Justice: A being righteous, fair, rightfulness - the use of authority to uphold what is right.

The administration of law. do Justice, to treat fairly as with due appreciation.

A Declaration Against Crime
when in the course of human events
it has become necessary for me to
equalize and seek revenge for all the
inhuman treatments ~~that I have~~
~~received~~ by those who committed
against me by the American people.

the manifestation of this Declaration will
be executed by its purport (a)
as soon as he is able to command
a sum of money (\$2,000) and to
acquire some firearms - the specifications
of which have not been established
yet.

The victims of the party in favor
of this declaration will be or are
now - ~~in~~ the President, Vice,
etc - down the ladder.

The time will be chosen by the
author at the convenience of the
accused.

the method of assault is immater-

weapon used should influence
it somehow.
