# Notice To All Republicans

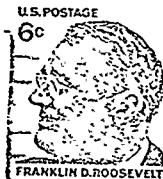

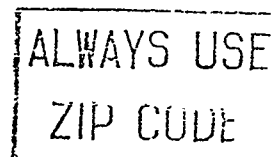

The hypnotized killer of Robert Kennedy had a woman with him. She can be traced to the Nixon, a camp. Ray did not kill Martin Luther King. It was George Andrews that shot him. George Andrews also shot J.F. Kennedy. His brother Jim Andrews shot J.D. Tippit in Dallas. Both Lee Oswald and Ray have been framed by a traitor J. Edgar Hoover who is a very good friend of Nixon.

The two Andrews are in Los Angeles County, California. They are related to six Davidson brothers who have killed W. Spencer and his son Chuck from Sacramento, because Spencer knew too much about Richard M. Nixon. Karl and George Davidson (twins) with three other brothers live around Los Angeles County, California. Nick Davidson the leader of the gang lives in Yuba City, California. Two stepbrothers Harold and Robert Ingersoll who have buried Mrs. Parker in an isolated place because she knew too much about Nixon, live around Marysville, California.

There will be no election this year. Instead there will be a civil war. Republicans members get ready to die.

Mrs. STELLA R. LEACH, 1277 Third Avenue, San Francisco, California, was interviewed in the office of Dr. DAVID J. TEPPER, 1920 East 14th Street, Oakland, California, where she is employed as an office nurse. She furnished the following information:

Mrs. LEACH attended a hearing of the United States Senate Sub-Committee on Indian Education which was held at the American Indian Center, 3053 16th Street, San Francisco, on January 5, 1968. The late Senator ROBERT F. KENNEDY was present during this hearing.

Mrs. LEACH was shown a group photograph taken at this hearing which included among others Senator ROBERT F. KENNEDY, Mrs. ROBERT L. RAWLINSON, and Mrs. LEACH. In this photograph, between Mrs. LEACH and Senator KENNEDY there appears a portion of the face of an unknown individual. Mrs. LEACH after studying this photograph advised that the unknown individual is not familiar to her and she has no idea who this person might be.

Mrs. LEACH was also shown three pictures of SIRHAN and stated she was unable to say whether the unknown individual mentioned above could be identical with SIRHAN. She also stated that she has no recollection of anyone attending the hearing who could have been identical with SIRHAN; however, she pointed out that approximately six hundred people were present at the hearing of which about 550 were American Indians. She did not see all of the persons who were present and therefore it is possible that SIRHAN could have attended without her having seen him.

DIETER W. BAYER, 1332 Grand Avenue, Pacifica, California, home telephone 355-0251, appeared at the San Francisco Office of the FBI with a reprint and said that he believed SIRHAN B. SIRHAN appears in the photograph of Page 4.

BAYER said he has been trying to contact GARY ALLEN in Los Angeles through the John Birch Society and has been unable to do so to date. He hoped that ALLEN would be able to reveal the source of the picture as the article does not show this.

BAYER further indicated that he is an amateur photographer and he enlarged this picture and is satisfied in his own mind that it is identical to SIRHAN.

BYER said that he obtained the reprint from a public source, stating that he is collecting articles on communism in this country. He is an escapee from East Germany and has been in this country since 1961.
