Captain A. M. Hubbard  
Stanford Research Institute  
333 Ravenswood Avenue  
Menlo Park, California 94025

Dear Captain Hubbard:

Quite frankly, we are somewhat confused about your interests. Your inquiry concerning psychic phenomena, coupled with later references to a power situation you and Dr. Harman have been discussing, has caused some complications in developing a thoughtful response. Meanwhile, Dr. Thomas C. Thomas has phoned me on your behalf. If you and your colleagues wish to forward some clarification of your interests, I will be happy to have my associates here review and advise.

Sincerely,

SG1f
