

Q1 50
FBI

Individuality is the necessary complement of the Universal Spirit which was the subject of our consideration last Sunday - The whole problem of life consists in finding the true relation of the individual to the universal Originating Spirit and the first step towards ascertaining this is to realize what the Universal Spirit must be in itself, we have already done this to a certain extent and the conclusions we have arrived at are:-

that the essence of the spirit is life,
love, and beauty
