STEVEN SMITH, Southern California Coordinator for the KENNEDY Campaign, made available through a clerk, LUCY SALINGER, copies of proposed itineraries to be utilized by the Senator and his party in their West Coast Campaign.

These itineraries cover the dates of March 23 through March 25, 1968, April 18 and 19, 1968, May 6, 7, 15, 16, 20, 21, 22, 24, 28, 29, 30, and 31, 1968, and June 2, 3, and 4, 1968.

SMITH advised these schedules normally would have been prepared by the "Advance Men," JERRY BRUNO or JOE DOLAN. BRUNO would have been more concerned with the travel during the latter part of May 1968, while DOLAN was more active in the earlier dates and, he believed, particularly in the Oregon travel.

SMITH stated further that these itineraries were subject to change and that more specific information should be available through the KENNEDY Headquarters in Washington, D. C., as to any alterations that may have occurred in the original schedule.

CRUIKSHANK further advised TRPB that BERT C. ALTFILLISCH, DONNARUMMA's last known employer at 13200 Citrus Street, Corona, California, indicated that he no longer employed DONNARUMMA and had heard that he was in jail somewhere in the East.

Mr. HANSON said that his files contain no information to indicate the current whereabouts of the above individual.

JOHN HANSON, Special Agent in Charge, Thoroughbred Racing Protective Bureau (TRPB), 1709 West 8th Street, Los Angeles, California, advised that the records of his office reflect that FRANK DONNARUMMA had been fingerprinted by TRPB at Santa Anita Race Track in 1966 as the result of his application for track credentials. DONNARUMMA later admitted that his true name was HENRY DONALD RAMISTELLA. He was denied credentials for Santa Anita because of a former suspension by the New Jersey Racing Commission for making an unsatisfactory ride as a jockey and giving false testimony before the track Stewards.

Mr. HANSON said at the time of the application for Santa Anita credentials on January 25, 1966, RAMISTELLA indicated that he was then employed as a ranch trainer by Granda Vista Del Rio at 13200 Citrus Avenue, Corona, California, and he was described as a white male born in Bronx, New York, March 25, 1932, 5'7", 130 pounds, brown hair, blue eyes.

Mr. HANSON further stated that RAMISTELLA in former years rode as a jockey on the East Coast. On October 1, 1956, he was arrested in Elmont, New York, on a charge of possession of marijuana, and on November 20, 1956, he entered a plea of guilty to this charge and was sentenced to 60 days in the County Jail, sentence suspended. He had been previously arrested on September 3, 1956, at Jamaica, New York, for possession of marijuana, and this charge was later dismissed.

RAMISTELLA was fingerprinted at Delaware Park Race Track on June 16, 1964, as an applicant for exercise boy license.

On September 19, 1967, MARTIN CRUIKSHANK, Bank of America, telephone 683-3591, telephoned TRPB Agent R. H. WILLIAMS regarding any current information as to the whereabouts of FRANK DONNARUMMA. According to CRUIKSHANK, DONNARUMMA had purchased a 1962 Lincoln Continental, California license GHH 895, giving his address as 13200 Citrus Street, Corona, California, and financed this vehicle through the Bank of America. Mr. CRUIKSHANK indicated that the payments on this vehicle are delinquent and that the bank desired to repossess this vehicle. Mr. CRUIKSHANK said he had been in touch with the California Horse Racing Board, and they could furnish no information indicating the current whereabouts of DONNARUMMA.

MERLE MARION MATTESON was interviewed outside of Tack Room Number Two at Barn Number Three, Hollywood Race Track, where he lives. He advised he is a white male, born October 14, 1913, in Canada, is 5' 8" tall, weighs 140 pounds, and has balding brown graying hair and blue eyes. He advised he is a groom and a hot walker. He has a married daughter and a son serving in Vietnam. He was shown photographs of SIRHAN BISHARA SIRHAN and stated he cannot recognize him as anyone he knew.

MATTESON continued that he had predicted President KENNEDY's assassination because President KENNEDY was once Commander of PT Boat 109 and there is a verse in the 109th Psalm which bears on this situation. MATTESON continued that there is a quote in the newspaper stories, especially editorials, which is influenced by Jews, that is a key to parts of the Bible that explained world problems.

On May 20th Investigator R. B. Meyhaus interviewed BRENT COLCORD concerning the anonymous message. COLCORD, after perusing the envelope, stated he thought HERB MARION MATTESON could have written the letter because on May 10th he had an argument with him. COLCORD said MATTESON let a hot horse drink a half-pail of water, which was contrary to the training methods practiced by COLCORD. MATTESON was terminated on May 11th and went to work for Robert Wingfield the same date.

Investigator Meyhaus interviewed MATTESON on May 20, 1968, at which time he admitted writing the unsigned message. MATTESON said he felt BRENT COLCORD was negligent in handling his horse and failed to feed his dog. MATTESON said he felt this letter was one way he could let people know how he felt about BRENT COLCORD. MATTESON said he has worked with thoroughbred horses for about three years and has been licensed in New York, Ohio, Kentucky, Illinois, and California. Subject denied writing any other anonymous letters. It was Investigator Meyhaus' opinion that subject is suffering from a mental illness of some kind.

TRFB files in Los Angeles show subject was fingerprinted at Santa Anita on March 12, 1968, with the return showing one arrest by the Reno, Nevada Police Department on April 9, 1963; charge, disorderly, \$30 or 30 days; fine paid, CII #2325510. According to CHRD records, subject is described as follows:

Sex:	Male
Race:	White
Date of Birth:	10/14/13
Place of Birth:	Canada
Height:	5'8"
Weight:	140#
Hair:	Brown
Eyes:	Blue

On May 21, 1968 Gordon Glisson, who handled the stable mail at Santa Anita, was shown the envelope from MATTESON, and was sure he recognized the handwriting and the style of writing as being identical with letters that had been posted at the stable mail room during the Santa Anita meeting. Glisson said these letters were addressed to such people as the President of the United States, Secretary of Defense, and the Roosevelt Mansion. Glisson said he mailed the letters, as they had been properly stamped and addressed. Glisson said he did not know the author of the letters.

U. S. Secret Service,
Mr. Sherman said he would communicate with their Washington office to determine whether similar type messages had been referred there from the office of the U.S. Presidency. Mr. Sherman later called back and asked that the original of the envelope described in this report be submitted to him for examination. Mr. Sherman indicated he was checking on several communications of the same type that had been written anonymously on envelopes with red and blue ink. Mr. Sherman said when his examination was completed, he would return the original to the TRFB office in Los Angeles.

Earlier in the Hollywood Park meeting a similar type anonymous message written on a large plain white envelope was received at Hollywood Park addressed to the Stewards. This envelope was either lost or misplaced, as it is not presently available. This message contained numerous references to biblical quotations, etc.

RAY WILLIAMS, Agent, Thoroughbred Racing Protective Board (TRPB), Hollywood Park Race Track, advised that he had learned that SIRHAN BISHARA SIRHAN had worked for JOHN SHEAR, now the paddock gate guard who used to be assistant trainer for GORDON BOWSHER (phonetic), a trainer. WILLIAMS also learned that SIRHAN worked for LYNN WHEELER, a trainer, who has Box 211 in the track area.

WILLIAMS further advised that he had learned that SIRHAN was a friend of a race track "hot-walker" named MERLE MATTESON. Hot-walkers are the men who walk horses to cool them down after a race or a workout. It is, according to WILLIAMS, very low status work. The hot-walkers also clean stalls, et cetera. WILLIAMS said MATTESON is in his mid-50's, is constantly quoting the Holy Bible and has written anonymous anti-Semitic letters to the President of the United States, Secretary of Defense and other public officials. WILLIAMS said his source of information about SIRHAN and MATTESON is GEORGE WEINER, who is a former Los Angeles County Deputy Sheriff now with the California Horse Racing Board, at MA 0-4160 in Los Angeles. WILLIAMS advised that MATTESON lives in Tack Room Number Two, Barn Number Three, at Hollywood Park Track. CALIF

WILLIAMS made available the attached copy of a report on MATTESON dated May 23, 1968, relating to his letter writing. WILLIAMS believes that MATTESON is a mental case.

ALLEN said that when reading all of the publicity regarding the KENNEDY assassination, she became very concerned for the mother of the accused assassin, SIRHAN SIRHAN, and wanted to help her in any way she could during this time of sorrow.

MRS E.K. ALLEN said she read in the newspaper an article which listed a neighbor of SIRHAN by the name of MARGUERITE DAUGHERTY, 709 East Howard Street and telephonically contacted Mrs. DAUGHERTY to see if there was any way she could help SIRHAN's mother.

ALLEN advised that she is 83 years of age and three years ago had traveled around the world as a type of goodwill ambassador for the State of California. She stated that she was not employed for the State of California but merely did this on her own as she wanted to inform other countries of the life in America and also obtain information regarding how other peoples of the world live.

ALLEN stated that she has been a member of the United American Arab Congress, Hollywood Boulevard, Los Angeles, and also the Asia Society, Hollywood, California, for approximately two years. ALLEN said that her main interest in life is to educate the people in the United States about foreign countries and especially the Arab countries. She stated that she felt that the American people were indirectly guilty for Senator KENNEDY's death because of our ignorance to the problems confronting other countries of the world, especially the Arab and Jewish world.

TAPPAN working in "industrial espionage." This individual told TAPPAN to study the Italian language, as he would possibly be in Italy in this line of work. This individual, did not identify himself but said he would contact TAPPAN again.

TAPPAN is very desperate for work and advised that he would accept almost anything, however, he would not accept anything illegal. He further advised that since placing the ad in the newspaper, he has not received any calls concerning the assassination of ROBERT F. KENNEDY. He stated that he would not get involved in anything of that nature.

He was very unhappy about this assignment and felt he should have gotten what he had requested. TAPPAN admitted that he intentionally tried for a medical discharge, because he was so unhappy with the military. He did not think it was wrong to do this.

Prior to enlisting in the U. S. Army, TAPPAN received treatment from a Dr. DUBE (phonetic) in Center Ossippee, New Hampshire, from the fall of 1959 to the summer of 1960, for "extreme nervousness." While in the Army, TAPPAN also received treatment for "extreme nervousness" before receiving his medical discharge.

After being discharged, TAPPAN stayed at his home in South Tamworth, New Hampshire, until June of 1962. He then moved to Boston, Massachusetts, and lived at 64 Westland Avenue for approximately two years. While in Boston he worked at numerous jobs, none of which amounted to anything important. In 1964, TAPPAN moved to Pasadena, California, and lived at 70 South Grand for approximately one and one half years before moving to his present address at 428 North Los Robles. TAPPAN has had the ad in the "Free Press" since about the first week in March. He stated he has received numerous calls from cranks but has received a few legitimate offers. One offer was from a JOHN REISMAN, and a JOHN PHILLIPS, telephone number 628-4421, who offered TAPPAN a job driving automobiles to the East Coast for which he would be paid \$800.00 a trip; however, TAPPAN has not been able to confirm the offer, as he has been unable to contact those individuals at the telephone number given. Another offer received by telephone has to do with "industrial espionage." TAPPAN advised he received a call about one and one half weeks ago from an unknown male who asked if he would be interested in the above type work. When TAPPAN indicated he would be, the caller advised he would contact TAPPAN at a future date. On or about June 6, 1968, TAPPAN was visited by a man he described as a white male, 5'4", slim build, swarthy complexion, long dark brown hair, odd shaped face, wearing very expensive, dark blue, iridescent suit, pointed black shoes with buckles, who talked about

Pasadena, California, was interviewed by SAs JOSEPH A.
 CHEFALO and WAYNE L. BOURQUE, who identified themselves as
 Agents of the FBI. TAPPAN was warned of his rights and waived
 them as shown on an executed warning and waiver form.

It was explained to TAPPAN that he was being interviewed concerning the placing of an ad in the Jobs Wanted Section of the "Free Press", a weekly newspaper published in Los Angeles, which read, "I must have \$1,000.00. Do anything. Free to travel, danger OK. Call 793-2212 between 7 - 8 p.m." ^{N. H.}
MASS

TAPPAN stated that he placed the ad in the "Free Press" because he needs money to get started in a gold mining venture near Apache Junction, Arizona. He is very interested in gold mining and has placed an ad in the "California Mining Journal" asking for work in gold mines. This ad resulted in his becoming acquainted with one MARTHA AYLOR, Ironwood Street, Apache Junction, Arizona, who owns property near Apache Junction on which some abandoned mines are located. TAPPAN visited AYLOR, who is over 70 years old, looked over the mines and believes he has found the "Lost Dutchman's Mine." He has agreed to work the mine for AYLOR, but he needs \$2,000.00 to get started. He placed the ad in the "Free Press" because no other Los Angeles newspaper would allow such an ad.

TAPPAN is presently employed as a dishwasher at the Western Coffee Shop, 155 South Rosemead, Pasadena, California, because he is unable to obtain a better job due to a "raw deal" he received from the United States Government. The "raw deal" was a medical discharge from the United States Army (USA). TAPPAN enlisted in the USA in 1960 and requested training in electronics or communications but was instead assigned to the cavalry, specializing in tanks.

On June 12, 1968, JOHN EDGAR HOWARD, Deputy District Attorney, Los Angeles County District Attorney's Office, advised SA R. J. LA JEUNESSE, JR. as follows:

Los Angeles County Superior Court Judge ARTHUR L. ALARCON requested attorney A. L. WIRIN, associated with the American Civil Liberties Union in Los Angeles, to consult with SIRHAN BISHARA SIRHAN. This request was made in open court by Judge ALARCON, at which time Judge ALARCON pointed out he desired WIRIN to consult with SIRHAN to insure that all of SIRHAN's constitutional rights would be fully protected.

WIRIN, after consulting with SIRHAN, has issued public statements indicating it was his desire that the California Bar Association appoint a criminal attorney to represent SIRHAN, subject to SIRHAN's personal approval.

On June 11, 1968, WIRIN consulted with Los Angeles County Superior Court Presiding Judge DONALD WRIGHT. As a result of this meeting, it appears that WILBUR LITTLEFIELD, Chief Trial Attorney for the Los Angeles County Public Defender's Office, will represent SIRHAN.

Tentative plans of the Los Angeles County District Attorney's Office are that Mr. LYNN COMPTON, Chief Deputy District Attorney, will head the prosecutive staff in future court proceedings.

NAJEEB H. KHOURY was interviewed at his residence, 5767 Fountain Avenue, Apartment 8. After the agents identified themselves, KHOURY was advised of the FBI's interest in the shooting of U.S. Senator ROBERT F. KENNEDY.

KHOURY advised he was a Medical student, University of Guadalajara, Mexico City, Mexico. He returns to Los Angeles each vacation and during the summer to make enough money for the next semester's expenses. During these periods he plays the "Oud", a musical instrument, at the Arabian night club, La Fez, 1508 North Vermont, Los Angeles. SIRHAN SIRHAN had a brother, ADEL SIRHAN, who also worked at the La Fez, but KHOURY was only casually acquainted with him. Through this brother, KHOURY met two or three other members of the SIRHAN family, but he never knew SIRHAN SIRHAN. The only time KHOURY ever visited the SIRHAN home was approximately one year ago following the death of AIDA SIRHAN, a sister and the victim of Leukemia.

KHOURY stated he had always been pro-KENNEDY. He explained that he considered President JOHN F. KENNEDY a real friend of the Arabs and felt ROBERT F. KENNEDY shared these views. For this reason he was shocked that a Jordanian, or any Arab for that matter, would kill ROBERT KENNEDY. KHOURY denied that he belonged to any organizations, pro-Arab or otherwise.
