A List of Grievances against U.S. and its decade of "Freedom and Justice for all"

Definitions: Webster's Die.

Freedom: "a being free, a political Liberty, a being ^{able} to act, use, etc., without hindrance, frankness.

Justice: A being righteous, fair, rightfulness -

the use of authority to uphold what is right.

The administration of law do Justice, to treat fairly as with due appreciation

personal def. of

per a citizen of U.S

My line of thought in this presentation is not steady in flow - due to the multiplicity of grievances and charged emotions that generate in me.

- ① Freedom is but an imaginary and an allusive concept ~~granted the American people~~ of political life: granted the American, sheep like bourgeois masses, by their selfish, (capitalistically permissible) sinister, and power hungry (whether democratically ajunct to them or not is immaterial) overlords - (who are bribed, paid homage to, and toyed with by ~~also~~ lobbyists) who are in turn treated the same way - by lesser power hungry (political + economic), patriotic understated individuals (bastards)

Editorial on Geo. F. ...
Fri June 2 10:30 P.M.

An individual's freedom of speech is guaranteed as long as he remains aligned, ~~is~~ and in accord with what his decadent leaders want him to be exp (We - the leaders - want to be in power and ~~legislate~~ decree as we please and as to what ever is materially expedient to us and our families - at your cost. Should you dissent, we will find some means to kill you - (~~for~~ economically - socially - ~~pol~~ politically - etc) We will use some of the loop-holes - that we have constructed in our legislation, (which by the way - we established with or without your ^{concept} ~~total~~ - even tho we tell you that you live in a democracy where the people decide on all important matters ~~con~~ that concern them; not their appointees in Congress (the No. 1 clique in degeneration and stagnation and decadence which incidentally we are proud of)

A Declaration Against America
when in the name of human events
it has become necessary for me to
take arms and seek revenge for all the
inhuman ~~crimes~~ crimes committed

against me by the American people.
The manifestation of this Declaration will
be presented by its supporter (a)
as soon as he is able to forward
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~the~~ the President, Vice
etc - down the list.

The time will be chosen by the
author at the convenience of the
accused.

that they be the initiatory
military steps to WWII -
the author expresses his
wishes very bluntly that he
wants to be recorded by history
as the man who triggered off
the last war.

Whatever may be said in praise of poverty, the fact remains that it is not possible to live a really complete or successful life unless one is rich. Unless one is rich is rich.
