Mrs. TALAT KHAN, 10554 $\frac{1}{2}$ Wilshire Boulevard, Los Angeles, California, phone 475-1849, contacted in an attempt to locate Mr. KHAIBAR KHAN who had furnished the above address was informed agents were working on the Senator ROBERT F. KENNEDY assassination case. Mr. KHAN was being sought to show him photographs of SIRHAN SIRHAN who had been charged with the shooting of Senator KENNEDY and who reportedly had been seen in the Los Angeles campaign headquarters of Senator KENNEDY at the time Mr. KHAN reportedly had been working there.

Mrs. KHAN said she was now divorced from KHAIBAR KHAN and he lived elsewhere in Los Angeles and did not disclose his address. She resided here with their children and Mr. KHAN called by phone frequently and she would advise him of agents' desire to contact him.

Mrs. KHAN claimed she did not work in the Senator KENNEDY campaign headquarters; and when photographs of SIRHAN were exhibited to her, she stated she had never known SIRHAN or heard of him until he was charged with shooting Senator ROBERT KENNEDY.

Three of Mrs. KHAN's children, AMIR HOSSAIN KHAN, student, and SHIRIN KHAN, student, present at time of interview, and PHILLIPE KHAN, employed by the Culver Theatre in Culver City, had done some work at the Senator KENNEDY campaign headquarters within the past few days.

Mrs. KHAN acknowledged that Mr. KHAN was at one time known by the name of KHAIBAR KHAN GOODARZIAN and was still referred to by the nickname of 'GOODY.'

PHILLIPE KHAN, Assistant to the manager, Culver Theatre, 9820 West Washington Boulevard, Los Angeles, phone 838-3124, was contacted by phone when agent was at the apartment of his mother, Mrs. TALAT KHAN, 10554½ Wilshire Boulevard, Los Angeles, California, in an attempt to locate his father, KHAIBAR KHAN.

PHILLIPE was advised his father was reportedly working in the Los Angeles headquarters of Senator ROBERT F. KENNEDY during the period SIRHAN SIRHAN, charged with shooting Senator KENNEDY, reportedly had been seen in the headquarters. It was desired to show photographs of SIRHAN to KHAIBAR KHAN. Further, Mrs. KHAN had said PHILLIPE had been in the campaign headquarters within the past few days as a volunteer worker.

PHILLIPE was asked if he knew where his father could be reached as it had been ascertained from his mother that his parents were divorced and Mr. KHAN did not live with PHILLIPE's mother. He claimed his father did not disclose his address but called his mother at number 475-1849 frequently and a message could be left for the father at her place.

PHILLIPE said he had been in the KENNEDY campaign headquarters as a volunteer worker in Los Angeles, June 4, 1968, and he had seen photographs of SIRHAN on television and in the press. He had no recollection of ever seeing SIRHAN in the headquarters or elsewhere and had never heard of SIRHAN before he was charged with shooting Senator KENNEDY.

MARYAM KOUSHAN, also known as Rose Khan, 1215 Ocean Avenue, Apartment 206, Santa Monica, California, phone EX 3-0227, was interviewed in the presence of her half brother, KHAIBAR KHAN who resides in Apartment 201 at this same address. She related the following:

She was aware that agents had talked to KHAIBAR June 10, 1968, regarding any knowledge he may have had of SIRHAN SIRHAN who was charged with shooting Senator ROBERT F. KENNEDY. SIRHAN reportedly having been seen in the Los Angeles Kennedy Campaign Headquarters, 5615 Wilshire Boulevard, where both she and KHAIBAR had been volunteer workers from June 1, 1968 through June 4, 1968.

Photographs of SIRHAN taken by the Los Angeles Police Department June 5, 1968, were shown to her. She claimed, based on the photograph description, she felt she had seen SIRHAN just outside the campaign headquarters June 2, 1968, between 2:00 and 2:30 p.m. KHAIBAR had let her out of the automobile in front of the headquarters. She was using crutches, due to having been thrown off a horse while riding in Griffith Park, Los Angeles recently, and the person thought to be SIRHAN held the door for her while she went inside. He, as she recalled, wore a shirt opened at the collar, a dark wind-breaker type jacket with a collar and a zipper, and white tennis sneakers. Color of pants not recalled. He otherwise looked very much like the photographs.

About two hours later on June 2, 1968, she saw the person thought to be SIRHAN, when she was just outside the women's room door inside the headquarters and he appeared to be heading toward the door which leads to a side entrance of the headquarters. She did not see this person with anyone or talking with anyone during the time she observed him.

She had no recollection of ever seeing this person before and did not know who he may have been. When she later saw pictures of SIRHAN in the press and on television she thought she may have seen SIRHAN at the headquarters as related.

KHAIBAR KAHN on June 2, 1968, came into the headquarters around 3:00 p.m. She had learned from KHAIBAR that he had thought he had seen SIRHAN in the headquarters on election day, June 4, 1968, around 5:00 to 5:30 p.m. She was in the headquarters at that time on that date but had no recollection of seeing the person thought to be SIRHAN at that time. She also said she did not recall seeing any girl in the headquarters at any time wearing a polka dot dress.

KOUSHAN said there was a movie crew in the headquarters late in the afternoon of June 4, 1968, around 5:00 to 6:00 p.m., reportedly a Swiss group who were to do a film on American Political Campaigns. They were taking film shots of the whole area. Mrs. MARGARET SWEENEY who was in charge of the headquarters office could possibly identify this group.

Several of Mr. KHAN's children were in the campaign headquarters in Los Angeles as volunteer workers and were told by Mr. KHAN to bring friends to help out. Their friends would in all probability have been of Iranian descent as is Mr. KHAN's family. A daughter, SHIRIN and a son AMIR, who are both of high school age, a son SAHPOUR, age 11, were there on June 3, 1968, and another son PHILLIPE, employed by the Culver Theatre in Culver City was there on June 4, 1968. They and their friends were thought to have registered as having some connection with Mr. KHAN or from the residence of the KHAN children and his divorced wife at 10554 $\frac{1}{2}$ Wilshire Boulevard, Los Angeles. Mr. KHAN is prominent in the Iranian colony in Southern California and has been openly opposed to certain policies of the Shah in Iran with respect to handling of U.S. Foreign Aid Program in Iran. In fact he could be considered a leader of the opposition to the Shah. Both JOHN F. KENNEDY and Senator ROBERT F. KENNEDY had been sympathetic to Mr. KHAN's program to aid the poor people in Iran receive fuller benefit of the U.S. Foreign Aid in that country. Hence, the political support of Mr. KHAN had been given both of the KENNEDYS. In the

3
LA 56-156

opinion of KOUSHAN, about 90% of the 5,000 students from Iran now in colleges in California, were opposed to the policies of the Shah with respect to the foreign aid program.

Photographs of two brothers of SIRHAN, SHARIF BISARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, were exhibited to KOUSHAN who had no recognition as far as ADEL's photo was concerned. She thought the photo although taken in 1963, of SHARIF somewhat resembled a young man who was among the volunteer drivers who were in the Senator KENNEDY Campaign Headquarters on June 4, 1968, around 3:00 p.m. Mrs. BERNARDINI (phonetic) and a man named BILL who handled the volunteer drivers could possibly resolve whether or not this person could have been SHARIF SIRHAN.

KOUSHAN related her recollection of a young man who she and Mr. KHAN had given a lift in their automobile on the evening of June 4, 1968, at about 8:00 p.m. She was sitting in the car near the campaign headquarters waiting for Mr. KHAN, when this young man, white, age about 22-23 years, 5'8" to 5'9", skinny build, reddish face, dark longish hair, carrying some rolled up campaign posters, came up to the car and asked if she were going to the Ambassador Hotel. When informed she was not but was heading to West Los Angeles area, he asked for a lift in that direction. She did not know this young man but he appeared to be a campaign worker so she agreed and he got in the back seat of the car. When Mr. KHAN came to the car the young man's presence was explained. This young man then wanted Mr. KHAN to give him a KENNEDY button he was wearing to enable the young man to get into the Senator KENNEDY Campaign Party at the Ambassador later that evening. When Mr. KHAN declined, he wanted Mr. KHAN to go back to the campaign headquarters and get him a button, press pass or something which would enable him to get into the KENNEDY party at the Ambassador. Mr. KHAN also declined this request in spite of a persistent attitude. The young man claimed to have been born in Manchester, England, of British parents and said his father was a salesman. He did not talk with a British accent. He furnished his name on a piece of paper as, MICHAEL WAYNE, 1430 South Hi Point Street, No. 105, Los Angeles, California 90035. He was let out of the car on Wilshire Boulevard, just

west of Westwood Boulevard, in West Los Angeles, shortly after 8:00 p.m. on June 4, 1968.

KOUSHAN said she would assist in identifying the Iranian voluntary workers at the KENNEDY Campaign Headquarters if it was desired.

MARYAM KOUSHAN, 1215 Ocean Avenue, Santa Monica, California, Apartment 206, telephone EX 3-0227, who was previously interviewed on June 11, 1968, advised the following:

MARYAM had previously advised that she had observed a person, who, based on a photographic identification, was SIRHAN SIRHAN. She had observed this individual when entering the Los Angeles Campaign Headquarters of Senator ROBERT F. KENNEDY, 5615 Wilshire Boulevard, Los Angeles, around 2:30 PM on June 2, 1968.

MARYAM had also previously examined a 1963 photograph of a brother of SIRHAN SIRHAN, SHARIF SIRHAN. She had stated that the photograph of this brother closely resembled an individual she had seen at the KENNEDY Campaign Headquarters around 3:00 PM on June 4, 1968. This person had been one of the volunteer drivers.

MARYAM was shown a current photograph of SHARIF SIRHAN. She voiced the opinion that the current photograph also strongly resembled the person she had seen in the KENNEDY Headquarters as a volunteer driver.

MARYAM also further examined a photograph of SIRHAN SIRHAN and said she still had the same opinion as previously given, that she had seen this person in the campaign headquarters on June 2, 1968. She also examined photographs of SIRHAN SIRHAN's other brothers, MUNIR and ADEL. She said she had no recollection of ever seeing either MUNIR or ADEL at any time.

MARYAM added that she had not attended the Senator KENNEDY Campaign Party at the Ambassador Hotel on the evening of June 4, 1968, and the morning of June 5, 1968.

as a volunteer worker. This is the English spelling of her name, however, she is sometimes referred to under the American spelling of her name MIRIAM KUSHAN. She also said that approximately six months ago when she was thrown from a horse while riding in Griffith Park in Los Angeles and had been taken to the Los Angeles General Hospital by KHAIBAR KHAN with whom she was riding, she had been booked in the hospital under the name of ROSE KHAN. This had been done in view of the fact that she and Mr. KHAN are Iranian nationals and Mr. KHAN was the leader of the opposition to the Shah of Iran among Iranians in the United States. It was a security measure as Mr. KHAN was apprehensive of political and possibly physical reprisals as a result of his opposition to the Shah of Iran.

J. C. KHAN, a student who can be contacted through 10554 $\frac{1}{2}$ Wilshire Boulevard, Los Angeles, California, telephone 475-1849, advised the following:

J. C. said that the initials did not stand for any names, that he was only known as J. C. He is the son of KHAIBER KHAN, an Iranian national who had worked at the Los Angeles Campaign Headquarters for Senator KENNEDY during the early part of June 1968. KHAIBAR KHAN had been previously interviewed by the FBI regarding any knowledge he may have had of SIRHAN SIRHAN and his brothers.

J. C. said that he, himself, had not worked as a volunteer worker at the Senator KENNEDY Campaign Headquarters as some of his brothers and a sister had done. The only time that he went near the headquarters was when he drove a sister, MARYAM KOUSHAN, to the headquarters at 5615 Wilshire Boulevard, Los Angeles, on the early afternoon of June 3, 1968.

J. C. KHAN said, after viewing photographs of SIRHAN SIRHAN and his brothers, ADEL SIRHAN, MUNIR SIRHAN and SHARIF SIRHAN, that he had no recollection of ever seeing these individuals at any time and had never heard of SIRHAN SIRHAN or his family until the recent publicity given them.

J. C. said that he had not attended the Senator KENNEDY Campaign Party at the Ambassador Hotel on the evening of June 4, 1968, and the morning of June 5, 1968.

LAURENCE DAVID STRICK, also known as Larry Strick, 11930 Iredell Street, Studio City, California, telephone number TR 7-6151, a student at Hollywood High School in Los Angeles advised as follows:

Mr. STRICK said that for several days before the California Primary Elections on June 4, 1968, he had been a volunteer worker at Senator KENNEDY's Campaign Headquarters at 5615 Wilshire Boulevard, Los Angeles. He said that he had seen a young man at the KENNEDY Headquarters who he possibly believed to be SIRHAN SIRHAN who had been arrested for shooting Senator KENNEDY. He claimed that he had seen this young man on June 2, 1968, at about 2:00 p.m. and that this person had come into the headquarters and was standing by the front door at the same time a Mr. KHAIBAR KHAN, who had been doing some voluntary work at the KENNEDY Headquarters, was standing at the information desk which is located near the front door at the headquarters. Mr. KHAN had been bringing in a number of young people as volunteer workers, all of whom appeared to be descendants of people who resided in the Arabian countries of the Middle East. Mr. KHAN, himself, appeared that he may have been from the Middle East and reportedly was from Iran.

Mr. STRICK continued that he had asked the young man in question who was standing by the door on June 2, 1968 if he, STRICK, could help him, whereupon the young man replied, "No thank you. I'm with him" and pointed towards Mr. KHAN.

Mr. STRICK said that this young man was possibly around headquarters that afternoon but that this was the only time that he could recall seeing him.

Photographs of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968 were exhibited to Mr. STRICK who voiced the opinion they were photographs of the person who he believed to be identical to the aforementioned young man who was in the KENNEDY headquarters on June 2, 1968 at approximately 2:00 p.m.

Mr. STRICK said that he had, since the shooting of Senator KENNEDY, discussed the possibility of SIRHAN SIRHAN having been in the KENNEDY Headquarters, with Mrs. ELLENORE SEVERSON who had been on the information desk at the headquarters at the time and they both had been of the opinion that there was a strong possibility that SIRHAN SIRHAN had been in the headquarters and that he might possibly be known to Mr. KHAN.

STRICK said that Mr. KHAN appeared to be a man 50 years of age, five feet ten inches in height, stocky build, dark hair, fairly dark complexion, large forehead, wore "snappy clothes" and had a plaster cast on one arm.

Mr. STRICK noted that a young girl on crutches had been in the company of Mr. KHAN on one or two occasions between June 2, 1968, and June 4, 1968, at the KENNEDY Headquarters. She had no cast on her leg which appeared to be normal in appearance and on one occasion she came in alone. It was noted that she was driving a blue car of the Camaro type which had a large KENNEDY sticker on the side. She appeared to be in her early 20s, five feet three inches in height, fair complexion, dark hair, slight build.

Mr. STRICK related that he had learned from Mrs. SEVERSON that an itinerary sheet for Senator KENNEDY for June 2, 1968 had turned up missing. There was suspicion that maybe Mr. KHAN had taken it as he was known to have been standing near her desk just before it had been missed.

Mr. STRICK said that all of the voluntary workers brought in by Mr. KHAN reportedly furnished the same address as Mr. KHAN but he could not identify them. He was of the opinion that their names would be on the registrations of volunteer workers in the KENNEDY Headquarters.

Mr. STRICK examined a photograph of SHARIF BISHARA SIRHAN, taken December 18, 1963, and of ADEL SIRHAN, taken June 5, 1968, both brothers of SIRHAN SIRHAN. Mr. STRICK said he had no knowledge of seeing anyone resembling either of these brothers around the Senator KENNEDY Campaign Headquarters or elsewhere.

JUNE ISACKSON, Headquarters Office Manager, Kennedy Campaign Headquarters, 5615 Wilshire Boulevard, advised that due to the large number of individuals who worked at the Kennedy Campaign Headquarters, she is unable to specifically recall any of the individuals assigned to conduct telephone soliciting. She stated that in this regard, possibly MARY GILLESPIE, who resides at 1643 North Dillon Street, Los Angeles, could furnish information concerning the individuals who worked as telephone solicitors as GILLESPIE supervised the telephone soliciting program.

ISACKSON advised that individuals who worked at the Kennedy Campaign Headquarters came from two categories, one category being volunteer workers and the other being paid workers furnished by two Los Angeles employment firms. She identified the employment firms as The Peakload Company, 3057 Wilshire Boulevard, and Olsten of Los Angeles, Incorporated, 3735 Wilshire Boulevard.

ISACKSON advised that she recalled a volunteer worker by the name of KAIBAR KHAN, also known as "Goody", and advised he was responsible for bringing in some 15 to 20 volunteer workers prior to election day. She stated that all of these workers were individuals of Middle Eastern descent. ISACKSON described Goody as being a cordial, mannerly person and a willing worker but who did things which appeared to her to be strange. She explained that Goody insisted that all of the volunteer workers he brought in list their addresses as 1055¹/₂ Wilshire Boulevard, which was the address Goody listed as his. Goody also related conflicting stories concerning his ancestry, first indicating that he was of Turkish descent and then stating he was Persian. He also claimed to be a good friend of the KENNEDY family and a supporter of Senator KENNEDY and made several statements indicating that he knew Senator KENNEDY was going to win the election, but, for several unexplained reasons, ISACKSON felt that Goody was not sincere and that he was a phony.

INTERVIEWS OF INDIVIDUALS AT SAN GABRIEL VALLEY
GUN CLUB, DUARTE, CALIFORNIA, JUNE 4, 1968

It was previously reported that two individuals who had been target shooting at the San Gabriel Valley Gun Club, Duarte, California, on June 4, 1968, had identified SIRHAN BISHARA SIRHAN as also target shooting at the gun club that date.

On June 16, 1968, EVERETT BUCKNER, SR., 129 East Bennett, Glendora, California, telephone 963-5583, telephonically contacted the Los Angeles Office of the FBI. At that time, BUCKNER stated that he had not furnished full information concerning SIRHAN BISHARA SIRHAN previously to interviewing officers, because his employer desired that he not talk about this matter. He stated he would like to talk with SA GEORGE M. KLING, whom he had talked to previously and furnish full information.

As a result of this information, BUCKNER was contacted by SA KLING and SA CHARLES W. BADGLEY at his residence in Glendora, California.

BUCKNER advised that he had been fired from his job as Range Officer for the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California on June 16, 1968 by LLOYD HAGER, Manager of the gun club. BUCKNER stated he was given no reason for his dismissal and he had no idea why he was fired.

BUCKNER was asked specifically what additional information he had in this matter as a basis for his telephonic contact with the Los Angeles Office. In response, BUCKNER stated that he actually had no additional information and could provide no information other than what he had furnished on previous interview.

During the course of this interview with BUCKNER, interviewing Agents were cognizant of the odor of alcohol on BUCKNER's breath and BUCKNER's mannerisms were indicative that he had in fact been drinking.

ROLAND GLEN WILLIAMS, who resides at 2428 Sierra Leone, Rowland Heights, California, telephone number 965-1870, and is employed by the Jerseymaid Milk Products, 1040 West Slauson, telephone number PL 3-1231, supplied the following information to SA GEORGE M. KLING and Detective Sergeant MIKE MC GANN, Homicide Division, Los Angeles Police Department (LAPD), after the identities of the interviewing officers were made known.

WILLIAMS advised on June 4, 1968, he and his wife, CLAUDIA, went to the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California, in order to do some target shooting. WILLIAMS stated that neither he nor his wife knew the exact route to take in order to go to the gun range; therefore, they stopped at the Briar Patch Bar where his wife is employed and obtained directions. They continued on towards the gun club and eventually stopped and asked a Deputy Sheriff for further directions. WILLIAMS stated that he did not know the identity of the Deputy Sheriff from whom they had asked directions.

WILLIAMS advised they arrived at the range at approximately 3:50 PM and went to the Range Officer's Building in order to make arrangements for target shooting. He stated that the Range Officer informed them that the range closed for firing at 5:00 PM and, as a result, they would have only about one hour in which to shoot. WILLIAMS stated that he and his wife discussed this at some length and he said in all probability, this discussion could probably be termed an argument by a bystander.

He stated he had recently purchased a 30-30 caliber rifle which he intended to shoot and his wife had received a .22 caliber pistol for Christmas during the year 1966, which she had never fired, and it was her intention to use this gun on the range. WILLIAMS stated that he recalls his wife saying something to the effect that she had had the gun for a long time and she wanted to learn how

to shoot it today. WILLIAMS advised that the Range Officer informed them that they could not fire the pistol and rifle on the same range and that it would be necessary for his wife to go to the pistol range and he to the rifle range. WILLIAMS stated that he paid the admission fee of \$2 per person plus 50 cents target deposit for him and his wife but stated he did not sign a shooter's roster. He advised he did not sign a roster because it was his understanding that the roster was to be signed by shooters who were members of the gun club.

He stated that after paying the admission fee and securing their targets, he went back to his automobile and cleaned excess oil and grease from the weapons prior to shooting. He then returned to the range taking his wife's pistol to her on the pistol range and noticed the Range Officer placing his wife's target into position. WILLIAMS stated that he saw only one other individual on the range at this time and this individual, whom he could describe at that time as only a small and slender individual, was firing around gun positions 11 or 12.

WILLIAMS advised that he then proceeded to the rifle range where he fired for approximately 30 minutes and then returned to the pistol range. Upon returning to the pistol range, he noticed the individual whom he had previously seen on the pistol range next to his wife. WILLIAMS stated that to the best of his knowledge, his wife was firing around gun positions 21 or 22. He stated the individual remarked to him that his, WILLIAMS', wife's gun was shooting to the left. He stated that he, his wife and the individual engaged in a short conversation concerning itself entirely with guns.

WILLIAMS stated that he would describe this individual as being about 5'3" to 5'5" in height, in his early 20's, Spanish looking, with dark skin and hair, weighing about 130 pounds and dressed in casual clothes.

3
LA 56-156

WILLIAMS stated that the individual gave him his gun for the purpose of shooting and, just as he, WILLIAMS, was ready to shoot the gun, the Range Officer called time, indicating that there would be no more firing on the range. WILLIAMS advised that he could not describe the gun other than the fact that it was a small blue gun and that the individual was firing Mini Magnum shells.

At this point, WILLIAMS was shown a photograph of SIRHAN SIRHAN and he stated that the photograph looked very much like the individual whom he had seen on the range except that his hair was neater than it appeared in the photograph.

WILLIAMS advised that he and his wife then left the range at a time he estimated to be almost exactly 5:00 PM, and that, at the same time, the individual also left the range. He stated that he recalled the individual going to a pink and white Dodge or DeSoto, model unknown.

WILLIAMS stated that during the time that he was on the pistol range, he saw no one else on the range other than this individual and his wife and that he heard the individual say nothing about any future plans that he might have.

WILLIAMS supplied the following physical description of himself:

Date of Birth	September 29, 1941
Height	6'2 $\frac{1}{2}$ "
Weight	220 pounds
Hair	Blond
Eyes	Blue

He stated on June 4, 1968, to the best of his knowledge, he was wearing black loafer shoes, black levis and a sport shirt which he was unable to furnish any description regarding.

Mrs. FRANCES HOLLAND, 552 Eldorado Drive, Escondido, California, advised as follows:

She is the Southern California Grand Counsellor of the Rosicrucian Order, also known as the Ancient Mystical Order Rosae Crucis (AMORC). She advised the state and international headquarters of AMORC have designated her to handle any inquiries concerning SIRHAN SIRHAN's membership in AMORC. She stated SIRHAN is a member of the Supreme Grand Lodge, San Jose, California, which is a corresponding membership and to her knowledge he did not attend meetings but received correspondence and instructions by mail from San Jose, California, and in turn submitted his lessons by mail to San Jose, California.

Mrs. HOLLAND advised the San Jose Office maintains a complete file of correspondence with all members, which file contains the members original application form. She understands that FBI Agents at San Jose, California, were permitted to review SIRHAN's file and were given a duplicated copy of his application blank.

AMORC has local lodges and chapters to which some members belong, although membership in a local club is not required. Mrs. HOLLAND stated she has checked and determined that SIRHAN was not a member of the Pasadena Chapter or any other lodge or chapter. SIRHAN, however, did once, and only once, visit one of these subordinate bodies. He attended the weekly meeting of the Pasadena Chapter on the evening of June 4, 1968. Mrs. HOLLAND made available a page of the guest register of the Pasadena Chapter, which bears the signature SIRHAN SIRHAN, 696 East Howard, Pasadena, and reflects that he is a member of AMORC, with membership number 8-413-477. On the date column of this form SIRHAN entered the date April 16, 1968. Mrs. HOLLAND stated that this is an error and SIRHAN probably used this date because the last previous registration was on that date. Mrs. HOLLAND

confirmed by talking to the supervisor of the Pasadena Chapter, that SIRHAN visited that chapter on the evening of June 4, 1968. This supervisor is SHERMAN LIVINGSTON, 2555 Vista Laguna Terrace, Pasadena, California, telephone number 794-6141.

LIVINGSTON told Mrs. HOLLAND he recalls SIRHAN telling people at the meeting how to pronounce his name. LIVINGSTON looked for SIRHAN after the meeting but he was unable to find him.

In signing in, SIRHAN showed he was a first degree member. Mrs. HOLLAND stated that this is a beginner's degree which would indicate membership of less than one year.

AMORC has no full time hall in Pasadena. The chapter meets every Tuesday night. Master of the chapter is THEODORE R. STEVENS, 886 Pullman Street, Los Angeles, California, telephone number 257-9368.

Mrs. HOLLAND stated she would call Mr. LIVINGSTON and Mr. STEVENS on the evening of June 12, 1968, to instruct them to cooperate in answering inquiries from the FBI. She stated the wives of both of these individuals are upset with the bad publicity given AMORC in the press and LIVINGSTON and STEVENS should be contacted by telephone to arrange an appointment.

Mrs. HOLLAND subsequently telephonically contacted the FBI Office, San Diego, California, on June 12, 1968, and advised as follows:

She was in telephonic contact with Mr. LIVINGSTON and discussed the matter of being interviewed by the FBI at Los Angeles. She stated that Mr. LIVINGSTON reviewed his notes and indicated that he had attended the Pasadena meeting

on May 28, 1968, rather than June 4, 1968. Therefore, Mrs. HOLLAND assumes the appearance of SIRHAN SIRHAN at the Pasadena meeting was on May 28, 1968, rather than as previously reported on June 4, 1968.

According to Mrs. HOLLAND, the date of appearance of SIRHAN SIRHAN can be verified by contacting Mr. STEVENS, the Master of the Pasadena Chapter.

Mrs. HOLLAND further advised that she has instructed Mr. STEVENS to make available to the FBI the complete membership list of persons present on the night SIRHAN SIRHAN attended the Pasadena Chapter meeting and also to furnish information regarding the topics discussed on the night of that meeting.

SHERMAN LIVINGSTON was interviewed at his residence, 2555 Vista Laguna Terrace. Mr. LIVINGSTON advised as follows:

Mr. LIVINGSTON is an official of the Ancient Mystical order of Rosae Crucis. He does not attend meetings regularly at any particular temple. On May 28, 1968, he attended the weekly Tuesday evening meeting of the Pasadena Chapter. This was somewhat of a special event in that the chapter presented Mr. LIVINGSTON with a ring for past services performed by him.

He arrived at the temple, 2031 East Villa, Pasadena, California, at approximately 7:45 p.m. on May 28, 1968. When he arrived, it was pointed out to him that a new member was present. This individual was introduced to Mr. LIVINGSTON as SIRHAN BISHARA SIRHAN.

Mr. LIVINGSTON chatted briefly with SIRHAN who advised him this was the first time he attended a meeting of the order. SIRHAN advised that he had been a member of the order for approximately one year, but he had not attended a meeting before. He indicated to Mr. LIVINGSTON that he would like to talk to Mr. LIVINGSTON at length. Inasmuch as it was time for the meeting to begin, Mr. LIVINGSTON told SIRHAN that he would enjoy the opportunity to talk to him following the meeting.

When the meeting was over, Mr. LIVINGSTON noticed SIRHAN standing alone and looking at some literature, but Mr. LIVINGSTON was occupied in other conversations and did not have the opportunity to talk to SIRHAN again. The next time he looked for SIRHAN, SIRHAN had already departed.

Mr. LIVINGSTON had noted that SIRHAN's address was at 696 East Howard in Pasadena, and he had planned to give him a ride home; however, he was unable to locate Mr. SIRHAN to accomplish this.

Mr. LIVINGSTON did not attend the meeting held the following week, on June 4, 1968, at the Akhraton Chapter.

Mrs. ELEANOR ANDREW, Treasurer of the Akhraton Chapter of the Ancient Mystical Order of Rosae Crucis (AMORC), 2031 East Villa, Pasadena, California, was interviewed at her place of employment, Royal Laundry and Dry Cleaning, 443 South Raymond, Pasadena, California, residence address, 946 Jane Place, Pasadena.

She advised that she was present at the May 28, 1968, meeting of her Akhraton Chapter, when SIRHAN SIRHAN attended. She stated that SIRHAN was a guest at her chapter's meeting and that she had not seen him prior to the meeting of May 28, 1968, nor since that meeting. She only observed him at one time during the meeting noting that he was a stranger. At the time she observed him, he was talking to one of the two Colombes, which is Egyptian for candle lighters. These Colombes have to be girls between the ages of 12 and 18. She cannot recall which of the girls SIRHAN was talking to but it had to be (First Name Unknown) ABANG, or (First Name Unknown) ACOB.

ANDREW stated she cannot recall observing SIRHAN again during the meeting. She stated that at that particular meeting night, she was not in attendance the full time as she left the meeting to pick up a ring which was to be presented to the past Grand Master. She stated that SIRHAN left prior to her leaving the meeting. The meeting was from approximately 8:00 to 9:00 p.m. with a 45 minute social gathering afterwards.

She advised that an AMORC member must show a membership card to attend a meeting of any chapter. They were also required, however, to sign the guest book. As best as she can recall, SIRHAN was the only guest that evening. THEODORE STEVENS, Secretary, maintains the membership book and guest book.

Mr. THEODORE STEVENS, 586 Pulman Street, Los Angeles, advised that he is the Master of the Chapter, "Ancient Mystical Order Rosae Crucis" (AMORC), having regular Tuesday weekly meetings in the Pasadena area.

Mr. STEVENS advised that he is familiar with the name SIRHAN BISHARA SIRHAN as being a member of his organization who attended a meeting on May 28, 1968, at the Pasadena Chapter. Mr. STEVENS stated that he definitely remembers SIRHAN's arriving on the evening of May 28, 1968, at approximately 7:30 p.m., his signing the guest registration, and his attendance at the meeting which broke up shortly after 9:00 p.m. STEVENS stated that this was the only meeting ever attended at his Chapter by SIRHAN. Mr. STEVENS stated that he himself did not converse with SIRHAN, but he advised that SIRHAN may possibly have spoken to one or two members of his organization.

Mr. STEVENS was exhibited photographs of six male individuals by SA PAUL CHAMBERLAIN, JR., and from these photographs Mr. STEVENS picked the photographs of SIRHAN BISHARA SIRHAN as being identical with the individual in question.

STEVENS stated that he could find nothing in the concepts of his organization, which is a mystical, philosophical and fraternal organization, that would have influenced SIRHAN to take action against Senator KENNEDY.

STEVENS stated further that his order teaches that drastic changes are not permanent changes and that, therefore, changes must come through evolution. He advised that AMORC is definitely not anti-Semitic and, in fact, has many Jewish members.

WILAMAY HARRTSON, 230 West Washington, Pasadena, California, advised she was at the meeting of the Ancient Mystical Order Rosae Crucis (AMORC), Pasadena, California on May 28, 1963. She advised she met an individual there who said his name was JOE but through photographs and television she determined that this was SIRHAN BISHARA SIRHAN. She advised that when she went to the meeting on the 28th of May, she saw a young man there and she went up and introduced herself as they, the older members, are supposed to do to make the newer members feel at ease. She stated he told her his name was JOE and that he was not too familiar with the order. She asked him how he heard about it and he said he received a brochure in the mail. She advised she helped him put on an apron as this is what they do before they go in for the lecture. She advised she sat over to the other side of the room and she did not see him again until about 9:00 p.m. when the meeting was over and, as they were walking out, this individual, who called himself JOE handed in his apron. She advised she went then to prepare refreshments but that JOE did not stay for any refreshments.

She recalled that during the meeting the lecturer asked for a volunteer for a tactile experience, which she stated is an experiment to determine if an individual, when touched, can determine if he is being touched by one or two things. She stated that SIRHAN, or JOE as he called himself that night, volunteered for the experiment, but she stated she did not recall too much about it as she has seen and heard the lecture many times and that she fell asleep. She stated that her daughter, IMOGENE, who was at the meeting, saw SIRHAN donate something to the collection but she was not sure what.

She stated that she was certain he was not wearing a weapon on this occasion because he was wearing tight blue jeans and that she was sure she would have noticed a weapon if he had one. She stated he spent most of his time at the book table looking over the literature before the meeting and that she did not see him talking with anyone. She advised that her discussion

Mrs. VIRGINIA JACKA, 326 South Berkeley Avenue telephone SY 6-1452 advised she is the chapter musician for the Ancient Mystical Order Rosae Crucis (AMORC) Pasadena, California. She advised she was in attendance at the Rosicrucian meeting on May 28, 1968 and recalls seeing SIRHAN SIRHAN in attendance at the convocation. She advised she did not meet SIRHAN, was not introduced to him, nor did she know him prior to seeing him in attendance at this meeting. She stated at this particular meeting of May 28, 1968, she was somewhat late and immediately went to the choir area in order to get her music out and ready for playing. She stated after watching television when Senator ROBERT F. KENNEDY was shot and seeing the pictures of SIRHAN SIRHAN on television, she knows that the person whose photograph she saw on television is identical to the same person who was at their meeting on May 28, 1968.

Two photographs of SIRHAN SIRHAN, one Los Angeles Police Department photograph taken June 5, 1968, Number 495139, and a photograph of SIRHAN being held by two unidentified men were exhibited to her. She advised that these photographs are identical to the person she recalled seeing at the convocation.

Mrs. JACKA also stated in order for SIRHAN SIRHAN to be in attendance at the meeting he would have to have a membership card showing currently paid up dues. She stated she has conversed with some of the other members and that she has learned he was a member but that he has been stricken from the rolls of the order.

She stated the Grand Chapter of the AMORC is at San Jose Park, San Jose, California, and that this grand order would in all probability be in a position to furnish some background information regarding SIRHAN SIRHAN. She also advised that AMORC has chapters in Van Nuys, Pomona, Whittier, Long Beach, and Los Angeles, California.

Mrs. JACKA stated members can go from one chapter to another to attend meetings, however, they would have to exhibit their membership card to be allowed to attend.

LEROY CLEMENS, residence 438 Hurstview, Monrovia, California, telephone 359-7882, was interviewed at his employment at the Service Department, Savage Pontiac, 335 West Huntington Drive, Monrovia, California. Mr. CLEMENS advised as follows regarding his knowledge of SIRHAN B. SIRHAN:

CLEMENS advised that he is chaplain of the Akhnaton Chapter of the Ancient Mystical Order Rosai Crucis (AMORC), which Chapter is located at 2031 East Villa, Pasadena, California. He stated that on Tuesday, May 28, 1968, he met, shook hands with, and had a very brief conversation with SIRHAN B. SIRHAN at approximately 8:00 p.m. at the above Chapter. He stated he has no recollection of any matters discussed by SIRHAN nor did he recall who introduced SIRHAN to him prior to his, CLEMENS's, participation in the convocation following which the general meeting was held. He stated he recalls no one escorting SIRHAN and stated he was unaware as to how SIRHAN came to attend that Chapter's meeting. He stated he does not recall SIRHAN in attendance at the meeting and stated that he, therefore, was not certain whether or not SIRHAN is a member of AMORC.

He stated that if SIRHAN is a member that such membership would be on record at the Grand Lodge, San Jose Rosai Crucian Park, San Jose, California, where an application for membership is required, and often a picture is requested.

CLEMENS stated that he immediately recalled SIRHAN due to his unusual name, when he observed newspaper and television publicity concerning the assassination of United States Senator ROBERT KENNEDY. CLEMENS observed and immediately recognized a photograph of SIRHAN B. SIRHAN.

CLEMENS advised that it was extremely unlikely, in his opinion, that SIRHAN could have been a member of AMORC and have committed the assassination of which he is accused as it is entirely against all the teachings of the AMORC philosophy of life.

CLEMENS advised that in order to attend a meeting of AMORC, one must exhibit one's membership card issued by the Grand Lodge and must be up to date in payment of one's membership dues. He stated SIRHAN had never, to his knowledge, been in attendance at an Akhnaton Chapter meeting prior to May 28, 1968 and he stated that he is certain he was not in attendance on Tuesday, June 4, 1968. He could furnish no further information regarding SIRHAN.

EILENE SKIPWORTH, Secretary of the Akinaton Chapter of the Ancient Mystical Order Rosae Crucis, was interviewed at her place of employment, Clayton Manufacturing Company, 4213 Temple City Boulevard, El Monte, California, where she advised the following:

She resides at 1111½ Highland Oaks Drive, Arcadia, California, and has a telephone number of 446-9331. As secretary for the above organization, part of her duties is to meet guests attending their regular weekly meetings and to verify that they are a current member of the organization. She was in attendance at their meeting on Tuesday Night May 28, 1968, when an individual came in to attend the meeting. This man displayed a 1968 membership card to her and thereafter signed the register. This individual was not a member of her lodge but had a current membership card for the organization. She could not remember exactly how he signed the book but had said that the person signing the book was identical to SIRHAN SIRHAN.

She was shown a photograph of SIRHAN SIRHAN and stated she is positive that this is the same individual that attended the meeting that evening. She recalled purchasing a newspaper after leaving work after Senator KENNEDY was shot and finding a photograph of SIRHAN SIRHAN on the front page. When seeing the picture, she thought this was the same individual as had attended the meeting that Tuesday Night and to further her beliefs, checked the register for that meeting and noted he had signed the same name as had appeared in the newspapers.

After SIRHAN had signed the register at the meeting, SIRHAN was asked by SKIPWORTH if he had received literature of hers advising him of the time and place of their weekly meetings, but he just stated that he had wanted to come. He appeared at the meeting by himself and did not associate with any particular person, to her knowledge, but she added that she did not go into the meeting room that night because of other duties she had to perform. She was also not aware of how he arrived at the meeting or how he left.

She recalled there were probably 16 to 18 persons in attendance that night.

Meetings always start at 8:00 p.m., and convocation is over at 9:00 p.m. Refreshments are served afterwards but on this evening after refreshments have been served, someone else noticed that their "guest" was not there. Apparently SIRHAN had left the meeting right around 9:00 p.m.

SKIPWORTH added that new persons at their meetings are usually introduced to attending members by a young girl who is called a Colombe. The Colombe at this meeting would have been either DELORES ABANG, or LUANA ACOB, as they were present that night, to her knowledge, and they usually assist each other in these duties. These two girls are both daughters of members of the organization.
