MEMORANDUM FOR THE RECORD

SUBJECT: Status of Stanford Research Institute
Research in Parapsychology

While discussing the status of the OTS nine month overdue SRI report on parapsychology, information on their research was given by Dr. H. Puthoff. Dr. Lucky, a well known Bell Telephone Laboratory information theorist, inform Mr. Targ and Dr. Puthoff their invited review paper on parapsychology was favorably reviewed and will be published in March 1976 Proceeding of the Institute of Electrical and Electronic Engineers. Dr. Freund, from the Naval Electronics System Command, increased the scope of their current contract by \$27,000 to investigate some paranormal interactions with magnetometers. The Naval Coastal System Laboratory in Panama, Florida is considering a third contract. The SRI research parapsychology effort is fully funded until next Summer according to Puthoff.
