Title: SIRHAN BISHARA SIRHAN

Character: CIVIL RIGHTS

Synopsis: At approximately 12:15 a.m., 6/5/68, Senator ROBERT F. KENNEDY proclaimed victory in California primary election in crowded Embassy Room, Ambassador Hotel, 3400 Wilshire Boulevard, Los Angeles. As Senator KENNEDY and party were leaving Embassy Room through kitchen exit, a series of shots were fired by an unknown individual, subsequently identified as SIRHAN BISHARA SIRHAN. Senator KENNEDY fell backward onto floor, critically wounded with bullet in brain. SIRHAN wrestled to floor, disarmed, and turned over to Los Angeles, California, Police Department (LAPD). SIRHAN refused to admit identity to the LAPD, carried no identification, and booked as "JOHN DOE" on charge of assault to commit murder. Senator KENNEDY taken to Los Angeles Central Receiving Hospital for emergency treatment, and thereafter transported to nearby Hospital of the Good Samaritan, 1212 Shatto Street, Los Angeles. Neurosurgeons operated on Senator KENNEDY for about four hours to remove fragmented .22 caliber bullet in right brain area. Senator KENNEDY succumbed to brain injuries at 1:44 a.m., 6/6/68. Autopsy conducted. Cause of death on Death Certificate shown as "gunshot wound of right mastoid penetrating brain." On 6/6/68, jet provided by the President of the United States left Los Angeles International Airport for New York City, transporting body of Senator KENNEDY and some members of family, friends, and staff. Other victims of shooting by SIRHAN were Mrs. ELIZABETH EVANS, Seagus, California, leg wound and scalp laceration; IRA GOLDSTEIN, Encino, California, back and leg wounds; PAUL HERMAN SCHRADE, Los Angeles, scalp wound; WILLIAM

SWEET WEISEL, Washington, D. C., abdominal wound; and IRWIN NEIL STROLL, Los Angeles, foot wound. Five victims recovering satisfactorily. Room of SIRHAN BISHARA SIRHAN at 696 East Howard, Pasadena, California, searched by LAPD after receiving oral consent from brother, ADEL SIRHAN. Among items found and seized by LAPD were numerous pages of handwriting. One page dated 5/18/68, contained numerous sentences among which were, "My determination to eliminate RFK is becoming more the more of an unshakeable obsession." "RFK must die - RFK must be killed. Robert F. Kennedy must be assassinated." Near the bottom of this page is written, "Robert F. Kennedy must be assassinated before 5 June 68." Other pages contain similar statements. Weapon taken from SIRHAN at time of shooting is .22 caliber Iver Johnson pistol, Serial Number H53725. Pistol contained eight shots and all shots expended. Pistol sold in Pasadena, California, in 1965 to ALBERT LESLIE HERTZ, and subsequent ownership traced through several owners to MUNIR SIRHAN, brother of SIRHAN BISHARA SIRHAN. MUNIR SIRHAN purchased weapon in mid-February 1968, at which time accompanied by SIRHAN, who loaned him six dollars toward purchase. LAPD advised one bullet removed from Senator KENNEDY's body definitely fired from this .22 caliber pistol. 1956 De Soto, registered to SIRHAN, located by FBI Agents 6/5/68, a few blocks from Ambassador Hotel. LAPD obtained search warrant and searched vehicle, locating two lead projectiles on front seat. An empty box for .22 caliber bullets found in glove compartment. Sales receipt in glove compartment revealed purchase 6/1/68, of four boxes of .22 caliber bullets in San Gabriel, California. Los Angeles County Grand Jury, 6/7/68, returned True Bill charging SIRHAN with one count murder and five counts assault with deadly weapon with intent to commit murder. Arraigned 6/7/68; date of plea set for 6/28/68. Judge issued court order restricting comment by any public official or anyone connected with case. SIRHAN confined Los Angeles County Central Jail under strict security measures. LAPD has attempted to interview SIRHAN but he refuses to discuss shooting. Investigation determined SIRHAN born 3/19/44, in Jerusalem. Entered U. S. in 1957 with parents and family. Attended junior high school, high school, and

junior college in Pasadena, California, 1957 to 1965. Mother and brothers living in Pasadena advise SIRHAN had no female associates and very few male friends. Has reputation of being "loner" who did not drink or smoke, always had great ambitions, but continually failed to reach his goals. SIRHAN reportedly had little communication with other members of family and read a great deal of books concerning history or politics. In September 1966, SIRHAN thrown from horse and reportedly injured head. Received \$2,000 settlement from insurance company for this injury. SIRHAN's mother advised in her opinion he was never the same person following this fall. GAYMOARD MISTRI, Pasadena, advised that shortly after 6:00 p.m., 6/4/68, SIRHAN joined him in local Pasadena restaurant. MISTRI talked with SIRHAN while SIRHAN ate dinner and then both walked across street to Pasadena City College. SIRHAN departed between 7:15 p.m. and 7:30 p.m., 6/4/69, without indicating any definite plans for evening after MISTRI indicated he did not want to play pool that evening. HUMPHREY CORDERO and ENRIQUE RABAGO advised had conversation with individual, subsequently identified as SIRHAN, at approximately 9:30 p.m., 6/4/68, at the Ambassador Hotel. Both of opinion SIRHAN was at Ambassador alone, and no one appeared to be accompanying him during the ten minutes they talked. SIRHAN reportedly made derogatory comments regarding "rich people" in general and Senator KENNEDY in particular. SIRHAN told RABAGO that KENNEDY was going to "buy the Presidency" for personal reasons and referred to KENNEDY as an "S.O.B." Neither CORDERO nor RABAGO had further conversation with SIRHAN during the evening of 6/4/68, and neither had ever seen him before. SIRHAN reportedly vocal in support of Arab effort in Arab-Israeli conflict, and anti-Semitic.

Date 6/6/68

On June 6, 1968, Dr. IRVIN G. LEWIS, Administrative Dean for Students Personal Service, Pasadena City College, Pasadena, California, furnished Xeroxed copies of the academic record of SIRHAN SIRHAN, who attended the school between September 1963 and May 1965, when he was dismissed for poor grades. Dr. LEWIS stated he had been contacted several times by different news media trying to obtain a copy of this record, which he had refused by law under the California Education Code. There were no samples of SIRHAN's handwriting in his file and no signature on his typewritten application for admission, which signature is normally required. There was no record of extra-curricular clubs or other activities engaged in by SIRHAN at the college. Dr. LEWIS stated the record reflected he had interviewed SIRHAN on one occasion in May 1965 because of his lack of regular attendance and failure to appear at physical education classes; however, he could not recall SIRHAN at all due to the large number of students he interviews on a regular basis. Dr. LEWIS had no record of any teachers or students who might be acquainted with SIRHAN.

He stated there was no club on the campus composed of Arab students or those of Arab origin, to his knowledge. He stated there was an International Club, which covered a broad spectrum of foreign nationalities and the study of any and all foreign cultures desired by the students. He stated Miss JOSEPHINE NISSLEY, Associate Professor in the English Department, was advisor or sponsor of the International Club.

The file of SIRHAN SIRHAN which Dr. LEWIS furnished contained the following information:

COPPING went on to say that on March 30, 1964, he employed one SIRHAN SIRHAN who worked for him at the Elite Motor Service until September 14, 1964. COPPING advised that SIRHAN was an outstanding employee, excellent worker, and never had any friends hanging around the station. He advised that during the time SIRHAN was employed by him, he worked the 4:00 p.m. to 3:00 a.m. shift alone and that none of the other employees would have known anything about SIRHAN. He advised that during his association with SIRHAN at no time did SIRHAN ever express any of his political views or nationalistic leanings or for that matter, any of his views. He advised that while SIRHAN was employed at his station, he resided with a family by the name of WILLIAM BEVERIDGE who resided at 167 North Sierra Madre, Pasadena, California. COPPING advised that SIRHAN stayed with the BEVERIDGES and that this family would probably know him better than anyone else. He advised that before SIRHAN terminated employment with him, he had moved from the BEVERIDGE residence to his mother's address at 696 East Howard, Pasadena, California.

JACK DAVIES, owner Jack Davies Richfield Service Station, 2529 East Foothill Boulevard, Pasadena, California, furnished the following information:

DAVIES advised that SIRHAN SIRHAN began working for him at the station on September 28, 1964, and terminated this employment on June 7, 1965. DAVIES advised that SIRHAN worked at this same Richfield Station for one CLARENCE COPPING, who had previously owned the service station prior to DAVIES purchasing this station.

DAVIES advised that SIRHAN was an excellent worker and never caused any trouble around the station, was friendly to the customers, and seemed dedicated to his work.

DAVIES advised that during the time SIRHAN was employed at his station, he worked the night shift alone and was an excellent employee due to the fact that he was a loner and never had any friends; therefore, there were never groups of boys hanging around the service station while SIRHAN was on duty. He advised that SIRHAN never made friends with anyone at the service station and never expressed any of his political views or nationalistic beliefs to him.

DAVIES advised that he never saw SIRHAN with any girls and the only thing he recalls about SIRHAN was that he enjoyed going to the horse races at Santa Anita and he always got the impression that SIRHAN bet most of his salary on the horses. He advised that SIRHAN once mentioned that he would like to become a jockey and if he ever started any type of conversation at the station, it was concerning horses that were running at Santa Anita.

He advised that SIRHAN was very polite to the customers, attentive, showed an outstanding personality, and one of the best employees that has worked for him since he took over the Richfield Station.

He advised that approximately two months ago, SIRHAN came by his station on a Sunday and he helped SIRHAN tune up his 1956 DeSoto. He advised at this time he noticed no change in SIRHAN. He advised that during this time while SIRHAN was at the station, no conversation developed other than SIRHAN mentioned to him that his automobile had not been running for the past couple of months and that he had not purchased license plates for this automobile and that license plates currently on the automobile belong to his brother.

DAVIES advised that he never met any of SIRHAN's relatives nor at anytime while SIRHAN was employed by him did any of his friends come to the station.

DAVIES advised that IVAN MILICIC, who runs the Chevron Station across the street from his business, once needed some help in 1965 and SIRHAN worked for MILICIC approximately two weeks.

DAVIES advised that the last time he saw SIRHAN was on June 3, 1968, at approximately 11:00 a.m. when SIRHAN drove into his station to get gas. He advised that at this time, he was talking on the telephone and he noticed that SIRHAN had waved to him. He advised that SIRHAN waited on himself by putting the gasoline into his car and gave the money to SIDNEY MC DANIEL, an employee of the service station and SIRHAN drove off before DAVIES could speak to him.

DAVIES advised that although several of his customers may have known SIRHAN to see him, he is certain no one knew him well. DAVIES advised that he did not notice any difference in SIRHAN the past few months and he did not seem to change any since he was employed at the Richfield Service Station.

DAVIES went on to say that when he saw the picture of the suspected assassin of Senator KENNEDY on television, he immediately identified this individual as SIRHAN, who was employed by him and he further stated that it was hard for him to believe that SIRHAN could do this type of thing.

DAVIES then furnished the following names of individuals who might have known SIRHAN:

BERT ALTFILLISCH, manager and part owner of Granja Vista Del Rio Farms at 13200 Citrus, Norco, California, advised that his regular office manager and bookkeeper, who was off with a broken back, had observed on television the person accused of shooting Senator ROBERT F. KENNEDY in Los Angeles. He had contacted him and advised that this appeared to be a former employee of theirs.

From his records, Mr. ALTFILLISCH was able to advise that SIRHAN, with Social Security No. [REDACTED], came to work for this farm on June 2, 1966, as an exercise boy with the thoroughbred horses. He was laid off on December 10, 1966. He gave his home address while working this six month period as 696 East Howard, Pasadena, California. He gave his date of birth as March 19, 1944, and his telephone number as SYcamore 8-2136.

Mr. ALTFILLISCH was able to advise from memory of little contact with SIRHAN and, from comments made about him by other employees, that he was supposed to be a political science student who had dropped out of school to try and become a jockey. He had come to this country with his brother and mother, but Mr. ALTFILLISCH did not know when. He seemed interested in politics but did not espouse any particular ideology or ideas that could be pinned to any political assaults or to any political party of any kind. He was very adamant in his beliefs and was dogmatic in his attitude in all things including politics and including his desire to be a jockey.

Mr. ALTFILLISCH discharged SIRHAN after it was apparent that he was not happy in his work and was not making much progress towards becoming a jockey. The trainers and Mr. ALTFILLISCH felt that he was too timid towards horses to ever become a good jockey. He was also not looked upon with favor by Mr. ALTFILLISCH since on one occasion he had attempted to organize the exercise boys into going home at noon and doing only exercise boy work. In other words, he did not like long hours of work and he felt that he was above doing the groom work since he was hired as an exercise boy. Mr. ALTFILLISCH was able to convince him and the others that if they did not do their work as directed, they would

all be fired immediately. After this they all returned to work including SIRHAN and no more was heard regarding this matter.

It is noted that this farm is a large thoroughbred horse racing raising and training farm and as many as five to ten exercise boys and girls are hired at one time. Mr. ALTFILLISCH said he did not recall exactly who SIRHAN resided with at the time he was working at the farm. He believed he resided with one TERRY M. WELCH and possibly with a RICK VALDIZ who is presently at the Descancio Farms near San Diego, California, and possibly with STEVE GUERRERO, who he believes is working for RON MC MALLY at the Santa Anita Race Track. He has no idea where TERRY M. WELCH might be as he understood the Riverside Sheriff's Office was seeking his whereabouts at one time. He advised that SIRHAN may have lived with these people and may not. He believes he stayed somewhere in the vicinity of Norco during the week and traveled home to Pasadena on weekends. He was not particularly close to anyone at the farms and did not form a buddy relationship with any one particular person as is usually the habit of people working in this type of work. Mr. ALTFILLISCH said the only person working here at the present who would have had any contact with SIRHAN would be GARY NORRIS, the present trainer. He advised that GARY NORRIS took over the training work from one ROBERT LYNN WHEELER, who is presently a trainer at the Santa Anita or Hollywood Park Race Track.

Mr. ALTFILLISCH does not recall any mail coming in for SIRHAN. He never heard of SIRHAN being a member of any type of organization or attending any type meetings of any kind. He again pointed out that he had a number of employees and they were engaged in a busy type operation and although he had heard several comments concerning SIRHAN he did not have personal contact with him over a very few times.

Mr. ALTFILLISCH said that his records show that TERRY M. WELCH resided at 392 North Cota, Corona, California, in 1966.

3  
LA 56-156

Mr. ALTFILLISCH advised that while employed here SIRHAN was thrown from a horse on September 25, 1966. He advised that this happened in the morning hours and SIRHAN was immediately taken to the Corona Community Hospital in Corona, California. Mr. ALTFILLISCH made available copies of his information furnished by the doctor, the insurance company and his own report of this incident. He recalled that SIRHAN came back to work within a very few days after this incident and that he did not appear to be injured seriously. He was scratched up considerably and was uncomfortable for a few days. He worked for about two months after this and then later brought an action to obtain money from the insurance company for his injury.

Mr. ALTFILLISCH advised that during the summer, besides TERRY WELCH he had employed at the time three local girls as in the exercise area. One was PEGGY OSTERKAMP, the other was LINDA SEABOLT and JANICE PUCY.

Xerox copies of the reports furnished by Mr. ALTFILLISCH are attached.

TRULA MERRIMAN, Stenographer, California Horse Racing Board, 205 South Broadway, furnished the following:

She made available an application for license as a hot walker completed by SIRHAN BISHARA SIRHAN. The license was issued on January 1, 1966, at the Santa Anita, California Race Track.

The application indicated that SIRHAN BISHARA SIRHAN, 696 East Howard Street, Pasadena, California, was born on March 19, 1944 in Jerusalem, Jordan. His employer was listed as GORDON BOWSHER. A previous employer of SIRHAN was listed as CLARENCE COPPING, 2529 Foothill, Pasadena, California. Three names were listed on the form as persons who have known SIRHAN well for the past ten years. These individuals were furnished as: WALTER CROWE, 1700 Topeka Street, Pasadena, California; TOM GOOD, 1743 Elizabeth Street, Pasadena, California; JOHN STRATHMANN, 1760 North Oxford Avenue, Pasadena, California. The form was signed "SIRHAN SIRHAN".

Mrs. MERRIMAN advised that she was furnishing this original form for the use of the FBI. She stated it is signed by SIRHAN and was probably executed by him as these forms are normally filled out by the applicant.

KATIE COFFEY, Secretary for Dr. NELSON, and whose residence is 11315 Laverne, Riverside, California, advised that she recalled SIRHAN SIRHAN coming into the office in the fall of 1966, after he had been thrown from off a horse. She advised that he was a very nervous and "jumpy" person, and she talked to him on a few occasions attempting to get him to settle down in the office and not to be so upset while awaiting the Doctor. She said that from the slight conversation she had with him, he appeared to be an unhappy and nervous person who gave the impression he felt like he was being picked on most of the time. She said that he appeared to be very self-conscious about his very small size. She had no discussions with him of a political or social nature, and talked with him in an attempt to calm him down. ...

Date 6/8/68

Dr. RICHARD A. NELSON, Suite 7, 760 South Washburn, Corona, California, advised that he recalled treating SIRHAN SIRHAN for an injury received from a fall. SIRHAN SIRHAN was thrown from a horse while he was employed by the Granja Vista Del Rio Farms. He was first seen on September 25, 1966, when he was brought to the Corona Community Hospital. Dr. NELSON said that there was no serious injury incurred. He was admitted to the hospital by Dr. NELSON on September 25, 1966, at 12:30 p.m. He was released at 1:35 p.m. on September 26, 1966. Dr. NELSON wanted him to stay in the hospital longer, but he was very reluctant to stay in the hospital and almost a belligerent patient. X-rays were taken of his skull, back, shoulders, and arms, and they were all negative. There was no permanent damage incurred in any place from this fall. SIRHAN was scratched extensively and the injury was painful for a few days, but was not serious.

Dr. NELSON recalled SIRHAN questioned all of the medical applications and all medicines administered to him, and appeared unduly frightened of the various treatments. Dr. NELSON said that he appeared to be an angry young person, but that he did not give it much thought at that time. He said that he does remember him very plainly, because he was one of the most reluctant patients that he had ever had.

Dr. NELSON furnished the copies of all the medical records at the Corona Community Hospital, and furnished these to SA BLANTON.

After SIRHAN was released on September 26, 1966, Dr. NELSON saw him again on September 29, 1966. Notations were made in his own records that he was healing, and he was fully active at that time. He saw him again on October 26, 1966, in his office, and SIRHAN appeared to be completely healed. He complained of a little trouble with his left eye, and Dr. NELSON referred him to Dr. MILTON A. MILLER, 824 South Main, Corona, an optometrist.

Dr. NELSON again stated that SIRHAN's injuries were not serious and were only dirty and momentarily painful.

Attached is a copy of the Corona Community Hospital Records pertinent to SIRHAN SIRHAN made available by Dr. NELSON.

REPORT OF RADIOLOGIST

**SKULL:** The examination of the skull shows the cranial pattern quite well. The information of a fall from a horse is reviewed. The films do not show evidence of depression or fracture. A prominent vascular pattern is suggested near the vertex. The sella turcica is normal and portions of the cervical spine is included.

**LEFT SHOULDER:** The examination of the left shoulder failed to show evidence of fracture or dislocation. The joint margins are preserved. Portions of the lungs and upper ribs are seen.

**THORACIC AND LUMBAR SPINE:** The examination of the thoracic and lumbar spine shows the vertebral bodies fairly well. On one view there is a questionable shadow involving T7 but this is not supported by other views and definite evidence of compression fracture is not seen. If the patient should have pain perhaps oblique views would be of value. The adjacent ribs incidently are seen and appear intact.

**LUMBAR SPINE:** The examination of the lumbar spine shows no compression of the vertebra or spaces. The transverse processes are quite well outlined. The lower ribs are seen. No major bone defect is visible. Portions of the pelvis and hip regions are included.

**LEFT HAND:** The examination of the left hand shows no fracture or dislocation.

**CONCLUSION:** No gross bone defect seen in the spine, left shoulder, left hand or skull.

## FEDERAL BUREAU OF INVESTIGATION

1Date 6/8/68

MILTON A. MILLER, Medical Doctor, Optometrist, 824 South Main, Corona, California, advised that SIRHAN SIRHAN had been first seen at his office on November 8, 1966, for an eye injury and gave the history of being thrown from a horse while working as an exercise boy.

SIRHAN gave the history of being thrown from a horse while working at one of the local farms. He was referred to Doctor MILLER by a General Practitioner, Doctor RICHARD A. NELSON. He examined the eye of SIRHAN and noted in his records that SIRHAN seemed to exaggerate his injuries, that 20-20 vision was found in both eyes and that there was a small view of vision in the left eye that might have been restricted in a slight way. He saw him again on November 14, 1966, November 22, 1966, and December 20, 1966. Doctor MILLER noted in his records on December 20, 1966, that he believes that SIRHAN was a malingerer. When he last saw SIRHAN on December 20, 1966, SIRHAN told him he was no longer employed in this area and was living in Pasadena. Doctor MILLER referred him to a Doctor KOEHN in Pasadena and stated that he was glad that he was no longer in this area. He said he told SIRHAN that he could not write a letter to his insurance company, stating that his injury was not of a nature wherein he should collect compensation. He advised that SIRHAN appeared very angry and nervous, but that he had no discussions with him and recalled no conversations in the office with SIRHAN. He does recall that after he had seen him on the last occasion, December 20, 1966, at approximately two hours later, he received a telephone call from SIRHAN. SIRHAN told him something to the effect that if he did not do what he wanted him to, he would "get him". SIRHAN did not say how he would get him and did not give Doctor MILLER time to answer him but hung up the telephone. Doctor MILLER said he did not make a report of this to the police department as he merely passed it off as an angry young man and besides, he noted that SIRHAN did not say how he would get him.

## FEDERAL BUREAU OF INVESTIGATION

Date 6/7/68

E. GORDON KIEHN, M.D., Eye Physician and Surgeon, Suite 203, 48 North El Molino Avenue, Pasadena, was interviewed concerning his knowledge of SIRHAN SIRHAN. KIEHN was advised of the identity of the interviewing agent and he stated that he had treated SIRHAN for a work related eye injury sustained on or about September 24, 1966.

SIRHAN SIRHAN, 696 East Howard Street, Pasadena, California, telephone No. SY 8-2136, Social Security No. [REDACTED] came to his office on February 21, 1967, having been referred by Dr. MILTON A. MILLER of Ontario, California. SIRHAN exercised horses at the Granja Vista Del Rio Ranch (Atfillisch Construction Company), 13200 Citrus, Corona, California, and on or about September 24, 1966, he was thrown from his horse and suffered injuries around the left eye. SIRHAN thought he was unconscious for a brief time and he was treated at the Corona Community Hospital by a Dr. RICHARD A. NELSON and the wounds around the eye and chin were sutured. Four days later the sutures were removed.

SIRHAN reportedly suffered a brief injury again a few days after the initial injury and the wound edge separated a little bit. SIRHAN was unaware of any eye problems until he began exercising the horses again at which time he had to move his head from left to right in order to see well on either side. This was especially noticeable in the left eye.

Because of his eye complaints, he was referred to Dr. NELSON of Corona, California, and following this to Dr. MILTON A. MILLER of Ontario, California.

SIRHAN complained of twitching of the left eye lid when he looks to the left, wrinkles his forehead or makes facial movements. He has had no subsequent unconscious attacks, no dizziness, or other complaints except that of a persistent pain in the superior nasal aspect of the left orbit.

Dr. KIEHN stated that he found SIRHAN's vision to be 20-20 in either eye uncorrected and he had no significant injuries to the eye. X-rays were negative.

He stated that he regarded the injury as having functional overlay as the injury was not as serious as SIRHAN believed.

He described SIRHAN as fairly neat and clean in appearance and the aesthetic type with frail features.

He said that SIRHAN at times was very affable and pleasant but he could also be very disturbed at times. He stated that he saw SIRHAN twice a month after February 1967 through April and then SIRHAN did not show up for about six months. He stated that in the meantime SIRHAN had seen Dr. FORREST L. JOHNSON and Dr. ALBERT TASHMA.

He stated that from October through December he saw SIRHAN about once a week to put drops in his eye which seemed to alleviate the pain.

He stated that SIRHAN never discussed politics with him and he knew little of his background.

Dr. KIEHN advised that as a result of his contact with SIRHAN he did not consider him a stable person and believes that he could be influenced by others.

He stated that Dr. MILLER told him that SIRHAN had made some type of threat over an insurance report for the eye injury. He stated that he believes SIRHAN mentioned that he "would take care of him" (Dr. MILLER) if he did not write a favorable report.

## FEDERAL BUREAU OF INVESTIGATION

Date 6/7/68

MAURICE W. NUGENT, Ophthalmologist, 726 Malcolm Avenue, Los Angeles, California, after being advised of the identity of the interviewing agent, was interviewed at his residence concerning SIRHAN B. SIRHAN, 696 East Howard Street, Pasadena, California, an employee of Granja Vista Del Rio Ranch, 1300 Citrus, Corona, California. The employer's insurance carrier is Argonaut Insurance Company, 443 Shatto Place, Los Angeles, California.

Dr. NUGENT advised that SIRHAN was referred to him by ANNE P. TOOMER, Attorney, 16 North Marengo Avenue, Pasadena, California, for examination relative to an industrial injury sustained on about September 24, 1966.

Dr. NUGENT examined SIRHAN on October 10, 1967. SIRHAN advised that he had been thrown from a horse on or about September 24, 1966 at Corona, California, and he believed that he was thrown into a fence. He stated that he was unconscious for a short time and regained consciousness in the Corona Community Hospital while his facial lacerations were being ~~sutured~~ sutured. He stayed in the hospital overnight and was released and about one week later he returned to the hospital for the removal of the sutures.

He returned to work at the Granja Vista Del Rio Ranch about two weeks later and then noted poor movement in his left eye with a feeling of tension and pain.

Dr. NUGENT's examination reflected that SIRHAN's vision was 20-15, or better than normal in each eye without correction.

In the area towards the nose, the left upper eye lid showed a very small scar remnant which had healed exceptionally well.

Dr. NUGENT concluded that SIRHAN had a most excellent pair of eyes and . most excellent surgical results of a repair of his laceration in the nasal end of the left upper eye lid and there was no indication whatsoever of further treatment or complications or resultant disabilities. The eye examination showed no defect of the interior eyes nor any localization of any central nervous system defect.

Dr. NUGENT advised that SIRHAN impressed him as a very pleasant and cooperative young man.

He stated that SIRHAN did not discuss his political beliefs and he had no additional knowledge of SIRHAN's background.

Dr. NUGENT advised that he believes that SIRHAN had obtained the services of Attorney TOOMER to assist him in a workmen's compensation case as a result of the eye injury sustained while employed at the ranch.

He stated that SIRHAN impressed him as being unusually cooperative and pleasant in spite of the fact that his examination had reflected no physical defects.
