 RE: KENSALT

On 6/17/68, Mr. EDWARD GREEN, Hickory Lane, Binghamton, N.Y., furnished the following information:

He graduated from St. Gregory's College, Shawnee, Oklahoma, a two-year school, during the first week of June, 1968, and returned to his parents' home in Binghamton, N.Y. On a Sunday night in May, 1968, possibly 5/12 or 5/19/68, television comedian DICK GREGORY was on the campus of St. Gregory's College giving a talk at the gymnasium and GREEN heard part of it. After GREGORY's talk, he went to the Commons and spoke to a large group of students numbering about 150, according to GREEN, and GREEN walked in during the middle of this talk by GREGORY.

GREGORY made some comment about Mayor LINDSEY of New York and Sen. KENNEDY of N.Y., would be shot before the election. GREEN did not hear the entire talk, but on the following day discussed it with 2 of his classmates, GREGORY SMITH, 119-18 232nd St., Cambria Heights, N.Y., telephone 528-2924, and CHARLES SHIRO, 100 Ludlow Ave., Spring Lake, N.J., 449-7828.

GREEN stated he personally did not hear GREGORY make the statement, but did hear a student question GREGORY about what GREGORY had just said, and GREGORY replied that he had received the information from a reliable source. GREEN

is certain it had something to do with Sen. KENNEDY and Mayor LINDSEY, and the comment was made by GREGORY that they would be shot before the election. During the discussion the following morning, GREGORY SMITH stated he had heard the entire talk and commented that GREGORY allegedly said either Mayor LINDSEY or Sen. KENNEDY would be shot.

GREEN stated he left the campus in Shawnee, Oklahoma, a few days before the assassination of Sen. KENNEDY and was enroute to his home in Binghamton, N.Y., when he heard the news of the assassination. Therefore, he does not know what reaction took place on the college campus after the assassination. He said he felt that there was somewhere between 100 and 200 students, in the Commons Meeting Hall when GREGORY allegedly made his statement.

Albany indices contain no information regarding this incident and it is being furnished to the Oklahoma City Office for action deemed advisable by OC. No further investigation being conducted by Albany Office.

Information copy being submitted to Chicago inasmuch as they are OO re DICK GREGORY.

**POSSIBLE BOMBING OF ISRAELI
CONSULATE, 936 NORTH MICHIGAN
AVENUE, CHICAGO, ILLINOIS, AND
JEWISH FEDERATION OF METROPOLITAN
CHICAGO, 1 SOUTH FRANKLIN,
CHICAGO, ILLINOIS**

CG T-1 advised a representative of the Federal Bureau of Investigation (FBI) on June 17 and 18, 1968, that there are several Jordanian nationals who are presently planning to bomb the Jewish Federation of Metropolitan Chicago, 1 South Franklin, Chicago, Illinois, and who are also planning to assassinate Israeli Consul Yolan Ranannon, 936 North Michigan Avenue, Chicago, Illinois. Source advised that this group of Jordanian nationals includes Yaser Abu Mayaleh who resides at 5326 South Aberdeen Avenue, Chicago, Illinois, and who operates a grocery store at 73rd Street and Jeffrey Avenue, Chicago, Illinois. Source stated that this grocery store has telephone number 288-9786. Source also stated that one Mohammond Ali Shami is in this group and he also resides at 5326 South Aberdeen Avenue, Chicago, Illinois, with Mayaleh. Source said that Shami is also known as Mike and was a former welfare official of the Jordanian Government who was visiting in the United States in early June, 1967, when the Arab-Israeli War again broke out. Source stated that Shami is very interested in returning to his native land, but due to the present political turmoil in Jordan has been unable to do so. Source stated that Shami operates the Calumet Foods grocery store at 61st Street and Calumet Avenue, Chicago, Illinois, with a Jordanian partner named "Ishauq." Source stated that "Ishauq" resides somewhere on 55th Street in Chicago, Illinois, and like Shami was in the United States on a Visitor's Visa in June, 1967, and is also unable to return to his native Jordan because of the political situation there. Source stated that both Shami and "Ishauq" have been in contact with the Israeli Consulate in Chicago, Illinois, in order to return to Jordan and source believes that the section of Jordan in which Shami and "Ishauq" live is now occupied by the Israeli Army. Source stated that he is also acquainted with one Ali Baghdadi, who is President of the Organization of Arab Students and who appears to be the leader of the

Jordanian community in the Chicago, Illinois area. Source stated Baghdadi is an employee of the Western Electric Company and might be in contact with an unnamed source who supplies Baghdadi and other Jordanians with funds.

CG T-1 advised that around the middle of May, 1968, this group of Jordanians began to express extreme hostility towards the Israeli Government and to American citizens of Jewish ancestry in the Chicago, Illinois area. Source said that this was caused by these Jordanians learning that an important Israeli Government official was in the United States and the Jordanians hit upon the idea of assassinating an Israeli official. Source stated further that at this time some of the Jordanians drove to the Jewish Federation of Metropolitan Chicago at 1 South Franklin Street, Chicago, Illinois to see the building and to assess the possibility of its being dynamited. CG T-1 advised that since that time these Jordanians have been attempting to procure dynamite in order to destroy the Jewish Federation Building at 1 South Franklin and they have also spoken of assassinating the Israeli Consul when there is another important Israeli official in Chicago, Illinois. Source stated that these Jordanians ceased talking about these plans after approximately one week and remained quiet until the shooting of Senator Robert F. Kennedy of New York, on June 5, 1968. Source said that since that time these three Jordanians, and several others whom he does not know, have talked of nothing else but the commission of acts of terror in the Chicago, Illinois area; specifically, the dynamiting of the Jewish Federation at 1 South Franklin, Chicago, Illinois, and the assassination of the Israeli Consul in Chicago. Source stated that to the best of his knowledge, Shami has already been in physical contact with the Israeli Consul in Chicago trying to obtain permission to return to his section of Jordan. Source also stated that he has been told by these Jordanians that they, the Jordanians, have the ability to obtain automatic rifles from a source in Milwaukee, Wisconsin. CG T-1 stated that this source in Milwaukee, Wisconsin is quite probably a Jordanian and must definitely be an Arab national. Source has no knowledge of the identity of this person in Milwaukee.

**POSSIBLE BOMBING OF ISRAELI CONSULATE,
936 NORTH MICHIGAN AVENUE, CHICAGO, ILLINOIS,
AND JEWISH FEDERATION OF METROPOLITAN CHICAGO,
1 SOUTH FRANKLIN, CHICAGO, ILLINOIS**

CG T-1 advised that no definite dates have been set for any act of terror by these Jordanians that he is aware of. Source stated that it is his own personal unsubstantiated belief that they may strike on June 28, 1968, at which time Sirhan Sirhan is scheduled for court. Source stated that these Jordanians look upon Sirhan as a hero and have expressed their willingness to commit an assassination in the same manner as Sirhan did. Source said that this group speaks highly of the communists and has expressed deep hostility towards unnamed U.S. Government officials. Source stated that in his opinion, these Jordanians would not hesitate to commit an attack upon a U.S. Government official although he has not heard of any specific plans to do so.

CG T-1 has advised that a person he knows only by the last name of Nasser is also connected in some manner with this group. Source stated that Nasser is a Jordanian national who resides at 1330 East 63rd Street, Chicago, Illinois, and source stated that Nasser is in his late 30's, is very pro-Jordan in his political beliefs and is also extremely anti-Israeli.

FEDERAL BUREAU OF INVESTIGATION

Date 6/19/68

DAVE MURRAY, Reporter, "Chicago Sun Times" Daily Newspaper, was interviewed at the offices of the newspaper, 400 North Wabash Avenue.

He related that he was present in the Embassy Room of the Ambassador Hotel, Los Angeles, at the time of the assassination of Senator ROBERT F. KENNEDY. He stated that immediately after making his short victory speech, Senator ROBERT F. KENNEDY was scheduled to go to the Colonial Room within the hotel for an interview by newspaper and periodical correspondents. He related that the Colonial Room had been set up as a press room. He said the Embassy Room was extremely crowded and although this was hearsay he heard that Senator ROBERT F. KENNEDY took the route he did; that is, through the kitchen, in order to avoid the crush of the crowd in the Embassy Room. He stated that Senator ROBERT F. KENNEDY appeared extremely tired, the corridor he normally would have taken from the Embassy Room to the Colonial Room was extremely crowded with people, and he believes Senator ROBERT F. KENNEDY's aides probably decided to go through the kitchen to get to the Colonial Room so he would not be mobbed by the crowd. He stated in this regard that DICK DRAYNE, Press Secretary to Senator EDWARD F. KENNEDY, who was working for Senator ROBERT F. KENNEDY in Los Angeles as a press aide, might know why Senator ROBERT F. KENNEDY took the route he did which culminated in his assassination in the kitchen. MURRAY believed that DRAYNE may be able to at least shed some light on who made the decision to take this route or possibly why it was taken. He said DRAYNE can be located through the Office of Senator EDWARD F. KENNEDY in Washington, D. C.

Regarding other Chicago newspaper correspondents present at the Ambassador Hotel at the time of the assassination, he related that he believes there were no Chicago based correspondents at the hotel. He said that BOB ROSE of Los Angeles is the west coast representative of the "Chicago Daily News" and while he did not see ROSE at the Ambassador Hotel, he did see him at the hospital to which Senator ROBERT F. KENNEDY was taken. He said ROSE can be located in Los Angeles through the

wire services or any of the Los Angeles newspapers. He further related that SY KORMAN is the west coast representative of the "Chicago Daily Tribune" and while he did not see KORMAN at the Ambassador Hotel, he feels quite certain that KORMAN was, in fact, present at the hotel. He related that KORMAN can be located through the wire services or any of the Los Angeles newspapers.

In addition to the foregoing, he stated that TOM LITTLEWOOD, Washington Correspondent of the "Chicago Sun Times", was also present at the hotel at the time of the assassination and he resides in Washington, D. C.

MURRAY said that he did not observe SIRHAN prior to the time of the assassination. The first time he saw SIRHAN was after the shooting in the kitchen when RAFAEL JOHNSON and ROSIE GREER had SIRHAN flattened out on a table and were attempting to wrest the gun away from him. He said that at this time the gun was waving wildly and the confusion was extreme. He said by way of reiteration that he believed Senator ROBERT F. KENNEDY had not changed his plans to go to the Ambassador room, but merely his method of going to the Colonial Room in order to avoid the crowd in the Embassy Room. He did state, however, that this is hearsay and he has no actual knowledge this was the case.

Re Albany airtel to Bureau, 6/18/68.

On 6/20/68, Father VINCENT TRAYNOR, Dean of Students, St. Gregory's College, Shawnee, Oklahoma, advised SA J. ROBINSON FIELD that DICK GREGORY appeared before the student body as a speaker on Sunday night, May 19, 1968. He advised that as Chairman of the Invitation Committee, he was on the speakers platform at the time GREGORY spoke and that GREGORY said nothing during his speech indicating an attempt would be made on the life of anyone.

On 6/20/68, Father DENIS STATHAM, Instructor, St. Gregory's College, advised SA FIELD that he attended a question and answer session in which students participated with GREGORY following his principal speech on May 19, 1968 and during that period GREGORY stated that one of the major political candidates would be (or probably would be) shot before the election. He stated that GREGORY appeared to have no particular source or authority for this statement, that it was not made in answer to a question and he believed it to be a statement made by GREGORY only as a possibility.

[REDACTED] (Protect) who has furnished reliable information in the past advised on June 5, 1968, that it is too early to tell what will happen because of the Woodlawn Organization Program pulling out of the area. As of now the Blackstone Rangers have made no comments or formulated action as to the action that will be taken because of the Woodlawn Organization pulling out of the area. He also stated that several agencies such as the Illinois State Employment Service and an organization from Mayor DALEY's Office are trying to help some of the Woodlawn Organization participants get jobs. He also stated that as far as he is concerned this will not be a solution as most of the Blackstone Rangers will not take a job.

[REDACTED] advised that the Rangers have stepped up their recruiting activities as indicated by the increase in the number of assaults and battery crimes that have occurred in the area the past couple of weeks.

[REDACTED] also advised on this date that he did not think the KENNEDY assassination would set off any mass riots or disturbances in Chicago because it did not happen here and because KENNEDY is not one of them (namely, a member of the black race).

DOTY who has furnished reliable information in the past, advised on June 7, 1968, that he and his co-workers took JEFF FORT and the Blackstone Rangers to the Pleasant Valley Farm near Woodstock, Illinois, on June 4 and 5, 1968, in an effort to sit down with them and work out some of the problems which exist due to inter-gang rivalry on Chicago's south side.

DOTY stated that JEFF FORT was to report to Washington under subpoena sometime within the next week or two and that EUGENE HAIRSTON is out under \$15,000 bond, instant bond being put up by the Kettering Foundation.

DOTY stated that while at the Pleasant Valley Farm JEFF FORT indicated that the leaders of the Blackstone Rangers would like to work more with youth action, which DOTY heads.

DOTY advised that as far as he can determine there would be no incidents or disturbances or riots developing out of Senator KENNEDY's assassination.

He also indicated that he found out from JEFF that the Blackstone Rangers now have an interest in a cleaning establishment located at 63rd and Dorchester.
