My dear friend

Thanks for your letter of April 20 but am
I surprised to read that you have completely changed
your mind.

What has gone into you, Sir?

I know you have always been a kind of
pessimistic even since the first time I know you
back in '64

But you can't live on that way, why don't you
try to change it?

I know arabian thinking is different than american
thinking, but don't forget you have a real free life and
you can do whatever you like to.

Why don't you talk to your girl friend about it?

She will understand you. As far as I can see, it is a
pretty girl. Why don't you send me some more or better
pictures from both of you? Are you going to marry her?

I hope she will give you the life you want.

Maybe you will have some kids then in
years and you will see everything looks different then

You wouldn't like it the way it is right now in the U.S.?
or do you??

Look what happened to Dr. King a couple of weeks

I know to be rich is nice. but I had so many and
luck in my life that I finally got used to it, and
I am satisfied with what I have right now, and be-
cause that my old boss came to me to ask me back to work
Well so you see, not having to much money, having a
lot of risks and all that stuff, all of a sudden the train was
This 1st of June I will start there and I know I am
going to enjoy it

Well dear Sisk. I hope you won't do anything you will
be sorry for later and please give me finally your real
address! I even believe that this address is not complete
without the name of the street I thought Los Angeles was
so big that this could hardly be enough.

Why don't you get married right away than you can
have your own address. Moving from one to the other
good at all.

My daughter is growing up fine. She will be 9 years
old at the 6th of August. Send her a nice card will you

Well Sisk. I am going to bed now because it
is pretty late and tomorrow I have a lot of work to do.

I hope you will write pretty soon. we will have
better contact with each other than in the past.

I wish you and your girl all the best for the future

Many Greetings

Your friend

SIRHAN BISHARA SIRHAN

The Directie Politie furnished the following information which it said had been developed by the police of Utrecht:

The postmark on the envelope of the letter to the subject shows the posting date to be June 21, 1968. The letter was without doubt posted in Utrecht on that date and canceled at the Main Post Office in Utrecht between 10:00 A.M. and 11:00 A.M. The stamps on the envelope are of a special series which were issued in the Netherlands only between May 1, and May 28, 1968. The postage was insufficient since the charge for a letter directed to the United States, not exceeding twenty grams in weight, is 45 cents.

The name ESBES was searched through the records of the Register Office in Utrecht, and the Central Civil Registry in The Hague, with negative results. It can be said, therefore, that no person utilizing this name is registered as living in the Netherlands.

The address 51 Prins Bernhardplein, Utrecht, is occupied by a branch post office. The manager of this branch stated that it is unusual for letters to be directed to General Delivery (Poste Restante) at this branch post office. During the past year not a single letter addressed in this manner has been handled by this branch. Inquiries at the Main Post Office in Utrecht revealed that there was no information of any mail being handled through General Delivery there for a Mr. ESBES.

Mention is made in the letter of a daughter of the sender who was born on August 6, 1959. Efforts to identify the writer through this indicated birth of his daughter proved to be negative.

It has not been possible for the police in Utrecht to identify the writer of the letter to the subject. The Utrecht Police believe it to be a hoax letter and the name ESBES to be fictitious. They suggest the possibility that the name may have been devised from the initials of the subject, S.B.S., which phonetically might be written as es-b-es.

The Directie Politie said that a man named Alwin Edgar Philip Wolfgang, born August 9, 1922, in Paramaribo,

SIRHAN BISHARA SIRHAN

and now living in Amsterdam, Netherlands, is known to them through its records. A few years ago, Wolfgang, who is regarded as probably mentally disturbed, wrote letters to persons who were involved in sensational cases. One such letter was addressed to Mrs. J. D. Tippit, widow of the police officer who was shot and killed during the investigation immediately following the assassination of President John F. Kennedy. In view of this, the police in Amsterdam were asked to make inquiries to determine whether Wolfgang could have written the letter addressed to the subject. The Directie Politie furnished an English-language translation of the report of the Amsterdam Police reflecting the results of those inquiries. A copy of that report is incorporated as Pages 7 and 8 of this memorandum.

R E P O R T

With reference to letter dated 3 September 1968, Reference 7.219/218 - 7.313/1418, received from the Head of the National Central Bureau of Interpol in The Hague, asking for enquiries to be made respecting a letter written to Sirhan B. Sirhan, now in custody for the alleged assassination of United States Senator Robert F. Kennedy, I, Detective-Constable 1st Class Dirk PEEREBOOM of the Amsterdam Municipal Police, have to report that I have made enquiries as requested.

Records of the Register-Office in Amsterdam show that at the address 1st Floor 142, Admiralengracht, Amsterdam is living: Alwin Edgar Philip WOLFGANG, born 9th August, 1922, at Paramaribo.

This person was married at Utrecht on the 13th September, 1950 to Celia JACOBS, born 23rd October, 1932, at Utrecht. There are two children by this marriage, namely Geertruida Aartje WOLFGANG, a girl, born 26th February, 1951, at Utrecht and Alwin Johan Cecil WOLFGANG, a boy, born 27th February, 1965, at Amsterdam. The girl G.A. Wolfgang lives at 54 Brederodelaan, Bloemendaal, where she has lived since July, 1967.

In order to have it ascertained by the police scientist Mr. D. Eskes of Amsterdam Police Headquarters whether or not the letter sent to Sirhan B. Sirhan has been written by the said A.E.Ph. Wolfgang, I, the reporting officer, handed the said police scientist a copy of the said letter to Sirhan B. Sirhan, received from the Head of the N.C.B. of Interpol in The Hague and also a letter dated 12th February, 1968 written by A.E.Ph. Wolfgang to his employer, which had been lent to me by his employer for investigation purposes.

After comparison of the handwritings of the said two letters Mr. Eskes stated that he was of opinion that the handwritings were not alike. He said that he had not been able to find clear points of similarity in the handwritings of the two letters, on the ground of which it would have been possible for him to identify A.E.Ph. Wolfgang as the writer of the letter addressed to Sirhan B. Sirhan. Mr. Eskes, who also said that he was not convinced that A.E.Ph. Wolfgang had not written the letter to Sirhan B. Sirhan, said afterwards that he was all the same inclined to believe that Wolfgang was not the writer of the letter in question.

Further it should be mentioned that the writer of the letter in question says in his letter that his old boss came to him to ask him back to work on 1st June, 1968 and that his daughter, who is growing up fine, will be nine years old on the 6th of August.

Enquiries have however shown that Wolfgang has not changed employment and that his one and only daughter, who was born on 26th February, 1951, reached the age of seventeen on 26th February, 1968.

A.E.Ph. Wolfgang is not recorded in the criminal files of the Amsterdam Police, but records of Amsterdam Police Headquarters do show that in 1964 he was the subject of enquiries concerning letters written by him to Mrs. Tippit, the widow of an American police officer and to Mr. Alfred Krupp of Düsseldorf.

The results of these enquiries were reported in the usual manner to the relevant authorities.

A request for information about A.E.Ph. Wolfgang was also made in 1966 by the Special Agent of the Treasury Department of the United States Secret Service in Paris.

In connection with the above matter I, the reporting officer, saw the said A.E.Ph. Wolfgang at Amsterdam Police Headquarters on 14th October, 1968. He then stated to me for sure that he had not written the letter dated 5th May, 1968 and addressed to Sirhan B. Sirhan. He had no idea who might have written that letter. On being asked he said that he only knew Sirhan B. Sirhan from newspapers.

Finally I, the reporting officer, wish to state:-

1. that I have not been able to identify the writer of the letter dated 5th May, 1968 and addressed to Sirhan B. Sirhan;
2. that the enquiries into the matter have been made in cooperation with a colleague of the Special Branch of the Amsterdam Municipal Police;
3. that a copy of the letter dated 12th February, 1968 referred to hereinabove - this letter was returned to Wolfgang's employer on 15th October, 1968 - is attached hereto.

Amsterdam, 16th October, 1968.

Signed: D. Peereboom,

Detective-Constable 1st Class.

It was previously reported that SIRHAN BISHARA SIRHAN was acquainted with WALTER S. CROWE, JR., when both were attending Pasadena City College, Pasadena, California, in 1965. During interview of CROWE by Special Agents of the FBI on June 7, 1968, he admitted being active in the Students for a Democratic Society (SDS), at Pasadena City College in 1965. CROWE admitted having known SIRHAN since both were in the sixth grade in Pasadena, but that he and SIRHAN were not close friends. CROWE advised that SIRHAN did not support him in any of his clubs or activities and CROWE did not attempt to recruit SIRHAN into the Communist Party. CROWE further advised during the interview that he had not seen SIRHAN since May 1968.

The Communist Party has been designated by the Attorney General of the United States pursuant to Executive Order 10450. A characterization of SDS is as follows:

APPENDIXSTUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam, and to "radically transform" the university community, and provide for its complete control by students. GUS HALL, General Secretary, Communist Party, USA, when interviewed by a representative of United States International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us". At the June, 1965, SDS National Convention, an anti-communist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes", the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The national headquarters of this organization as of June 24, 1968, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

A source, who has furnished reliable information in the past, furnished the following information concerning the relationship between WALTER SHERRILL CROWE, JR. and SIRHAN BISHARA SIRHAN on January 23, 1969:

CROWE and SIRHAN were close friends during grade school and high school days to the point where they exchanged such things as phonograph records. During this period, CROWE was not a member of the Communist Party, but he was a socialist in his thinking.

Source advised that in May 1968, CROWE spent an evening with SIRHAN, and that following this meeting CROWE felt that SIRHAN had become stagnant and despondent and had not advanced in his political thinking. CROWE felt that because he, CROWE, had gone to college, he had progressed politically and intellectually, and that he and SIRHAN had nothing in common. CROWE told source that SIRHAN thought politically along Marxist lines in that he believed there is a ruling class and that imperialism does exist, but that SIRHAN was not a political activist. CROWE felt that SIRHAN was despondent because of the Arab problems, which SIRHAN blamed on United States support for Israel.

Source said that CROWE lived at his family's home, 1300 Topeka Street, Pasadena, California, following his graduation from the University of California at Los Angeles (UCLA), in the spring of 1968 until about June 10, 1968, when he moved into the cooperative at UCLA. CROWE stayed at the cooperative during the summer quarter of 1968, although he was not attending the university, and CROWE then returned to live at his family's home.

Source further advised that CROWE attended Communist Party meetings until October 1968. Source advised that CROWE did not attempt to recruit SIRHAN into the Communist Party at any time, and that SIRHAN never discussed Senator KENNEDY with CROWE.

Following are results of a polygraph examination
afforded WALTER SHERRILL CROWE, JR., by the Los Angeles,
California Police Department on July 8, 1968, under the
name of WALTER M. CROWE:

December 12, 1968

TO: Captain Hugh I. Brown
Commander, Homicide Division

FROM: Lieutenant Enrique Hernandez
SUS

SUBJECT: Polygraph Examination of Walter M. Crowe

POLYGRAPH EXAMINATION

Walter M. Crowe was administered a polygraph examination on July 8, 1968, in the polygraph facilities of the Scientific Investigation Division. The examiner was Lt. E. Hernandez #7101, who utilized a three-channel Stoelting instrumentation. The purpose of the examination was to determine any possible implication of Crowe with the assassination of Senator Kennedy or his possible knowledge of Sirhan's intention to shoot the Senator.

It has been established that Crowe and Sirhan met at Bob's Restaurant in Pasadena on the evening of May 2, 1968. Whether at that time and place Sirhan discussed his intention to shoot Senator Kennedy had to be resolved. Considerable time was spent with Crowe discussing the events and the conversation that took place on that evening. He recalled that they discussed the Arab-Israeli conflict and Sirhan asked questions about his political activities. Crowe informed him that during the years of 1966 and 1967 he became an active member of the Communist Party. He believes that he may have tried to interest Sirhan in the Party, but it appeared to him that Sirhan was "turned off" and the subject was later dropped.

Sirhan also mentioned that he wanted to become a millionaire and discussed horse racing. He related a fall that he had suffered while riding a horse in Corona, California.

Crowe described Sirhan as having racist attitudes. He was strongly anti-Jewish and made statements about considering Hitler a hero. He started discussing politics, saying that politics was part of his whole commitment in life and explained that Israel could not be defeated militarily in the Middle East. Crowe stated that he told Sirhan that in his mind Al Fatah had created a political movement among the Arab people in Israel giving them a political voice in their move to deZionize the Israeli state.

Much of this information was vague in Crowe's mind, but when he was specifically asked whether Sirhan mentioned Senator Kennedy on that evening, Crowe replied that it was possible Kennedy could have been mentioned, but he could not honestly remember. Crowe was then asked if he remembered Sirhan making any statement about eradicating, assassinating, shooting, bombing, or in any way eliminating anyone in political office in this country. Crowe responded in the negative. He said that to the best of his knowledge, Sirhan made no mention of eliminating anyone.

In reviewing with Crowe, he again stated that he could not remember, but that it was possible that Kennedy could have been mentioned, but definitely there was no mention by Sirhan about shooting Kennedy or assassinating Kennedy on that evening.

The instrument, theory and procedures to be followed during the course of the examination were reviewed with Crowe. He was given an opportunity to ask questions concerning the testing technique and then two polygrams were obtained to determine whether Crowe was a proper subject capable of being examined instrumentally. These control tests indicated that Crowe was responding physiologically to the controlled stimuli and that he was a proper subject fit for examination. Crowe was very cooperative, he followed instructions, and his attitude and demeanor were good. One zone control test was administered. This test contained the following 12 questions, seven of which were irrelevant questions and five of which were relevant to the issue of Senator Kennedy's assassination:

<u>QUESTION</u>	<u>ANSWER</u>
1. Is your true first name Walter?	Yes
2. Is your true last name Crowe?	Yes
3. If I ask you questions about Sirhan, will you tell me the truth?	Yes, sir.
4. Do you believe that I will be completely fair with you throughout this examination?	Yes
5. Between the ages of 20 and 21, do you remember lying to anyone about something very serious?	Delayed response. Answered, "It is possible."
6. When you talked with Sirhan, did he tell you he was planning to shoot Senator Kennedy?	No

<u>QUESTION</u>	<u>ANSWER</u>
7. Do you remember lying to a police officer about something important?	No
8. Did Sirhan ever tell you he was planning to shoot Kennedy?	No
9. Is there some other question that you are afraid I will ask you during this test?	Delayed answer. Yes
10. Are you withholding information about any pills or medicine that you have taken in the past eight hours?	Vodka
11. Do you know why Kennedy was shot?	No
12. To your knowledge was Sirhan a member of the Communist Party?	No

During the course of the examination, Crowe emitted deceptive physiological responses at points where Questions 3, 6 & 8, the crucial key questions, were asked. These responses are consistent with deception but could also be attributed to the psychological involvement of the subject. Specifically, such indices appeared when Crowe answered that Sirhan had never told him that he was planning to shoot Kennedy.

Upon conclusion of this series of questions, it was evident that the test would not continue satisfactorily until these issues were discussed with Crowe.

Crowe was advised that his responses to the key questions thus far, were indicative of either deception or guilty knowledge on his part. He expressed great concern over his feelings and admitted that he firmly believed he had cast a strong impression over Sirhan. His influence had, in Crowe's opinion, been a determining factor in Sirhan's decision to commit the assassination. Crowe was reminded that prior to being examined instrumentally on the polygraph he had stated that it was possible, but that he did not recall whether he and Sirhan had discussed Senator Kennedy on the evening of May 2, 1968. However, he was told that his responses definitely indicated that he did remember discussing Kennedy with Sirhan. Crowe replied by saying "Yes, there was conversation about Kennedy. God, I mean, he could have said something, you know 'Well, Walt, you know, "Walter, if somebody should shoot that bastard", and I'm afraid that you will ask me to what degree did I influence him." Crowe was questioned additionally concerning his acknowledged guilt feelings and other conversation that he may have had with Sirhan.

He related that he had discussed Al Fatah with Sirhan. He told Sirhan that the struggle inside Israel was going to be a long, long thing; that it was akin to a liberation struggle and would have to be resolved by war. He told Sirhan that Al Fatah had given the Arab people new morale. In discussing Al Fatah and their guerilla activities, Crowe felt that his statements could have put some terroristic ideas into Sirhan's head and Crowe speculates that due to Sirhan's actions and demeanor at that time, Sirhan could have seen himself as a revolutionary fighter and decided to commit his act.

At this point of the examination, Crowe requested the time. It was 10:30 p.m. Crowe said that he had decided not to discuss the matter further. He said that he felt it was against his interest to say anything further until he had time to consult with his attorney.

Ideally more questions should have been asked to acquire sufficient physiological tracings for adequate comparative evaluation. However, due to the circumstances, this could not be accomplished. There was no opportunity to ask questions pertaining to Crowe's personal involvement in the assassination, consequently there is no criteria on which to form an intelligent opinion as to any criminal participation on his part.

Based on the available polygrams, the only sound conclusion that can be reached is that Sirhan made some statement to Crowe regarding his intent to kill Senator Kennedy. Whether or not this was a casual statement or a detailed discussion cannot be ascertained from the test.

On October 25, 1968, Mr. FRANCIS DE BUDA was interviewed at his office at 8300 $\frac{1}{2}$ West 3rd Street, where he is self-employed as a consulting chemist, telephone number 653-4959.

Mr. DE BUDA advised as follows:

Early in 1968, probably about the middle of February he obtained an employee to assist him in his work through Employer's Clearing House located at Wilshire and La Brea streets, Los Angeles, California, telephone number WE 8-3785.

The employee obtained was a DONALD CLARK, who gave his address as 8464 Kirkwood Drive, Los Angeles, California, telephone number 654-2205.

CLARK worked only for two or three weeks and left his employment on the day Dr. MARTIN LUTHER KING was killed, or within a day or so afterwards.

Upon hearing of the assassination of Senator ROBERT F. KENNEDY in Los Angeles in early June 1968, he recalled that CLARK had asked him during his employment as to whether he knew SIRHAN SIRHAN. He (DE BUDA) replied, "The only saran I know is Saran Wrap". The fact that SIRHAN SIRHAN is an Arab prompted him to recall that CLARK, during the course of his employment had become aware that DE BUDA has a niece, DAWN CHATTY, living in the Los Angeles area and further that her father is an Arab.

He also recalled hearing CLARK speak to someone on the telephone after asking him if he knew SIRHAN SIRHAN to the effect that he (DE BUDA) did not know him (SIRHAN SIRHAN).

Date 12/20/68

CLIFFORD GILLILAND FLITTIE was interviewed at the Tulsa Resident Agency of the FBI. At the outset, he was advised of the identity of the interviewing Agents and of the purpose of the interview.

FLITTIE advised he could recall his conversation with NAOMI GROSS on June 5, 1968, while they were passengers in flight from Australia to the United States. He admitted he had made several unfavorable comments about the KENNEDY family, and in particular, about the late Senator ROBERT F. KENNEDY. He further admitted he had discussed with Miss GROSS the possibility of ROBERT KENNEDY being shot or shot at between then, June 5, 1968, and the Democratic National Convention in Chicago in August, 1968.

FLITTIE recalled having made a comment about sending a telegram to Senator EDWARD KENNEDY after hearing of the death of ROBERT KENNEDY to the effect, "After two, how about you?". He stated he could not recall whether or not he had actually written this on paper, but stated emphatically that he had no intention whatsoever of sending such a telegram to EDWARD KENNEDY. FLITTIE considered his remarks as "whiskey talk", claiming he had had several drinks during the flight, and added he believed he used bad judgment in making such comments.

FLITTIE explained he possessed no prior knowledge concerning the assassination of ROBERT KENNEDY, and considered it a shocking coincidence that the KENNEDY shooting should occur within an hour of his conversation with GROSS. He noted he is not acquainted with nor has he ever been introduced to any member of the KENNEDY family, and his remarks were not the result of some act committed by a member of the KENNEDY family against him.

He reiterated that he considered the KENNEDY family as "trash" and claimed that, in his opinion, the KENNEDYS' political policies directly resulted in irreparable damage to the welfare of the United States.

The "Los Angeles Times", daily Los Angeles newspaper, on December 7, 1968, contained an article captioned "Stolen and Forged Check May Have Been Cashed By Sirhan", on Page 1, Part II. The article indicated that a forged check stolen from a construction company was cashed in a grocery store in Corona, California, in November 1966, by a man believed to have been SIRHAN BISHARA SIRHAN. The alleged forgery, which was for \$81.57, indicated that SIRHAN's name had been typed onto a blank check, one of nine which had been stolen from the Altfillisch Construction Company. The article further indicated that at the time of the forgery, SIRHAN was working as an exercise boy at a ranch owned by the Altfillisch Construction Company.

Information was received from the Los Angeles Police Department on December 18, 1968, that investigation had been completed concerning a check bearing SIRHAN BISHARA SIRHAN's name which was passed in the Corona, California area in 1966. Investigation determined that KENNETH BLAY, a former employee of Altfillisch Construction Company had admitted stealing and endorsing the nine checks stolen from the Altfillisch Construction Company in 1966, one of them being under the name of SIRHAN BISHARA SIRHAN.

Mr. JOSEPH SALVATORE GUISTOLISE, a warehouseman employed by the Western Distributing Company, 2440 East 33th Street, Los Angeles, telephone 583-8761, and who resides at 15505 La Maica Street, Encino, California, telephone 789-7979, advised as follows:

Mr. GUISTOLISE said that he recalled discussing the Senator ROBERT F. KENNEDY assassination with Mr. JOSEPH LA HIVE, who represents the Jim Beam Liquor Distributing Company, and was aware that Mr. LA HIVE had been at the Ambassador Hotel in Los Angeles at the time of the shooting of Senator KENNEDY. Mr. GUISTOLISE said that he had mentioned to Mr. LA HIVE that a friend of his, a waiter, TONY MUNNO, employed at the Fiore D'Italia Restaurant, 14928 Ventura Boulevard, Sherman Oaks, California, had mentioned that another employee at this restaurant was thought to be a friend or acquaintance of SIRHAN SIRHAN.

Mr. GUISTOLISE said that approximately two months before Senator ROBERT F. KENNEDY was killed, TONY MUNNO had introduced the chef of the above restaurant to GUISTOLISE while at the restaurant. This chef was referred to as "Jimmy, the Cook", also as "the Albanian," a male Caucasian, about 30 to 35 years of age. The chef had stated that he had a friend who was interested in becoming a racetrack jockey, and inasmuch as GUISTOLISE had done part-time work at the racetrack parking cars, it was thought GUISTOLISE might assist the chef's friend. GUISTOLISE claimed that he was not in a position to aid the friend but would do what he could. The chef's friend was not identified and nothing ever came of the request.

Mr. GUISTOLISE related he had a faint recollection of discussing the Senator ROBERT F. KENNEDY assassination with MUNNO. He could not be sure, but thought MUNNO had mentioned something to the effect that, the chef's friend possibly knew SIRHAN SIRHAN.

On November 22, 1968, Mr. GUISTOLISE said that he had been thinking about the information he related on November 19, 1968, and discussing it with his wife and had reached the conclusion that Mr. MUNNO had not commented on or mentioned SIRHAN SIRHAN and that it had been speculation on the part of GUISTOLISE that the friend of the chef who wanted to be a jockey, might be a friend of SIRHAN SIRHAN. He claimed his only basis for this speculation was, "he just put two and two together."

Mr. TONY MUNNO, who is employed as a waiter at Fiore D'Italia Restaurant, 14928 Ventura Boulevard, Sherman Oaks, California, and who resides in the rear of this restaurant, telephone 783-9074, related the following:

Mr. MUNNO said that he recalled a discussion several months ago with a man he met at the restaurant whose first name was JOE and who had a long Italian last name. JOE's assistance had been sought to aid a friend of the chef of this restaurant, who was seeking a job as a racetrack jockey. JOE lived on La Madia Street in Encino, California, phone No. 789-7979, and worked as a warehouseman at the Western Distributing Company in Los Angeles. JOE also worked part time at local racetracks parking automobiles. Mr. MUNNO did not recall the exact date of the discussion but did recall the friend of the chef was living in the eastern part of the United States at the time. This friend has since come to California and is currently employed as the second chef at the Fiore D'Italia Restaurant.

Mr. MUNNO continued he could not pronounce the name of the chef or his friend. The chef was referred to as "JIMMY, the Cook" and was reportedly of Albanian descent. Mr. MUNNO had no recollection of any discussion with JOE regarding the chef's friend which in any way involved the assassination of Senator ROBERT F. KENNEDY or SIRHAN SIRHAN.

SKENDR KACANI, chef at the Fiore D'Italia Restaurant, 14923 Ventura Boulevard, Sherman Oaks, California, who lives in the rear of this address, phone number 733-9074, advised the following:

Mr. KACANI stated that he had a friend who is now the number two chef at this restaurant who had been interested in becoming a racetrack jockey prior to coming to California from "back East." His name is HUSEN GARROLI. Mr. KACANI said he recalled mentioning around the restaurant, prior to GARROLI coming to California, that the latter was interested in becoming a jockey. He had some faint recollection of TONY MUNNO, a waiter at this restaurant, introducing him to a man who worked at the racetrack, several months ago. His identity he could not recall, but thought he was a customer of the restaurant who might aid KACANI's friend in becoming a jockey. This was a very hazy recollection and he could not recall any details or descriptive data on the man in question.

Mr. KACANI said that he had never engaged in any discussion while seeking assistance for GARROLI as a jockey, which in any way involved SIRHAN SIRHAN or the shooting of Senator ROBERT F. KENNEDY. Mr. KACANI claimed that neither he nor his friend, Mr. GARROLI, had ever heard of SIRHAN SIRHAN until he was charged with the murder of Senator KENNEDY.

He had sought the assistance of a friend in California, SKENDAR KACANI, in trying to get lined up as a jockey at some racetrack prior to coming to California. KACANI was at the time and still is employed as the chef at the Fiore D'Italia Restaurant.

Mr. GARROLI continued that after arriving in California he secured his present job through KACANI and never made any further attempts to become a jockey. GARROLI said he had never known or ever heard of SIRHAN SIRHAN before the latter was charged with the shooting of Senator ROBERT F. KENNEDY.

The United States Secret Service Headquarters, Washington, D. C., on October 28, 1968, furnished FBI Headquarters, Washington, D. C., with a copy of a communication addressed to "Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C." The communication was allegedly sent by SHARIF BISHARA SIRHAN and postmarked at Pasadena, California, on October 22, 1968.

The return address was indicated as "Sharif B. Sirhan, 696 E. Howard Street, Pasadena, California", and the envelope was addressed to Mr. NIXON. The envelope contained a two-page letter beginning with "How do you justify taking one land from one people..." and ending with "For the sake of justice and the world peace, thank you".

This letter was forwarded to the FBI Laboratory for examination and the Laboratory has identified it as Qc35.

Additional writings of SHARIF and SAIDALLAH SIRHAN were obtained and forwarded to the FBI Laboratory for comparison purposes on November 15, 1968.

FBI File No. 62-587

Lab. No. D-681118133 AT

Specimens received 11/18/68

Kc25 Two receipts for welfare funds and four Pasadena Police forms bearing known signatures of SAIDALLAH SIRHAN

Kc26 Pasadena Police Department handwriting sample form bearing known handwriting and hand printing of SHARIEF B. SIRHAN

Result of examination:

The "Sharif B. Sirhan" signature on Qc35 is entirely too indistinct to permit suitable comparison with the writing on specimens Kc25 and Kc26. Therefore, a definite conclusion was not reached whether the signature on Qc35 was written by either of the writers of Kc25 and Kc26.

Kc25 and Kc26 are retained.
