COURT APPEARANCE OF  
SIRHAN BISHARA SIRHAN  
12/18/68

On 12/18/68, SIRHAN BISHARA SIRHAN reappeared in Los Angeles County Superior Court before Judge HERBERT V. WALKER. The purpose of that appearance was to include Attorney EMILE ZOLA BERMAN, of New York City, as another attorney to represent SIRHAN in his trial which is scheduled to commence on 1/6/69.

During the same appearance, Los Angeles County Deputy District Attorney JOHN HOWARD requested the court to hear the matter of sequestering the jury during the trial. HOWARD stated his objections to such sequestering and Attorney GRANT C. COOPER, also representing SIRHAN, argued in favor of a sequestered jury. Judge WALKER ruled that the jury would be sequestered during the entire trial. He further ruled that the members of the jury's family would be permitted to visit with them on weekends during the trial with usual security precaution in effect.

COURT APPEARANCE OF  
SIRHAN BISHARA SIRHAN  
AT CORONA, CALIFORNIA,  
POLICE DEPARTMENT PISTOL RANGE  
ON 6/1/68

On 12/18/68, Lieutenant ROY KEENE, Los Angeles Police Department, SUS Unit, advised that his department has developed information indicating that SIRHAN BISHARA SIRHAN utilized the Corona, California, Police Department Pistol Range on 6/1/68. The register maintained that the range has been backed up by the Los Angeles Police Department and found to bear SIRHAN's signature. According to KEENE, investigation thusfar conducted at the range resulted in a tentative identity of SIRHAN at the range. However, that identity is somewhat tenuous and further investigation is being conducted.

In addition to the foregoing, the Los Angeles Police Department is in the process of obtaining the registers for all ranges in San Bernardino, Riverside, Orange, and Los Angeles Counties from February 1968 to 6/5/68.

The foregoing was developed and additional efforts being undertaken based upon a remark attributed to GRANT C. COOPER in the conversation some weeks ago with a member of the Los Angeles County District Attorney's Office. During that conversation, COOPER is alleged to have stated something to the effect that SIRHAN had practiced shooting three times. Inasmuch as two ranges utilized by SIRHAN have now been identified, the Los Angeles Police Department is seeking to identify the third range reportedly used by him.

KENNETH BLAY

Lieutenant KEENE also advised on 12/18/68, that his department has completed investigation regarding a check

NOTE:

We received information in this matter that the subject, a seaman, left the SS Oshkosh Victory, an American vessel at Subic Bay in the Philippines, 8/23/68 for hospitalization at the Manila Medical Center. A newspaper story dateline in the Philippines appeared 12/10/68 in Philippines newspapers reporting the arrest of the subject, indicated the subject had been under surveillance for about two months on suspicion of possible complicity in the assassination of "VIPs" in the United States. Legat Philippines has been attempting to obtain the facts in the matter. Information in cablegram received from NSA. Thus legat is cautioned as to its sensitivity, in fact, information not to be used in report.

Re Los Angeles airtel to the Bureau and Los Angeles letterhead memorandum, both dated 12/3/68.

Enclosed for the Bureau are six copies of a letterhead memorandum setting forth the contemplated list of witnesses for the case in chief which the office of the Los Angeles County District Attorney anticipated using for the forthcoming trial of SIRHAN BISHARA SIRHAN.

The trial has been scheduled to commence 1/7/69, and according to Assistant Los Angeles County District Attorney DAVID FITTS, one of the three members of the prosecutive team who was contacted on 12/10/68, the names appearing in the enclosed letterhead memorandum, were included in the previous list submitted to the Bureau with the exception of the following:

ANGELO DI PIERRO  
 RON BENNETT  
 BILL EPPRIDGE  
 K. L. COFFEY  
 JAMES CLARENCE PINEDA (Pasadena Gun Shop Employee who prepared receipt for sale of pistol, 8/10/65, used by SIRHAN)

FITTS also advised that on 12/10/68, a conference was held with the prosecutive staff and GRANT C. COOPER, one of SIRHAN's attorneys. During the conference it was suggested by COOPER that a polygraph examination be afforded to SIRHAN restricted to questions concerning any possible conspiratorial aspect to this investigation. COOPER suggested this with the understanding that anything obtained from such an examination would not be used against SIRHAN in his trial. Further, that anything COOPER desired to use in defense of SIRHAN at any subsequent executive clemency hearing could be used.

COOPER further suggested that the possibility of a nolle contendre plea be entered in SIRHAN's behalf with respect to the five counts he is charged with in addition to the assassination of ROBERT F. KENNEDY.

COOPER further expressed a desire for further psychiatric and/or physiological examinations of SIRHAN. He further suggested a possibility of an exchange of information with respect to the medical findings.

COOPER further submitted for consideration of the prosecutive staff a possible guilty plea in behalf of SIRHAN after the jury is selected and sworn in. This procedure would then, according to COOPER's desires, obviate the necessity of a trial to determine guilt. The jury would then merely hear evidence to determine the degree of penalty following the guilty plea.

FITTS advised further that during their conversation COOPER made reference to SIRHAN having been in Corona, California, on the Sunday preceding the assassination, 6/2/68. COOPER did not enlarge upon the allusion to the above date, nor was he questioned about it. According to FITTS, nothing has been developed to date in any investigative efforts which has possibly or suggestively placed SIRHAN in Corona, California on 6/2/68. Further, investigation by the Los Angeles Division has not placed SIRHAN in Corona, California, on that date.
