

Senator Robert Kennedy;

you no good little bum.
They should shoot you too, and
if your mouth keeps moving
somebody is.

Why don't you stick your head
in a barrel of horse shit because
you stink. If you only know
how people are talking about
you, and how they hate you.
Every time I see you on T.V.
I get sick, and I wish you were
here so I could punch your
face in. First I'll blacken your
2 eyes, then bust your big
mouth open, then crease your
skull, then bust all your ribs
and stomp you in the ground.
Man you don't know how people
hate you. With that fake smile
on your face, you phoney you.
Mind your business about Viet Nam.

2025 RELEASE UNDER E.O. 14176

Johnson is better than you and that's
why you're so jealous. I doubt
if you'll ever get elected to any
office. With all your money, you
and your family got your thumbs
all stink! Your father was a
racketeer that's how he made his
money. Big deal you and your family.

Say man why don't you put
a muzzle over your head. I'll
bet you even get sick of your
self hearing yourself talk.
Don't even put mirrors in your
house because you look so
ugly and freaky, you might
break the mirrors.

So Long Queersey, go get a
hair cut—

Kennedy you stink...
