HARRIS advised that he had requested on June 5, 1968, that all of SIRHAN BISHARA SIRHAN's records be sent to him from John Muir High School, and that he had received them on June 5, 1968. HARRIS advised he had done this to prevent public disclosure of these records, which would be contrary to the policies of the Pasadena Unified School District and law of California. HARRIS advised that these records are available to representatives of appropriate Governmental agencies. HARRIS advised that he was maintaining this file in his office under lock and key.

HARRIS advised that he also had in his possession, the file of MUNIR BISHARA SIRHAN, and would furnish copies of this file to agents.

HARRIS stated that he could find no record of attendance for any other member of the SIRHAN family in the Pasadena schools. HARRIS advised that persons over the age of 18 would not attend in the Pasadena School System and would probably have attended Pasadena City College, even though their level of achievement was below that of the high school standards.

HARRIS advised that he had no personal contact with SIRHAN BISHARA SIRHAN.
