

LA 56-156

On 6/18/68, REX NEVINS, Reporter for the Riverside Press-Enterprise, Indio, California, advised that REX WESTERFIELD, Public Relations Director for Western Division, John Birch Society, held a press conference in Indio that afternoon concerning CAESAR CHAVEZ, Director of United Farm Workers Organizing Committee, AFL-CIO, who is in Indio Area attempting to organize grape workers. WESTERFIELD identified various persons connected with CHAVEZ movement as communists or communist sympathizers. He distributed an article entitled "The Grapes", concerning the Delano Grape Strike, which appeared in the June, 1966, issued of "American Opinion", Page 4. There is a picture in this article of over twenty persons, among whom was SAM KUSHNER, whom WESTERFIELD identified as communist. At press conference, WESTERFIELD pointed to young man in photograph, who was wearing light colored sweater, and commented that "The FBI was investigating this man as SIRHAN SIRHAN." NEVINS compared a newspaper photograph of SIRHAN with picture of man in light colored sweater and said there was close resemblance.

KUSHNER is a member of the Southern California District Communist Party and was active in covering Delano Grape Strike for Daily People's World.

## SYNOPSIS:

Re my memorandum to you June 21, 1968, advising Attorney Russell E. Parsons to represent Sirhan Sirhan and assisted by another lawyer. Los Angeles advised confidentially this would be Grant Cooper. Bureau has not investigated Cooper. Law Directory reveals one Grant B. Cooper, born 1903, admitted 1927 and attended law school Southwestern University, Los Angeles. In 1941, investigator for Jack Tenny Committee investigating communism in California, advised one Grant Cooper of the County District Attorney's staff was married to daughter of Mayor Bowron's secretary. Wife was reported to be close associate of a prominent Young Communist League leader and also a member of American Student League. In 1949, we were advised Grant Cooper and another lawyer were considered the "fix" attorneys in LA area. Cooper represented Lila Leeds in 1949, a bit actress who had various arrests. She was arrested with Robert Mitchum on narcotics case. Cooper reportedly had associate in his firm, the son of LA County Sheriff Eugene Biscailuz. Cooper represented a communist in 1956 before the HCUA; a local Teamster's Union official on a perjury indictment, and was approached in 1961 at instructions of attorney Bufalino, Detroit Teamster's official, to represent Frank Carbo on an extortion and anti-racketeering charge. Cooper set his fee for \$50,000, but would not take cash for his fee. In 1960, Cooper served on Governor Ed Brown's committee to study insanity in relationship to law. Also in 1962 was vice chairman of National Council on Crime and Delinquency formed to study crime and delinquency. Has represented other individuals in criminal element, a Chinese espionage subject and prominent persons charged with murder.

Memorandum to Mr. DeLoach  
Re: Assassination of Senator Robert F. Kennedy  
Los Angeles, California

DETAILS:

Reference my memorandum to you June 21, 1968, which advised that Attorney Russell E. Parsons would represent Sirhan Sirhan and would be assisted by another attorney. The Los Angeles Office, on a most confidential basis, determined that this attorney who would assist Parsons was Grant Cooper, a well-known Los Angeles trial lawyer.

We have not investigated Cooper. Martindale-Hubbell Law Directory reveals one Grant B. Cooper, born in 1903, was admitted to practice in 1927, attended law school at Southwestern University in Los Angeles. Our files reveal numerous references bearing out his reputation as an expert trial lawyer, particularly in the criminal field.

In 1941 the chief investigator for the Jack Tenny Committee investigating communism in California advised that one Grant Cooper, then on the Los Angeles County District Attorney's staff, and close to Mayor Fletcher Bowron, was married to a daughter of Mrs. Norton, Mayor Bowron's secretary. Phyllis Norton Cooper, the wife, was reportedly a former close associate of Celeste Strack, a prominent Young Communist League leader in Southern California and formerly active in New York City. (100-15252-6x2)

Another source advised the Los Angeles Office in 1942 that Grant Cooper's wife, Phyllis, was a member of the American Student League. (100-65747-30)

A letter from Los Angeles dealing with the crime situation trend in August, 1949, informed that Grant Cooper and an attorney, Max Solomon, were considered the "fix" attorneys in the Los Angeles area. (62-75147-26-315) (source not stated)

A crime survey report in 1949 from the Los Angeles Office indicated Cooper was the attorney for a bit actress, Lila Leeds, who was arrested along with Robert Mitchum and others on a narcotics charge. At this same time, Los Angeles advised that Cooper had as one of his associates in his law

Memorandum to Mr. DeLoach  
Re: Assassination of Senator Robert F. Kennedy  
Los Angeles, California

firm the son of Los Angeles County Sheriff, Eugene W. Biscailuz. (62-75147-26-285,351)

Cooper represented one Samuel Jesse Berland in his appearance before the House Committee on Un-American Activities in April, 1956. Berland, according to our investigation, has been prominent in communist activities in the Los Angeles area for an extended period of time and is still maintained on the Reserve Security Index. (100-233287-55)

Los Angeles letter of March 27, 1957, dealing generally with the criminal rackets activities in the Los Angeles Division, stated that Attorney Grant Cooper was the attorney for one Philip Watler, a business agent of the Local Teamster's Union. Watler was indicted by a Grand Jury for perjury. (62-75147-26504)

The San Francisco Office in November, 1960, advised of a Special Committee on Insanity and Criminal Offenders set up by Governor Ed Brown to study insanity in the relationship to law. Attorney Grant Cooper of Los Angeles, who reportedly defended Dr. Bernard Finch in his two trials for wife murder, acted as chairman of one of the discussions of the committee. (63-4296-47-671)

In September, 1961, the Los Angeles Office advised in connection with one of the investigations of James Riddle Hoffa that an informant advised that he had contacted one Bill Bufalino, Teamster official in Detroit, Michigan, and was instructed to telephonically contact a Mrs. Williams at the Ambassador Hotel, Los Angeles, and assist her. The informant discovered that she was in fact Viola Carbo, wife of Paul John (Frank) Carbo, then under prosecution for extortion and anti-racketeering in connection with the boxing racket. Mrs. Carbo requested the informant to locate an attorney for her husband. Informant took Mrs. Carbo to the home of Grant Cooper, at which time Cooper set his fee for representing Carbo at \$50,000. Mrs. Carbo indicated that she would have to make the payment in cash rather than by check and Cooper advised that he was not interested in handling the case in that manner.

**Memorandum to Mr. DeLoach**  
**Re: Assassination of Senator Robert F. Kennedy**  
**Los Angeles, California**

The Los Angeles Office advised in June, 1962, that Grant B. Cooper was the Southern Committee Vice Chairman Pro-Tem of the National Council on Crime and Delinquency. The announced purpose of the organization was to formulate a "crash" program to marshal the best know-how and experience in the State to bear on crime and delinquency. In connection with comments by Milton C. Rector, director of the National Council on Crime and Delinquency, the director commented "another 'bleeding heart pitch'." Rector had proposed institutional treatment for only the most dangerous convicted criminals stating that other law violators could be better benefited by treatment from outside institutions.

Cooper has represented numerous other individuals in the criminal element as well as one Chinese espionage subject who was under deportation proceedings in the Los Angeles area and is rated as a very prominent capable criminal trial lawyer.

Recently R. Kennedy got assassinated. It was your luck that he died several hours later. Otherwise you would have had to die. Whoever tries to hinder us in carrying out an assassination must die himself. Nevertheless you have to reckon with the fact of being killed yourself some day. It will happen quite unexpectedly. We will also kill your 15-year-old son. Edward Kennedy will be murdered next. We will kill all children of R. Kennedy. The U.S.A. is responsible for the war in Vietnam, and it has to pay for it. This is the reason why R. Kennedy had to die. We only wanted to shock and scare the U.S.A. with this murder. As long as the innocent children in Vietnam have to die or keep on being maimed, the U.S.A. will keep on being rocked by assassinations. We have been in Vietnam. You cannot imagine the horror existing there. Wounded children lie crying in the streets; children with bloody faces run around. Hundreds have been disfigured by burns. Children run amidst blood-covered, dead soldiers. Some children scream like mad from pain because they were shot. U.S. soldiers trampled down on the children wriggling from pain on the ground. Believe us, all this brought us to the point where R. Kennedy had to die. The U.S.A. has to pay for this slaughter. An unimaginable blood bath goes on there. Poor children have to experience all of this. We do not like to see children suffer, and when we heard the screaming children in Vietnam we made the decision to kill R. Kennedy in order to punish the U.S.A. for this cruelty. We were harsh. We will carry out many more assassinations if the U.S.A. does

not cease all bombings of Vietnam at once. The more sorry we get for the children in Vietnam, the more cruel we will get. R. Kennedy's children will die the same way as the children in Vietnam. Something has to be done to put an end to this horror over there. If not, we won't show any consideration, and the U.S.A. will be rocked by assassinations and murders of the children of the prominent political men. We are giving you and your 15-year-old son a forceful warning. Maybe you both will soon kick the bucket. No one should hinder us in our assassinations, otherwise he will be eliminated in cold blood.

SUBJECT: ASSASSINATION OF  
SENATOR ROBERT F. KENNEDY  
LOS ANGELES, CALIFORNIA

As set forth in your memorandum of 6-5-68, the Attorney General (AG) on the same date talked to you in connection with the arrest and detention of Sirhan Bishara Sirhan, accused assassin of Senator Robert F. Kennedy. The AG indicated that the President felt that it would be a good idea to have one of our Agents in a cell block with Sirhan. The inadvisability of such a procedure was brought to the AG's attention and he was told that Agents of our Los Angeles Office were in a position to know what was going on at all times in connection with Sirhan's incarceration.

Our Los Angeles Office has since 6-5-68 had an Agent at the jail where Sirhan is incarcerated who is acting strictly in a liaison capacity with local authorities. SAC Grapp, Los Angeles, points out that Sirhan is being held under the most rigid security conditions and that everything possible is being done by jail authorities to insure that there is no infringement of Sirhan's constitutional rights. In this connection, it is noted that Deputy AG Warren Christopher visited the jail and observed the area and cell where Sirhan is being held and discussed this with Sheriff Peter J. Pitchess. According to Sheriff Pitchess, Christopher was pleased with the jail facilities and the arrangements for the incarceration.

SAC Grapp points out that no positive information has been developed as a result of maintaining this liaison at the jail and considering the manpower required for this function, he recommends that it be discontinued. He further points out that Sheriff Pitchess had assured him that any pertinent information developed would be immediately furnished to our Los Angeles Office.

## JOHN FAHAY'S INFORMATION REGARDING WOMAN WHO KNEW OF ASSASSINATION NOT SUBSTANTIATED

ST  
RP  
On 6/6/68 John Fahay, a Los Angeles salesman, claimed that the day before the assassination he met a woman who apparently knew that Senator Kennedy would be killed. Investigation has not substantiated anything that Fahay has said. Fahay's story briefly is as follows:

At about 9 a.m., 6/4/68, (the day before the assassination) he met a woman at the Ambassador Hotel in Los Angeles. This woman used several names but eventually identified herself as Gilderdine Oppenheimer. She indicated an urgency to get out of the country and claimed she was being watched. Fahay then noticed an individual nearby that resembled Munir Sirhan, brother of Sirhan Bishara Sirhan. This woman said to Fahay "They are going to take care of Kennedy." This woman was very upset and Fahay left the hotel with her and they drove around in Fahay's car. Most of this time they were followed by unknown individuals. At approximately 7:30 p.m., on 6/4/68, Fahay returned this woman to the Ambassador Hotel.

Fahay has furnished his story to Fernando Faura, a reporter for the "Hollywood Citizen - News" Newspaper, but there is no indication that his story has been published.

Investigation has failed to verify one scintilla of Fahay's story. Munir Sirhan was at work from 8:54 a.m., until 6:00 p.m., on 6/4/68. No woman such as described by Fahay has been found to exist and employees at the hotel do not remember Fahay being there with a woman on 6/4/68. Fahay has been fired from past employments for fighting and is described as being "different" and "odd"

RE: ASSASSINATION OF SENATOR  
ROBERT F. KENNEDY

All aspects of Fahay's story have been checked with negative results.

ATTEMPTED INTERVIEW WITH ETHEL KENNEDY

Deputy Chief Robert Houghton, Los Angeles Police Department, advised that in connection with his recent trip to the East Coast to interview witnesses in this case his group was unable to interview Ethel Kennedy. Departmental Attorney William S. Lynch advised us earlier that he had been in contact with Houghton and was attempting to arrange for the Los Angeles Police Department to interview Mrs. Ethel Kennedy.

WITNESSES TO SHOOTING

Richard C. Lubic, President, Color Corporation of America, Los Angeles, advised he was standing right next to Senator Kennedy when he heard an unidentified voice say "Kennedy you SOB" and then he heard two shots. Lubic saw an individual with a gun and he later recognized photograph of Sirhan as being identical with the assailant.

**Result of examination:**

The writing on the photocopy, Qc24, is too indistinct for adequate comparison of the "Sirhan Sirhan" signature and address thereon with the available writings of SIRHAN SIRHAN. If the original document for Qc24 or a clearer photograph is submitted, a more suitable examination can be made.

The additional purported handwriting of SIRHAN SIRHAN, designated as specimens K19 is too limited to permit a definite conclusion to be reached whether SIRHAN wrote any of the unidentified questioned writing on the specimens submitted in this matter. It was found that the writing on specimen K19 is of value as an additional handwriting standard of SIRHAN.

Specimens Qc24 and K19 are being returned to FBI, Los Angeles. These specimens have been photographed.

NOTE: For FBI, Los Angeles

Los Angeles will refer to the comments of the FBI Laboratory made previously in this matter. Similarities in handwriting characteristics were found in the known writing of SIRHAN SIRHAN and the signature and address of SIRHAN SIRHAN on Qc24. If the original document or a clear photograph made normal size (with scale exhibited) is submitted, a definite conclusion with respect to the comparison with the writing of SIRHAN may be reached.

Enclosed for background information of St. Louis are two copies of FD-302 reflecting interview with EDWARD POLE and one copy of re airtel.

The following investigation was conducted by SA DELMAR H. MAYFIELD, JR., at the U. S. Penitentiary, Lewisburg, Pa., on June 24, 1968:

HOWARD W. WYNN, Correctional Officer, advised he is well acquainted with JAMES HOFFA inasmuch as HOFFA worked under his supervision for about nine months and he has continually been alert to HOFFA's activities. He advised he has never heard the name of (FNU) DE JOSEPH at the institution. He advised HOFFA's regular dinner companions are SAMUEL DESIST and ANTHONY PROVENZANO. He said, however, there are always a number of individuals following after HOFFA and seeking to gain his favor.

ANTHONY He is serving 18 years for narcotics violation. ~~PROVENZANO~~ is a white male, DOB 5/7/17, POB NYC, 5'7", 155 pounds, black-gray hair. A review of the Bank Robbery Releasee file disclosed one ~~FRED COOPER~~ as being the best possibility for the person sitting at the table with POLE. COOPER's file was reviewed and the following information was obtained:

LA  
He was originally sentenced in the Northern District of Ohio for bank robbery on 9/12/55. He was paroled on 7/1/62 and reincarcerated on 7/25/63 for parole violation, with 4820 days still to serve. He was re-paroled on 11/13/67 and planned to live with his mother, Mrs. BERTHA COOPER, at 1238 Watts Street, University City, Mo. From 1/6/67 until his release he was assigned to living quarters in D-1 cell block. He is described as a white male, DOB 3/29/30, POB Youngstown, Ohio, 5'7", 160 pounds, brown hair and eyes, occupation - salesman.

COOPER was sent to Springfield, Mo., in August 1958, diagnosed as "Schizophrenic reaction, chronic undifferentiated type, as manifested by a history of disorientation, confusion, bizarre effect and thought content with delusions of persecution. The delusion of somatic illness persists along with his effective flattening, retarded thought processes with loosening of associations, mild depression and lethargy." By 4/62 he was diagnosed as still retaining fragments of unusual beliefs concerning his bodily reaction, but not to the point it would interfere with his adjustment on the outside.

1 Bureau is requested to advise Philadelphia if it is desired that DESIST and PROVENZANO or any of HOFFA's associates be interviewed.

## PROSECUTIVE ACTION REGARDING SIRHAN BISHARA SIRHAN

Sirhan is scheduled to be arraigned and enter a plea before a Los Angeles County Superior Court Judge on 6/28/68.

These proceedings will be held in the chapel of the county jail for security reasons. The Hall of Justice where future court proceedings involving Sirhan will be conducted is being prepared in order to effect maximum security. The Los Angeles County Board of Supervisors voted to authorize \$20,000 for the protection of Sirhan and also the judge and jury that will be involved in this trial. Plans call for armor-plated court room partitions, bulletproof glass and other security precautions.

## MUNIR SIRHAN (SUBJECT'S BROTHER) UNDERGOES POLYGRAPH EXAMINATION

During the evening of 6/25/68, Munir Sirhan, brother of Sirhan Bishara Sirhan, was afforded a polygraph examination by the Los Angeles Police Department. It was concluded by the police department that Munir was not involved in the assassination but that he did lie about the purchase of the gun. (The gun used in the assassination was traced through several owners, one of which, George Erhard, advised that he sold the gun to Munir Sirhan while Sirhan Sirhan was present. Munir had denied that he ever had ownership of this weapon).

Sirhan Sirhan was identified as purchasing ammunition at a gun shop on 6/1/68. A salesman in this store alleged that Sirhan was accompanied by two as yet unidentified individuals. The polygraph examination indicated that Munir did not accompany Sirhan to this store on 6/1/68.

*KENSALT*RE: Interview of WALLACE TURNER, New York Times  
Correspondent.

Re LA tel to Bureau, 6/25/68.

TURNER interviewed on 6/25/68 and stated that he was in a room at the Ambassador Hotel in Los Angeles on 6/4/68 with other members of the press awaiting the arrival of Senator KENNEDY. Senator KENNEDY was supposed to come to the press room after he had addressed a group of his supporters. TURNER and the other members of the press were observing KENNEDY on closed-circuit TV.

TURNER said he was covering the MAX RAFFERTY senatorial campaign and had gone over to Senator KENNEDY's press room while things were slow in RAFFERTY's press headquarters. After arriving in KENNEDY's press room, DICK DRAYNE, KENNEDY's press representative, told the group that KENNEDY would be coming to the press room. DRAYNE explained to them that there was such a large crowd in the other room that it would be best if KENNEDY came to them. TURNER said he was not aware of the names of the rooms at the Ambassador Hotel.

As they were observing KENNEDY leave the room by way of TV after addressing his supporters, TURNER said he heard three shots which sounded like the pop of firecrackers. He ran down the corridor and observed a struggle involving RAFAEL JOHNSON and ROOSEVELT GREEK with a young man, whom he now knows to be SIRHAN B. SIRHAN. Several other people were struggling with

SIRHAN and holding him down. TURNER said he continued on down the hall and obtained an open line on a telephone to his New York office which, with the help of WARREN WEAVER, also of the Times, they were able to keep open.

He went back down the hall where Senator KENNEDY lay and still observed SIRHAN being restrained on a table. He also observed the Los Angeles Police Department officers arrive and saw SIRHAN being led off. GREER was restraining bystanders from hurting SIRHAN.

TURNER said he had never seen SIRHAN before this time. He said he was a personal friend of Senator KENNEDY and for this reason was not covering his campaign. He identified LISA URCO, age 18, of Crawford High School, San Diego, and KARL UECKER, of the hotel staff, as two eye witnesses who saw SIRHAN shoot Senator KENNEDY. He said both of these individuals have testified before the Grand Jury in Los Angeles.
