#### ASSASSINATION OF SENATOR ROBERT F. KENNEDY

On June 14, 1968, Leonard A. Smith, 5788 Chestnut Avenue, advised a Special Agent of the FBI that he received a letter dated May 30, 1968, from his son, Phillip Smith, who is a member of the Peace Corps stationed in Modadiscio, Somolia Republic, Africa.

Mr. Smith said his son's letter was postmarked June 2, 1968, Modadiscio. The letter contained the following sentence: "Now I hear the RFK assassination was a sham - Some Somalis made it up or something - but the problems are still the same way"

Mr. Smith was of the opinion that possibly there was a rumor in Africa that Robert F. Kennedy had been assassinated prior to the date he was shot in Los Angeles. He said the letter made no other reference to Robert F. Kennedy other than noted above. He furmished the following physical description of his son, Phillip Smith:

NO. 27 UNITED STATES GO RNMENT Memorandum то DIRECTOR, FBI (62-587) DATE: July 2, 1968 LEGAT, MEXICO CITY (62-166) P FROM KENSALT SUBJECT: A HUNTER Re: R Reference Bureau letter dated 6/11/68. E. APPROX 1916 RICHARD ALLEM HUNTER, age 52, was located and interviewed on June 26, 1968, at Room 57 of the Lisboa Hotel, Calle Huerto 20, Guadalajara, Jalisco, Mexico. His letter dated June 5, 1968, to the Federal Bureau of Investigation was acknowledged. HUNTER explained that he had desired to express his sorrow concerning the assassination of Senator ROBERT F. KENNEDY and for this reason had sent the letter. L NOPEON 1911 MEXICO HUNTER said that ERNESTO OSWALD, age 57, a U. S. Army veteran who resides at the 18 peso (\$1.44 U.S.) a day Lisboa Hotel, had caused him trouble in the past, and he wanted to "report him." OSWALD's lady friend, EDITH V& FLUSSER, of Calle Emiliano Carranza 87, Zapopan, Jalisco, was identified by HUNTER as a former resident of Germany, with whom OSWALD had spoken of opening a hotel at Puerto Vallarta, Jalisco. mour HUNTER was assured that his letter would be kept confidential. Vice Consul GEORGE HIRAGA of the American Consulate General at Guadalajara, Jalisco, on June 26, 1968, stated that RICHARD ALLEN HUNTER receives a Social Security check at the Consulate. He advised that inasmuch as HUNTER is not old enough to receive a retirement check he apparently receives a check for health reasons, possibly mental. The files of the Mexico City Office contain no previous reference to RIGHARD ALLEN HUNTER or ERNESTO OSWALD. Inasmuch as inquiries show that HUNTER's letter to the Bureau does not have a direct bearing on this case, no further action concerning it is contemplated. 62-587 **REC 29** 3 - BureauT JUL 5 1968 (1 - Liaison Section) 1 - Mexico City RJO:gmh (4) JUL 17 HS. Reurairtel 6/14/68, covering submission of cartridge cases from the San Gabriel Valley Gun Club.

In view of previous firearms examinations by the Los Angeles Police Department and the disproportionate amount of time to examine the extremely large number of cartridge cases and the apparent limited value of the resulting information to the Bureau's case, the submitted cartridge cases are not being examined and are being returned to your office under separate cover by air express.

If local authorities feel the examination would be of value to them, you may turn the cartridge cases over to them for examination.

Suspicion of Palestinian Conspirecy Behind Kennedy Assassingtion

In our second (unclassified) meeting on 12 June with John Joseph Boles, Political Advisor to the executive officers of Occidental rstroleum, we obtained the following information consisting largely of Impressions and interpretations. Boles, with a PhD in Recommics and 20 years experience in scademic and private industry as an area. specialist of the Arab Middle East, is convinced that Senator Kannady's assessingtion is a product of the Falcetinian Refuses resistance group, > N-Fatah. Information supplied at this meeting was admittedly fragmentary and inconclusive, but Boles promised to mershall his fects and identifications while making his next Middle Rest trip reporting back on his return in early July 1968.

The coment he heard the accused assessin's name, Boles con-2. cluded the act to be enother of 15 or more prominent political assessinations more or less attributed to the Al-Fetch. He dates these uillings from 1948 with King Abdulla, Grandfather of Jordan's King-Hussein, and continuing to include prominent Arab and non-Arab officials outspoken in their drive for peaceful, equateble solution of the Middle Rest groblem for both Arabs and Jews. Boles pointed to enother assessingtion offort, fortunately unsuccessful, since 4 June which was targeted at Dr. Camila Chamout (ph), prominent Lebanese perconality who, during the Eleanhover Administration, permitted the landing of US troops in Lebanon. The US organization most closely alligned with Al-Fatah is the Arab Federated Students, of which there is a prominent concentration in Facedana, according to Boles. Moreover, in his opinion, the Arab Federated Students comes closer to constituting a Fifth Column in the US than any organization he can name.

62 TALI REC- 71 The depth of Areb nationalism in Valestinian reaches in the US has been further clarified to Boles in conversations with saveral such friends since 4 June. One specific instance was recounted with Dr. Adel ("Ed") Aved, a refugee with 10-14 years residence in the US in and a naturalized citizen with an American wife. Awad to e chamical engineer employed by PETROMIN, a government agency of Boudla Arabia with who Occidentel/Boles has considerable contects Following the Kennedy assessingtion, Awad addressed Boles on the subject without an ounce of sympathy adding that the US and the world had better get ready for "we Palostinians" increased demands for greater voice in national affairs of every Arab country, Jirgatar demands against foreign oll conception holders, and greater resistence to Isreal. 4. Doles further noted two articles in 27 and 29 May editions of The Daily Star, an English language newspaper published in Beirut and supposedly owned by King Paysal. Each edition contained an article recounting and criticizing campaign pronouncements by Senator Rennedy interpreted as particularly anti-Arab. According to Boles, articles such as these had never appeared in The Daily Star proviously, from which he questions the coincidence of timing between the articles and assassination.

5. Amplification of the foregoing will be supplied upon Boles return from a trip including conversations at the White House, in London and the Middle East.

Upon location of VEJVODA, Lt. COCHRAN telephonically contacted LAPD and determined LAPD no longer interested in being present at interview of VEJVODA.

On 6/19/68, Ambassador WALTER P. McCONAUGHY, American Embassy, Taipei, <u>Taiwan</u>, advised that one BERNARD BOULTON, a British businessman in Taipei who is an acquaintance of his, called him and said he wished to discuss something which had been bothering him of late. Ambassador McCONAUGHY said he naturally acquiesced and met with BOULTON who, incident ally according to the Ambassador, is believed to be the rankin MI-6 (British Intelligence) man in Taiwan.

BOULTON advised that during his British intelligenc career during World War II he had occasion to investigate the organization known as Jehovah's Witnesses. He said the reason for this investigation was that, although the rank and file of the organization were sincere God-fearing men, the leaders, according to certain documents obtained during that period were fanatics dedicated to causing chaos in the world in order to hasten the second coming of Christ. During the war, BOULTON said, the Jehovah's Witnesses leaders were against the Germans but were also equally dedicated against the Allies.

At any rate, the reason he was bringing this to the ' attention of the Ambassador was that in a British magazine commenting on the Kennedy (Robert) assassination, mention was made that SIRHAN SIRHAN was a Christian and a member of Jehovah's Witnesses. BOULTON said he knew it was remote, but felt that at least he should bring it to someone's attention. Thus, the reason for calling Ambassador McCONAUGHY.

The Ambassador said he wished to bring it to Legat's attention. He saw no particular urgency in the matter. Legat said he was, of course, interested in anything, however seemingly unimportant, and would furnish such data trouble adquarters immediately.

TOO REC.1 62-587-1956 EX 106 Bureau (3 - Los Angeles)(1 - Jehovah's Witnesses) JUN 113/08 16 JUL # 19+ -(1 - Liaison Section) 1 - Tokyo RVP:1w (8)

The Ambassador said BOULTON assured him he would be most happy to discuss the matter with anyone and thought he could possibly provide certain documents to substantiate his allegations.

This is being provided for the Bureau's information. In the event the Bureau directs Legat to contact BOULTON, it is requested that Bureau comment on BOULTON's allegations re Jehovah's Witnesses and furnish Legat with up-to-date estimation of Jehovah's Witnesses. Legat will at least have to furnish some comment to Ambassador McCONAUGHY during conversation with him during next roadtrip. Contact with BOULTON could be accomplished very conveniently during August road trip.
