Mrs. R. H. (FRANCES M.) CLARK, 1890 Broadway, Apartment 606, furnished the following information:

Mrs. CLARK stayed at the Ambassador Hotel in Los Angeles from Friday, May 31, 1968, until June 8, 1968, when she returned to San Francisco. It is her custom to go to Los Angeles with her husband whenever he goes fishing in Mexico, and always stays at the Ambassador Hotel until his return from Mexico.

Mrs. CLARK was in her room at the hotel practically all of the time she was in Los Angeles. She was definitely in her room during the entire evening of June 4, 1968, and was watching the primary election returns on the television. It was while she was watching the television, that she learned the late Senator ROBERT F. KENNEDY had been shot at the Ambassador Hotel.

SIRHAN B. SIRHAN is not known to Mrs. CLARK. She does not recall seeing anyone around the hotel answering to his description and she has no reason to believe that any conspiracy was involved in the assassination of Senator KENNEDY.

WILSON went to Los Angeles, California on June 3, 1968, and checked into the Ambassador Hotel on that date in that city. He remained at the Ambassador until July 7, 1968, when he returned to San Francisco. He went to Los Angeles for the purpose of attending a seminar for hospital administrators which was held in Los Angeles from June 3 - 7, 1968.

On the night of June 4, 1968, he was in and about the main lobby of the Ambassador Hotel from about 8:00 p.m. to 10:00 p.m. He returned to his room and watched the primary election returns on television until early in the morning of June 5, 1968. It was while watching the television that he learned that the late Senator ROBERT F. KENNEDY had been shot in the Ambassador Hotel.

WILSON is not acquainted with SIRHAN B. SIRHAN and does not recall seeing anyone answering SIRHAN's description around the Ambassador Hotel and has no reason to believe that any conspiracy was involved in the assassination of Senator KENNEDY.

IRWIN (ERNIE) LEFF, Attorney, Darwin, Rosenthal and Leff, Suite 311, 68 Post Street, who resides at 178 27th Avenue, furnished the following information:

LEFF was in Los Angeles on business on June, 4, and 5, 1968. He stayed at a motel, name not recalled, near the Federal Building in Los Angeles, but was not registered at the Ambassador Hotel and did not stay at that hotel.

He was at the Ambassador Hotel on the evening of June 4, 1968, with IRVING and ANNE BERKOVITZ of Beverly Hills, California. ANNE BERKOVITZ was very active in the campaign of the late Senator ROBERT F. KENNEDY, and was working for his campaign headquarters in Southern California. To the best of his recollection, LEFF was in the Ambassador Hotel from about 6:00 p.m. until close to 10:30 p.m. on the evening of June 4, 1968. He returned to his motel upon leaving the Ambassador Hotel and stayed there the remainder of the night. He did not learn that Senator KENNEDY had been shot until the morning of June 5, 1968 while listening to the news in his motel room.

LEFF has no idea as to how it came about that his name is shown as a registered guest at the Ambassador Hotel on June 4, 1968, particularly in the name of ERNIE LEFF, inasmuch as he is known as ERNIE only to his close friends.

LEFF is not acquainted with SIRHAN B. SIRHAN and does not recall anyone at the Ambassador Hotel answering his description. He has no reason to believe that any conspiracy was involved in the assassination of Senator KENNEDY.

Miss ALICE N. SYKES, Administrative Assistant, Trust Department, Bank of America, 300 Montgomery Street, who resides at 275 Parker Avenue, Apartment 303, furnished the following information:

Miss SYKES worked on the staff of the KENNEDY for President Committee of Southern California, Los Angeles, California, for approximately ten days, up to and including June 4, 1968. She arrived in Los Angeles on May 24, 1968, at which time she registered at the Ambassador Hotel. She stayed at the Ambassador Hotel until the morning of June 5, 1968, when she checked out and then stayed with a friend, LESLIE GERWIN, 3031 Dannyhill, Van Nuys, California, until she returned to San Francisco on June 9, 1968.

During the night of June 4 - 5, 1968, SYKES was at the Ambassador Hotel and in and out of the various rooms where receptions were being held for the candidates involved in the primary elections on June 4, 1968. She was in the Embassy Room of the Ambassador Hotel standing to the right of the podium during the time that the late Senator ROBERT F. KENNEDY was making his victory speech just prior to midnight. When Senator KENNEDY left the podium and went out to the kitchen area behind the Embassy Room, SYKES was in the anteroom and recalls that just after Senator KENNEDY left the Embassy Room she heard some noises sounding like breaking glasses, but which she now thinks might have been the shots resulting in the death of Senator KENNEDY and injuries to other persons.

She was unable to see anything that happened from where she was and it was not until several minutes later that there was talk around the Embassy Room that Senator KENNEDY had been shot. About the same time, STEPHEN SMITH came into the Embassy Room, mounted the podium, and asked everyone to leave the Embassy Room. All of the above addresses are in the state
of California.

According to KING, the above individuals were all working to get out the voters in the San Francisco Bay Area on June 4, 1968, and were attending a victory party held in the California Hall in San Francisco on the night of June 4, 1968. He feels certain that none of these individuals were in Los Angeles, California on the night of June 4, 1968.

He could offer no specific explanations why the names of these individuals appeared as registered guests at the Ambassador Hotel in Los Angeles on June 4, 1968. He pointed out that it is a common practice during political campaigns to use the names of campaign employees or workers to pre-register for rooms in hotels. This is usually done to avoid having to wait in line to register and to obtain rooms for persons connected with campaign, who would most likely be bothered by members of the press or others if they were registered in rooms under their own names. He also pointed out that if it is important to know who used the names of those persons listed above, in registering rooms at the Ambassador Hotel, this could be determined by ascertaining who paid for the rooms, as in all probability the same person or organization paid for all the rooms involved.

LANSING LAMONT, National Political Correspondent,
Time Magazine interviewed instant.

LAMONT was in the Embassy Room, Ambassador Hotel
during victory speech of the late ROBERT F. KENNEDY on June 4-
5, 1968. Entered serving kitchen area, scene of shooting 2-3
minutes after and could furnish no pertinent information re
SIRHAN SIRHAN. FD 302's to follow.

Mr. LAMONT did advise that he had been in Los Angeles
3-5 weeks ago at a press conference held in the Ambassador
Hotel by Senator FRED HARRIS. At that time one of Senator
HARRIS' aides asked him if he had seen the photo taken of
Senator KENNEDY at San Francisco, California in December of
1967 when KENNEDY was in San Francisco holding a hearing concerning
the plight of American Indians. Senator KENNEDY is alleged to
have posed with one of the Indian delegates, possibly a woman
for the purposes of having a picture taken by another Indian
woman.

The pictures apparently were developed subsequent to the assassination and a person strongly resembling SIRHAN SIRHAN appears from behind and between Senator KENNEDY and the unidentified Indian who is posing with him.

Mr. LAMONT stated a woman identified as DOROTHY COULTER (ph) is alleged to have seen the photograph and knew the identity of the Indian woman who took the picture and owns the photograph was believed to reside in the outlying Los Angeles area.

LAMONT stated he visited an unrecalled woman employed at Disneyland Studios and viewed copies of the picture which he described as a snapshot size photocolor picture. He stated the face appearing between the Indian and the late Senator ROBERT F. KENNEDY does have a striking resemblance to SIRHAN SIRHAN; however, he believes possibly the chin appeared to be too round and "thrust out" compared to later photographs observed of SIRHAN SIRHAN. He said the face in the photos was partially obscured by shadows.

Mr. LAMONT stated he submitted the pertinent information pertaining to this possibly "new photo" to the Los Angeles Bureau Chief of Time, Mr. MARSHALL BERGESS. LAMONT believes possibly the original or copies of this snapshot has been submitted to the FBI, Los Angeles, and to the Los Angeles Police Department.

In the event Los Angeles does not have information regarding this snapshot taken in December of 1967 at Senator KENNEDY's Indian hearings.

Los Angeles should immediately contact Time, Inc., MARSHALL BERGESS, re the identities and whereabouts of DOROTHY COULTER (possibly affiliated with Vice-President HUBERT H. HUMPHREY Headquarters in LA) and the identity and whereabouts of the woman alleged to have taken the photograph.

Re airtel from LA, 9/9/68.

Enclosed for Seattle are a copy of reairtel and the photograph referred to therein.

Persons interviewed in connection with the investigation conducted in the San Francisco area have indicated that BILL BEAR is presently in the Seattle, Washington, area but they have no specific information through which he could be located.

ANTHONY GRECCO, Manager, Continental TV, Inc., 3300 Broadway, Oakland, California, has advised that WILLIAM BEAR was employed by him as a salesman for about two months. BEAR left without giving notice about the middle of August and has not been seen since by GRECCO. GRECCO in fact owes BEAR \$90 in commissions which he would be happy to pay him if BEAR would get in touch with him. Approximately six weeks ago GRECCO received a telephone call from a Muntz TV dealer in Seattle asking for references in regard to BEAR and indicated that BEAR was then employed by him. GRECCO does not recall the name of this dealer but stated he is probably the only Muntz TV dealer in Seattle.

Personnel records of Continental TV, Inc., contain the following descriptive information in regard to BEAR:

PATRICK MC KAY, 919 Minnesota, who is employed as a janitor at the American Indian Center (AIC) on 16th Street in San Francisco, furnished the following information:

MC KAY has been in San Francisco and employed at the AIC for the past five years and is fairly well acquainted with the American Indians who are active in Indian affairs in the San Francisco area.

He attended a hearing of the U. S. Senate Sub-Committee on January 5, 1968 at the AIC. He pointed out that practically all of the persons in attendance at this meeting were American Indians and that many of them came from parts of California outside the San Francisco Bay Area and were not known to him.

MC KAY was shown a group picture taken at the hearing, which included the late Senator ROBERT F. KENNEDY and Mrs. STELLA R. LEACH. In this picture, between Senator KENNEDY and Mrs. LEACH appears the portion of the face of an unknown individual. MC KAY advised that he cannot say whether he knows this individual as there isn't enough of his face showing for him to be able to recognize the person.

A picture of SIRHAN B. SIRHAN was shown to MC KAY and he remarked that he had seen pictures of SIRHAN in the newspapers and on television following the shooting of Senator KENNEDY in Los Angeles, California. He went on to say that he does not recall seeing anyone at the hearing who might have been identical with SIRHAN.

MELVIN V. FERGUSON was interviewed at his residence, 2410 Mountain View Street. He advised that he is also known as BUD.

FERGUSON purchased a 1968 Pontiac Bonneville two-door hardtop during the first part of 1968. He pointed out this vehicle parked on the driveway of his residence. The vehicle is white over turquoise and bears California license WHU 991.

Mr. FERGUSON stated that this vehicle has never been in the city of San Francisco and that he has never allowed anyone to borrow the car, even for a short period of time. Mr. FERGUSON stated that his wife has driven the car on short local trips such as to the grocery store, but that she has never driven the car out of the city of Concord.

FERGUSON stated that he is a heavy equipment operator and that during the past summer, he worked for Piombo Construction Company of San Carlos, California. His job was driving a large "cat" in a dirt moving job on a golf course by two small lakes west of San Mateo College. His job foreman was RED HARRIS.

When asked of his whereabouts on June 29, 1968, FERGUSON advised that on June 17, 1968, while working on a car in a parking space located at 1115 Virginia Court, Concord, where he formerly resided, the car fell from a bumper jack and crushed his chest. FERGUSON was off work from that date until July 15, 1968, under the care of Dr. MARTINO and Dr. ELDREDGE, both of Concord. He said that he was not allowed to drive a car during this time and, in fact, was not capable of operating a car due to extensive damage to his right shoulder, rib cage, and lung as a result of the accident.

FERGUSON stated that the name of JERRY OWEN is not familiar to him and that he does not know a Mr. HARDESTER. He has never intentionally tried to run any person off of any road and that he has not been involved in any "near accidents" recently in which anyone might gain the impression that he was trying to "run them off the road". FERGUSON was at a complete

On October 17, 1968, Mrs. MURIEL CURYEA, 2124 Rock Ave., Apt. 8, was contacted as a result of her telephone call to Channel 7, concerning anonymous telephone calls received by her with regard to the murder of Senator KENNEDY.

She insisted she had received anonymous calls the day before in which the caller said "You know who killed BOBBY KENNEDY and we will get you next."

Mrs. CURYEA said she formerly worked for Senator SYMINGTON and was well acquainted with JACK and BOBBY KENNEDY. She said she knew who killed BOBBY KENNEDY but was afraid to tell. Finally she said she would tell and said that FIDEL CASTRO was the killer. She said he shaved off his beard and sneaked into this country and hired SIRHAN SIRHAN to do the actual shooting.

Mrs. CURYEA appeared to be extremely emotional and upset and mentally unstable. She did not make any sense and her conversation was vague and unintelligible.

RECOMMENDATION: No further action in view of mental condition of CURYEA.

Mrs. DALE (NORMA) MORGAN, 803 Oregon, furnished the following information:

Mrs. MORGAN, who formerly resided at 22101 Moross, Detroit, Michigan, went to Los Angeles, California, with her husband, in early June, 1968. As best she recalls, they arrived in Los Angeles on June 2, 1968, and stayed at the Ambassador Hotel in one of the cottages on the grounds of the Hotel from June 2, 1968, through June 6, 1968.

To the best of her recollection, on the night of June 4 - 5, 1968, she and her husband went to dinner in one of the rooms of the Hotel where the dinner is served buffet style. They went to dinner early in the evening and after dinner, went out into the courtyard of the Hotel and watched the various celebrities attending a political rally which was going on in the courtyard. At about 9:30 PM or 10:00 PM, they went to their room, watched television for a few minutes, and then retired. They were awakened sometime shortly after midnight by sirens in the vicinity. Her husband got up and turned on the television set. At that time they learned that Senator KENNEDY had been shot while attending a victory celebration at the Ambassador Hotel.

Mrs. MORGAN is not acquainted with SIRHAN SIRHAN and does not recall seeing anyone around the Hotel who would have answered his description. She also observed nothing and saw nothing which would in any indicate to her that any conspiracy existed in connection with the shooting of Senator KENNEDY.
