Editorial on Communism
Fri June 2 10:30 P.M.

An individual freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp (We. — the leaders — Want to be in power and ~~legislate~~ decree as we please and ~~also~~ what ever is materially expedient to us and our families — at your cost. Should you dissent, we will find some means to kill you — (~~for~~ economically — socially — ~~pol~~ politically — etc) We will use some of the loopholes — that we have constructed in our legislation, (which by the way we established with or without your ~~title~~ ^{concept} — even tho we tell you that you live in a democracy where the people decide on all important matters ~~con~~ that concern them, not their appointees in Congress (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of)

2025 RELEASE UNDER E.O. 14176

A List of Grievances against U. S. and its decade of "Freedom and Justice for all"

Definitions: For Webster's Dic.

Freedom: "...a being free, a political Liberty, a being ^{able} to act, use, etc, without hindrance, frankness.

Justice: A being righteous, fair, rightfulness - the use of authority to uphold what is right.

The administration of law. do Justice, to treat fairly as with due appreciation

personal def. of

(per a citizen of U.S)

① Freedom is but an imaginary and an elusive concept ~~granted the American people~~ of political life granted the American, sheep like bourgeois raises, by their selfish, (capitalistically permissible) sinister, and power hungry (whether democratically given to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~also~~ lobbyists) who are ~~also~~ in turn treated the same way - by lesser power hungry (political + economic), patriotic understate individuals (bastards)

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that ~~then~~ generate ~~in~~ within me

the author believes that
many in fact multitudes of people
are in harmony with his
thoughts and feelings

the conflict and violence in the
world subsequent to the ~~en~~
enforcement of this decree
shall not be considered lightly
by the ~~author~~ ^{author} of this
memorial ~~author~~ ^{author} to hope

that they be the initiatory
military steps to WWII -

the author expresses his
wishes very bluntly that the
wants to be recorded in history
as the man who ~~triggered~~ ^{ended}
the last war -
