**ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
LOS ANGELES, CALIFORNIA**

We are continuing interviews with individuals who were at or near the scene of the shooting at the Ambassador Hotel, Los Angeles, California, during the evening of June 4-5, 1968, in an effort to establish full facts relative to the activities of Sirhan Bishara Sirhan.

Rafer Lewis Johnson, Olympic champion who assisted in subduing Sirhan, advises that while he was holding Sirhan immediately after subduing him he held his fist to Sirhan's head and repeated the question "Why did you do it?" The assailant's only reply to Johnson was "I'll explain it."

Another witness, Jesus Perez, saw Sirhan, gun in hand, immediately after Senator Kennedy had been shot. He stated Sirhan is identical with an individual who talked to him briefly just before midnight June 4, 1968, inquiring as to whether Senator Kennedy would pass their way after his speech.

Investigation indicates that the itinerary for Senator Kennedy was modified somewhat during the evening of June 4, 1968, due to delays in receiving election returns. According to information received from Senator Kennedy's Public Relations Director for the California Campaign, the decision to take the route directly to the Colonial Room at the Ambassador Hotel was made on the stage immediately after Senator Kennedy's speech. Inquiry into this phase is continuing.

**ASSASSINATION OF SENATOR
ROBERT F. KENNEDY**

A United Press International release on June 13, 1968, indicated Sirhan Bishara Sirhan had traveled to the Middle East during 1964 and 1966. This information allegedly originated with an unidentified Arab state. According to our investigation, it is completely unfounded since Sirhan had been, during 1964 and 1966, either pursuing his education or employed in the Pasadena, California, area.

Investigation is continuing in an effort to identify all individuals who were at or near the scene of the shooting at the Ambassador Hotel on the night of 6/4-5/68. We have located Rafer Johnson, Olympic champion, who related how he assisted in subduing Sirhan immediately after the shots were fired. Johnson advises that as he held Sirhan in his grasp he put his fist next to Sirhan's head and asked "Why did you do it" and repeated "Why did you do it." Sirhan's only reply was "I'll explain it." Another witness to the shooting identifies Sirhan as having queried him shortly before midnight as to the route Senator Kennedy was to take when he exited from the stage.

Information has been received indicating Sirhan was allegedly seen in the lobby of the Ambassador Hotel on 6/2/68 during a reception for Senator Kennedy on that date. We are checking further into this aspect. We are likewise making every effort to determine the full circumstances surrounding the change in Kennedy's itinerary which took him through the kitchen where he was shot instead of downstairs to the Ambassador Room as originally planned.

Of note is the fact that confidential information made available only to the FBI has been received from the Affairs Secretary of the Governor's Office in California to the effect that a group of Arabs in New York State have formed a committee to insure the United States Government does not "railroad" Sirhan into prison. This group has attempted to bring pressure on the Los Angeles Sheriff's Office through the Governor's Office to insure that Sirhan's incoming mail is no longer screened. The Governor's Office in turn has advised this group that this is the responsibility of the Sheriff's Office and has refused to intervene. Our Los Angeles Office reiterated that this information was given in extreme confidence and must not be disseminated.

Memorandum to Mr. DeLoach
Re: Assassination of Senator Robert F. Kennedy

With respect to the unfounded United Press International release of 6/13/68 relative to alleged travels abroad of Sirhan in 1964 and 1966, we know this to be completely false since Sirhan was either employed or going to school in Pasadena, California, at the time. A preliminary report was given the White House late in the afternoon of 6/13/68 and we are obtaining complete facts in order to furnish the White House a detailed refutation to this press release.

ACTION:

Attached for approval is a memorandum setting forth current developments. This will be disseminated to the White House, the Vice President and the Department of Justice.

SUBJECT: ASSASSINATION OF SENATOR ROBERT F. KENNEDY

Schiff
Da

At 1:10 p.m., 6/13/68, Assistant Commissioner Carl Burrows, Immigration and Naturalization Service (INS), telephonically contacted SA Graham Day to report that he had seen a Reuters dispatch datelined 6/13 at London, England, stating that an unidentified Arab government has developed startling new information regarding the Kennedy assassin. The dispatch (copy attached) indicates that Sirhan returned to the Middle East in 1964 and 1966. Burrows said he wanted us to know of the existence of the allegation and that he is causing a check of INS files concerning the names mentioned in it. Immediately thereafter, at the request of the General Investigative Division, Liaison asked the Office of Security, Department of State, to make a thorough check at State to see whether any information had been received in line with the statement in the dispatch that a report was being forwarded to the FBI. Lawrence Gruza, State, reported thereafter that he had caused a thorough check to be made, that no such information had been received at State Headquarters and that cables were being forwarded to the American Embassies in Arab countries alerting them to the story and instructing that anything received be forwarded at once to State Headquarters for transmission to FBI.

Liaison subsequently asked INS Assistant Commissioner Burrows to check the name ~~Sirhan~~ ^{Salim} Sirhan through his files, it being considered that the author of the Reuters dispatch had possibly confused this individual with the subject in custody. Burrows reported that INS Headquarters has no record under the spelling furnished, but has an index card concerning ~~Sirhan~~ ^{Salim} Sirhan. This individual was born 6/15/34 in Jordan, and

Memorandum to Mr. D. J. Brennan, Jr.
RE: ASSASSINATION OF SENATOR ROBERT F. KENNEDY

is a derivative United States citizen through the naturalization of his father, ~~Salim Sirhan~~ in Pittsburgh, Pennsylvania, 4/21/26. He was issued U.S. Passport #2 at Jerusalem, 4/27/48, and first entered the United States 10/25/48. In July, 1957, he petitioned for issuance of a U.S. visa to Nelly ~~Yousef~~, born 2/10/41, in Jordan. She entered the United States 10/3/57, in New York City, as an immigrant, married Sirhan Salim Sirhan and was naturalized in United States Court, Detroit, Michigan, 1/18/66. Mr. Burrows pointed out that since Sirhan Salim ~~Sirhan~~ is a U.S. citizen, INS files would not disclose if this individual traveled in the Middle East in 1964 and 1966. Consequently, Burrows had nothing to establish that this individual might be identical with the individual described in the Reuters dispatch; however, Burrows said that Sirhan Salim Sirhan's INS file was in the Detroit INS Office and that copies of its contents were being made available for our Detroit Office.

Above information was promptly furnished by Graham Day to the General Investigative Division.

ACTION:

To confirm the information developed by Liaison and furnish telephonically to the General Investigative Division.

0922: Sirhan: London, June 13 (Reuters)

An Arab government has uncovered startling new evidence on the identity of the man accused of assassinating Senator Robert F. Kennedy which it has passed on to the FBI, a London newspaper reported today.

Reporter ^{U.S.} ~~Jon~~ ^M Kinche wrote in the Evening Standard the Arab government, which he did not name, made an intensive investigation in the background of alleged assassin Sirhan Bishara Sirhan.

"The new information, which is being communicated to the United States authorities, may open up an entirely new line of inquiry into the motivation and organization of the attack on Kennedy", Kimche wrote.

He said the new information indicated considerable variation from accounts so far given of Sirhan's past.

Kimche said his full name was given as Sirhan Bishara Sirhan Abu Khatar he was first taken to the United States in 1928 when he was four years old.

2 APR 1968

"He returned to Jordan in 1957 and the records show that he was married in the orthodox church at Es Salt, 15 miles west of Amman on June 27, 1957, when he was only 13, to Leila Yussef Mikhael from Es Salt.

GREECE U.S.

"Later that year Sirhan returned to the United States and three months later his wife was brought to him. The reports of his journey are not very precise and probably not very important as both husband and wife were little more than children", the article said. Kimche said more interest centers on the journey.

"Especially on the last two, which according to this investigation, were made in 1964 and 1966,"

According to the records, Sirhan returned in 1964 to the Middle East for seven months, four of which were spent in Damascus. The report did not say where he spent the rest of the time.

In 1966, he was said to have spent an even longer time in the Middle East, including five months in Cairo. He returned to the U. S. according to the report, at the beginning of 1967.

"The Arab government is convinced that its records are accurate but they are being sent to the United States so that they can be checked with the information assembled by the FBI," Kimche reported.

The purpose of this memorandum is to set forth information concerning various documents found in the room of Sirhan Bishara Sirhan, murderer of Senator Kennedy.

These documents were furnished to us by the Los Angeles Police Department and consist of two large spiral notebooks, one small spiral notebook and 11 loose items. The large notebooks contain notations predominantly in English with a smattering of Arabic and Russian. The Arabic and Russian have been translated by Bureau translators and the entire contents of the material in question has been reviewed.

One of the large notebooks contains various academic-type notations indicating the writer was a student. Many of the notations are incoherent and unrelated, indicating the writer scribbled aimlessly at times. Page 15 of this notebook is dated "May 18 9:45 a. m. 68." On this page the writer states "My determination to eliminate RFK is becoming more the more of an unshakable obsession." He repeatedly states "RFK must die - RFK must be assassinated, etc." and near the end he states "Robert F. Kennedy must be assassinated before 5 June 68." Following this is a page of unrelated scribbling in which the word "drugs" appears numerous times. On Page 47 of this book the writer again states "Kennedy must fall... we believe that Robert F. Kennedy must be sacrificed for the cause of poor exploited people... Kennedy must die." The writer indicates he is going to commit this slaying.

On Page 21 of this notebook, dated "2 June 67 2:30 p. m." (possibly should be 1968) the writer has composed a "Declaration of war against America." He indicates that as soon as he is able to obtain a sum of money and obtain some firearms he will eliminate the President, Vice President, and others in the chain of command. On Page 34 the writer states "Sirhan Sirhan must begin to work on solving the problems and difficulties of

of assassinating the 36th President of the glorious United States." On Page 39 he states "Ambassador Goldberg must die." Throughout this notebook the writer condemns the American way of life and states that he wants to be the man who triggered off the last world war. He is strong in his praise of President Nasser of the United Arab Republic and evidences a deep support for communism.

The second large spiral notebook contains numerous items in Russian, indicating the writer was studying that language. In English the writer advocates the overthrow of the President of the United States and states that he firmly supports the communist cause and its people. Among the loose items recovered from his room was a window envelope from the Internal Revenue Service, Los Angeles, California. A handwritten notation across the front of this envelope states "RFK must be disposed of like his brother was." It is interesting to note that among the loose items obtained was a poster advertising a rally for Senator Eugene McCarthy on 5-31-68.

The Laboratory has examined the handwriting contained in the above described documents. However, due to extremely limited available known samples of Sirhan Sirhan's handwriting, he has not yet been identified as the writer. Our Los Angeles Office is expeditiously attempting to obtain additional known samples of Sirhan Sirhan's handwriting, as well as handwriting of other members of his family and any close associates revealed through investigation for additional comparisons. Numerous latent fingerprints have been obtained from this material, 80 of which have been identified to date as the fingerprints of Sirhan Sirhan. We are also obtaining fingerprints from other members of the family and close associates for comparison with the remaining unidentified latents.

The original of all the above-mentioned documents have been returned to the Los Angeles, California, Police Department. The U. S. Attorney, Los Angeles, has previously advised the above material should not be disclosed publicly prior to trial nor should it be made available to unauthorized persons since such release could have an adverse effect upon prosecution in either Federal or state court.

Memorandum to Mr. DeLoach
RE: ASSASSINATION OF SENATOR ROBERT F. KENNEDY

It is noted that a Los Angeles judge has issued an order prohibiting the release of any extra judicial statements, documents, exhibits or evidence in this case. Los Angeles Mayor Samuel W. Yorty has already made public comment concerning the above material. The District Attorney's Office, Los Angeles, is of the opinion the search of Sirhan's room by the Los Angeles Police Department was completely illegal; therefore, the material in question may be inadmissible.

An Arabic phrase found in one of the notebooks has been translated as follows "Let me make love to the boy if I don't find a clean-cut girl to make love to." This could be a verse from an Arabic licentious poem; however, it could indicate homosexual tendencies on the part of the writer.

ACTION:

1. Copies of selected pages found in this material indicating threats to Senator Kennedy, the President, and Ambassador Goldberg, as well as the writer's support of communism, have been furnished to the White House, the Vice President, the Attorney General, the Deputy Attorney General, and the Civil Rights Division, together with a letterhead memorandum. Dissemination has also been made to Secret Service, Central Intelligence Agency, and the State Department.
2. We have instructed our Los Angeles Office to carefully review all names and other information appearing in these documents and to immediately conduct necessary investigation to fully resolve all aspects.

Honorable J. Edgar Hoover
Director
Federal Bureau of Investigation
9th Street and Pennsylvania Avenue
Washington, D. C.

Dear Mr. Hoover:

I have been one of your interested followers for many years and especially during the war years when I served the Navy as an intelligence officer.

I know these must be most distressing times for you, especially since you have warned and warned against what has presently come about. Disregard of law and order has reached an appalling stage and this latest incident is probably not the last.

As I watched the proceedings in Los Angeles earlier this week, my wonder at the length and breadth of the forces of hate throughout the world increased, and I came to feel that anyone running for the presidency of the United States at the present time is in great personal danger if for no other reason than he has to appeal for votes to minorities as well as majorities with mutually antagonistic (as they see it) objectives. It staggers the imagination to see a young man born in Arab territory, brought to the United States 11 years ago, foreordained, if one believes in predestination, to assassinate a leading candidate for the presidency, presumably because he was overly favorable to the Zionist cause in Israel.

I was brought up in a factory town in Connecticut which was filled in my boyhood with these minorities, Poles, Swedes, Lithuanians, Slovaks, Irish, Syrian, Jewish, Negro and even a small sprinkling of Chinese, just to mention a few. They were all hardworking, ambitious for their children, and took advantage of the freely given educational facilities so that today, in what would be the third generation, they are doctors, lawyers, priests, ministers, storekeepers, manufacturers, executives, skilled craftsmen thoroughly representative of the so-called great American melting pot.

Now everything seems to have changed so radically that one wonders where the future lies.

CORRESPONDENCE

Honorable J. Edgar Hoover

June 7, 1968

Coming back to these minorities, however, in my childhood they had one thing very much in common and that was an instinctive clanishness which took over a generation to break apart. This was true of all of them. They ate together, talked together, thought together, and they knew everything that was going on among their own kind. Can it be possible that Mr. Kennedy's assassin, who had to be a member of a very small minority group, talked to no one, thought with no one, communicated with no one, and acted wholly and solely as an individual. It would be rather out of character if he did.

I have been in the Ambassador Hotel in Los Angeles many time and in that same room. The exits are not all through the kitchen. Could there have been others covering other exits? Television reporting says that Mr. Kennedy's decision to use that exit was made at the last moment as an alternative to another exit, and yet the insistence remains that one man, as in the other assassinations preceding this one, was solely responsible. This is something I am sure millions of other Americans are wondering about right now as they listen to the torrent of words being poured out from sources too numerous to mention.

Cordially,

Frank Vanderbrouk

On 6/13/68, EARL OLANDIA MURPHY, 5932 3rd Street, N.W., WDC, advised that a few days before the assassination of Dr. MARTIN LUTHER KING, he attended a rally for Senator KENNEDY at 14th and Park Road, N.W., WDC.

He stated a white male approximately 35-40 years of age, 5'6", 200 pounds, of stocky build, wearing a dark top coat and hat stood next to him as the Senator was speaking. He said this man held up a round object gray in color, approximately 2' long and 3" in diameter with an electric cord extending from it.

MURPHY said he asked the man what the object was and the man replied it was a microphone. MURPHY said this man then moved around the outer circle of the crowd and moved in toward Senator KENNEDY. MURPHY said he followed the man a short distance, the man moving in a fairly rapid fashion; however, the man disappeared in the large crowd. MURPHY stated it was

He said he could not describe this individual further as the light was poor; Senator KENNEDY was then speaking at a late evening hour. MURPHY said he doubted whether he could recognize this man if he should see him again due to the limited amount of light at the time.

MURPHY stated this man appeared to be alone and MURPHY stated he could furnish no additional information. He indicated he furnished this information as it might have had some connection to the shooting of Senator KENNEDY at Los Angeles.

Mr. MURPHY's interest and cooperation in this matter were acknowledged. WFO conducting no further investigation at this time.

On 6/12/68 the following information was received through Bureau Liaison from Mr. Floyd M. Baring a retired Secret Service Agent who has been employed by the Kennedy for President Committee.

Emma Christopher, who was a volunteer worker at the Kennedy Campaign Headquarters in Washington for a time, has reported that she knew one Suleman A. Khattab, an Arab, who worked as a volunteer for a few days at Kennedy Headquarters. She has indicated this individual "acted suspicious" during the time he was there. Baring said she had mentioned this to her present employer, Robert Wald, a Washington attorney, who in turn informed the Kennedy Headquarters officials.

Baring stated their records on Khattab indicate he was a language instructor at the Institute of Modern Language, 1616 Connecticut Avenue, Northwest, with an additional address of 2020 F Street, Northwest, telephone number 659-1646. Baring stated Miss Christopher can be reached at telephone number 363-3013. He did not have an address for her and stated he has no further information on this matter.
