
10 Look Magazine, a Washington Bureau Chief--in fact, he has got  
11 a--the last issue of Look has his story by Warren--it's kind  
12 of pathetic--but I remember looking back and he was in the  
13 front seat of the ambulance.

14 Q That's our unidentified man in the front seat.

15 A Yeah. That's Warren Rogers of Look. As I say, you  
16 can read his account in the Look Magazine.

17 Q What's his--what's his title with Look Magazine?

18 A He's the senior editor--no, he's the--he's the senior  
19 editor of Washington Bureau Chief, but the last issue will  
20 have his story and he mentions that--that Barry tried--he had  
21 a little trouble with the ambulance people, too.

22 Q BY SGT. PATCHETT: What was the problem with the  
23 ambulance people?

24 A Well, Ethel wanted to keep the Senator still and  
25 they didn't want to or something, I don't know. Here, again,  
26 we had an argument coming down in the elevator. I think Mrs.

1 Whitaker slapped one of them. It was--it's very difficult to  
2 reconstruct. It was--but it was--the guy the--I think the  
3 name was Max Beerbaum (Behrman) or something, the big--big  
4 ambulance attendant, was--was pretty crude and pretty vulgar  
5 and--and people reacted.

6 Q Okay.

7 SGT. PATCHETT: Can you think of anything else,  
8 Collins?

9 Q BY SGT. COLLINS: You said there was an old man in  
10 the elevator?

11 A Yeah, a guy in a kind of a kitchen, you know, white  
12 coat and jacket who ran--and in getting the elevator down, he  
13 naturally took us too low or too high and he couldn't get the  
14 door open and, you know, again it was a--

15 Q BY SGT. PATCHETT: Panic situation?

16 A He was running the elevator, in other words, he was  
17 the--

18 Q BY SGT. COLLINS: He wasn't an elevator operator?

19 A No, he was kitchen help. He looked like a--a dish-  
20 washer and I just remembered that he was old and he had on a  
21 white jacket and a white pair of pants.

22 Q And is he the one that held the elevator down for  
23 you?

24 A Yeah, uh huh.

25 Q When you were waiting for the ambulance?

26 A Right. But I remember going down and he went too

1 far or something.

2 Q BY SGT. PATCHETT: Were there any victims removed  
3 prior to the Senator's being removed--

4 A Yeah, they came into the hosp--before we left the  
5 hospital, uh, uh, uh---

6 Q Excuse me. I'm thinking in terms of going from the  
7 kitchen down?

8 A Oh, not that I know of, but I haven't, as I say, I--  
9 I didn't see any moved.

10 Q You got the--

11 A Yeah.

12 Q You got the ambulance, took them right up, got the  
13 Senator on the stretcher--

14 A Right.

15 Q --and took him right back?

16 A Right.

17 Q BY SGT. COLLINS: The first ambulance took Senator  
18 Kennedy?

19 A Right. While we were still at Good Samaritan, they  
20 brought the ABC kid, I forget what his name is, one of the  
21 victims, and a--a woman who I have known for a number of years,  
22 but I didn't recognize her. I think it's Bart Evans--

23 Q Eunice Evans?

24 A Is it Eunice is her first name?

25 Q BY SGT. PATCHETT: Elizabeth.

26 A Elizabeth.

1 Q Well, it might be Eunice.

2 A But I'm sure--is he a--has a paper out in the  
3 Valley and--

4 Q Yeah.

5 A Yeah, she used to be a--

6 Q --friend of Salinger's.

7 A Yeah, she used to be a Deputy Social Welfare in  
8 Sacramento or her brother is Don Bradley who's run political  
9 campaigns in this--and I've known Eunice for--but I saw her  
10 on the stretcher and I--

11 Q Right with the--

12 A Yeah, but I didn't recognize her.

13 Q BY SGT. COLLINS: Did you see any other victims?

14 A Yes, I talked to the--the--who I knew and I can't  
15 remember his name--but I had seen him during the campaign, the  
16 ABC assistant producer.

17 Q Whitzell? (Phonetic)

18 A Weisel, yeah, who always followed us with a walkie-  
19 talkie because--and--and--I saw him and talked to him and he  
20 asked me if the Senator was all right and so forth and--as he  
21 was wheeled in.

22 Q Right. At the time the shot was fired now, you're  
23 outside in the other room, you are following the TV people,  
24 you just hear what sounded to you like the cracking of tables  
25 or--

26 A Yeah.

1 Q --something like that?

2 A Yeah, the cracking of tables, yeah.

3 Q Three or four times.

4 A Uh huh.

5 Q And after you got in, you did see Paul Schrade on  
6 the floor--

7 A Uh huh.

8 Q --and then you saw the Senator?

9 A Uh huh.

10 Q Did you at any time see the assailant?

11 A I didn't.

12 Q BY SGT. PATCHETT: Did you notice the struggle going  
13 on? You didn't?

14 SGT. COLLINS: You're shaking your head, no.

15 A I say, no. Yes, I--I--the struggle, I thought  
16 people were fighting to get out, I mean, in all directions,  
17 that seemed to be the--uh, uh, but I wasn't--I wasn't aware,  
18 as I say, that there was somebody--

19 Q BY SGT. PATCHETT: All right, let's go into a couple  
20 of photographs here, then, all right? Or is there anything  
21 else?

22 SGT. COLLINS: Well, do you think we need it for  
23 the tape? Let's cut the tape off and end the interview.

24 SGT. PATCHETT: Okay.

25 SGT. COLLINS: I'll--I'll call upstairs and tell  
26 them that's the end of that interview. We'll go into the

1 pictures.

2 SGT. PATCHETT: Good enough. I don't know. Maybe  
3 he can figure that one, I don't know.

4 A Huh. No, I can't.

5 Q BY SGT. PATCHETT: What were you wearing that night?

6 A White pants. I came--

7 Q Like that?

8 A No, those were--no, I was wearing a blue jacket and--  
9 and--and--but I had taken my jacket off when I went--

8 (\*) INDICATES UNINTELLIGIBLE CONVERSATION.

9 Q Your first name, sir?

10 A Karl, K-a-r-l.

11 Q Middle name or your last--

12 A A. A. Initial A.

13 Q Uh huh (yes).

14 A Last name is U-e-c-k-e-r.

15 Q U-e--

16 A --e-c-k-e-r.

17 Q And your address?

18 A 3025 Glenhurst Center.

19 Q What city is that in?

20 A L. A. 39.

21 Q And your home phone?

22 A 667-3106.

23 Q Are you home during the daytime hours?

24 A I guess I'm at work.

25 Q You would normally work nights?

26 A No, all daytime, Ambassador.

Q All right. What's your business phone number?

A Extension 315.

1 Q At the Ambassador, huh?

2 A Yes, Banquets Department.

3 Q 315?

4 A 315.

5 Q Okay, Karl, I'm Sgt. McGann from Homicide,  
6 downtown. My partner, Sgt. Galkins. Could you tell us  
7 what you saw and what you did tonight?

8 A Yeah. I took Senator Kennedy off the stage and  
9 he was supposed to go through the kitchen, through the  
10 pantry behind it, (\*) wall.

11 Q What you are talking about, this area--Embassy  
12 Room, over here and this being the hallway, hallway leading  
13 down to the Colonial Room, which would be the working  
14 press room, I think, as it was described--

15 A There's a stage here, and through here (\*) on  
16 my hands 'cause the crowd was very--I think it was very  
17 busy there. Everybody was (\*). I had it on my hands,  
18 still going to shake hands with somebody and he grabbed his  
19 hand again and we went straight ahead until he got about  
20 beginning of the heaters. This is pantry here.

21 Q Uh huh (yes).

22 A And heaters we keep the plates hot, food hot,  
23 and right in the beginning, somewhere here, that guy, he  
24 must have jumped--he must have bent down and jumped up and  
25 start shooting. First shot--first shot or second shot must  
26 have been shortly one after another, you know, and I saw

1 Mr. Kennedy falling down out of my hand ( ) and he is  
2 still shooting. And then I hit his hand down and I don't  
3 know how many times he shot. I don't know. I couldn't  
4 even tell you--four times, five times, six times, it was--  
5 but he was shooting another direction, I think, but he was  
6 trying to push the gun away from the crowd into the kitchen.  
7 And then some other guys came somewhere, either same side  
8 or front, took the gun away from him.

9 Q But--

10 A I kept him for about seven--between seven or ten  
11 minutes, my arm, like. That's all I can tell you, until  
12 the police came in. They asked me to listen and came over  
13 to the police.

14 Q Where a crowd, employees, in the building,  
15 standing in this little area that apparently leads from  
16 another hallway down to where the pantry area is?

17 A I don't know. Would be, I imagine, though  
18 that the people were standing, from the kitchen, standing  
19 around this area 'cause I saw him shaking hands with one of  
20 the dishwashers.

21 Q Uh huh (eys).

22 A I know that, and then he came back and I grabbed  
23 his hand again and pulled him through, through the crowd.

24 Q This is the Senator's hand you grabbed?

25 A Yes, I grabbed his hand again and then at the  
26 time that it happened.
