SHERIFF RELEASES PHOTO OF SIRHAN JAIL CELL

In response to many requests for pictures of the custodial facilities in which Sirhan B. Sirhan, the accused assassin of Senator Robert F. Kennedy, is being detained, Sheriff Peter J. Pitchess today released a photograph of the Sirhan security facilities.

The left half of the photograph, under the numeral 2, depicts Sirhan's general living quarters. This portion of his "cell within a cell" is furnished with a permanent steel cot with mattress, porcelain wash basin and a polished metal mirror. To the right, beneath the number 1, is the portion of Sirhan's jail quarters which contain his necessary sanitary facilities. In the foreground, immediately behind the security bars is a corridor in which Sirhan is permitted to exercise daily. Both ends of this corridor are enclosed.

In commenting on the photograph, Pitchess stated: "The facilities in which Sirhan B. Sirhan is housed are typical of those facilities which are, or have been provided for any other inmate who constitutes an extreme security hazard."
