RE EARL OLANDIA MURPHY

On June 5, 1968, Earl Olandia Murphy, 5932 Third Street, Northwest, Washington, D. C., telephone 723-9318, advised that a few days before the assassination of Dr. King he attended a rally for Senator Kennedy at 14th and Park Road, Northwest, Washington, D. C. The man beside him held up a round object approximately two feet long and three inches in diameter with an electric cord extending from it. He asked the man what the object was and he said it was a microphone and began running. He chased him a short distance but lost him in the crowd. He described the man as a white male, 5'6" tall, 100 pounds, stocky build, 35 to 40 years old, wore a dark top coat and a hat. He said he might be able to recognize this man again and furnish information as it may relate to the shooting of Senator Kennedy.

Bufiles indicate that one Earl Olandia Murphy, FBI Number 342 285 E was arrested by the Metropolitan Police Department in 1962 for investigation of indecent exposure.

Washington Field locate Murphy immediately and interview him in detail in order to determine if he has any information of value.

ST
Dear Mr. Hoover,

The people of our Nation are, once again, shocked by the assassination of a Statesman.

With the death of Senator Kennedy, it has become evident that the Hidden Force in our country has become powerful.

In each of the deaths, J. F. K., Dr. Martin Luther King, Jr., and R. F. K's, it is apparent that there is a similar pattern.

The big question is: Why?

But could the bigger question be: WHAT does the Hidden Force want the men in Government to do?

The Hidden Force doesn't make any demands and it doesn't want recognition.

Perhaps, they do not agree with the second oath in our country.

Would, then, the solution to all brutal violence be the denouncement of the second oath?

Which man will have the backbone to admit his mistakes?

To that man, will be worthy of my vote for President of the United States.

How long must we wait before we all again gain back, our faith, trust, and loyalty towards one another, and to our republic, under God, with complete justice for all?

ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA

(KENNEDY)

Intensive investigation is continuing in order to determine the complete circumstances surrounding the shooting of Senator Robert F. Kennedy by an individual who has been charged by Los Angeles, California, authorities as his assailant, Sirhan Bishara Sirhan.

School records in Pasadena, California, described Sirhan prior to 1963 when he graduated from John Muir High School as "friendly, co-operative, well mannered, has adjusted very nicely to his new environment and making many new friends." Continuing investigation into Sirhan's background indicates, according to his brother Sharif Bishara Sirhan, the assailant had little association or communication with the rest of the family. He had few male associates and since his fall from a horse in September, 1966, had been more withdrawn.

The FBI Laboratory has conducted an examination of the handwriting appearing on papers found after a search of Sirhan's room in the Pasadena family home which bore notations advocating the overthrow of the President of the United States and other statements alluding to the necessity of assassinating Robert F. Kennedy. The handwriting could not be identified as Sirhan's because of the lack of adequate known handwriting samples. Additional samples of Sirhan's known handwriting are being obtained for comparison purposes.

ASSASSINATION OF SENATOR ROBERT F. KENNEDY

witnesses, Humphrey Cordero and Enrique Rabago, identified Sirhan as being at the Ambassador Hotel at approximately 9:30 p. m., Pacific Daylight Time, on June 4, 1968, at which time Sirhan is alleged to have made derogatory comments regarding "rich people" in general and Senator Kennedy in particular. It was alleged Sirhan stated that Senator Kennedy was going to "buy the presidency" for personal purposes, and that he (Sirhan) was looked down upon because of his clothing. Both Cordero and Rabago were of the opinion based on their conversation with Sirhan that he had come to the Ambassador Hotel alone since no one appeared to be accompanying him during their approximate ten-minute conversation with him.

Three of the five individuals who were wounded during the shooting were interviewed, but none observed the assailant. The remaining two who were more seriously wounded will be interviewed as soon as their condition permits.

Mayor Samuel W. Yorty, Los Angeles, California, was reported by the news media on June 6, 1968, as stating Sirhan was associated with the W. E. B. DuBois Clubs of America. The Los Angeles Police Department advised that on January 16, 1966, a vehicle registered to Sirhan's brother Adel was observed in the vicinity of Baces Hall, Sunset and Vermont, Los Angeles, California, where a meeting sponsored by the W. E. B. DuBois Clubs of America was being held.

FBI files based on available data failed to establish Sirhan was a member of such an organization.

A reliable source has indicated that Dorothy Healy, Los Angeles Communist Party leader, has stated the assassin is unknown as a member of the W. E. B. DuBois Clubs of America in the Los Angeles area. The W. E. B. DuBois Clubs of America is a Marxist-orientated youth organization whose leaders in 1967 were Communist Party, United States of America, members. It was indicated that the Communist Party, United States of America, intends to issue a press release denying Sirhan has had any connection with the Communist Party and, in fact, is considering a legal suit against Mayor Yorty with respect to his allegations.

NOTE: This letterhead memorandum disseminated to Mrs. Stegall at the White House; the Vice President; the Attorney General; the Deputy Attorney General; and Assistant United States Attorney Pollak.

ASSASSINATION OF SENATOR ROBERT F. KENNEDY

FBI Agents, on June 5, 1968, located a 1956 DeSoto registered to Sirhan Sirhan at Wilshire Boulevard and New Hampshire Avenue a few blocks from the Ambassador Hotel. An examination of this vehicle, after a search warrant was obtained, resulted in the location of one empty box of .22 caliber bullets in the glove compartment. In addition, a sales receipt was located in the glove compartment showing the purchase of four boxes of .22 caliber bullets for \$3.99 paid for in cash on June 1, 1968. A wallet containing identification in the name of Sirhan Sirhan was also located in the glove compartment.
