In connection with our investigation into the assassination of Senator Robert F. Kennedy, there is attached for approval a memorandum for the White House with copies for the Vice President and the Department.

In summary, we indicate interviews with individuals in the area have determined that Sirhan Bishara Sirhan, who has been charged by local authorities as the assailant, was seen alone in the Ambassador ball room immediately prior to the shooting. One witness viewed the actual shooting. It was further determined that Sirhan earlier in the evening on June 4, 1968, met a casual acquaintance and gave no indication during this meeting that he planned such an act. Results of our interview with a Communist Party member, an acquaintance of Sirhan, is also set forth. This individual, Walter S. Crowe, Jr., unequivocally states Sirhan was not a Communist Party member.* Additional facts relative to the so-called girl in the polka dot dress are likewise set forth as well as the results of the Los Angeles Police Department's ballistics tests which show that the murder gun fired the lethal bullets found in Senator Kennedy's body from a distance of from 2" to 6". Facts relating to the order by the Superior Court in Los Angeles prohibiting the release of statements, documents, exhibits or evidence are also reported.

Of significance is the fact investigation indicates Sirhan was seen taking target practice at the San Gabriel Gun Club, Duarte, California, on June 4, last. This information is set forth in the attached memorandum. Two other individuals were seen at the gun club. One an unidentified female, husky build, shoulder-length blond hair, and an unidentified male companion were at the range at the same time. The range officer indicated Sirhan and the female may possibly have been acquainted. This phase of our investigation is being pressed vigorously and under the circumstances, because of the incomplete facts on hand, information relating to the other individuals at the range does not appear in the attached memorandum.

Gentlemen:

I am writing to you after such a long time because of the sad and tragic death of Robert F. Kennedy.

It is a loss for all of us, because he was a man not only for America, but for the whole world. He was a man who loved justice and all social classes. He fell a martyr to his own apostolate. We all share the guilt of his assassination.

For this reason, I ask you to convey my sympathy and condolence to the honorable Kennedy Family. I am but a humble Spaniard who prays for the martyrs of love.

I ask you humbly and respectfully to forgive me for writing this letter which was prompted by my deep grief. My prayers are in memory of the men who fought for peace.

**ASSASSINATION OF
 SENATOR ROBERT F. KENNEDY
 LOS ANGELES, CALIFORNIA**

In our continuing investigation to trace the activities of Sirhan Bishara Sirhan immediately prior to the shooting of Senator Robert F. Kennedy, several witnesses have been located who observed Sirhan in the ballroom of the Ambassador Hotel moments prior to the assault. One witness, Edward Minasian, employee at the Ambassador Hotel, observed the actual shooting. None of the witnesses interviewed observed Sirhan in the company of any other individual.

A casual acquaintance of Sirhan's, Gaymoard Mistri, Pasadena, California, when interviewed related he had a chance meeting with Sirhan at approximately 6:10 p. m., Pacific Daylight Time, on June 4, 1968, at a Pasadena restaurant. He claimed to have been with Sirhan until approximately 7:30 p. m., Pacific Daylight Time. During this period, Sirhan gave no indication whatsoever of his intentions to commit the action that followed several hours later. In fact, he invited Mistri to engage in a game of pool and gave no indication that there would be a time limit or that he had a subsequent engagement.

Walter S. Crowe, Jr., an admitted member of the Communist Party, acknowledged an acquaintanceship with Sirhan, having last been in contact with him on May 2, 1968. Crowe stated Sirhan was not a member of the W. E. B. DuBois Clubs of America nor was he a member of the Communist Party. Crowe considered Sirhan "erratic" in his political philosophy since he politically favored movements that are considered by the general populace to be left of center; however, definite phases of his thinking were to the right of center, particularly on the subject of the State of Israel.

REC-20

2025 RELEASE UNDER E.O. 14176

ASSASSINATION OF SENATOR ROBERT F. KENNEDY

Information was developed by our Los Angeles Office to the effect that Sirhan has been identified as engaging in target practice with a .22 caliber pistol on June 4, 1968, at the San Gabriel Valley Gun Club, Duarte, California.

Sandra Serrano, aged 20, who appeared on television immediately after the shooting was interviewed in detail relative to her statement that she heard shots and then saw a man and woman running from the scene of the shooting. According to Serrano, as the woman who wore a polka-dot dress ran by her she yelled "We shot him - we shot him." An on-the-scene examination of the area in the presence of Serrano indicates she was across the ballroom at least 140 feet from the scene of the shooting and at the time there were approximately 1,500 people in the ballroom. Detective C. J. Hughes, Los Angeles Police Department, advised in his opinion it would have been physically impossible to hear a .22 caliber pistol being fired at a location where Serrano claims to have been, pointing out many other individuals much closer to the shooting who were inside the ballroom had not heard the shots. This phase of our investigation is continuing.

On June 7, 1968, Judge Arthur L. Alarcon, Superior Court, Los Angeles, California, issued an order prohibiting the release of any extra judicial statements, documents, exhibits or evidence so as to insure there be no interference with the constitutional right of Sirhan to a fair trial.

NOTE: This memorandum being disseminated to Mrs. Mildred Stegall at the White House; the Vice President; the Attorney General; the Deputy Attorney General; and Assistant United States Attorney Stephen J. Pollak.
