FRANK C. AILES, who is the Chief of Police of the Delano, California, Police Department, furnished the following information and requested that the source of information (himself) be kept confidential:

About five weeks ago, early May, a short time after the shooting of MARTIN LUTHER KING, he and several friends were drinking in the Elk's Club in Delano. He recalls that one of the individuals with him was Lieutenant COMBS of his own Department. The other individuals he does not recall other than a ROY MURRAY who lives in Earlimart, California.

On this occasion, MURRAY advised the group that he had received a long distance telephone call from friends in the Las Vegas area requesting a contribution from him to help pay a one half to three quarter million dollar contract to assassinate ROBERT KENNEDY. MURRAY stated that the assassination was to take place if it appeared KENNEDY was to gain the Democratic Presidential nomination, and that California was considered as the conclusive proof point of that probable nomination.

MURRAY bragged that he had offered \$200 towards this contract. He intimated that these friends were members of the "Mafia". He further stated that he told the people from Las Vegas that he could probably drum up at least \$50,000 to \$100,000 in Delano, California, area alone.

AILES further advised that KENNEDY has been to Delano three times in the past year. Prior to KENNEDY's visits the area was quiet and untroubled, however, since his visits there have been riots, strikes, and picketing.

The wealthy farmers in the area all hate KENNEDY. When KENNEDY came to visit CHAVEZ on his hunger strike he refused to allow any local police to furnish him any protection. When he arrived on these visits he came by private plane which would land at the airport at Memorial Park in Delano. On his last visit very few people met or saw KENNEDY off.

AILES stated he felt that MURRAY was probably just blowing his own horn because of the high feeling against KENNEDY in the area. MURRAY is a reasonably wealthy farmer in the area and does make frequent trips to Las Vegas. At the time the above comments were made the general tenor of conversation had been for the KING assassination and against the JOHN F. KENNEDY assassination. Someone in the group had mentioned that they had shot the wrong KENNEDY and it was too bad it had not been ROBERT instead of JOHN that had been killed. AILES feels that this probably triggered MURRAY's comments.

MURRAY is a known gambler in the area but has no police record for such activities. He frequently loses several thousands of dollars at a time when he visits Las Vegas, but this does not appear to bother him. AILES feels that if MURRAY is confronted with this situation he probably will either admit making the comments or claim that he does not remember making the comments. He feels MURRAY is not the type of individual to back down and that if he did make this statement in jest he probably would admit it if questioned by authorities.

AILES had forgotten the incident and it was only brought to his mind by Lieutenant COMBS after KENNEDY was assassinated immediately after winning the California election.

Miss PAM MIKI, Secretary, "The Joe Pyne Show,"
Television Station KTTV - Channel 11, Los Angeles, California,
advised as follows:

For several days following the assassination of
Senator ROBERT F. KENNEDY, "The Joe Pyne Show" was deluged
with calls in which the callers indicated they recognized
news media photographs of SIRHAN B. SIRHAN as being identical
with an individual who had appeared on a Joe Pyne Show when it
featured a guest, who recently returned from the Middle East
and who discussed the Arab-Israeli war. It was indicated that
SIRHAN had been in the studio audience and had come up to the
"beef box" to express a viewpoint supporting the Arab position in
the war.

Miss MIKI pointed out that normally individuals who
appear in the "beef box" are requested to sign waivers. A
search had been conducted, and no waiver under the name of
SIRHAN had been located.

Miss MIKI advised that a canvass of employees of the
JOE PYNE staff indicated SIRHAN might have appeared on a show
which was taped on June 19, 1967, and which was aired in the
Los Angeles area on June 24, 1967. Or he possibly could have
appeared on a show taped June 12, 1967, which was aired on
June 17, 1967. Both shows dealt with the Arab-Israeli situation.

Miss MIKI said it had been ascertained that the video
and audio tapes of both of the above shows had been erased. She
indicated that the staff's recollection was that an individual
probably identical with SIRHAN had appeared in the "beef box"
in one of the above-described shows and had strongly supported
the Arab point of view in the Arab-Israeli war.

Mr. RON REYNOLDS, Program Director, KNEW Radio Broadcasting Station, 66 Jack London Square, Oakland, California, on June 18, 1968, advised as follows:

All individuals who call in on the talk programs are anonymous. The callers are screened by the program producer before they are referred to the announcer.

Concerning the appearance on the Hilly Rose Show at 10:30 A.M. Memorial Day, May 30, 1968, of GLORGE PLIMPTON of New York, REYNOLDS reviewed a tape of the program and talked to the producer. He was told by the producer that the voice of an individual who called in concerning Senator ROBERT F. KENNEDY was not that of a regular or repeater. REYNOLDS estimated the voice to be that of a male in his 50s or 60s.

In listening to a tape of the show, REYNOLDS said that the caller appeared to him to be a supporter of ROBERT F. KENNEDY. The caller asked if consideration had been given by ROBERT KENNEDY to the possibility that he could be killed as had happened to his brother, JOHN F. KENNEDY. The reply to the caller was that anyone in the public light must expect that such things are a possibility.

Mr. REYNOLDS advised that he would make a copy of the pertinent part of the above program and make it available on the morning of June 19, 1968.

On June 19, 1968, Mr. REYNOLDS made available a tape of the described program.

He is the owner of Big Brother Cleaning and from March until June of 1968, his company handled the cleaning at the Kennedy Headquarters, 5615 Wilshire Boulevard, Los Angeles, California.

During the time that he was taking care of the cleaning of the headquarters, he went each day with usually a two-or three-man crew to the headquarters and spent about two hours cleaning the building. His employees in the first part of June were STEVE VILLARE and EDWARD SPELLS. ROWLAND advised that both VILLARE and SPELLS reside at 6326 Lexington Street, Los Angeles.

ROWLAND explained that he usually went to the headquarters between 5:00 and 6:00 AM so that the cleaning could be done before the regular volunteers arrived at the building. On most of these occasions he had access to the various papers and files which were in the headquarters, but he does not recall ever seeing any of his employees take anything from the headquarters. On June 25, 1968, Mrs. SPEAR (LEILA) SAYEGH, 2035 Vista Street, Sierra Madre, was contacted in an effort to locate her husband, SPEAR SAYEGH, operator of the GPS Pharmacy, Temple City, California, who was not at home. Mrs. SAYEGH stated neither she nor her husband knew SIRHAN SIRHAN, but were slightly acquainted with his brother, ADEL SIRHAN, who entertained by playing a musical instrument.

Mrs. SAYEGH stated she wished she had known SIRHAN, as she was sure anyone who was closely acquainted with Jordanian Arabs, as a group, would never have been involved in shooting a political figure, particularly not Senator KENNEDY. She stated most Arabs, both in the United States and in the Middle East, had a warm feeling toward the KENNEDYS, whom they believed had a good understanding of the situation there. Mrs. SAYEGH stated all the Arabs she knew were greatly distressed that an Arab was responsible for the death of Senator KENNEDY, and she felt SIRHAN had hurt the cause of Middle Eastern Arabs greatly.

Mrs. SAYEGH stated her husband headed the United States Organization for Medical and Educational Relief, which is the only tax-exempt charitable organization for the benefit of Arabs in the Middle East. She stated neither she nor her husband had ever met SIRHAN through this organization, or otherwise. Mrs. SAYEGH believed the name of the man who used to head the Organization of Arab Students, or at least an organization for Arab students, was one MUSA SABA. She did not know him, or where he might be located, and knew nothing concerning the group.

SAYEGH states he had never met SIRHAN SIRHAN, and knew nothing concerning him. He stated he was slightly acquainted with ADEL SIRHAN when ADEL SIRHAN entertained by playing a musical instrument at the Shakers Oasis Bar and the Fez Bar in Los Angeles. SAYEGH stated he had been president of the American Jordanian Society, which he formed, for two years, and was presently president of the United States Organization for Medical and Educational Needs, commonly called U. SAYEGH stated he was acquainted with most Arabs, or members of their families in the Los Angeles area, but was not acquainted with SIRHAN, and stated SIRHAN had never attended meetings of any Arab organization with which he was affiliated at any time.

SAYEGH volunteered that it was the opinion of many Arabs that the Zionists had induced SIRHAN to assassinate Senator KENNEDY in some manner. He stated he had no evidence for this belief, but stated many Arabs still held this idea. He stated he and most Arabs of his acquaintance had had a feeling of warmth for both President JOHN F. JOSEPH SHEEHAN, Professor of Psychology, University of California at Los Angeles (UCLA), was contacted at his residence 371 20th Street, Santa Monica, and he furnished the following information:

On the night of May 24, 1968, he and his wife, MARGARET, attended a rally for Senator ROBERT F. KENNEDY at the Sports Arena, Los Angeles. This rally ended around 10:30 p.m. and SHEEHAN and his wife made their way out of the Arena to a position where they could get a look at Senator KENNEDY as he was leaving the Arena. SHEEHAN was waiting about a half hour for Senator KENNEDY and a large crowd, in excess of 200 people, had also gathered to wait for the Senator.

About that time SHEEHAN noticed that the man, who had moved in front of him, was completely out of character in the crowd. This man appeared very intense and sinister, and did not participate at all in the carnival atmosphere that pervaded the crowd. This man appeared to SHEEHAN to be alone, inasmuch as he did not talk with anyone in the crowd and after two or three minutes he moved away and was lost by SHEEHAN in the crowd. However, as this man moved away, SHEEHAN remarked to his wife as to the sinister demeanor of this man. His wife agreed. SHEEHAN reiterated that he lost this individual in the crowd and did not see him again that evening.

Two days after the assassination of Senator KENNEDY, SHEEHAN saw a photograph of SIRHAN SIRHAN in the Los Angeles Times and he identified the photograph in the newspaper as being the picture of the sinister individual who had been in front of him outside the Los Angeles Sports Arena on May 24, 1968. SHEEHAN showed this picture to his wife without any explanatory statements and she too, without prompting, identified the photograph of SIRHAN SIRHAN as being the picture of the man in front of them in the Sports Arena.

SHEEHAN observed a photograph of SIRHAN SIRHAN taken by the Los Angeles Police Department on June 5, 1968, and he identified the person pictured as being the person who was in front of him in the crowd outside the Sports Arena on May 24, 1968.

Approximately half an hour after SHEEHAN lost SIRHAN SIRHAN in the crowd, Senator KENNEDY left the Sports Arena in the company of ROOSEVELT GRIER and RAFAEL JOHNSON, and other unknown members of the KENNEDY entourage. While the entourage was attempting to clear a path to Senator KENNEDY's awaiting automobile, which SHEEHAN observed was parked on Exposition Boulevard, SHEEHAN noted that a group of four men were concertedly attempting either, to impede the progress of the entourage by not giving ground before it, or were simply attempting to withstand the crowd in order to get a better view of the Senator. In any event the KENNEDY entourage was momentarily halted by the bottleneck of people before GRIER and JOHNSON moved in the direction of least resistance and took Senator KENNEDY to the awaiting automobile. SHEEHAN could not recall the four men other than that they all appeared to be white Americans and to be well dressed. SHEEHAN did not see SIRHAN SIRHAN in the company of these men, nor does SHEEHAN have any reason to associate SIRHAN SIRHAN with these men.

SHEEHAN commented that he did not know any person in the crowd outside the Sports Arena on the night of May 24, 1968, other than his wife.

SHEEHAN concluded that on the night of June 4, 1968, he and his wife were at the Ambassador Hotel arriving there about 8:30 p.m. They spent the entire evening in the Grand Ballroom, leaving about 11:30 p.m., and he did not see SIRHAN SIRHAN or Senator KENNEDY that night.

After this rally concluded, she and her husband went outside the Arena in hopes of seeing Senator KENNEDY as he left the Arena. She and her husband had been waiting in a crowd of over 200 people for approximately 20 to 30 minutes, when her husband commented to her that the man, who had been standing in front of him and who was now making his way off into the crowd, appeared to be extremely sinister. Mrs. SHEEHAN observed this man, agreed with her husband, and watched this sinister looking individual as he moved through the crowd in the direction of the automobile that was awaiting the departure of Senator KENNEDY. She observed this man only momentarily before losing him in the crowd, and she did not see him again that evening.

JAMES SHORTRIDGE, 10404 8th Place, Inglewood, California, furnished the following information:

He manages the Shell Service Station at 2600 West 6th Street, Los Angeles. A man closely resembling SIRHAN SIRHAN was a regular customer of his from about February to June, 1968, and this man has not been in the station since the assassination of ROBERT KENNEDY. The man usually had two other men with him. He would not recognize the two men if he were to see them again, and all he can remember about them is that they were dark haired, had small builds, and looked like they were of the same race as the man who resembled SIRHAN.

The man who resembled SIRHAN drove a 1956 two tone De Soto, with a red or blue top and a light body, and with California license plates. The man always made cash purchases of \$1.00.

SHORTRIDGE was shown a photograph of SIRHAN SIRHAN and he stated that the man who came into his station closely resembled SIRHAN, but he could not say with any certainty whether it was SIRHAN. SHORTRIDGE had no other information.

They now have four children through this marriage. He pointed out this has been his only return to Jordan since coming to the United States in 1948. SIRHAN said that although he was born an American citizen, he nevertheless obtained a Certificate of Citizenship number [REDACTED] dated April 11, 1961 at Detroit.

The following is a continuation of background information obtained from SIRHAN on June 7, 1968:

SIRHAN denied knowing or being related to SIRHAN BISHARA SIRHAN, who is involved in the assassination of Senator KENNEDY.

On June 14, 1968, ERNEST RIECKHOFF, Employment Officer, Bryant Computer Products, Division of Excelllo Corporation, 850 Ladd Road, Walled Lake, advised SA(A) NESBITT that SIRHAN S. SIRHAN has been employed as a computer technician since August 17, 1965. Mr. RIECKHOFF advised that SIRHAN is considered to be an extremely capable and dependable employee. He said SIRHAN's employment application shows his date of birth as June 15, 1934 and his parents as SALIM and MARY SIRHAN, 1211 Hubbard Street, Detroit.

DE 62-4177
DCN/kyh -- 1

On June 7, 1968 SALIM SALEM SIRHAN, father of SIRHAN SALIM SIRHAN, 1211 Hubbard, Detroit, furnished information to SA(A) DAVID C. NESBITT and SA(A) VERNON G. WALTERS that he had seen a picture of SIRHAN BISHARA SIRHAN's father on television being interviewed in Jordan and that he knew this person as BISHARA SALAMEH KHATTAS (phonetic). He said he was not personally acquainted with KHATTAS and furthermore, did not know the whereabouts of his wife, whose name he believed to be MARY, or his children. He said he recognized him because he is from the same village, Taybeh, Jordan, and that he saw KHATTAS on one occasion when he last visited Taybeh about four years ago. Mr. SIRHAN said he has never known KHATTAS to use the name SIRHAN but it is possible that if he visited the United States he changed his last name to SIRHAN. Mr. SIRHAN, who has difficulty understanding English, said he was born February 10, 1900 in Palestine, Jordan, came to the United States in 1920, and became a naturalized citizen in about 1928.

On June 14, 1968 ALICE BATAYEH, daughter of SALIM SALEM SIRHAN, 2100 Mc Kinstry, Detroit, furnished a complete itinerary of travel to Jordan from 1955 to the present time of the SIRHAN family residing in Detroit and Goshen, Indiana, which visits were made for the purpose of visiting relatives in Taybeh, Jordan:

Name	Address	Time of Visit	Length of Visit
KAREEM (SAM) SIRHAN	1076 Vinewood Detroit	Summer, 1966	5 weeks
ABED (ALBERT) SIRHAN	Goshen, Indiana	1959	2 months (In U.S. Navy at time)
INAM SIRHAN (wife of ALBERT)	Goshen, Indiana	Late 1965 through early 1966	6 months
ELLEN SIRHAN (wife of SAM)	1076 Vinewood	1962 - 1963	9 months

DE 62-4177
DCN/kyh - 2

Name	Address	Time of Visit	Length of Visit
NORMA SIRHAN (single)	Resides with AWAD SIRHAN 17325 Springer Detroit	Summer, 1966	10 weeks
MARY SIRHAN (wife of FAHIM FRED SIRHAN)	Romulus, Michigan	Summer, 1966	10 weeks (She accompanied NORMA SIRHAN on this trip)
GHALIB SIRHAN	West Dearborn, Michigan	1957 - 1958	6 - 7 months
ADEL (EDDIE) SIRHAN	1500 Hubbard Detroit	1958	2 months
SIRHAN SALIM SIRHAN	2505 Green Detroit	May, 1957	4 weeks
ALICE and JOE BATAYEH	2100 Mc Kinstry Detroit	June or July, 1962 through September, 1962	

During the time the above information was being furnished by ALICE BATAYEH, her husband JOE brought to the residence her father, SALIM SALEM SIRHAN, who had in his possession his passports concerning his last visit to Jordan and his Certificate of Naturalization. It was determined through ALICE BATAYEH and SALIM SALEM SIRHAN that Passport 2200791 was issued to SALIM SALEM SIRHAN on May 26, 1960 and was valid through May 31, 1965. The passport discloses that SALIM SALEM SIRHAN visited Jordan on this passport from June 15, 1960 to November, 1960. He returned to Taybeh, Jordan on this passport September 16, 1964 and was in Jordan when the passport expired. As a result, he obtained a second Passport Number 2432942 on May 4, 1965 in Jerusalem and he returned to the United States on this passport August 20, 1966.

DE 62-4177
DCN/kyh - 3

Mr. SIRHAN displayed his Certificate of Naturalization which is dated April 21, 1926 and bears number [REDACTED]. The certificate was issued in Pittsburgh, Pennsylvania.

It should be noted that SALIM SALEM SIRHAN was interviewed on June 13, 1968 in connection with his travels to Jordan but because of his difficulty in understanding English, he became confused and furnished information that he had visited Jordan from 1962 through 1964. He subsequently contacted his daughter, ALICE BATAYEH, and explained to her that he had been confused and as a result had furnished the wrong information.

On June 14, 1968 the correct information was obtained through ALICE BATAYEH and Mr. SIRHAN's passports concerning his travels to Jordan since 1955 as set forth above.

JOHN A. SWEDE was interviewed at the Los Angeles office of the FBI. Mr. SWEDE said he and his wife, CONRADINA MARIE FABREY DE JONGE SWEDE, were on a honeymoon during the month of May and part of the month of June 1968. He said during this honeymoon, he and his wife visited Europe and countries in the Middle East and Southwest Asia. On Friday, May 17, 1968, they were on an Iraqi Airline flight from Cairo to Tehran. They landed in Baghdad at about 5:00 p.m., and they missed the connecting flight from Baghdad to Tehran. The Iraqi Airline made arrangements for he and his wife to spend the night at the Ambassador Hotel in Baghdad. He said he and his wife checked in at the hotel shortly after they found out that they had missed the connecting flight. At the hotel they went directly to their room where they stayed for about an hour. He said they made inquiry regarding a place to eat and found out that the hotel had a dining room.

Mr. SWEDE said that he and his wife arrived at the dining room in the hotel at about 7:10 p.m. He described the dining room as being one flight above the ground floor, and the only dining room located in the hotel. He said that he and his wife were the only persons in the room at the time that they arrived. He estimated that the dining room had about 35 to 40 dining tables. After they were seated at a table, a waiter came up and said, "You have heard KENNEDY has been shot." Mr. SWEDE said he assumed the waiter was referring to JOHN F. KENNEDY and said the name JOHN F. KENNEDY. The waiter said, "Oh no, his brother ROBERT." Mr. SWEDE said he was surprised to hear this and answered, "Shot?" The waiter said, "Yes, with a gun how else, in the head."

Mr. SWEDE said the waiter spoke in broken English, and throughout his conversation he had a flaw in the use of verb tenses. He said when the waiter said, "KENNEDY is been shot," he assumed that it had already happened. He

said he asked the waiter how he knew this, and the waiter answered with the words to the effect "..... I hear, I hear on Arabic radio." Mr. SWEDE asked the waiter if the news would be in the newspaper, and the waiter answered with the words to the effect "..... You can't read about it. On the radio. Just today I find out." Mr. SWEDE said this conversation took place just before the serving of the main meal. During the time he served the main meal, the waiter got off of the subject. The waiter asked personal questions such as what he and his wife were doing in Baghdad and where they were going.

Mr. SWEDE said he was successful in turning the conversation back to the shooting of Senator KENNEDY, but he was unable to get any further comment from the waiter other than what he had already said. He said the waiter left them pretty much alone while they were eating. After their dinner and while the waiter was serving coffee, he said the problem with the world is the "Jew." The waiter said that the United States is dominated and motivated by Zionists. He mentioned that all the candidates are "pro Israel." Mr. SWEDE said the waiter was not specific regarding names when he made this comment. He said he recalled asking the waiter if the news about KENNEDY would be on the radio that night, and the waiter said, "You will hear nothing."

Mr. SWEDE described the waiter as being of either Arabic or Iraqi descent, about 50 to 55 years of age, with skin of medium color. He was of stout build and had black hair and mustache with gray fleck. He said that there was one other couple seated in the dining room at the time they had dinner, and this couple came to the dining room while he and his wife were in the process of consuming their meal.

Mr. SWEDE said that he and his wife were concerned and slightly disturbed over the fact that the waiter had told them that ROBERT KENNEDY had been shot. After dinner they went to the main square in Baghdad to find a newspaper that would have this news. They were unable to locate a newspaper containing this news. He said they listened to the radio that night for news about ROBERT KENNEDY, and they heard none. He said they left

Baghdad during Saturday morning, May 18, 1968. They flew to Tehran. During that day they made inquiry concerning the news that the waiter had told them on the previous evening. He said he and his wife were unable to verify the information given by the waiter. He said that they figured that the news that the waiter gave them was nothing but a rumor, and they thought nothing more of it.

He said during the afternoon of June 6, 1968, they happened to be in Mersing, Malaysia, visiting a Peace Corps friend of theirs. Her last name is DAFFNEY. DAFFNEY told them that she had just heard that ROBERT KENNEDY had been shot in Los Angeles. He said he, his wife and DAFFNEY listened to the radio that evening, and they had heard that KENNEDY died. Mr. SWEDE said that they were stunned, and they thought back to Friday evening, May 17, 1968, and the information the waiter had given them in Baghdad.

Mr. SWEDE said he was disturbed by the news he had received from the waiter and thought it extremely odd that the waiter had told him about KENNEDY being shot about three weeks before he actually was shot. He said he notified Mr. COFFEY, Information Officer at the American Embassy in Singapore regarding this story.

Mr. SWEDE said he has no idea why the waiter made the previously described comments regarding ROBERT KENNEDY. He said that while they were on the honeymoon, no other individuals made such comments regarding him.

He said they returned to the United States from their honeymoon on June 20, 1968, and they currently reside at 1631 Camden Avenue, Los Angeles. He added his wife, CONRADINA, has no other information to furnish other than what he has given above.

JAMES E. TOLAN, Associate Attorney, law firm of Olwine, Connelly, Chase, O'Donnell and Weyher, 17th floor, 299 Park Avenue, New York, New York (telephone: 212 688-0400), advised that he was closely associated with Senator Robert F. Kennedy in the capacity of an advance campaign manager since May 15, 1968. TOLAN traveled with Senator Kennedy and with few exceptions attended all meetings and functions with the Senator. However, when Senator Kennedy left San Francisco for Los Angeles on June 3, 1968, TOLAN remained in San Francisco and was not present in Los Angeles at the time of the assassination.

TOLAN advised that as a matter of policy the routes to be taken by Senator Kennedy in fulfilling their itinerary were usually planned by Bill Barry and Fred Dutton. As a rule Senator Kennedy would adhere to the itinerary planned. TOLAN stated that he has learned that the route selected for Senator Kennedy to take when he was assassinated was determined only five minutes before it was used and it was selected because it was the easiest route to take.

TOLAN stated that in view of the fact he was not at the scene of the assassination, he has no first hand knowledge of the events that occurred there.

Result of examination:

The conclusion was reached that the majority of the questioned writings on pages fifteen and forty-- seven of notebook Q1 were not written by SAIDALLAH B. SIRHAN, K11; by SHARIF B. SIRHAN, K12; or by MUNIR BISHARA SIRHAN, K13. While the writings on K11 through K13 are too limited and not sufficiently comparable for adequate comparison with other questioned writings on the specimens submitted previously in this case, many differences in handwriting characteristics were found.

Due to the limited nature of the writing on K10 and due to a lack of comparable handwriting, the writing of ADIL BISHARA SIRHAN, K10, could not be adequately compared with the questioned writings. Some differences were found in the writing on K10 and the questioned writings.

Specimens K10 through K13 are being returned to FBI, Los Angeles. These specimens have been photographed.

Due to differences in time of writing and due to the limited amount of available writing of Sirhan Bishara Sirhan, a definite conclusion was not reached whether Sirhan Bishara Sirhan wrote any of the questioned writing on specimens submitted previously in this matter. Due to the limited amount of writing available for examination, a definite conclusion was not reached whether the writers of K4 through K7 wrote any of the questioned writing on the specimens submitted previously.

K16 Cashiers Check #174775, drawn on Crocker-Citizens National Bank, Los Angeles, California, dated 4/12/68, payable to "SIRHAN SIRHAN" in amount of \$1,765.00, and endorsed in name of payee

Result of examination:

The conclusion was reached that SIRHAN BISHARA SIRHAN, whose writings and whose purported writings appear on specimens K1 through K3, K8, K9, K14, and K16, wrote the hand printed address in the lower portion of page one of Q1; the hand printed address and names "SIRHAN SIRHAN" in the upper portion of page 32 of specimen Q1; and the English writing on the front of specimen Q5-F.

The available writing of SIRHAN BISHARA SIRHAN is too limited and not sufficiently comparable with the remaining questioned handwriting on the specimens previously submitted in this matter, for the purpose of determining whether SIRHAN BISHARA SIRHAN wrote any of the remaining questioned handwriting. Similarities in handwriting characteristics were found in the writings of SIRHAN BISHARA SIRHAN and a number of the remaining questioned writings, including certain questioned writings on pages 20, 35, 39, 47, 51, and 53 of specimen Q1; pages 123 and 124 of specimen Q3, and the writing on Q4.

The signatures appearing on K15 are too limited to permit adequate comparison of these signatures with the questioned writings.

Specimen K14 is being returned to FBI, San Francisco. Specimens K15 and K16 are being returned to FBI, Los Angeles. These specimens have been photographed. The pamphlet described as "ALSO SUBMITTED" is being retained.
