Recently R. Kennedy got assassinated. It was your luck that he died several hours later. Otherwise you would have had to die. Whoever tries to hinder us in carrying out an assassination must die himself. Nevertheless you have to reckon with the fact of being killed yourself some day. It will happen quite unexpectedly. We will also kill your 15-year-old son. Edward Kennedy will be murdered next. We will kill all children of R. Kennedy. The U.S.A. is responsible for the war in Vietnam, and it has to pay for it. This is the reason why R. Kennedy had to die. We only wanted to shock and scare the U.S.A. with this murder. As long as the innocent children in Vietnam have to die or keep on being maimed, the U.S.A. will keep on being rocked by assassinations. We have been in Vietnam. You cannot imagine the horror existing there. Wounded children lie crying in the streets; children with bloody faces run around. Hundreds have been disfigured by burns. Children run amidst blood-covered, dead soldiers. Some children scream like mad from pain because they were shot. U.S. soldiers trampled down on the children wriggling from pain on the ground. Believe us, all this brought us to the point where R. Kennedy had to die. The U.S.A. has to pay for this slaughter. An unimaginable blood bath goes on there. Poor children have to experience all of this. We do not like to see children suffer, and when we heard the screaming children in Vietnam we made the decision to kill R. Kennedy in order to punish the U.S.A. for this cruelty. We were harsh. We will carry out many more assassinations if the U.S.A. does

not cease all bombings of Vietnam at once. The more sorry we get for the children in Vietnam, the more cruel we will get. R. Kennedy's children will die the same way as the children in Vietnam. Something has to be done to put an end to this horror over there. If not, we won't show any consideration, and the U.S.A. will be rocked by assassinations and murders of the children of the prominent political men. We are giving you and your 15-year-old son a forceful warning. Maybe you both will soon kick the bucket. No one should hinder us in our assassinations, otherwise he will be eliminated in cold blood.

For the information of the Bureau, Colonel ROBERT F. BAYARD, Fort Benning, Georgia, advised on 7/23/68 that he and the members of his shotgun team attended the Grand Prix de Brno in Brno, Czechoslovakia, during 5/17 and 18/68. On one of those two dates, the head clerk at the Grand Hotel Brno, Czechoslovakia, related to them that Senator ROBERT KENNEDY had been shot in the neck receiving a flesh wound but was in satisfactory condition. This same information was obtained from the head waiter in the dining room who related the same facts. The members of the unit attempted to purchase a German newspaper to ascertain if this could be verified as the original source stated it was heard on the radio. They were unsuccessful in locating it in an East German newspaper that was available in that city in Czechoslovakia and assumed that it was mere rumor.

Colonel BAYARD advised that this information was not obtained from any other sources in Czechoslovakia.

Police Call Saidallah's Story No Hoax

Sirhan's Brother Tells of Shooting Night

By J. ROBERT SMITH

Staff Writer

(c) 1968 The Pasadena Independent
Star-News

The circumstances preceding the July 3 early morning shooting at Saidallah Bishara Sirhan, 36, of Pasadena, have been revealed for the first time in an exclusive interview with Saidallah by this newspaper.

Saidallah is the brother of Sirhan Bishara Sirhan, 24, also of Pasadena, who is charged

with the assassination of Sen. Robert F. Kennedy last June 3.

Saidallah had reported to Pasadena police who have since agreed, that he was shot at while driving the Pasadena Freeway early July 3.

Pasadena Chief of Police Samuel H. Addis told this newspaper that "based upon the facts that we have now, there is nothing to indicate that the incident is a hoax. I believe it did happen."

In the interview, Saidallah said that the Pasadena police had given him a very rigid lie detector test. Lt. Gerald E. Wright, head of the detective bureau, verified the giving of the test, but refused to tell its result.

Saidallah also said that he was given a similar test by Enrique Hernandez of the Los Angeles Police Department. The result also is undisclosed because Hernandez took refuge

under a court order which he said prevented him from talking about the test.

Discrepancies in released reports prompted this newspaper to seek Saidallah in an effort to determine what actually happened that early morning.

This is his story, in the words in which he replied to questions asked:

"I wanted to meet Liza Williams, a columnist on the Free Press. She writes a column call-

ed 'Grey Power.' I read it every week. I met her at David Saidals Shop, 68 N. Fair Oaks Ave., about three months ago.

"I wanted to consult with her about the laws of publishing regarding reporters using my name for exploitation in any document.

"I phoned the Pasadena Free Press office and asked for her address the night before the shooting, and they gave me an address such as 92 Fairfax, Los Angeles.

("The address listed in the paper's masthead is 938 N. Fairfax, Los Angeles.)

"The Pasadena office also told me if I wanted more information to call the Hollywood Free Press. I was told that it was located at 65 something

street. The name sounded like a Spanish term.

"Early the next morning, about four o'clock I went to find her to avoid the traffic and exposing myself to the public during the day in an area that I am not familiar with.

"After being in that area for a while and not finding what I was looking for, I decided to come back home.

"I took Beverly Boulevard to Hill Street and on into the Pasadena Freeway where I encountered the Chevrolet and the Volkswagen bus. There were three people in the Chevrolet, and four in the Volkswagen.

"I still want to talk to Miss Williams."

Shooting Episode

Saidallah then told of the shooting episode which substantially corresponded with the report of the incident released by police. He said the Chevrolet and Volkswagen bus were the vehicles that pursued him on the freeway when the two shots coming from the bus were fired at him.

He said the entire trip from Pasadena and back took about one-and-a-half hours.

Asked whether he was given a lie detector test by police, Saidallah replied, "The Pasadena police gave me a lie detector test similar to a third degree about 9:30 that morning, and I was also given another in Los Angeles by Mr. Hernandez about three to five days later."

POLICE RILE SIRHAN BROTHER—Saidallah Bishara Sirhan accuses Pasadena policeman Ben Hetherington (left) of trying to force him to admit that he did the shooting at his own car which he reported July 3 as being done by men in a car which followed his auto early that morning on the Pasadena Freeway.

This newspaper asked Lt. Wright whether Saidallah was given the test, and he admitted it. Asked what was the result, Wright replied, "We do not discuss that." He also refused to tell who gave the test, Saidallah said it was a sergeant whose name he did not remember.

When asked this question, "Since you have said Saidallah did not do the shooting, after he was given a polygraph test, is it not evident then that the test cleared him?" to which Wright replied, "No comment."

In an interview Chief Addis said, "Based upon the facts that we have now, there is nothing to indicate that it is a hoax. I believe the shooting did happen."

The following is the question and answer interview with Addis and Lt. Wright:

What is the status of the alleged shooting incident?

Wright: We have made a full investigation of it. Nothing has turned up for us to hang our hats on or get a suspect. We cannot come up with anything to disprove this man's story.

Do you think that the alleged incident might be connected with the assassination?

Wright: No, not at all.

Regarding the shots being fired and Sirhan slumping aside, do you believe that:

Wright: I have to believe that.

Why do you have to believe that?

Wright: If I said I didn't believe it, I could not answer the next question you would ask, namely: Why?

(Lt. Wright then explained his personal investigation into the trajectory of the projectile coming from the location described by Saidallah. He said that his story made sense.)

Wright: We recreated the incident. It is very possible he was shot at from the Volkswagen.

Los Angeles detectives are reported to be also working on the case. Have they come up with anything?

Wright: No.

Have you learned what Saidallah was really doing in Los Angeles so early that morning?

Wright: Just what he said about looking for a woman reporter on the Free Press down on 92nd or 93rd Street.

Are you convinced and satisfied beyond a reasonable doubt that the incident did happen?

Addis: I cannot say that. In cases of this kind we are never convinced or satisfied until the

facts wholly support our conviction or satisfaction, that it either happened or did not happen, but based upon the facts we have now, I think it happened.

Then you believe his story?

Addis: I have to.

If it were not for Judge Alarcon's court order, could you tell more:

Addis: No.

Is this case considered closed?

Addis: No. It is open until either we arrest the people who did it, or prove it never happened. Until then, we will have someone assigned to it.

Saidallah complained that an FBI agent and Pasadena policeman Ben Hetherington tried to treat him like a "mendicant." "They wanted me to say that I did the shooting myself, and that FBI man searched my home looking for guns without a search warrant. He was very nasty," Saidallah related.

Police Rebut Statements By Sirhan

Pasadena police officials, who gave Saidallah B. Sirhan round-the-clock protection after he said shots were fired at him, today rebutted Sirhan's remarks that he was subjected to a "third degree" and an illegal search.

Saidallah, brother of Sirhan B. Sirhan, the accused assassin of Sen. Robert F. Kennedy, said the police gave him a lie detector test "similar to a third degree about 9:30" the morning of the shots.

"The polygraph test came in the afternoon after routine questioning," replied Lt. Gerald E. Wright, of the investigative section. "We do not use the 'third degree.'"

The "third degree" refers to quizzing accompanied by physical maltreatment of the subject.

Saidallah complained that after the July 3 incident, his home was searched by an "FBI man ... without a search warrant" and that Saidallah was subjected to insult.

"We do not know of any FBI man being involved," said Lt. Wright. "Saidallah gave me his personal permission for our Sgt. Ben Hetherington and a Los Angeles detective to go with him to his house to look for evidence."

JENINE PARR, Patient Records Section, Colorado State Hospital (CSH), summarized information from the Cardex and Patient File concerning patient JOHN M. LAWRENCE, also known as JOHN LAWRENCE PAWLUK and JOHN L. PAWLUK, as follows:

LAWRENCE was born December 4, 1921, and also furnished 1931 as the year he was born. He was born at Fort Worth, Texas and is described as follows:

LAWRENCE was committed on May 8, 1962, in Denver County Court, their number P-27006, and was admitted to the CSH on May 10, 1962.

He was thereafter on special leave from the CSH to appear in Denver District Court and at the Denver General Hospital, Denver, Colorado, for trial and safekeeping purposes on several occasions prior to discharge from the CSH on August 23, 1962. His discharge from the CSH was based on mental condition of "Improved" under special conditions of the court order.

The Denver County Court entered an order on July 18, 1962, in their matter No. P-7006, setting forth that the jury returned the verdict that "Respondent does not, by reason of mental illness, lack sufficient control, judgment and discretion to manage own property or affairs...sufficient to require confinement for his own welfare or welfare and safety of others".

The court then ordered the defendant discharged as to mental action. The CSH file indicates, however, that the defendant was returned to jail at Denver, Colorado, for Contempt of Court.

Original Medical Commission findings of May 8, 1962, at Denver, identified Dr. ROBERT L. SHERE, and Dr. L. E. DANIELS as having reached a diagnosis of "Hypomaniac psychosis with paranoid mechanisms", which results in the court ordering LAWRENCE sent to the CSH.

JOHN L. GRIFFITH, Esq. appears to have been the court-appointed attorney for the respondent, LAWRENCE, in the sanity matter.

During confinement at the CSH, LAWRENCE was diagnosed on presentment to staff conference May 16, 1962, by Dr. BIYIKSEZOGLAR, CSH, Pueblo, as "Schizophrenic reaction, paranoid-type 000 X 24".

LAWRENCE basically refused to provide background or history to the CSH, but stated he was arrested in 1942 on a draft card violation and in 1949 for being drunk in Los Angeles.

CSH files contain lengthy Denver General Hospital Discharge Summary, dated May 10, 1962, which includes data that LAWRENCE turned out numerous legal petitions and directed voluminous letters to persons in high places, such as Chief Justice WARREN and ROBERT KENNEDY. He mentioned things he had done in New York against great political and legal odds. He had expertise on a number of fields, including law, especially constitutional law, and civil liberties law. He eventually asserted he had never been in law school or a member of any bar. The description of his activity in legal work was indistinguishable from that of a special attorney. He was born to a Russian immigrant family, and he has been a crusader who was in frequent contact with authority on all levels.

The CSH file indicates that LAWRENCE was a psychopathic patient in an unidentified hospital, San Diego, California, in approximately March, 1949.

In addition to the Cardex and General Patient file, information summarized above from the CSH, Pueblo, Colorado, possesses voluminous "Special Confidential Files" on LAWRENCE, principally relating to U. S. District Court, Denver, Colorado, Civil Action No. 8112, in a 1963 case involving JOHN M. LAWRENCE, Plaintiff, pro se, Vs. RICHARD BATTERSON, ET AL, with numerous additional defendants, including Dr. WILLIS BOWER, former superintendent of the CSH, Pueblo, who filed to recover damages in redress for deprivation, denial of equal protection under color of law of the rights of the plaintiff, growing out of an alleged restraint of his liberty, resulting in imprisonment and confinement against his will.

Lieutenant MANUEL PENA, Los Angeles Police Department (LAPD) today requested that the LAPD be advised in the event the Bureau receives any information concerning potential publications with respect to the KENNEDY assassination. On June 10, 1968, Joseph Willard "Pappy" Luke, owner of Pappy's Stew House, General Delivery, Highway 90, Raywood, Texas, advised he had been attempting to recall more about the man who came into his restaurant on May 23, 1968 and made various claims about the man's intention to kill a senator in California. Mr. Luke recalled the man stated he worked coast-to-coast but he did not mention any person or company names with which he was affiliated. Mr. Luke advised the man may have said he was a food broker rather than being employed by the Broker Food Company.

Luke advised the man was either Syrian, Italian or French. Luke advised he had a nose like a Syrian. The man wore a felt snap-brim business hat, color unknown, low over his right eye. The man was wearing a dark gray business suit, cut of the suit unrecalled. Tie description unknown. The man was not wearing a coat handkerchief or lapel pin to Mr. Luke's recollection. The man was quite nervous, his voice trembled and his hands shook slightly. The man spoke very good English with no accent noted. The man's sentence structure reflected he was well educated. The man had a large brown leather wallet which opened like a book (coat wallet). The wallet was peculiar in that it had a zipper all the way around the circumference of it. It had a ring in one corner and a silver chain which connected the wallet to the man's belt. The man wore the wallet in his right rear pocket and the chain hung straight down and was tied at his right side. The man had a large roll of dollar bills. The man did not smoke while he was in the restaurant and displayed no smoking paraphernalia.

ReBuairtel, 8/2/68.

HUGH J. McDONALD, Assistant Press Secretary, Office of the late Senator ROBERT F. KENNEDY advised SA ROGER D. ASHLAND on 8/5/68, McDONALD learned photograph mentioned above probably taken in late March, 1968, at Los Angeles International Airport. The photograph was taken by STEVE SCHAPIRO, 170 West 73rd St., New York, New York. SCHAPIRO has taken a number of photographs of members of the KENNEDY family. SCHAPIRO furnished the KENNEDY staff about 500 contact prints in case they wanted any particular photographs he had taken. McDONALD said he examined each of these photographs and the one mentioned above is the only one in which a person resembling SIRHAN SIRHAN appears.

Number 3 68 5544 appears on the back of the contact print containing a number of photographs including the one which may include SIRHAN. Also on the back is stamped STEVE SCHAPIRO and Black Star.

KENSALT

Dear Sir:

Yesterday, the 22nd, I received an envelope postmarked from Philadelphia on the 18th. The envelope had been opened and its original letter removed. In its place was a peculiar note concerning an accomplice in the death of Robert Kennedy. Enclosed is a Xerox copy of both the envelope and the note.

About five days ago another one of my letters had been opened. It contained pictures so it was scotch taped and received intact.

I have no desire to prosecute the one who tampered with these letters. He evidently was trying to get this information through to someone for attention. He may be demented and then, again, he may not.

As I am attending Summer classes, I will be here only until August 9. If I can give you any further information, I'll be glad to do so.

Dear Sir:

As a junior this coming fall in Hershey Senior High School, I am presently conducting research into the assassination of Sen. Robert F. Kennedy last June 5th in Los Angeles and would appreciate your assistance in this study by answering the following general questions:

Inasmuch as Senator Kennedy served as Attorney General from 1961-1964; Did any representative of the FBI attend the funeral or the memorial service held in yard by Attorney General Clark and various associates from the Justice Department of Senator Kennedy or the Mass in New York to extend your personal condolences to the Kennedy family?

Did the FBI provide any assistance (such as laboratory aid or fingerprint identification) or any other help to the Los Angeles authorities in their investigation of the assassination?

Has the FBI assisted in any way; the U.S. Secret Service, who, by Presidential directive, now protects the major presidential and vice-presidential candidates with authority to call on other federal agencies to assist them in assignment?

Thank you for your assistance which is very much appreciated.

In conjunction with the Bureau's review of investigative reports dated 6/9/68, 6/15/68, and 7/1/68, investigation should be conducted with respect to the following leads if it has not already been handled:

LOCK, STOCK AND BARREL GUN SHOP

1. Page 582 - 585 of report dated 7/1/68 reflects that Mrs. Dona Herrick of the Lock, Stock and Barrel Gun Shop, San Gabriel, California, states that an individual she identified as subject Sirhan, came to the store on or about April 3, 1968, accompanied by two other individuals and asked for tank-piercing ammunition. Mrs. Herrick said Sirhan was wearing white duck trousers.

Ascertain from Sirhan's relatives if Sirhan owned a pair of white duck trousers.

19 AUG 6 1968

2. Page 583 of report dated 7/1/68 reflects Mrs. Herrick was shown a photograph of Adel Sirhan and Munir Sirhan and she stated both of these men bear a strong resemblance to the men who accompanied Sirhan Sirhan on or about April 3, 1968.

Larry Kenneth Arnot, salesman for the Gun Shop, advised that an individual who he identified as Sirhan Sirhan purchased ammunition at the Gun Shop on 6/1/68, and Sirhan was accompanied by two others.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

A photograph of Sharif Sirhan strongly resembled one of the individuals who accompanied the subject on that date (Page 591 - 593). Sharif and the other brothers denied being at the Gun Shop.

Additional investigation should be conducted in order to determine if either Mrs. Herrick or Arnot can make a positive identification of Sirhan's brothers as having been with him at the Gun Shop. Consideration should be given to allowing both witnesses to view Sirhan's brothers in person.

GOLDEN GARTER BAR

3. Page 608 - 652 of report dated 7/1/68 deals with investigation concerning an allegation that Sirhan Bishara Sirhan was overheard to make a statement to the effect that "We will get Kennedy" at the Golden Garter Bar. Investigation would indicate that an individual named Robert Andrese may have been mistaken for Sirhan. Extensive investigation should be conducted in order to positively resolve this aspect.

Specifically, the following individuals should be located and interviewed:

Don Trumble (Page 609).
"Walking Bill" (Page 642).
Kathy Venne (Page 609).

In addition, appropriate steps should be taken to show beyond any doubt that Andrese is the individual with whom Steve Stuart shot pool.

AREA OF SHOOTING

4. Page 352 - 355 report dated 7/1/68. Determine the identity of the unknown caucasian male who had a conversation with Hans Peter Bidstrup (electrician in the Maintenance Department of the Ambassador Hotel) in sound booth at the Rafferty Party in the Venetian Room at the Ambassador Hotel about one hour before Bidstrup went off duty (11 p.m.) on 6/4/68. Resolve whether this unknown male caucasian was or was not Sirhan Bishara Sirhan.

LETTER TO SAC, LOS ANGELES
RE: KENSALT

5. If not already done, determine the identity of the Los Angeles fireman that visited with Hans Peter Bidstrup (electrician in the Ambassador Hotel) in the sound booth at the Raifferty Party in the Venetian Room at the Ambassador Hotel approximately 10 p.m., 6/4/68. Ascertain from this fireman whether he could furnish any information regarding the identity of the male caucasian who was having a conversation with Mr. Bidstrup. Determine if the Los Angeles fireman could resolve whether this male caucasian was or was not Sirhan.

6. Page 356. Determine from William F. Gardner (Security Officer of the Ambassador Hotel) the source of an orange color pamphlet with black lettering which bore the caption, "Kill Kennedy." Gardner was alleged to have displayed this pamphlet to Elmer M. Boomhower (an employee of Ace Guard Service, Granda Hills, California) on the night of 6/4/68.

AMBASSADOR HOTEL

7. Interview of hotel employees in most instances does not set out length of employment. With conspiracy in mind, the possibility of aid to Sirhan by an employee cannot be overlooked, hence those employees recently hired may warrant further inquiry into their activities.

8. Is there any information on Sirhan's method of transportation to the hotel? If not, all efforts to run out through parking lot, cabs, et cetera, should be insured bearing in mind a quick getaway may have been arranged.

9. Page 236 of report dated 7/1/68. Gerald Parmenter associated Sirhan's picture with an individual observed in an old car parked near his apartment and visiting a Jordanian couple. Resolve.

Re Bureau letter to Los Angeles dated 7/26/68.

A review by this office of the points set forth in referenced letter reflect that the suggested interviews and/or investigation have either been conducted or leads have been set forth for the completion of this investigation.

It is noted that under point two in referenced letter, the individual referred to as MISTIG is identical to GAYMOARD MISTRI and the results of interview with this individual appeared on page 869 of Los Angeles report dated 6/9/68.

In connection with item six in referenced letter, no interview is contemplated with Dr. SAMUEL W. WEAVER as a review of the medical record reflects that the appointments scheduled with WEAVER were both cancelled. Also in connection with Dr. JOHN T. GARNER, the one appointment that SIRHAN had scheduled with this doctor was cancelled.

Dr. ROBERT G. FREEMAN was the doctor SIRHAN was referred to by Dr. E. G. KIEHN for X-rays and it is noted that the report on the results of these X-rays was signed by JOHN D. RUTLEDGE, M. D., who is associated with Dr. FREEMAN. The entire X-ray report consisted of only two lines indicating no evidence of bone injury on SIRHAN. For this reason, these three doctors were not interviewed by this office and UACB will not be interviewed.

All other interviews mentioned in referenced letter are being conducted by the Los Angeles Office.
