Dear Admiral Davies:

Enclosed are two papers we published with regard to a developing "technology" that we think has been brought to a stage where it might be applied to problems of concern to your agency.

Should this material be of interest, we can supply further data at the SI/SAO level, and arrange for briefings by ourselves and by members of our client community.

With best regards,

H. E. Puthoff, Ph.D.
Senior Research Engineer
Radio Physics Laboratory
